Created by the accidental exposure to an exploding gamma bomb,

the Hulk is without question the strongest being on Earth.

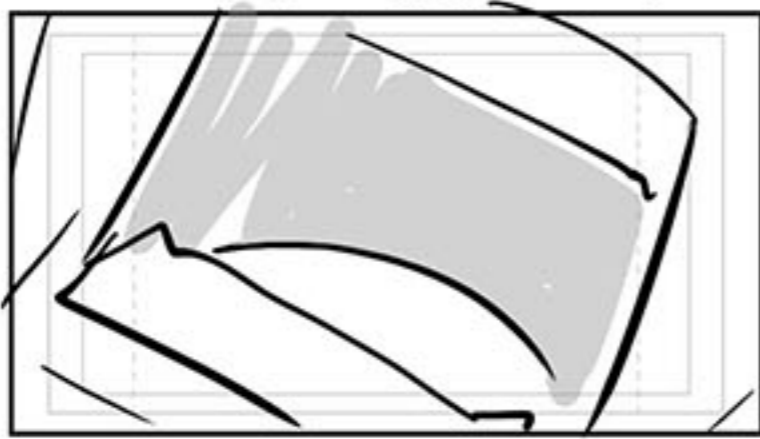

Model slides in. Show power readings rise as model poses

The power coursing through his raging body is exactly what we need.

2 DR. FUMP (O.S.)
But that raging quality will not

make it easy to bring the Hulk in, Dr. Cruler...

Hey Finhead!

7 ABOMINATION
Hulk.

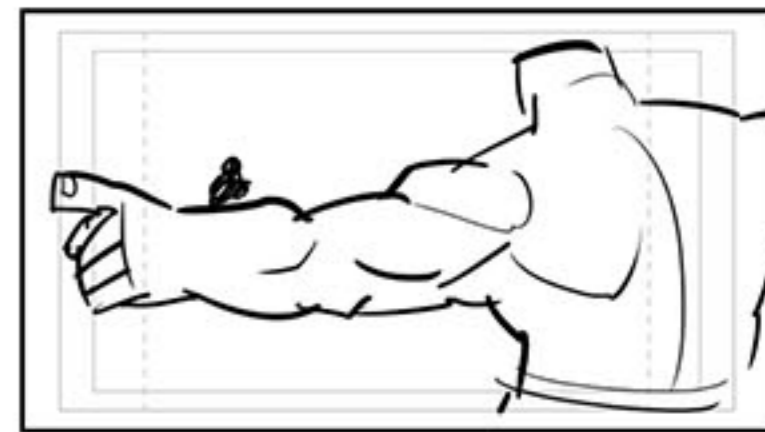

About time you showed up.

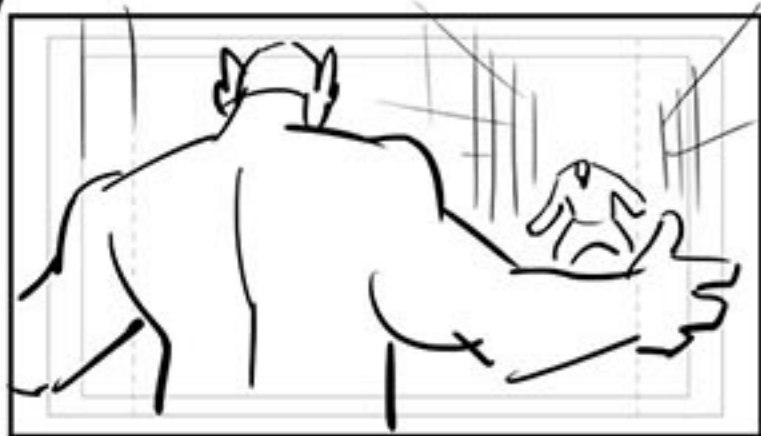

8 HULK
Your ugly mug scared off everyone, Abomination...

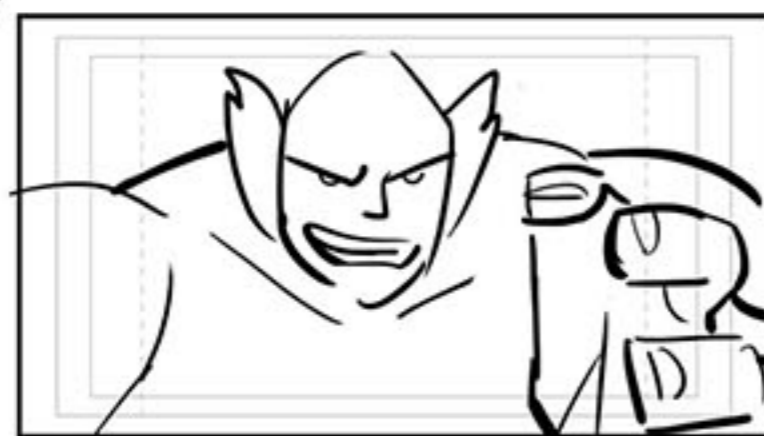

but ya don't scare me.

Time for you to leave!

9 ABOMINATION
That's no way to talk to an old gamma-powered pal!

Leave without crushing ya under my

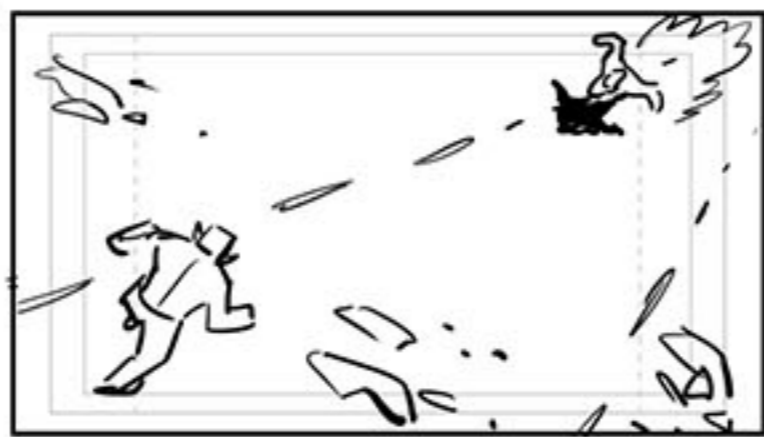

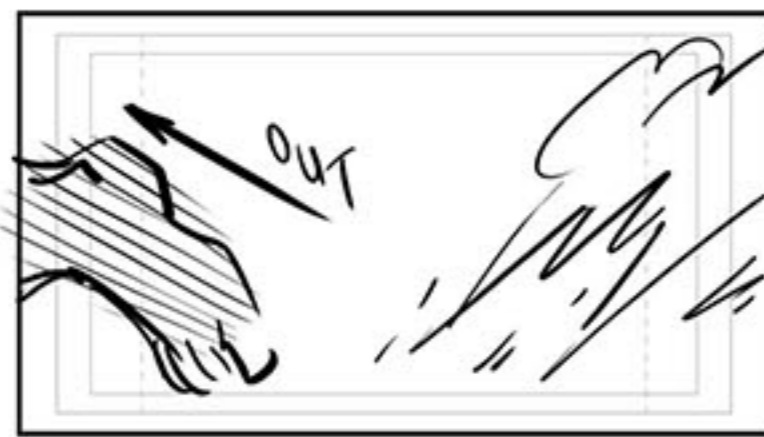

scaly fist?

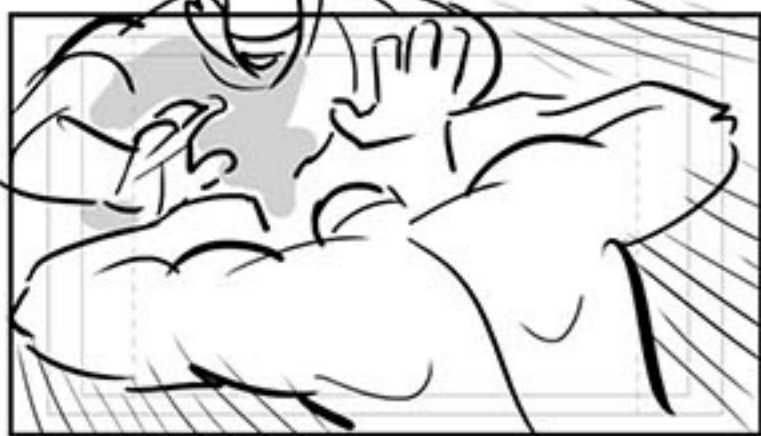

10 HULK
I was hoping you'd say that --

so I could SMASH you outta town!

That wasn't so hard

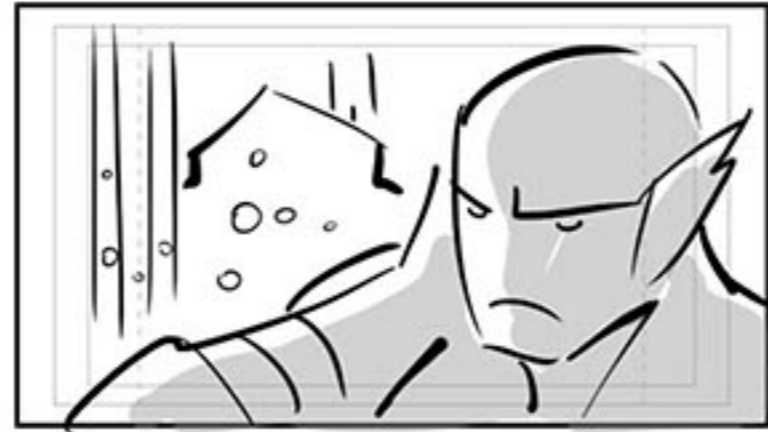

after all.

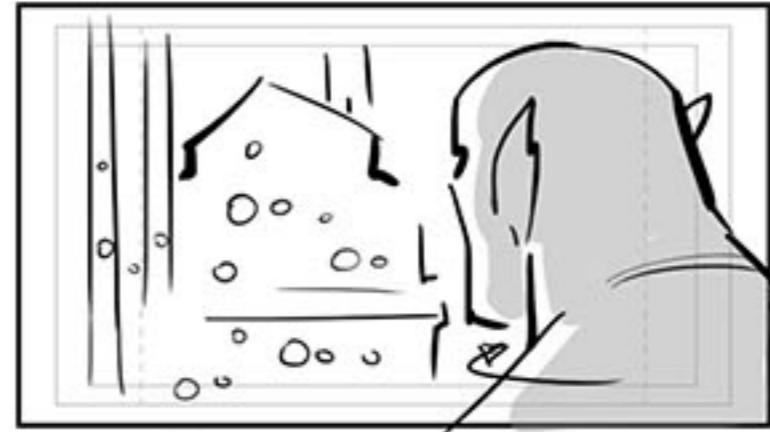

56 VOICE (FUMP / V.O.)
Especially when you didn't have to do the hardest part of the job.

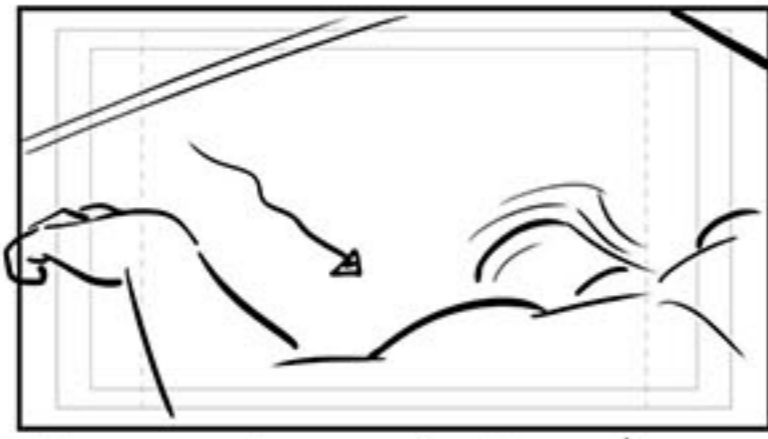

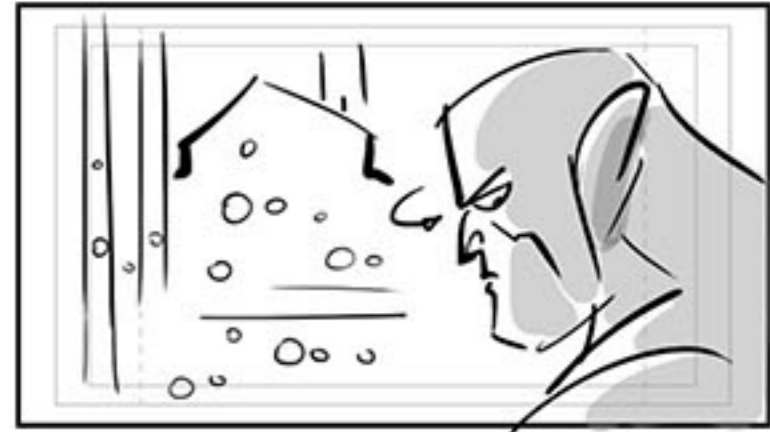

57 ABOMINATION
Hey, I got him here.

58 VOICE (CRULER) / V.O.)
The cost of those war drones is coming out of your pay.

Now the least you can do is bring him inside.

Hulk is dragged - head bounces on cement

63 DR. CRULER
Excellent,

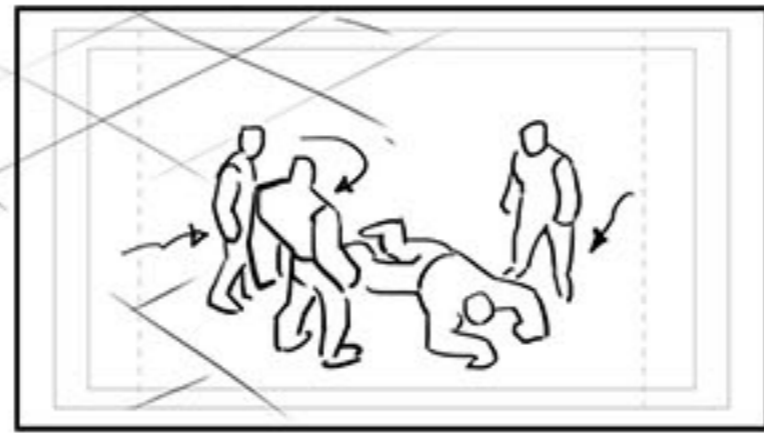

the arc reactor has completed its start-up phase.

64 ABOMINATION
Alright, ya goons,

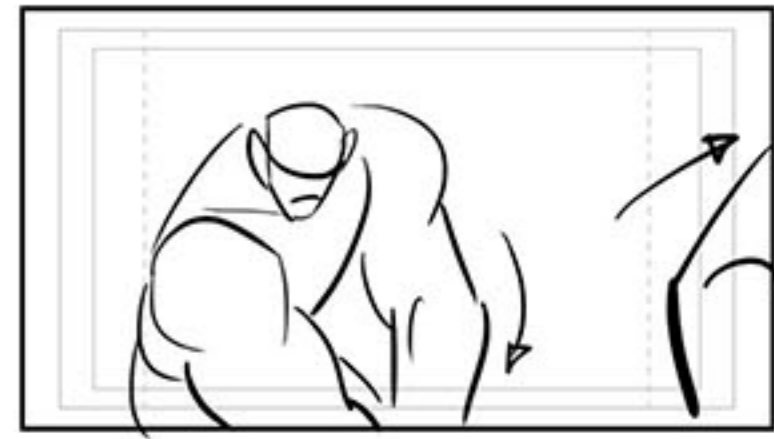

where's my reward?
(drops Hulk's foot)

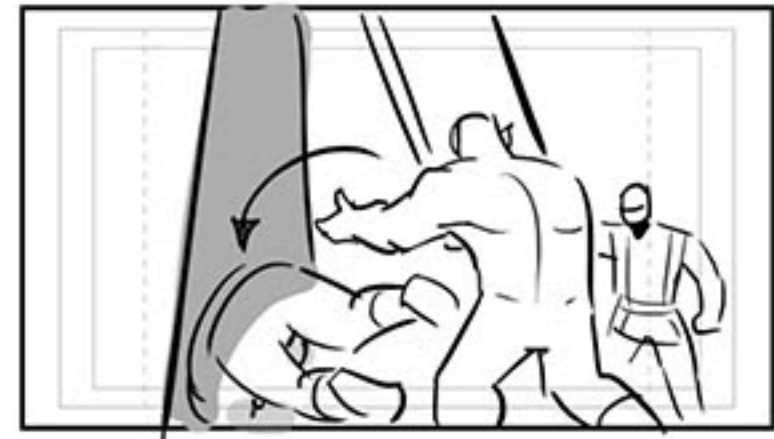

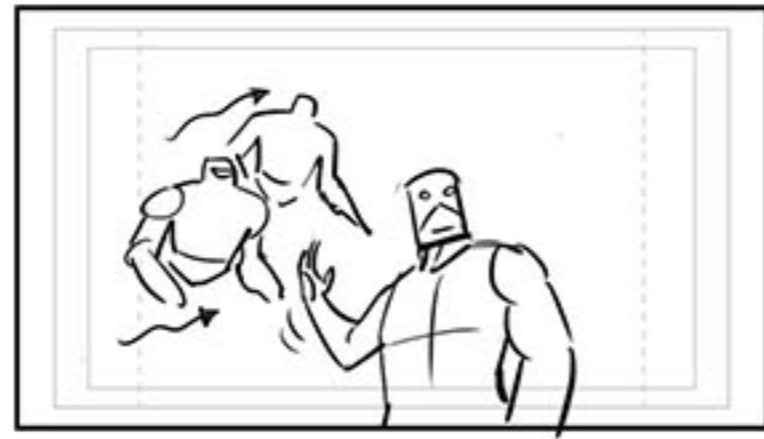

65 DR CRULER
Oh it's coming, we assure you.

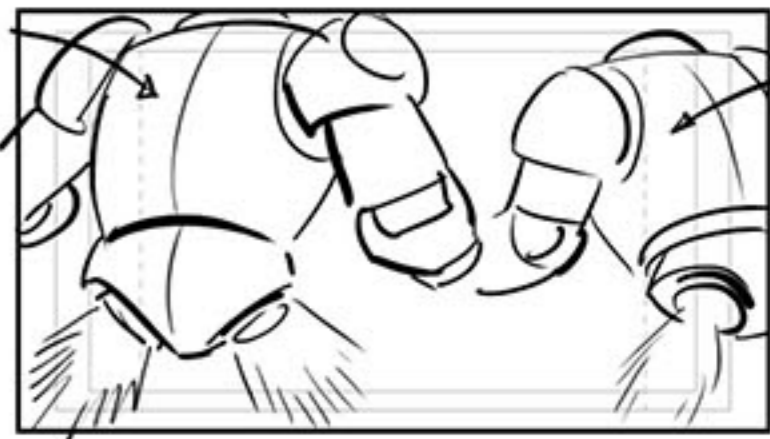

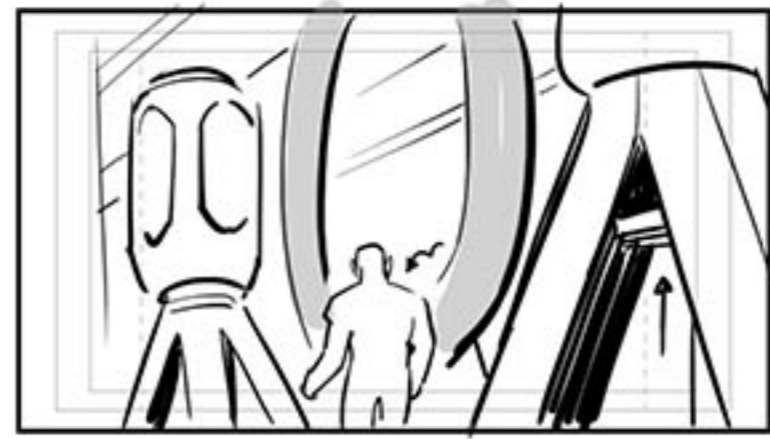

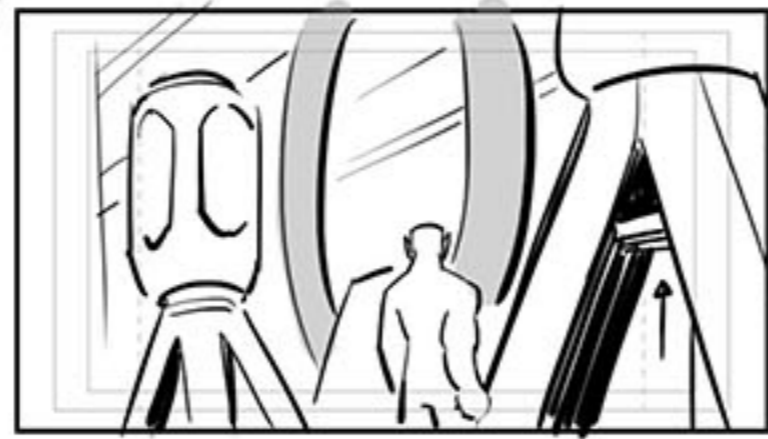

66 DR. FUMP
You can put the Hulk in the fuel containment cell.
