(65) S: What is happening to my lab?

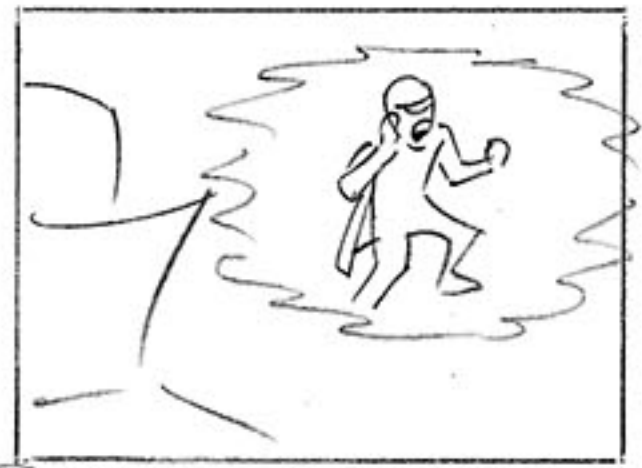

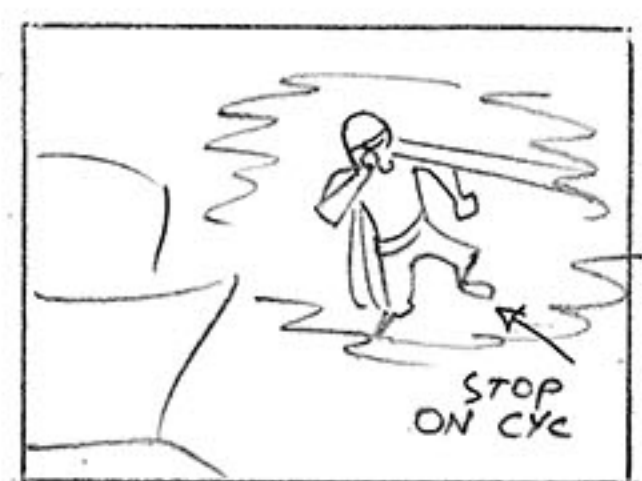

66 AL: It's Cyclops!
He's destroying everything!

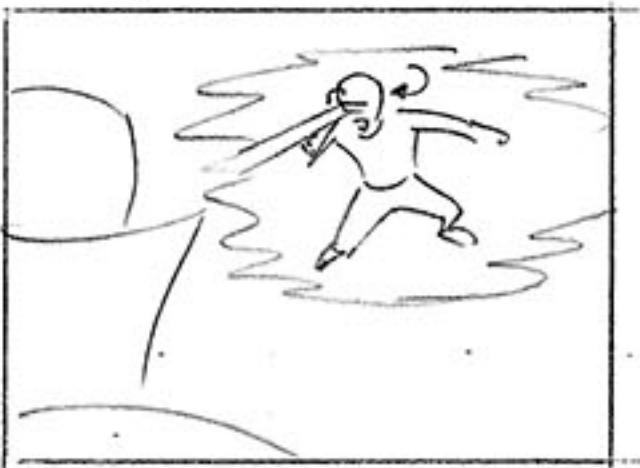

There's nothing I can
do! It's all gone!

67 S: You are
responsible!

68 C: What have you
done with Jean?

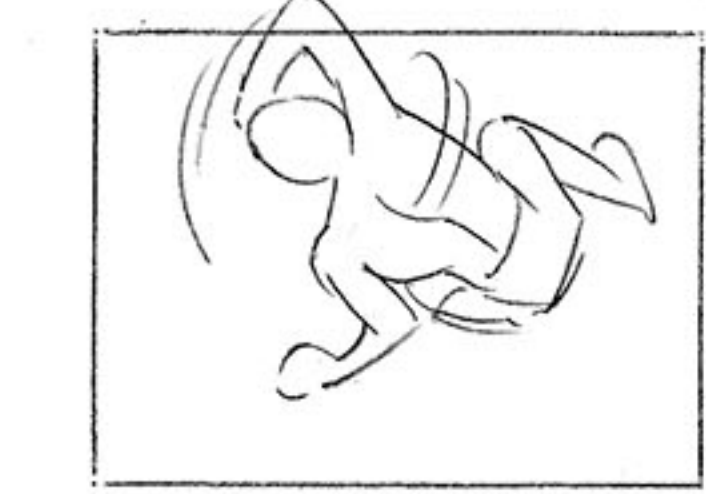

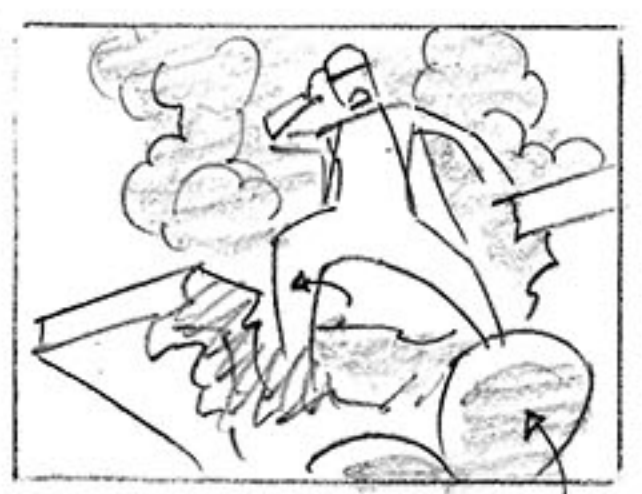

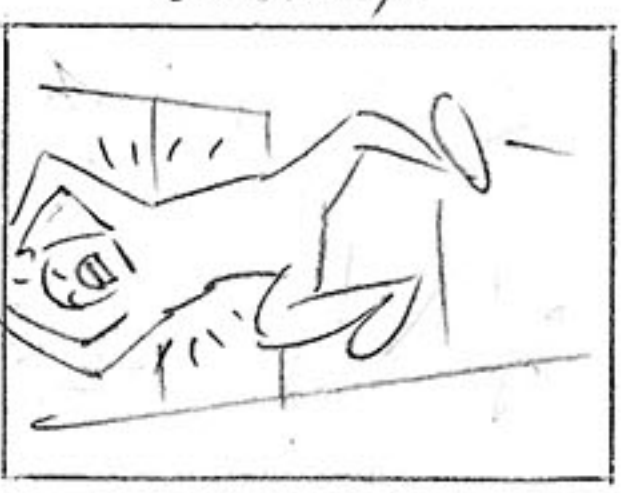

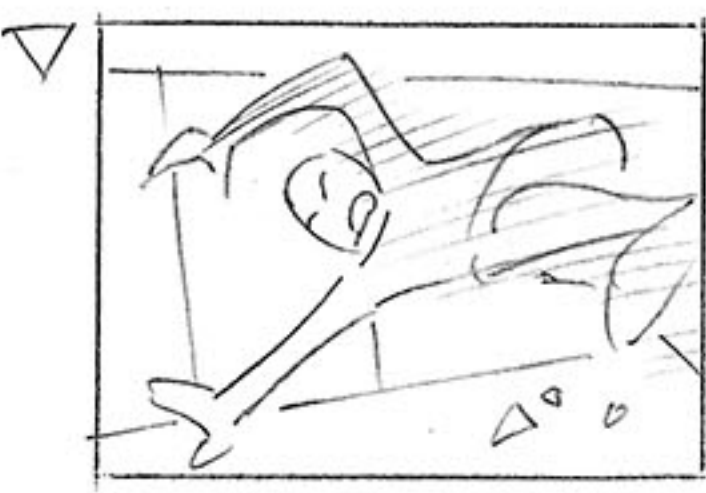

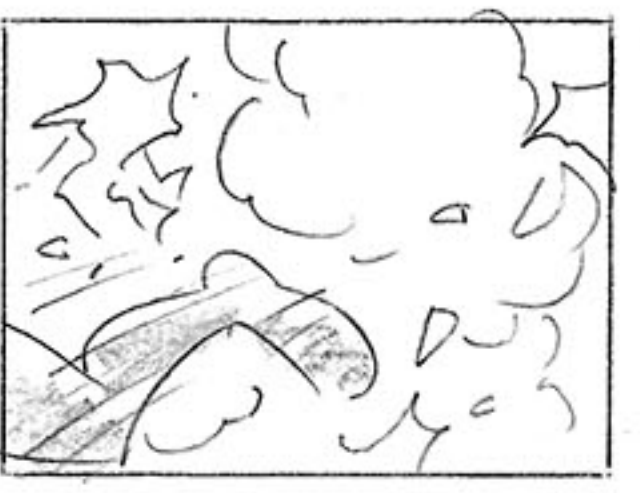

Tell me!

69 S: Arclight...

70 L: You did WHAT?

71 E: I'm sorry, what was the question? I couldn't

understand you with all the-

↑ Multi-Plane Pan up

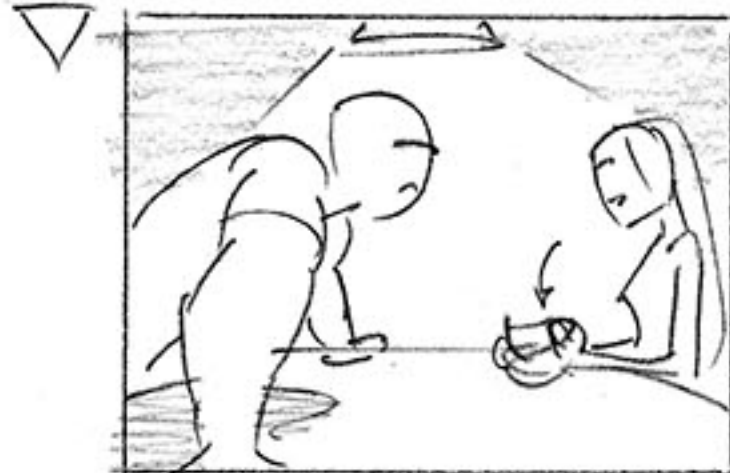

-snarling

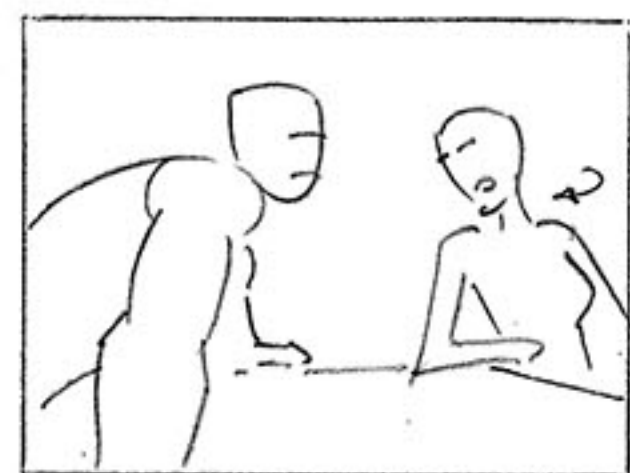

72) L: Don't play games

With me, Frost.

73) E: He asked me for my help, Logan-

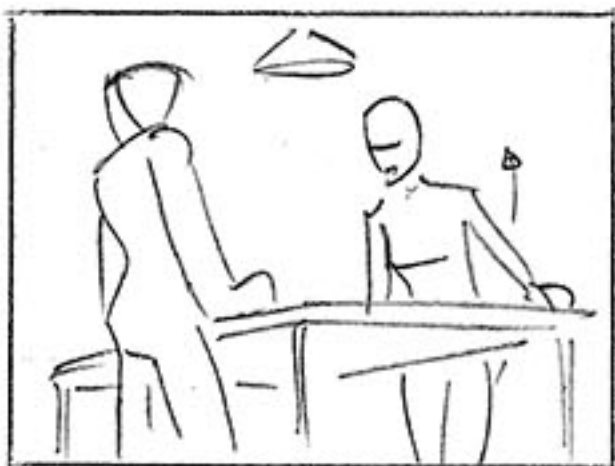

-much like you yourself did not so long ago.

74) L: Difference is, Summers aint gonna

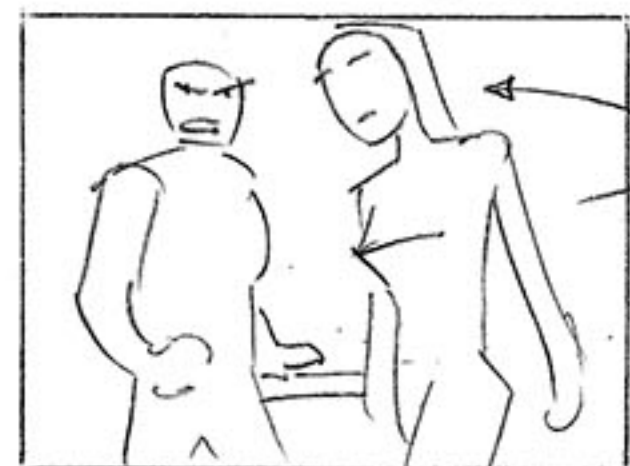

Survive a clash with Sinister.

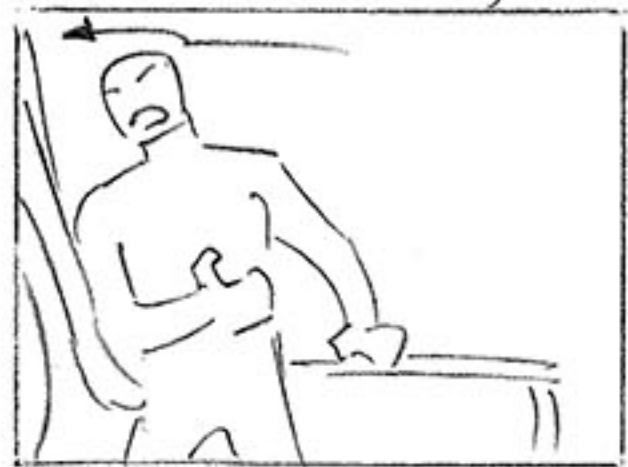

75) E: Scott can handle himself.

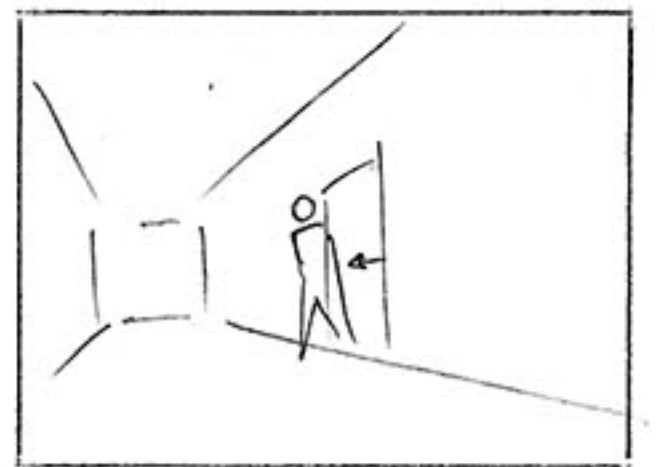

76) L: He's a boy scout!

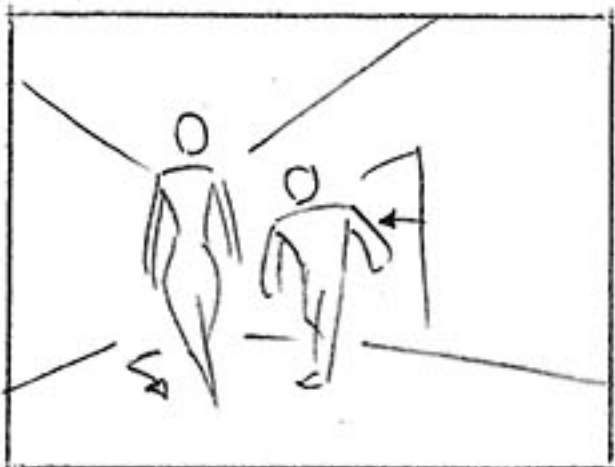

He's not ready for this-

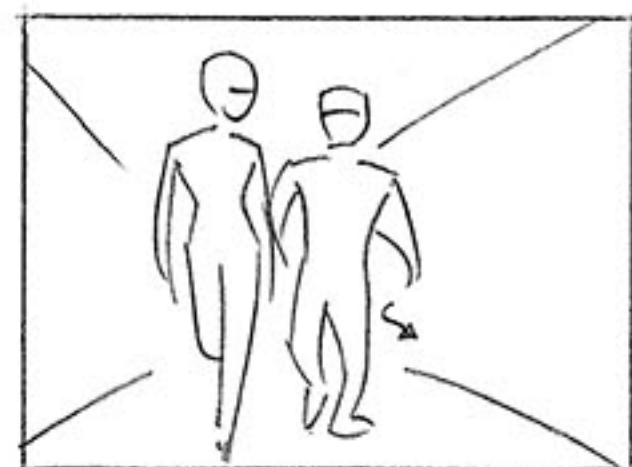

-kind of fight!

77) E: You don't know

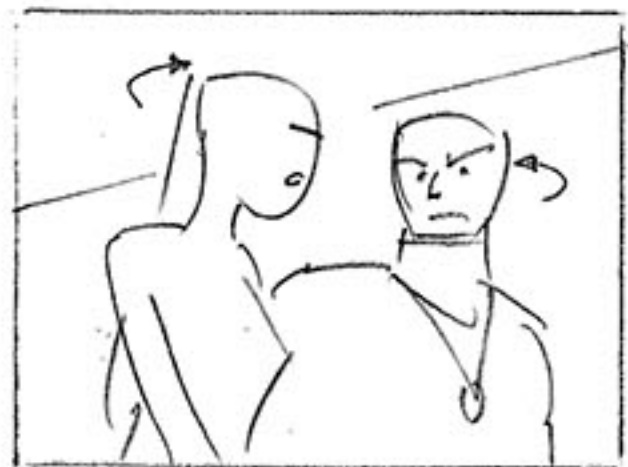

Scott any more than

you do yourself.

Perhaps your real concern is that

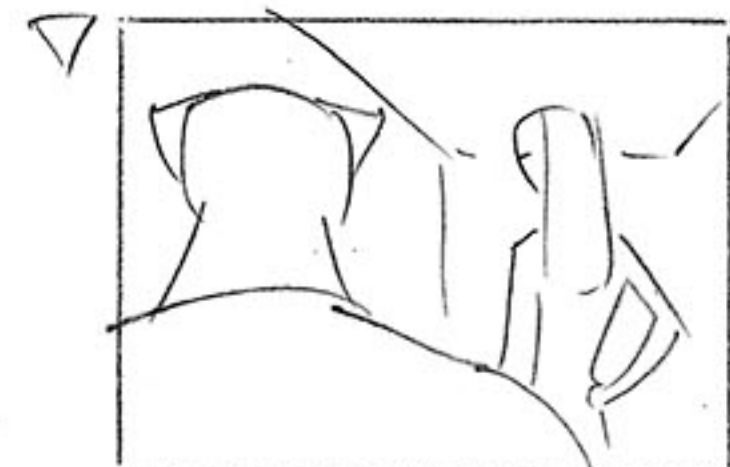

-you've made the wrong decision.

Again.

79) L: FROST...

80) E: You should have supported him.

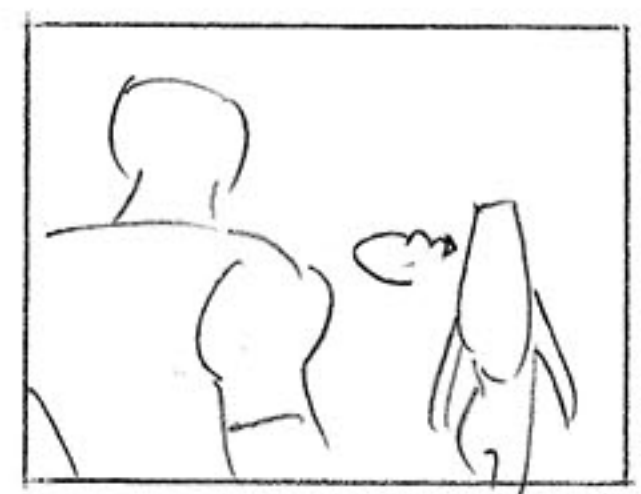

Because what if he's right?

81 L: He ain't!

82 E: Either way, you've lost another X-Man.

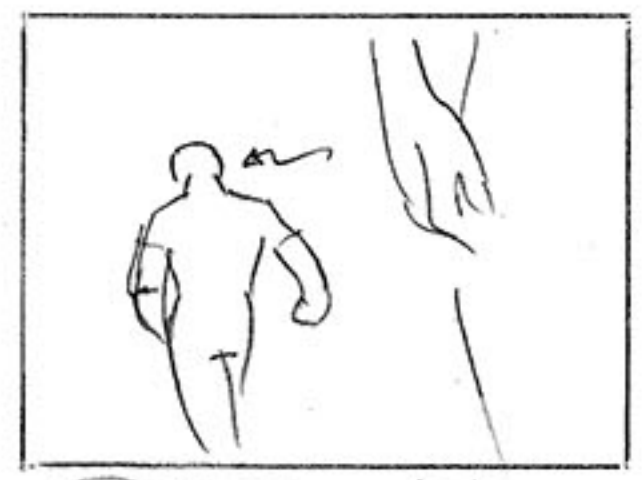

And you can't blame that on me.

83 L: Pack what you need—

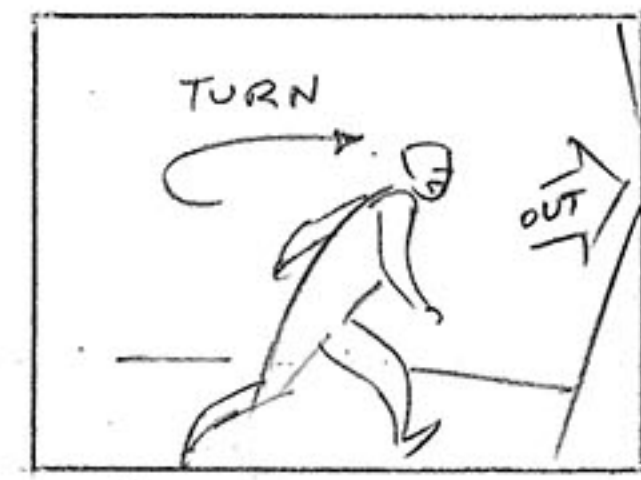

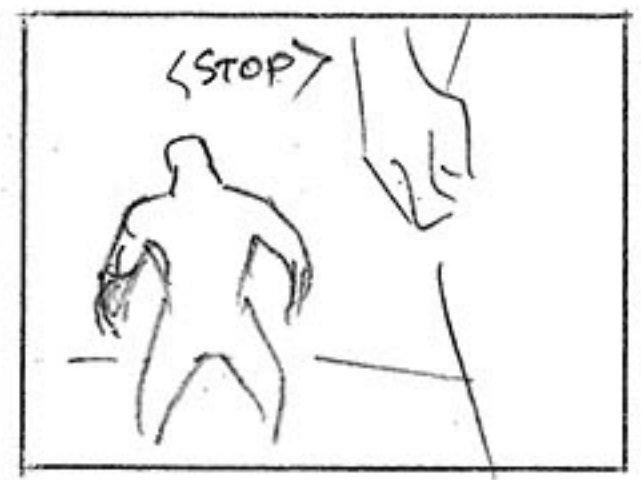

We're bringing him back.

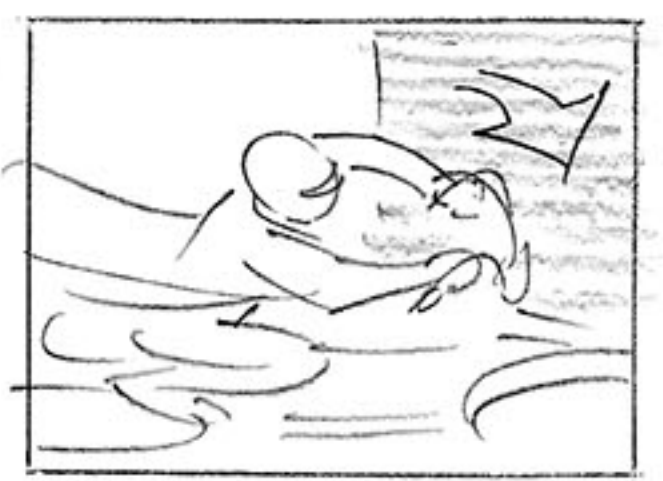

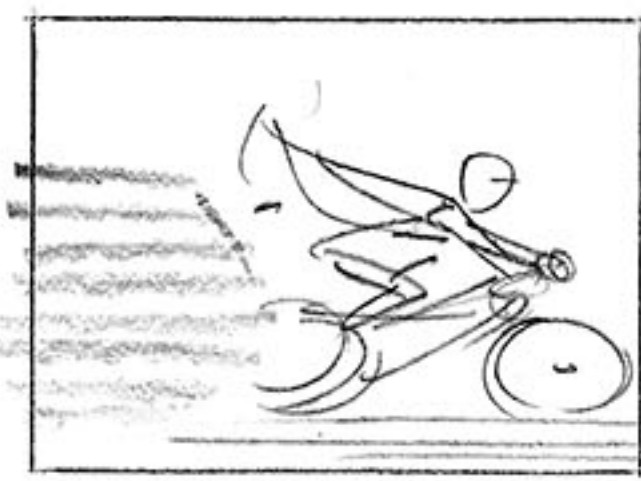

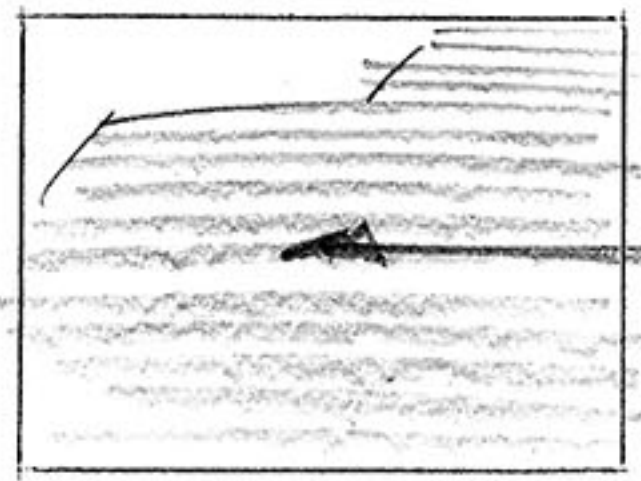

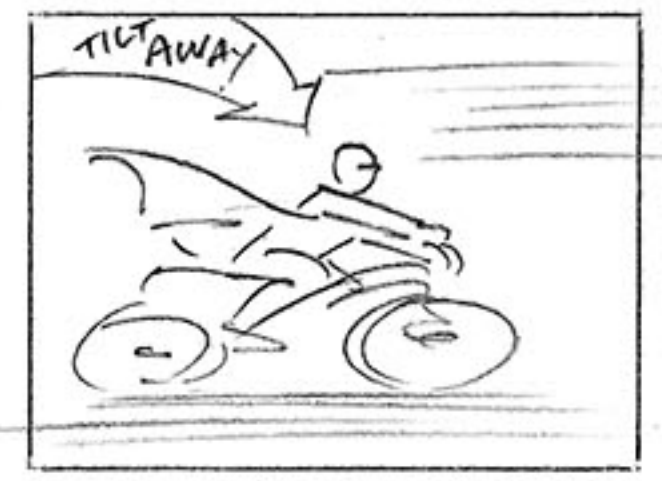

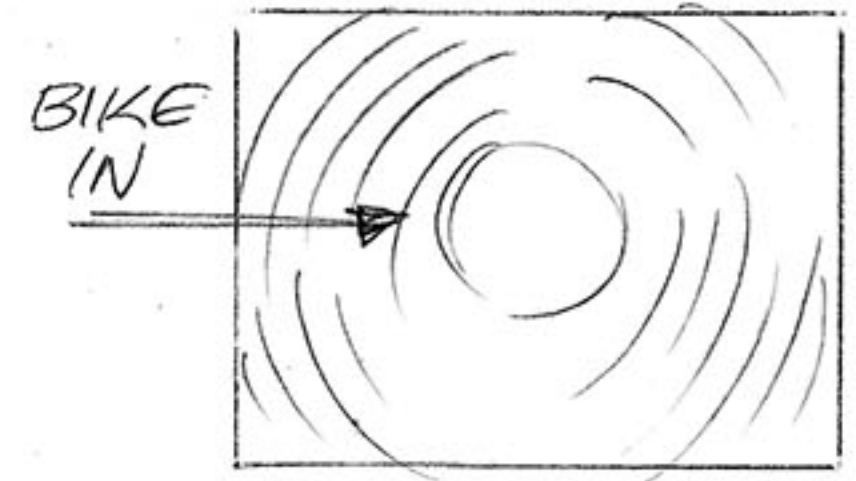

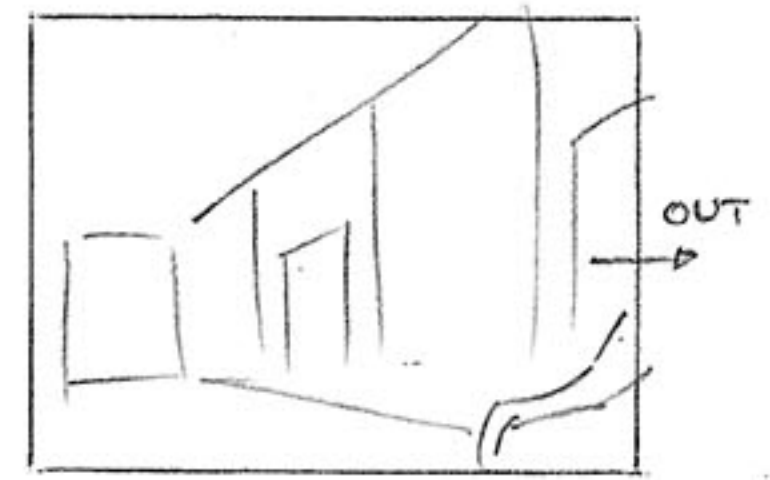

84 E: Oh, and by the way—

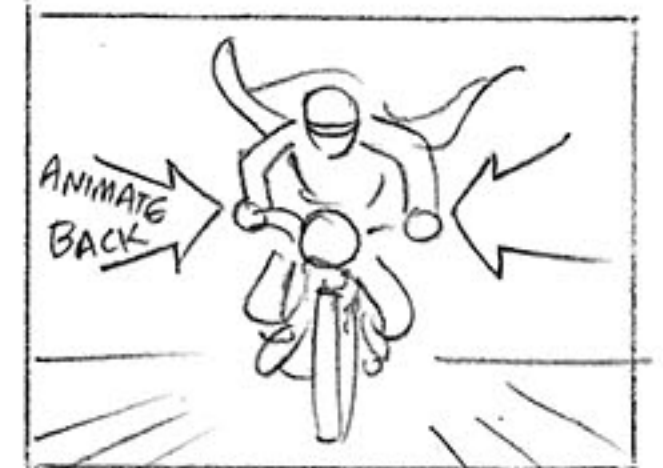

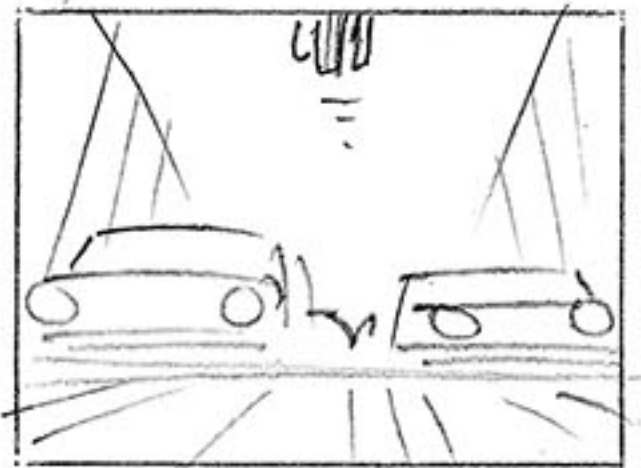

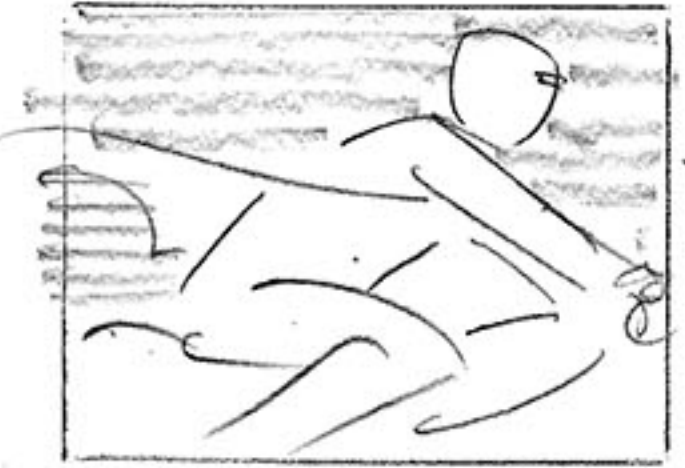

He borrowed your bike.

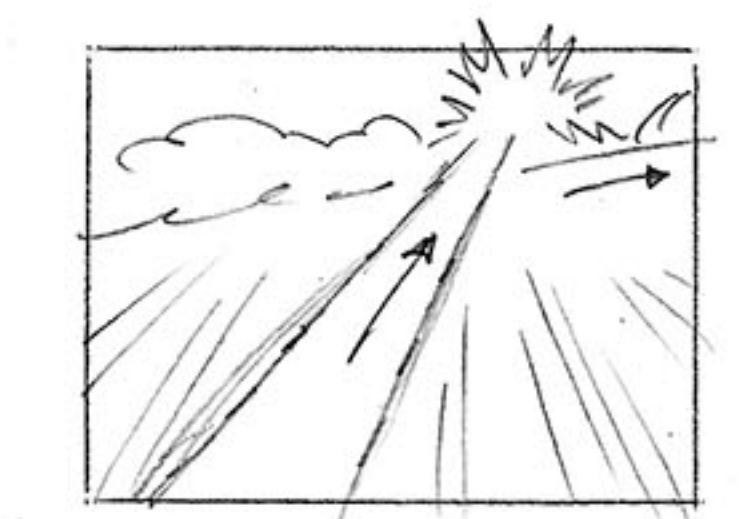

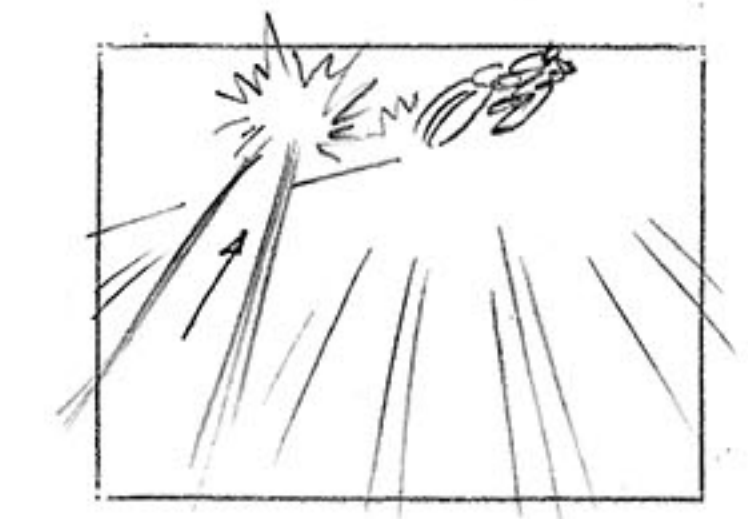

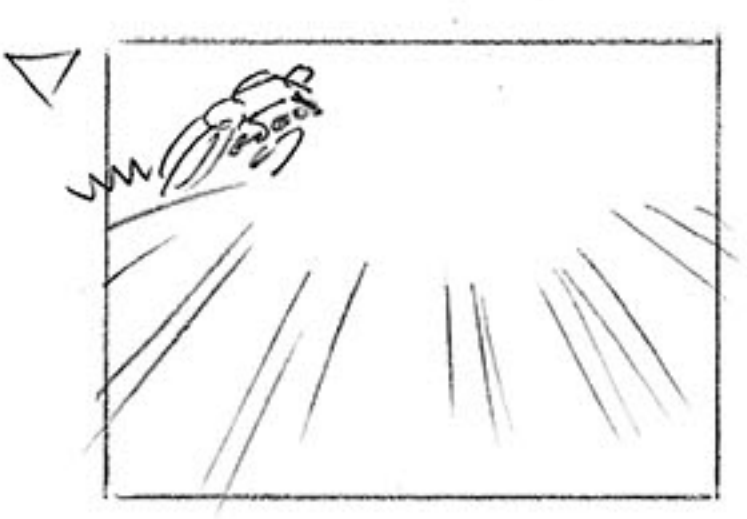

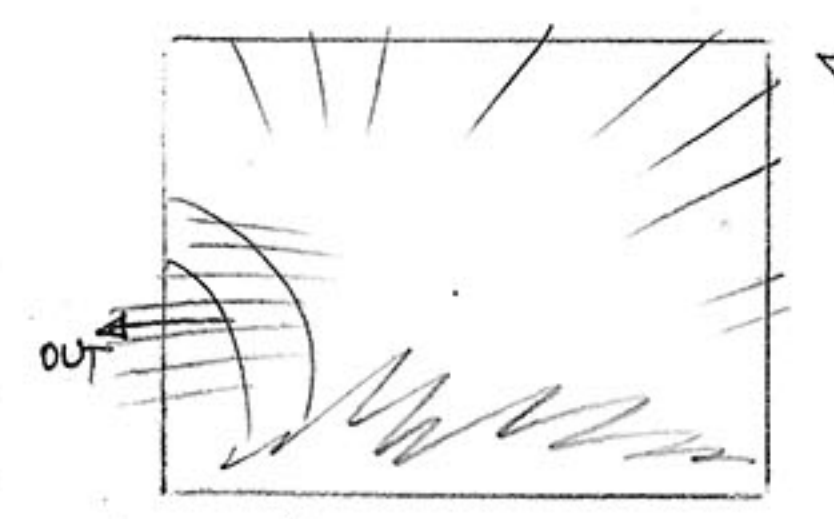

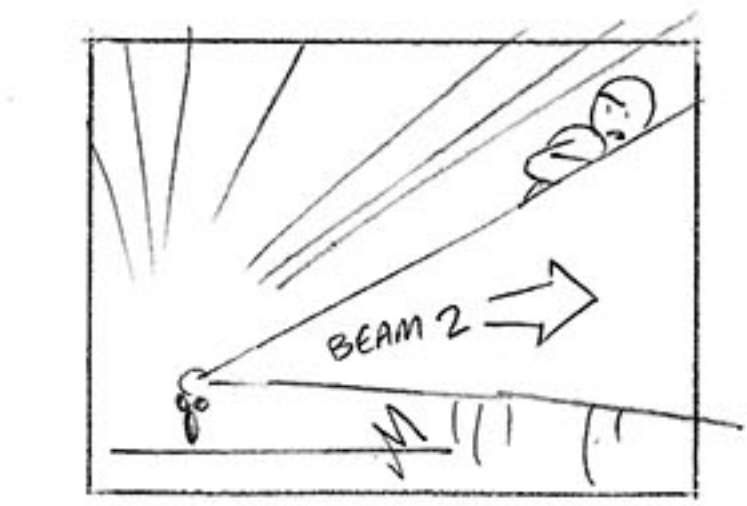

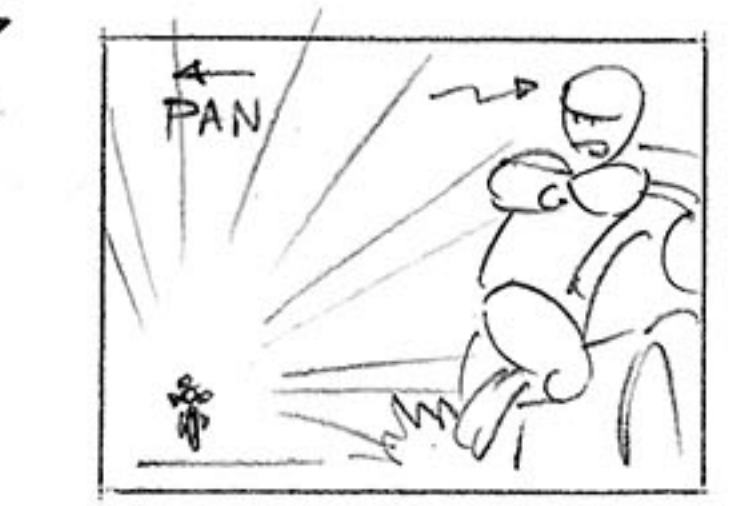

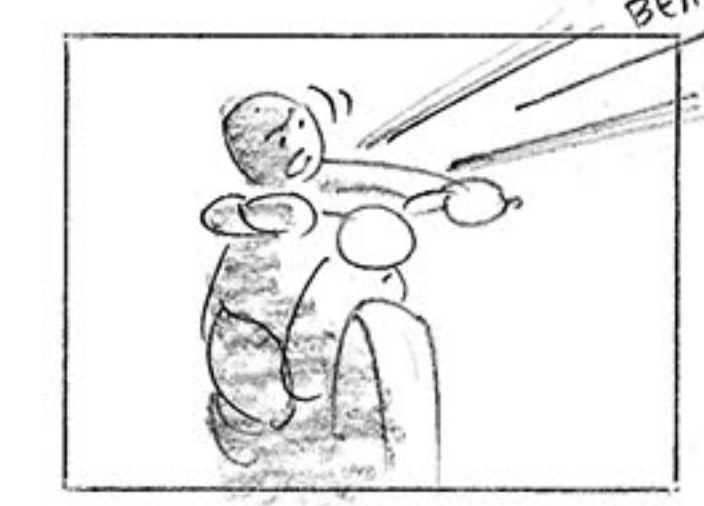

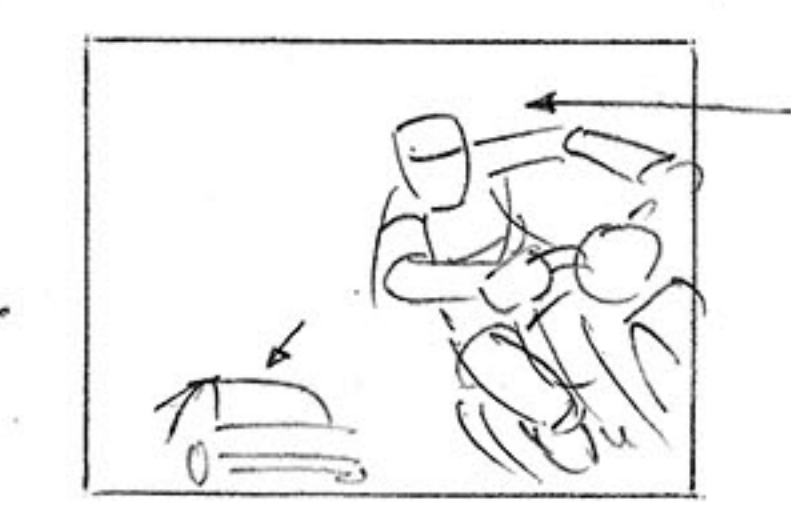

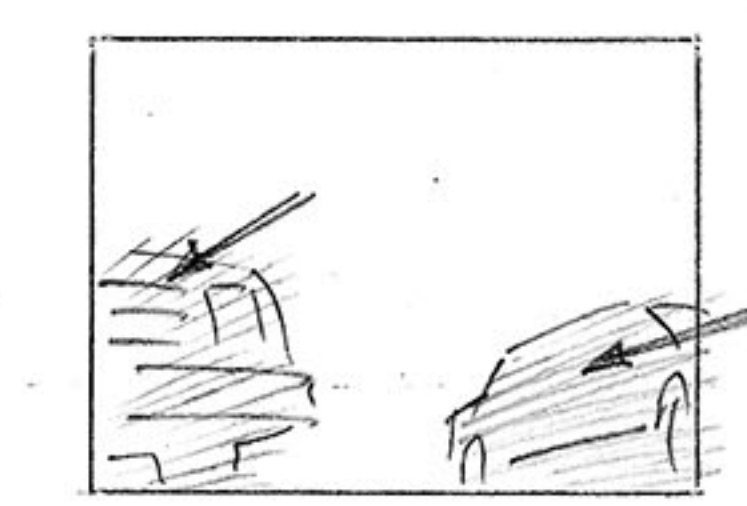

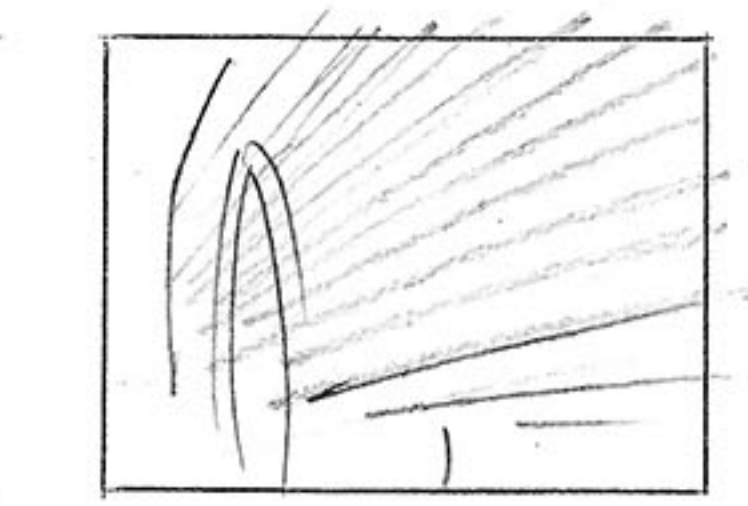

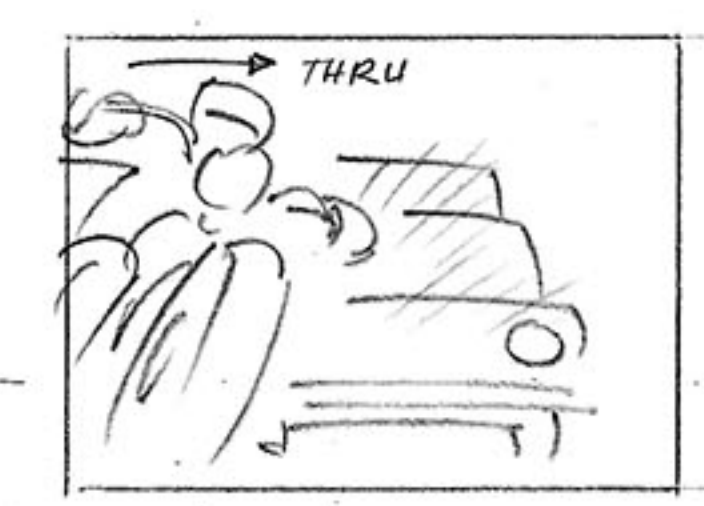

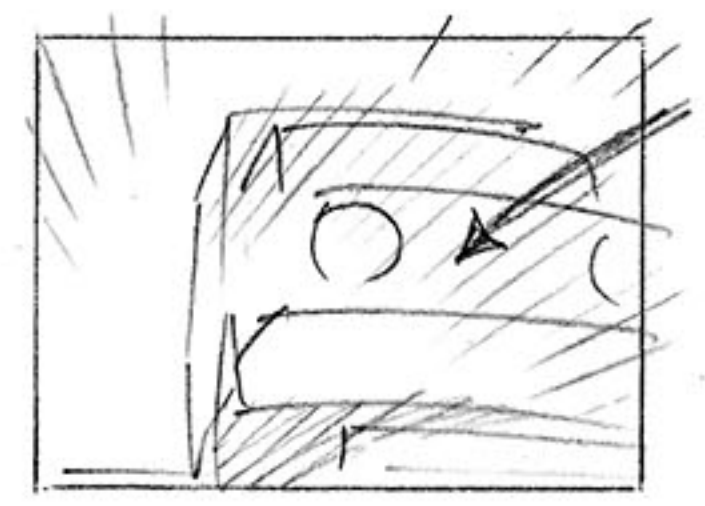

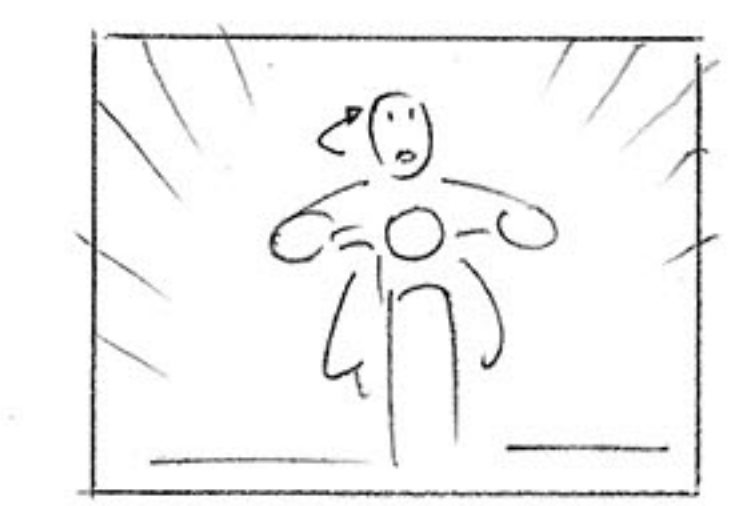

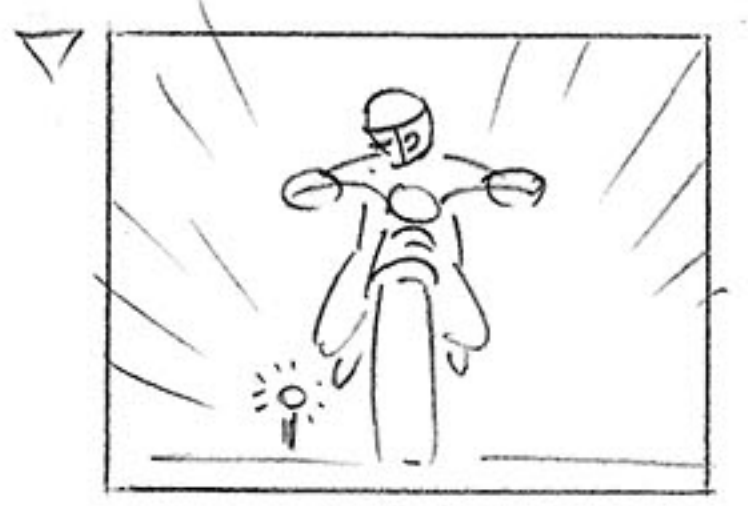

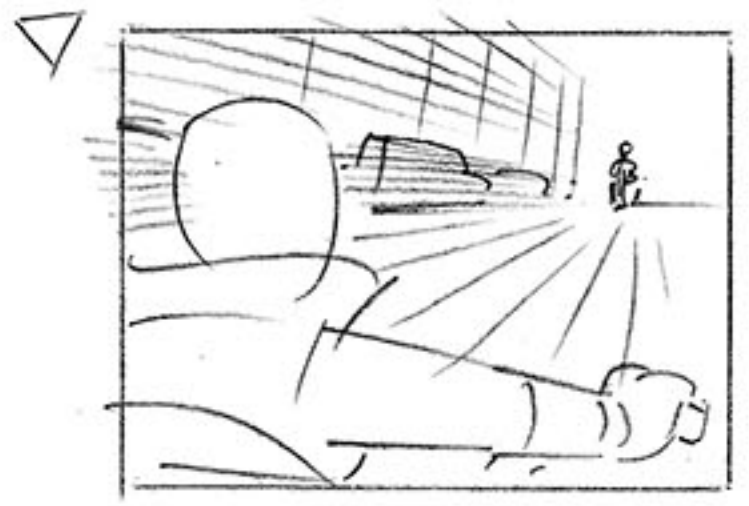

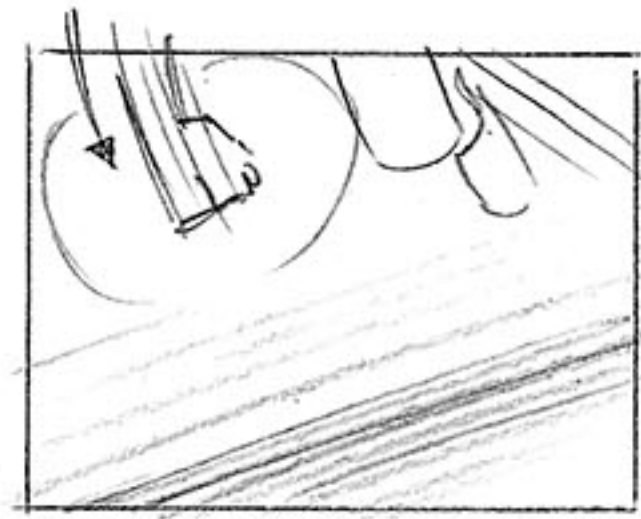

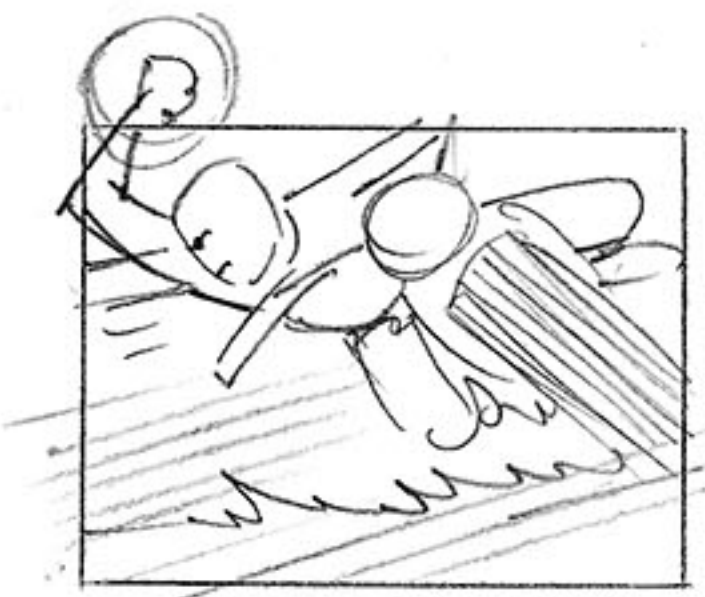

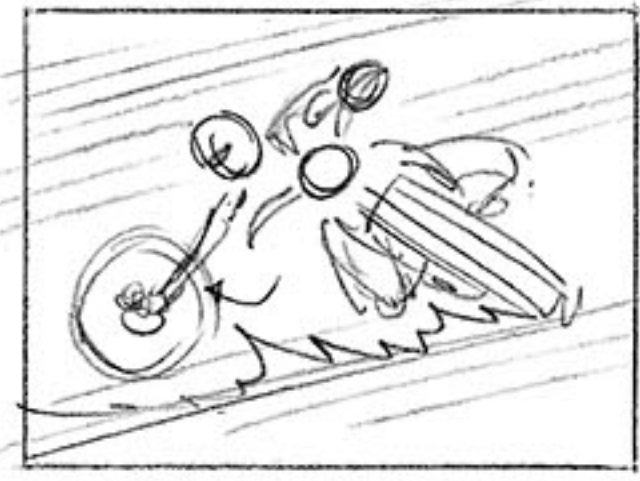

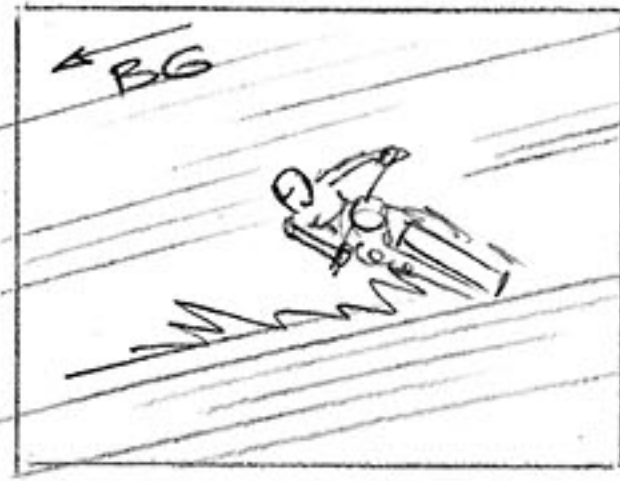

Ⓛ Growl...

DX Shadows in
90 W(vo): Well, I guess hunting these slime balls/ is one way to deal with all that pent-up rage.

91 EF: He has every right to be angry.

92 EF: Scott is a good person-

in a world that exists solely to CRUSH good people.

93 W: Why do you care, Frost?

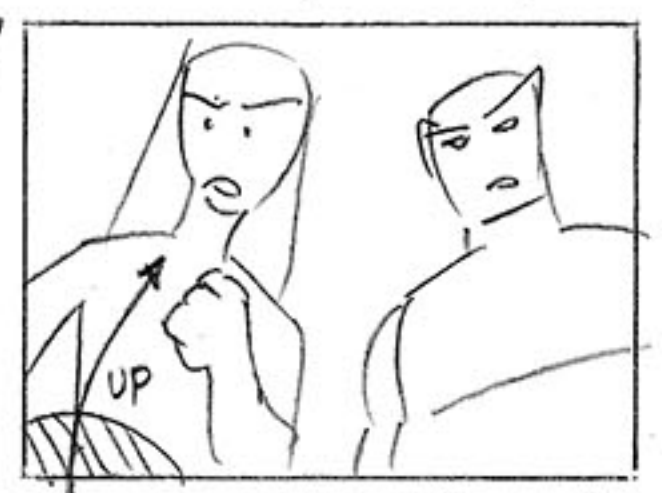

(vo) about Summers, about any of this?

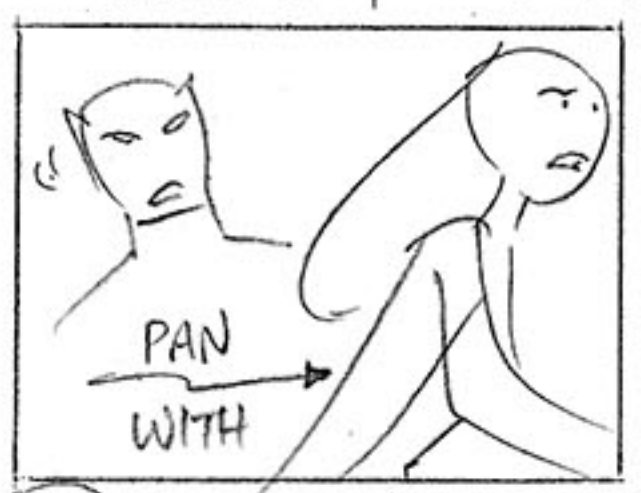

94 EF: It's not that I--

95 EF (vo): Scott! He's...

We have to go!

96 W: What'd you see?

97 EF: He's being led into a trap!
