175 J shocked right arm convulses

J topples backward

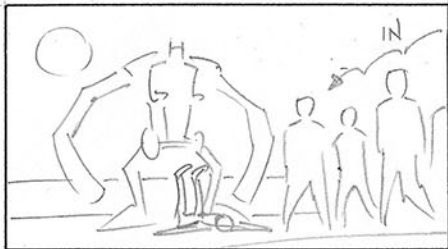

Frozen smile - PLOP (Others in BG)

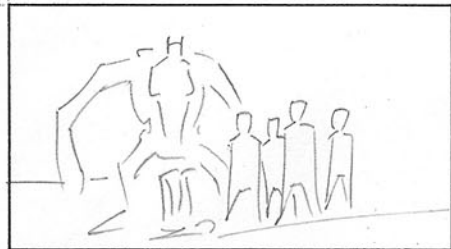

176 BM: A good comedian knows when to get off the stage, Joker.

177 BM: Thanks for looking after Gotham while I was... indisposed.

This exo-suit will allow me to remain in action

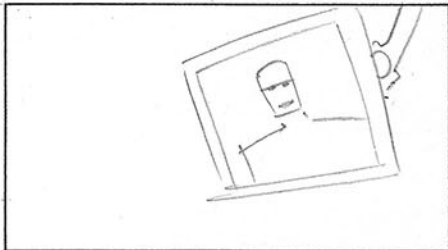

—until my body heals.
178 AM: Speaking of healing—

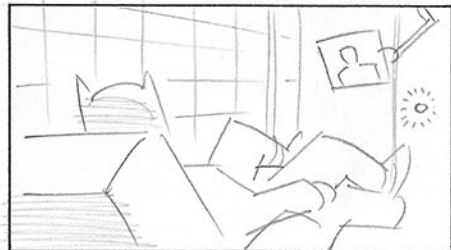

—how did you get away from Manhunter?

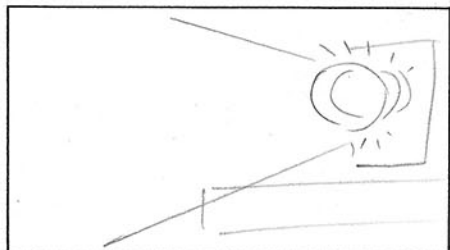

(cock eyebrow)

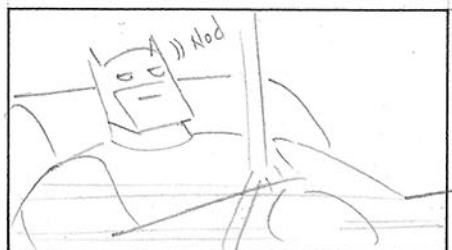

Start on screen

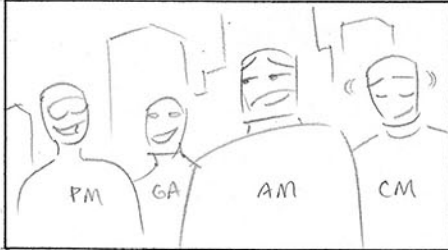

T.O. to see BM in bed
179 MM: And that's how I prevailed in the third campaign of H'ronmeer.

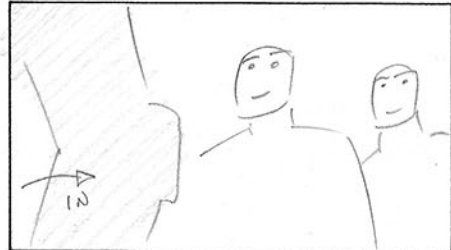

Close on holo-projector
(VO) But the fourth... oh, ho

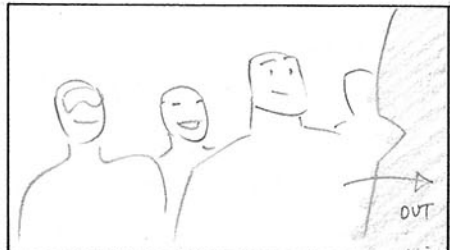

On holo-BM—add subtle flickering
—now that is a real hunderger...

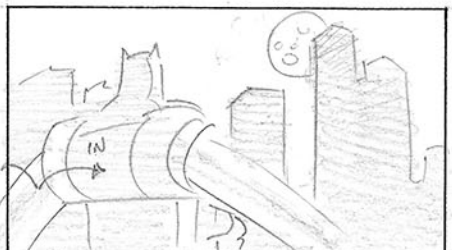

181 BM/VO 'Now, I appreciate

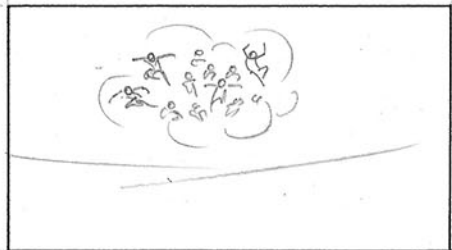

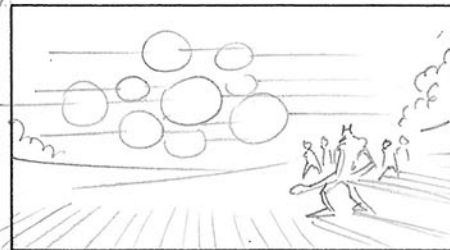

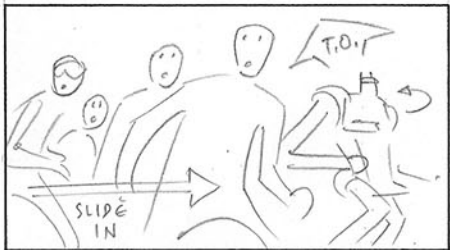

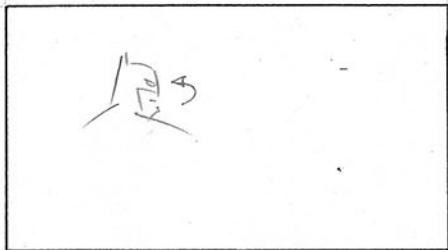

—the gesture

—my friends...

—but for Gotham, there is only ONE Batman

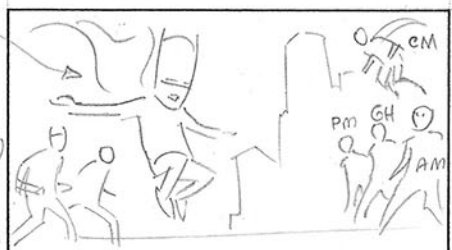

SFX - BOOM BOOM

etc

Rifts opening

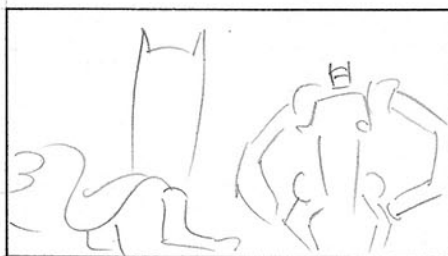

Batman emerge

↳ Pan

182 BIBM: Heard you needed some help.

Please indicate if there are some of these you want to be most prominent

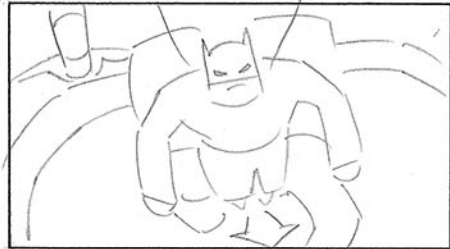

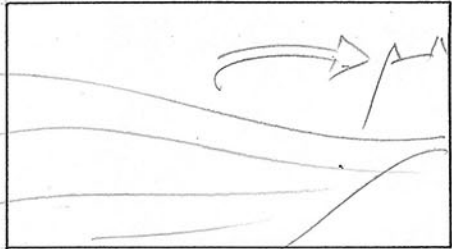

Would have been here sooner

-but wormholes are tricky business.

183 BM: Sigh...

OK, but just for tonight.

Start FWD, then FREEZE

Fast T.O. for big end shot
NOTE: IF we do an alt with the normal B&B design in center, it can probably be put to use for other things...
