Reverse angle - doctors recover  
(hole in far wall)

<ZZZZAAAAAAX!>

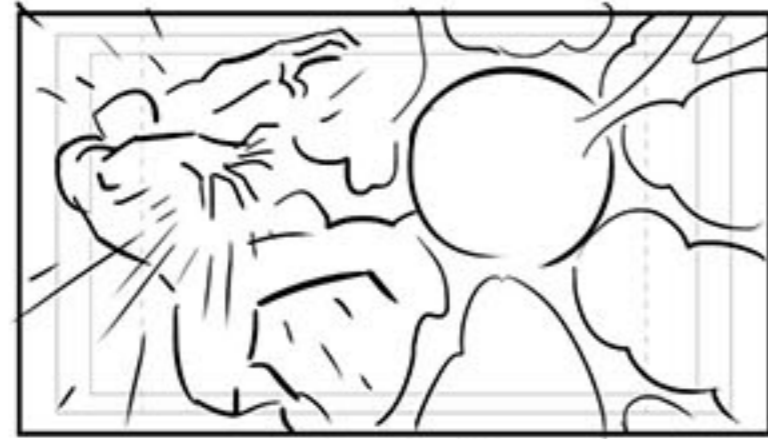

Tendrils reach out

102 FUMP  
How... How are we still alive?  
103 CRULER  
There was no explosion.

104 FUMP  
Then where'd all that energy go?

105 DR. CRULER  
It almost looks alive.

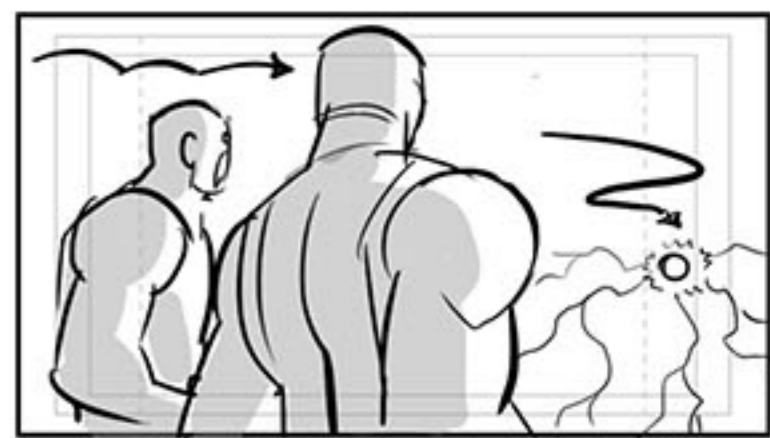

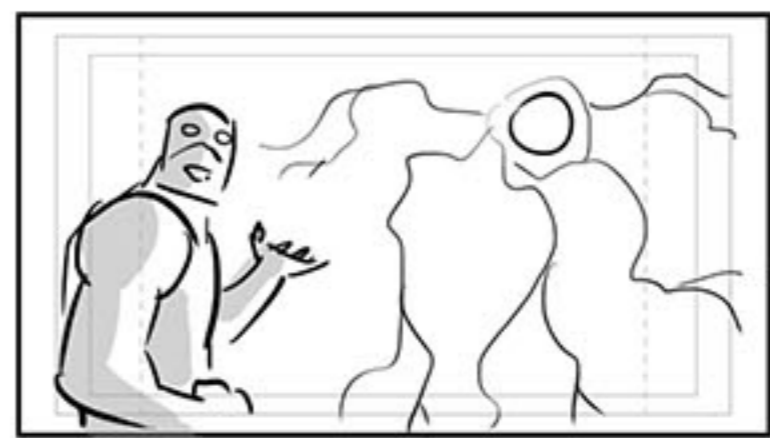

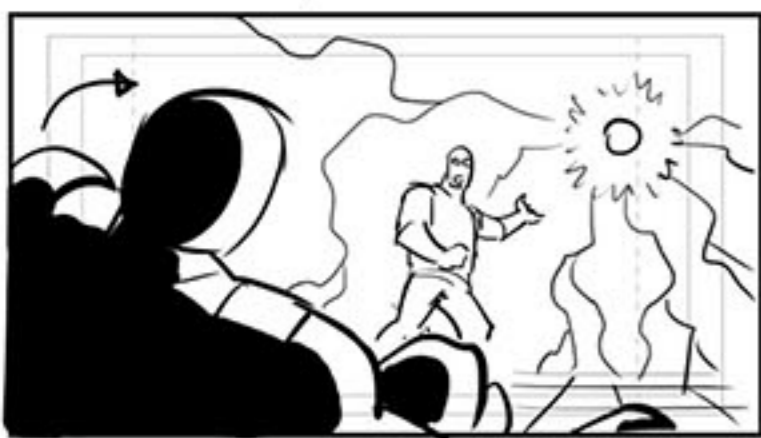

Push in on doctors -  
Fump steps FWD

ZAP!

FX fill frame

106 DR. FUMP  
OW!

107 DR. CRULER  
Do you realize what we have here?

108 DR. FUMP  
A rather unfriendly pet.

Comprised of 100 gigawatts of power!

109 DR. CRULER  
And...a living energy weapon.

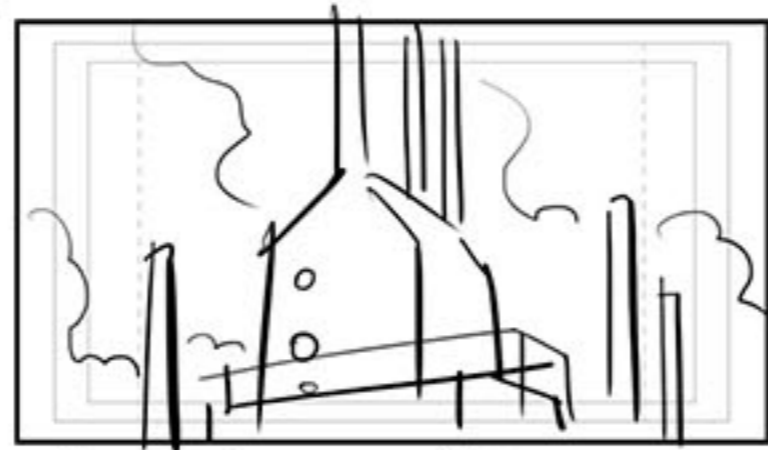

We must capture it!

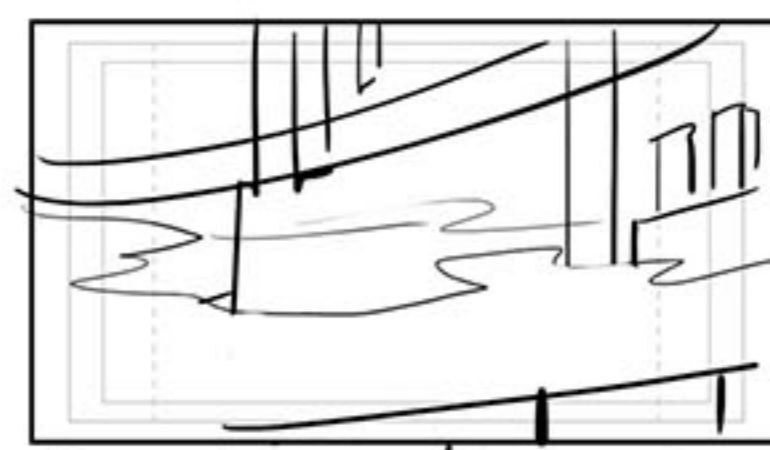

110 DR. FUMP  
I knew there was some reason I  
enjoyed working with you.

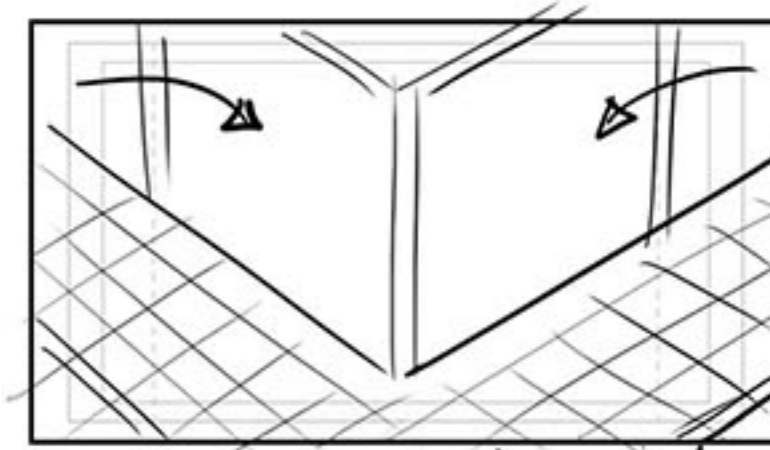

111 DR. CRULER  
I'll fetch the energy guns.

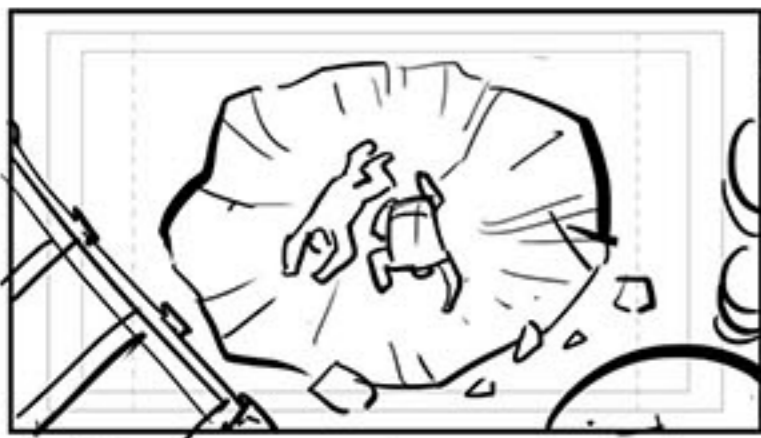

Cut to ex't

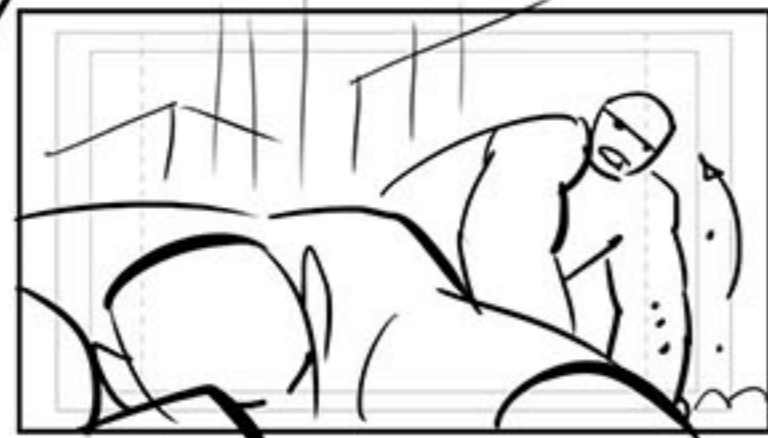

Pan down into mist

Con't - pivot down to  
corner of transformer farm

End on crater - H & A

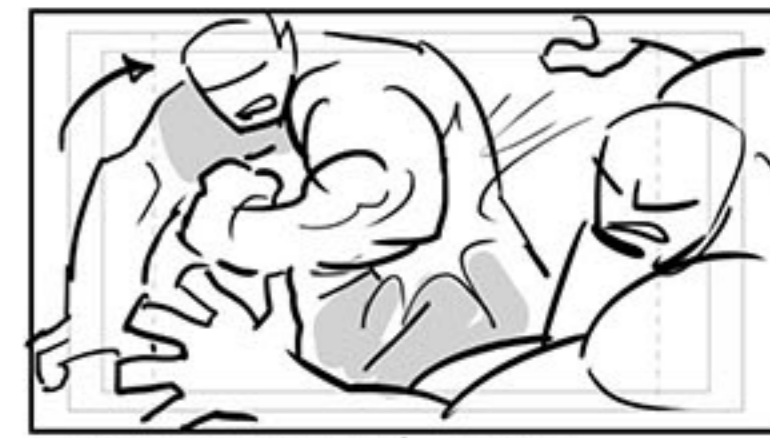

112 HULK (WEAK)  
<Ugh> Still breathing,

<zapped scream>

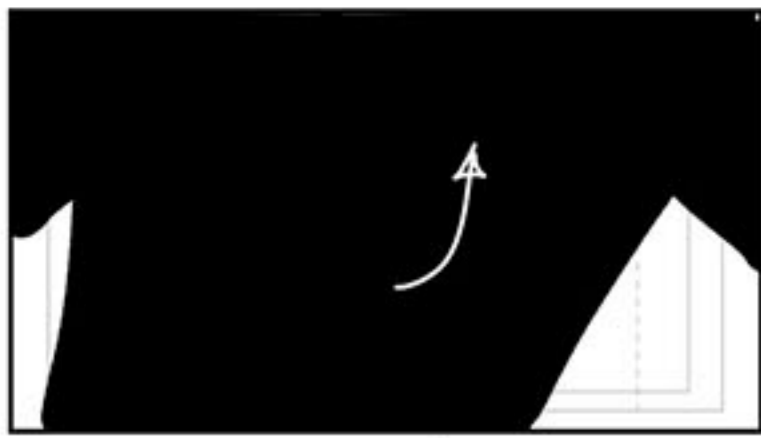

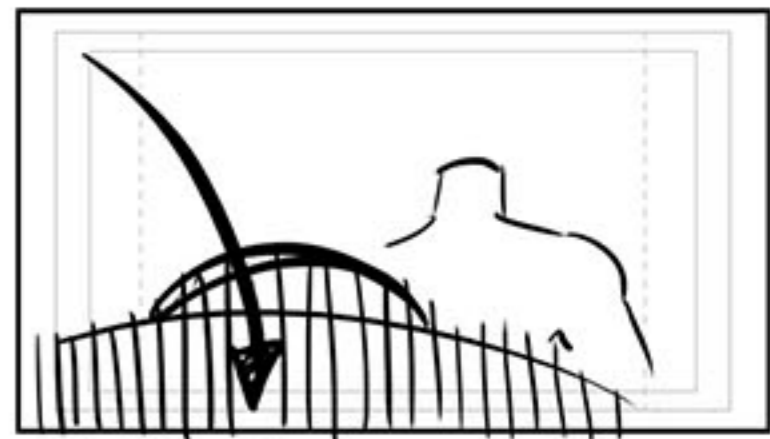

117 HULK (WEAK)  
Oughtta get a badge

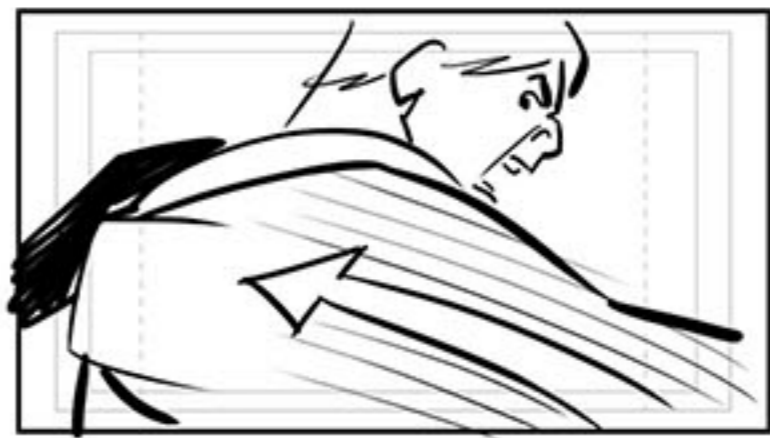

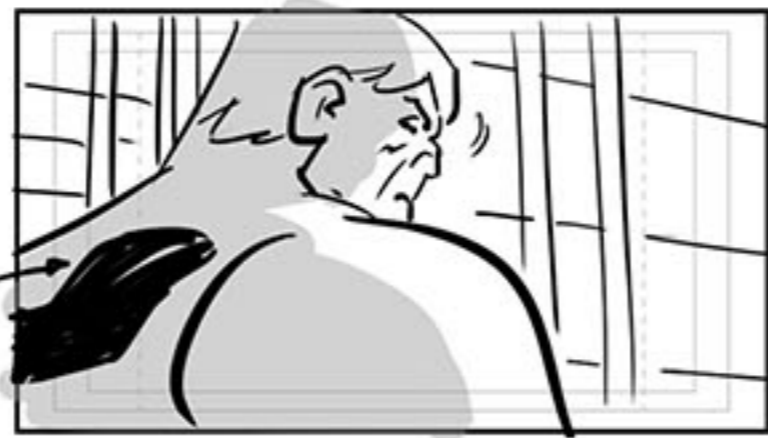

for that.

IM drops into XFG (speed blur)

Rise in Gilo

118 HULK  
Said

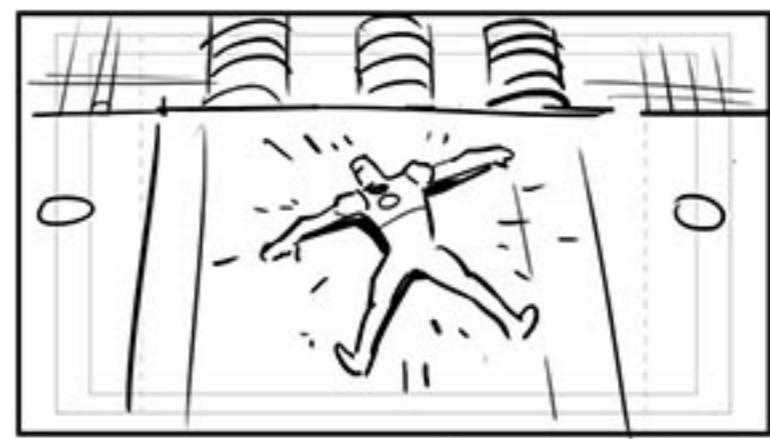

leave

me alone!!

PAN UP

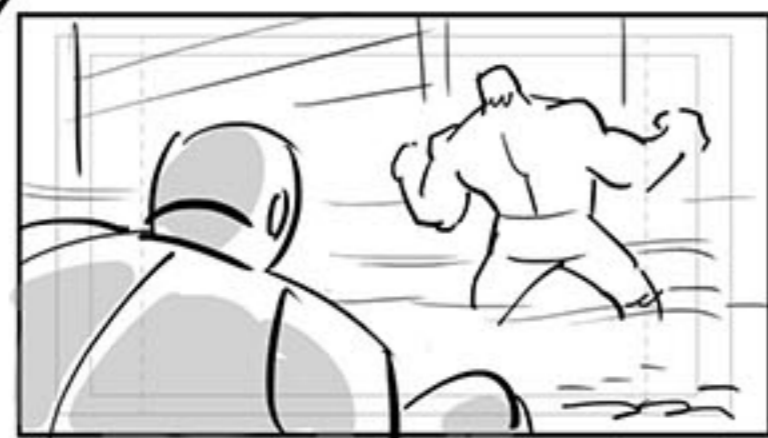

CLANG!

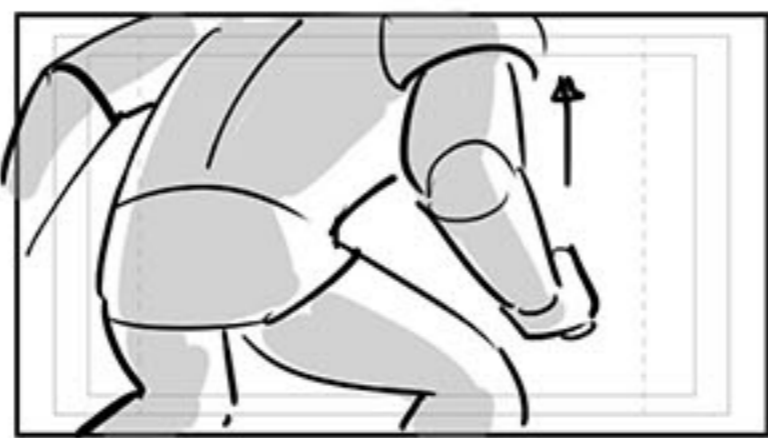

PAN DOWN

119 HULK  
<angry roar>

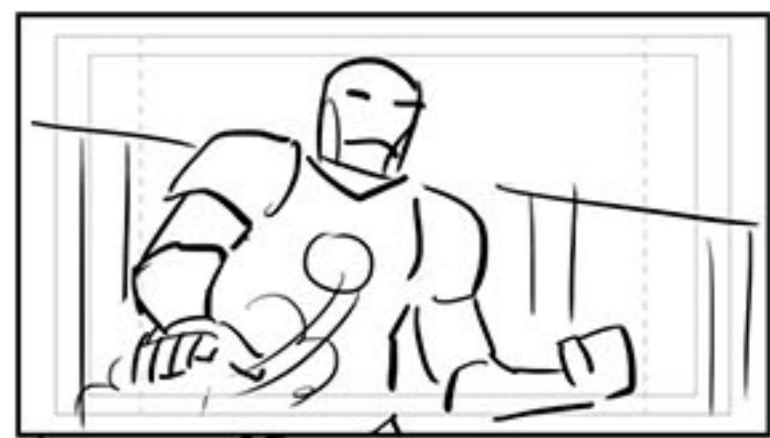

120 IRON MAN  
<effort> Of course, fly all the

way over to

A/B wiping dust off

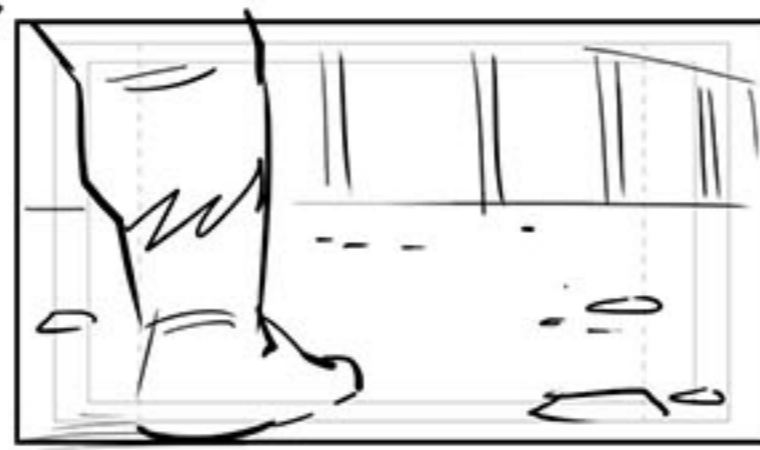

121 HULK  
What are you talking about?! I didn't do anything,

it was...

Wide view - no Abom

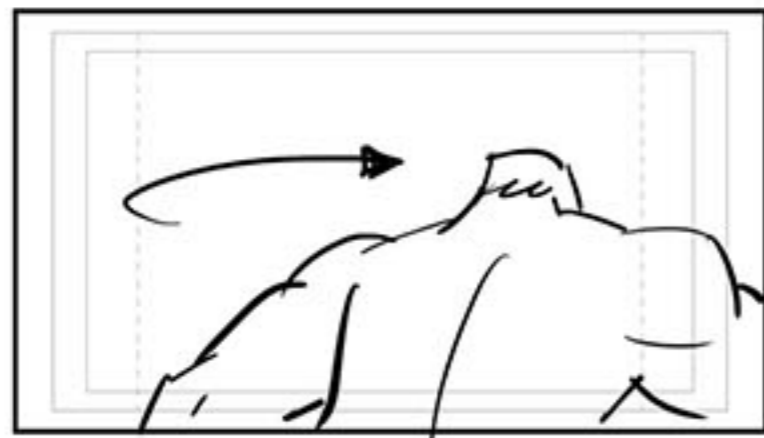

← PAN

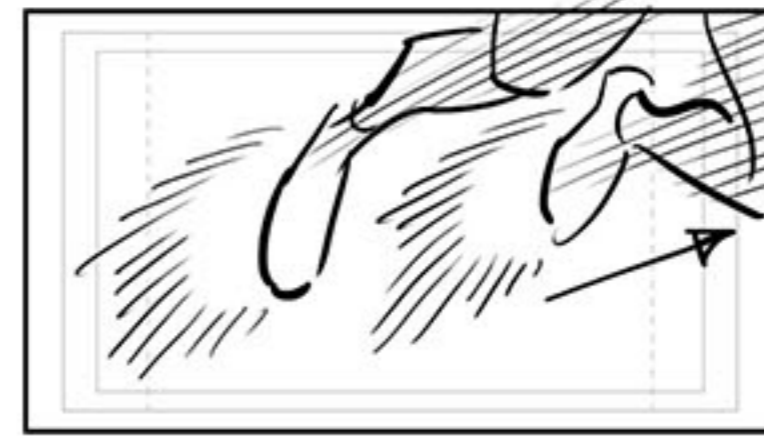

IM looks toward Hulk

122 HULK  
Aw nuts.

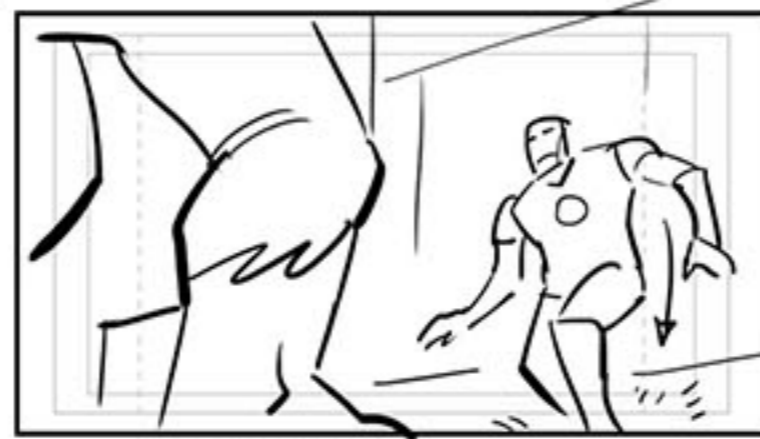

<angry grunt>

123 IRON MAN  
Where do you think you're going?

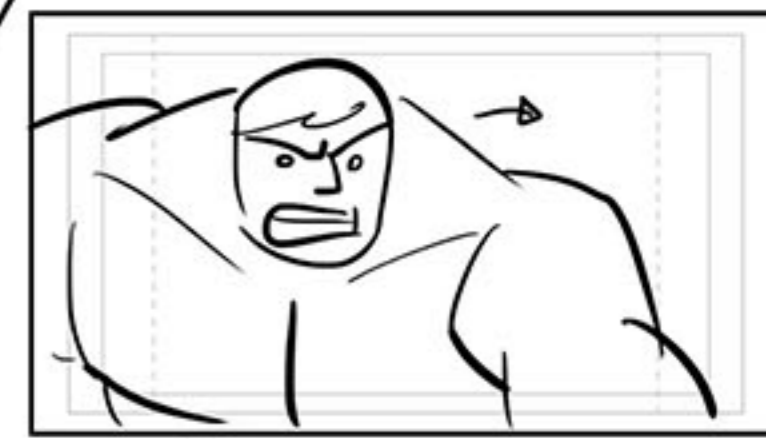

124 HULK  
Get outta my way.

125 IRON MAN  
I know we're pals but you

need to relax or--

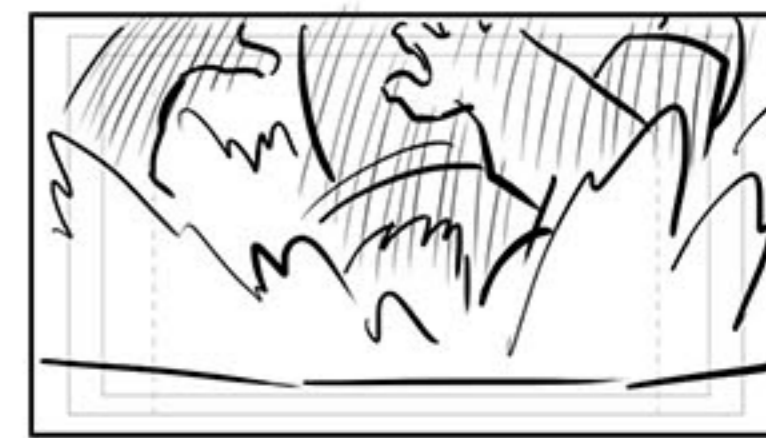

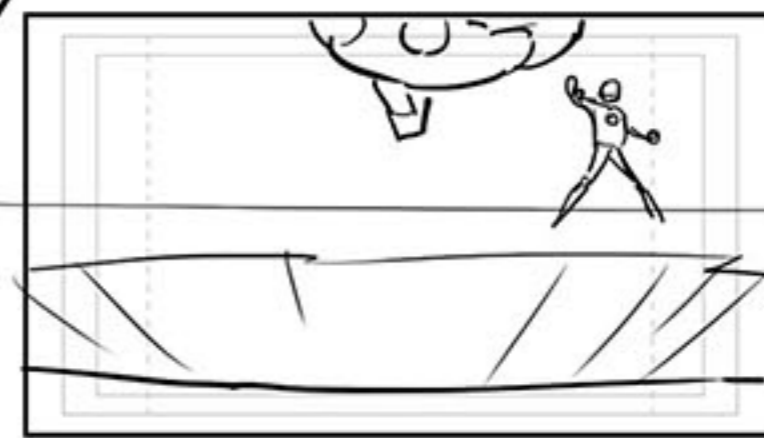

Advancing  
126 HULK  
Or nothing,

Stark--

<GRUNT> BLAST

- SHAKE -

127 IRON MAN  
That was just a tap.

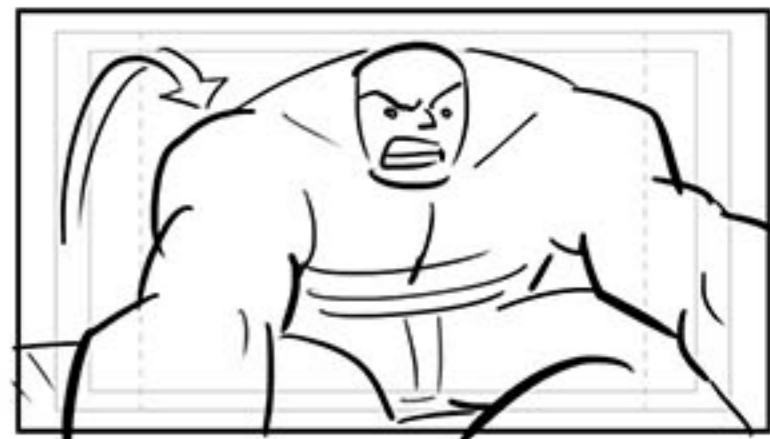

Are you gonna  
calm down so we can talk or do I

need to turn it up to 11?

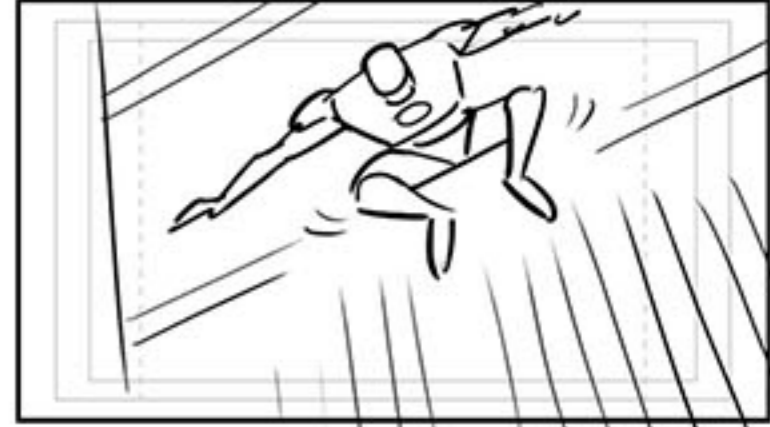

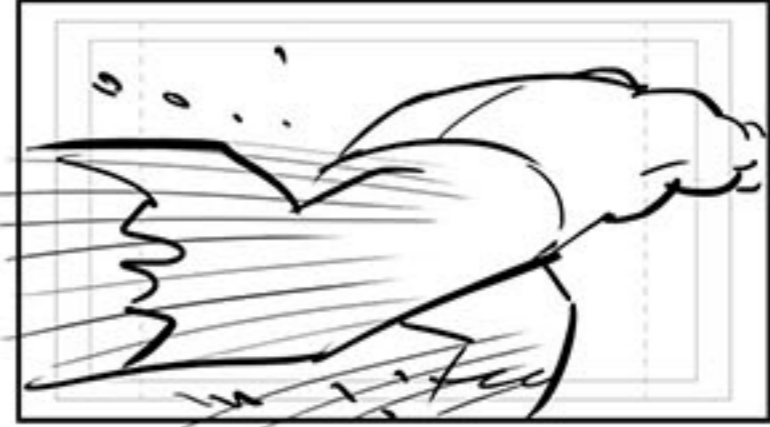

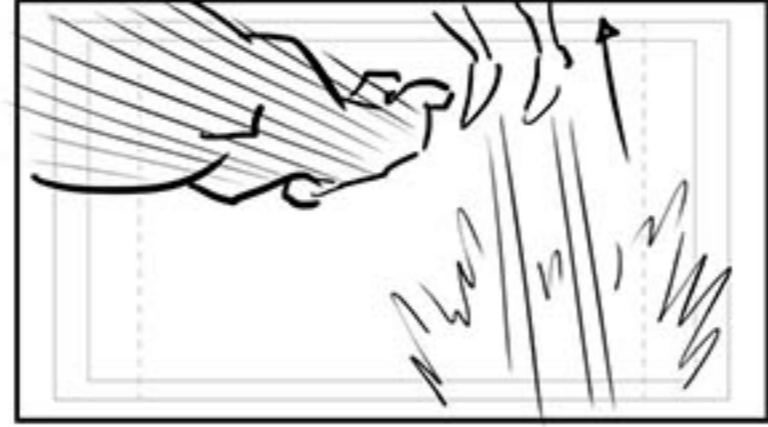

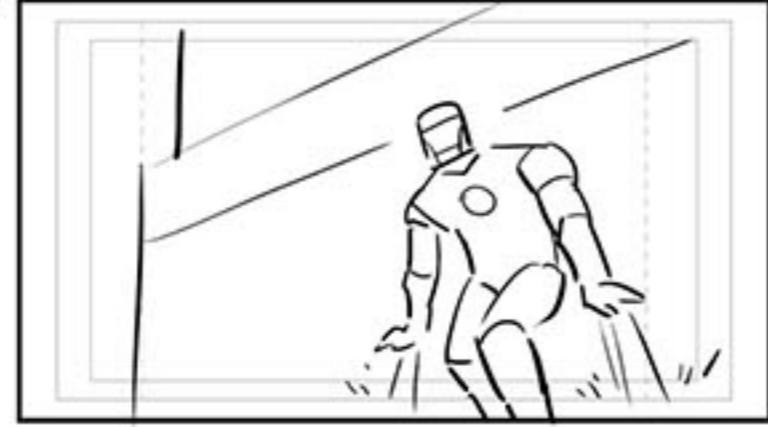

128 HULK  
Maybe... after I turn your armor

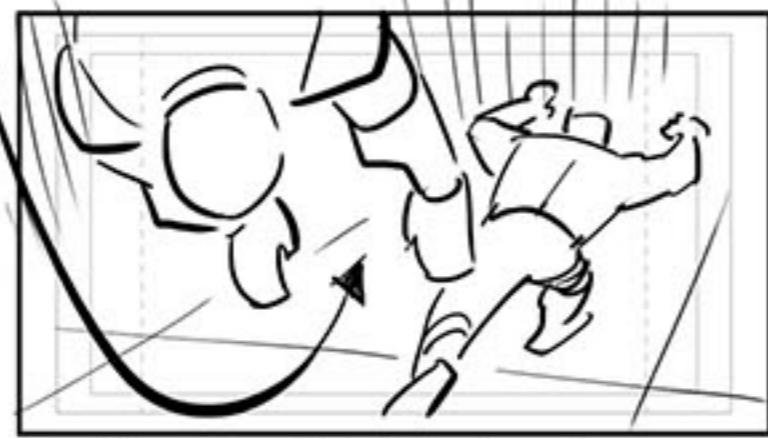

↑ Pan up  
into a soup can!

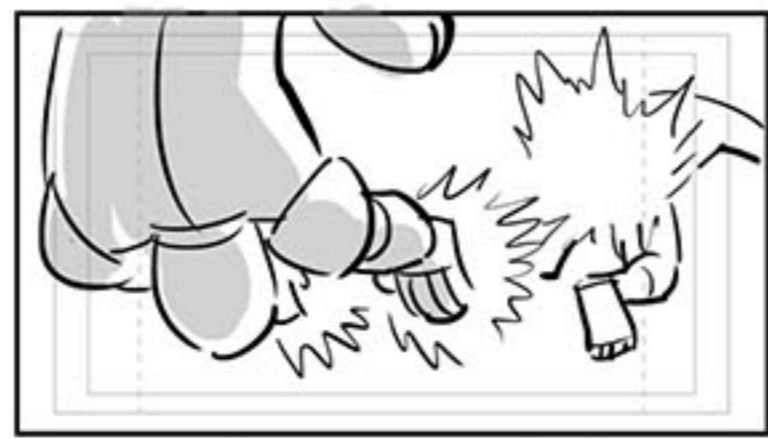

Thrust body FWD  
<roar>

Whip pan up

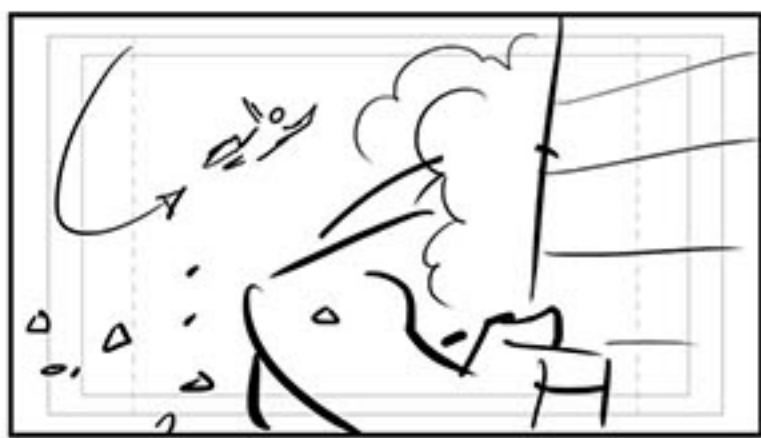

Follow IM back down

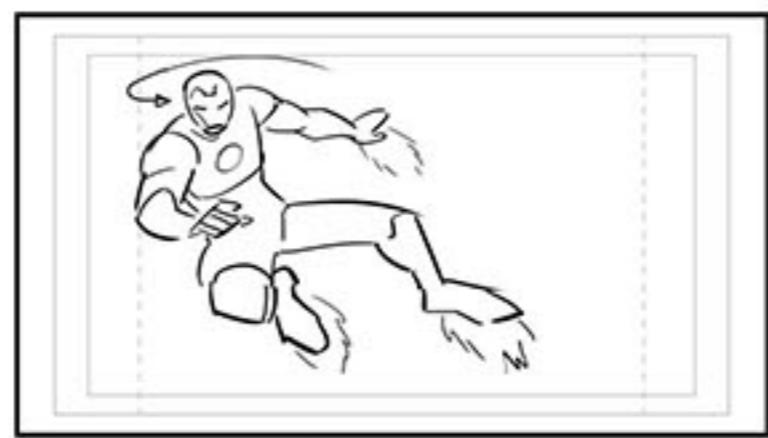

Butt Blast!

-SHAKE-

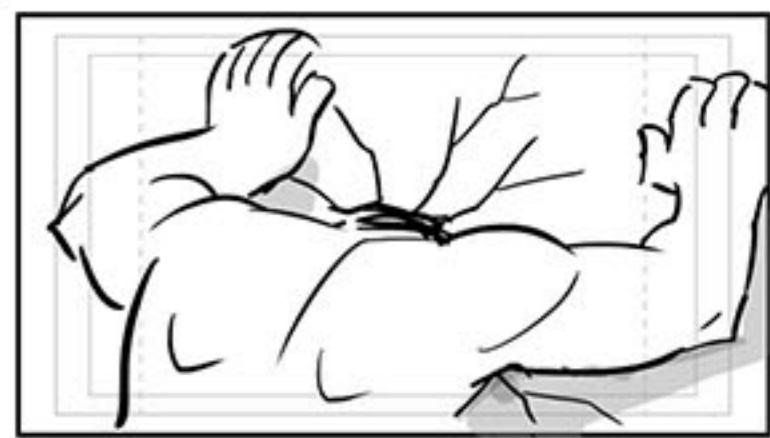

129 IRON MAN  
You may be strong -

but I can fly,  
shoot repulsor beams, and yeah -

I own a flying fortress.

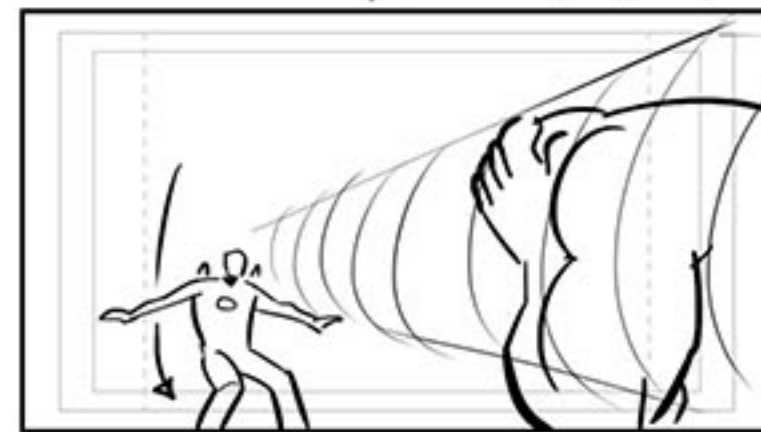

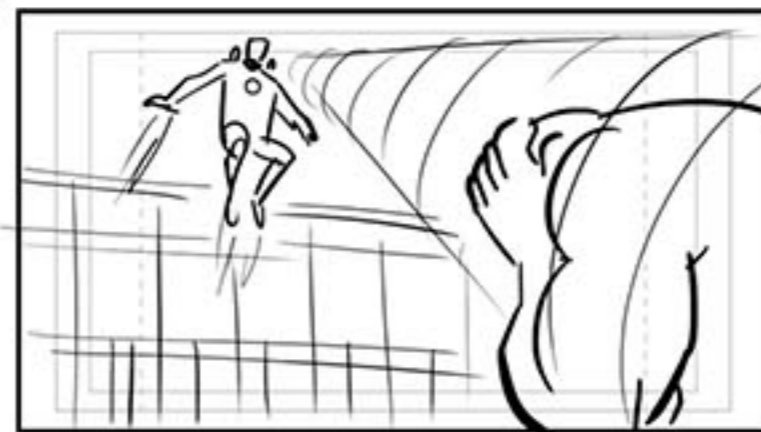

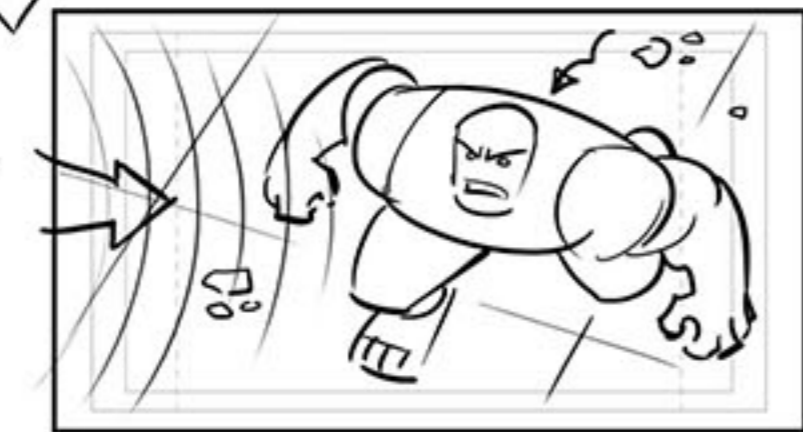

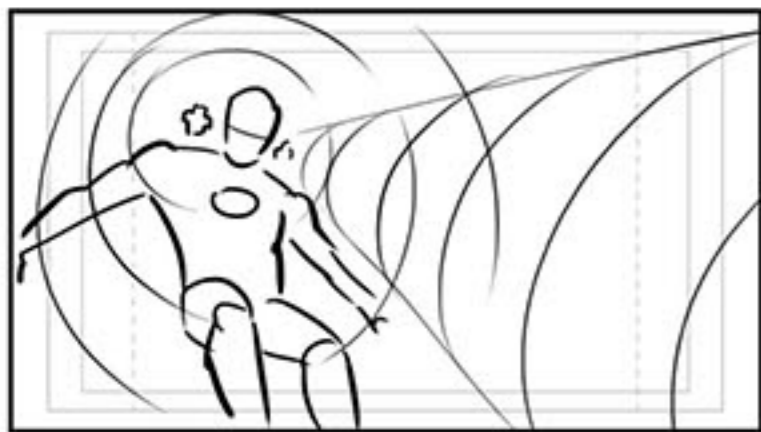

130 HULK  
Anything you do!

FAST TRUCK IN

I DO BETTER!

131 IRON MAN  
Except for the grammar.

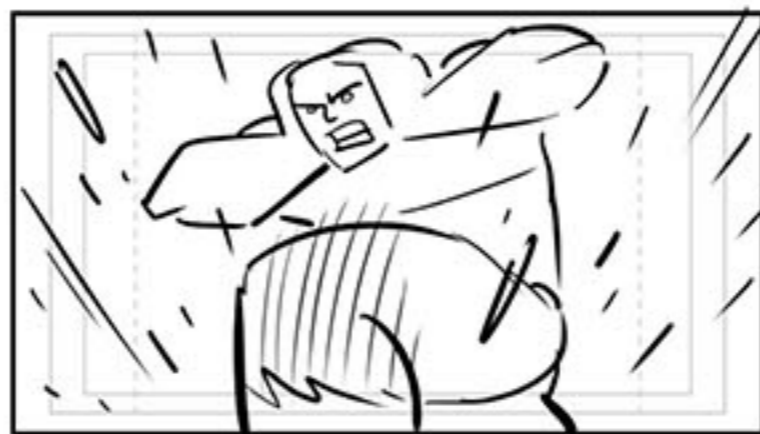

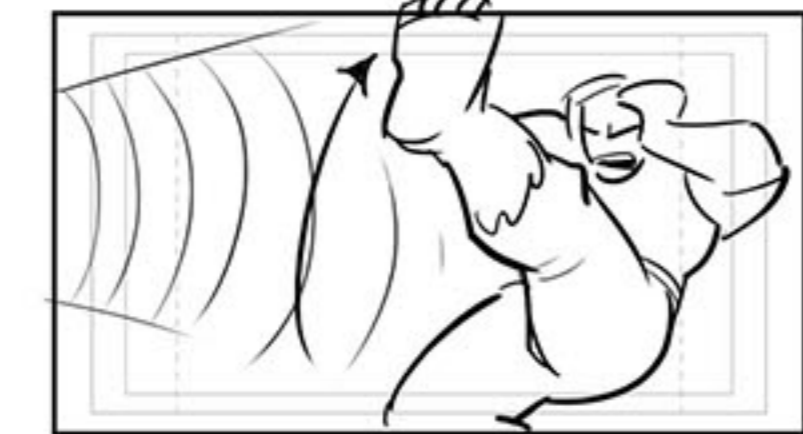

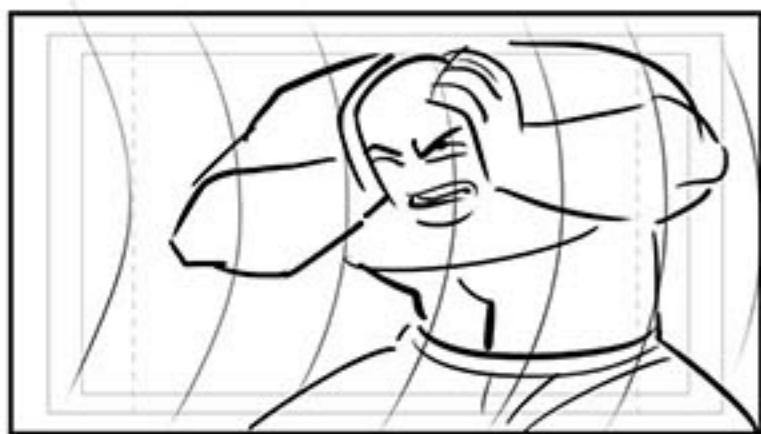

Obviously.  
Sonic disruptors pop up

Truck out

132 HULK  
<pained roar>

IM lands

I can make loud

TRUCK  
OUT noises too!

- SHAKE -

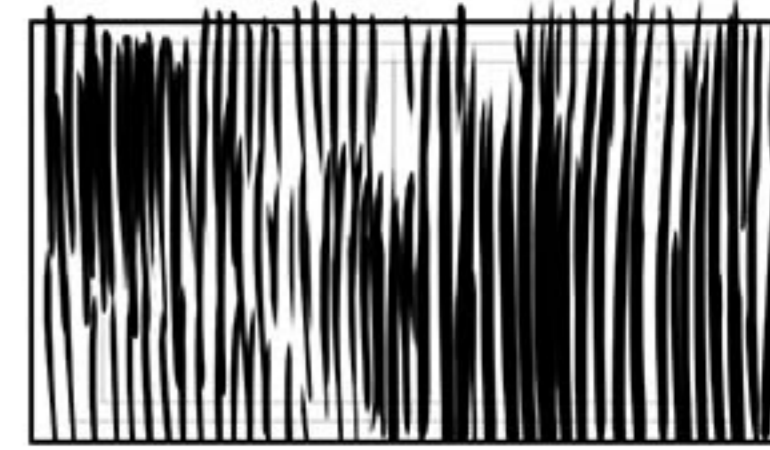

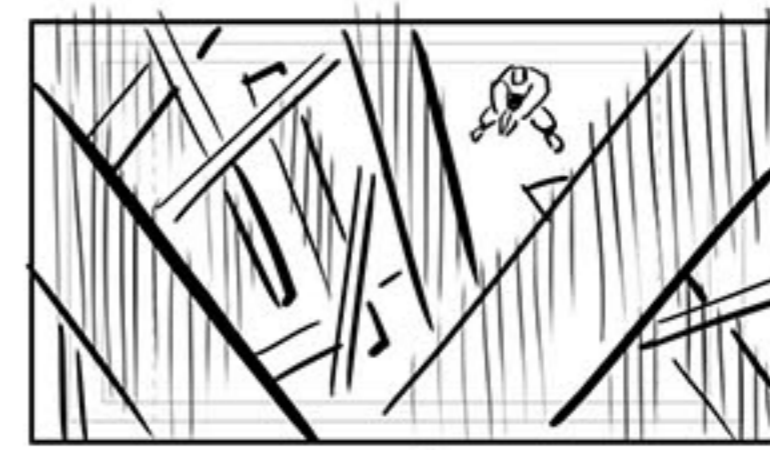

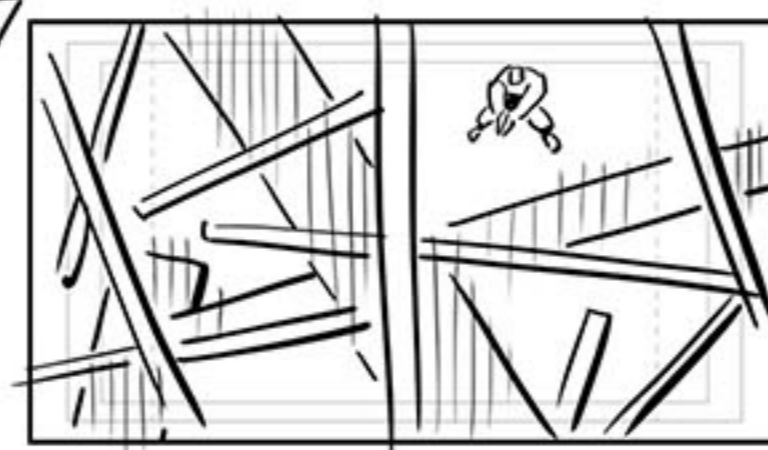

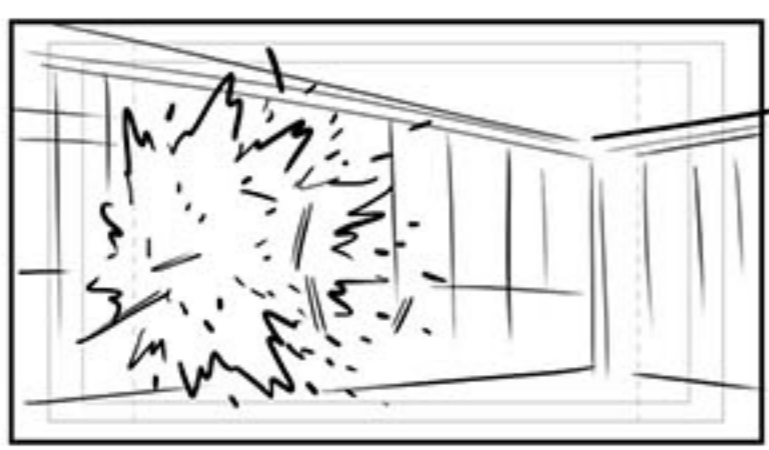

Push in on IM

133  
<impact>

134 HULK  
<clubbing effort>

BIG SHAKE

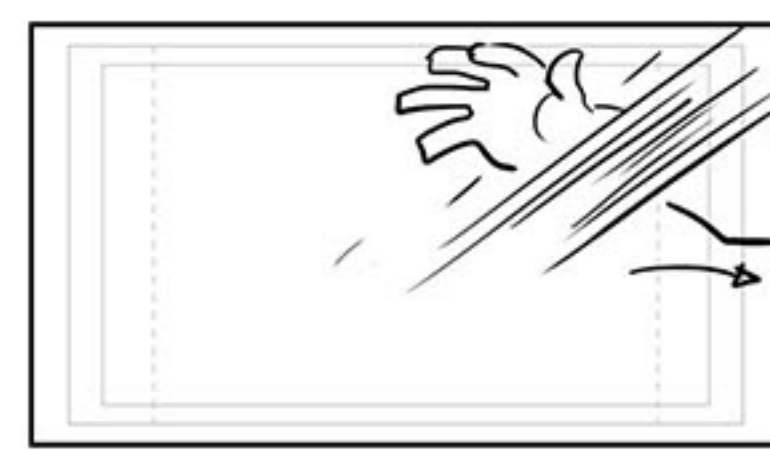

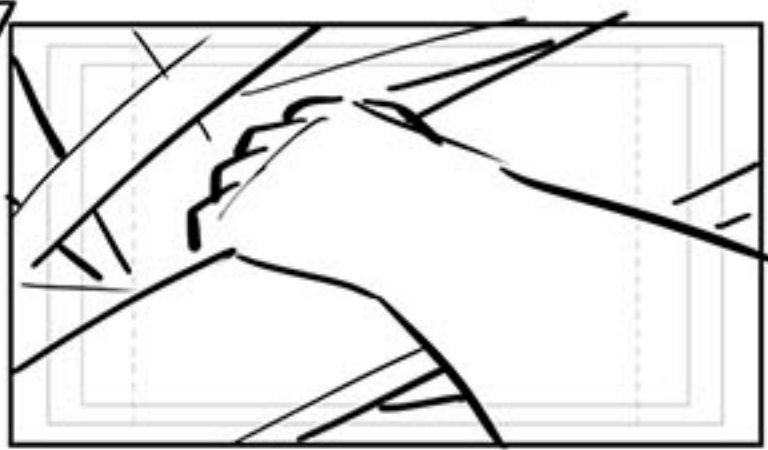

— SHAKE —

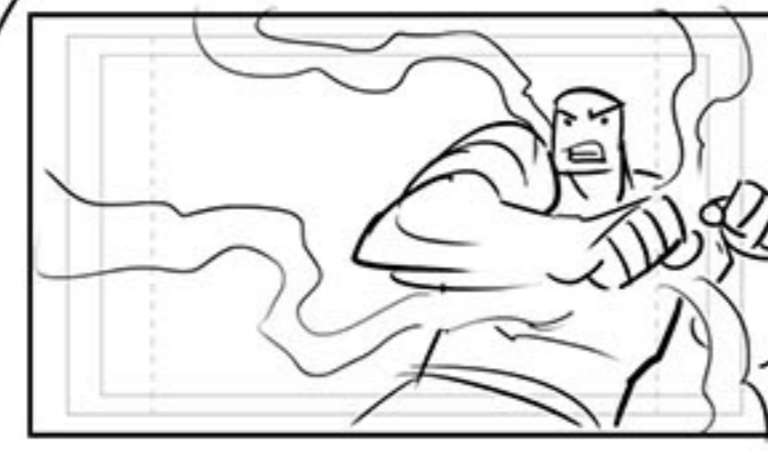

135 HULK  
Huh, all those gadgets

and do-dads and still you're

not so tough.

136 HULK  
<impact>

137 IRON MAN  
I can do this all day, Green!

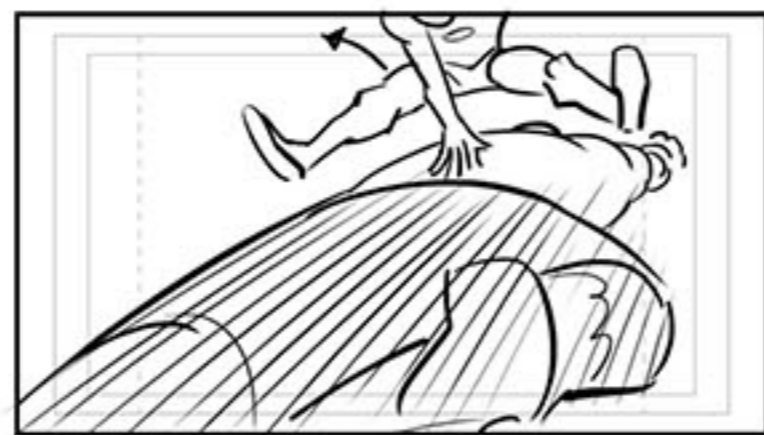

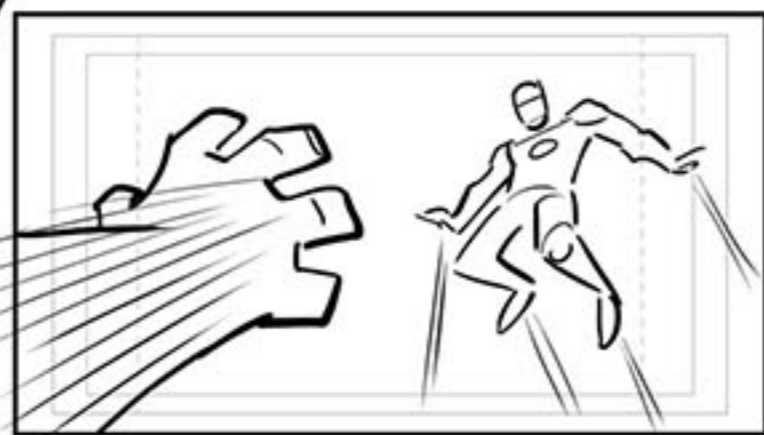

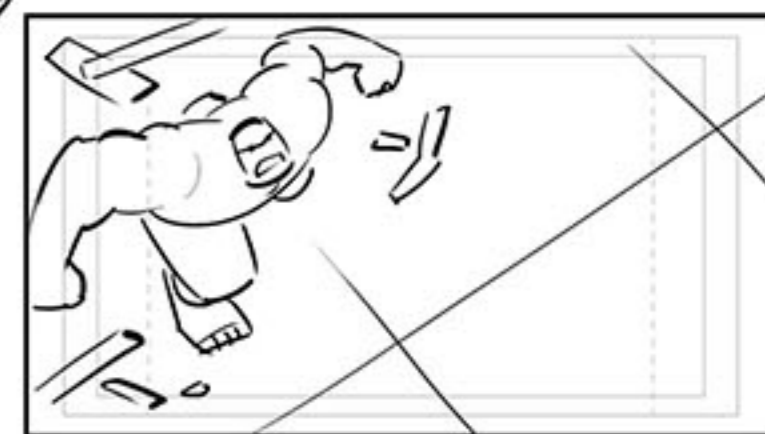

<- and then roar>

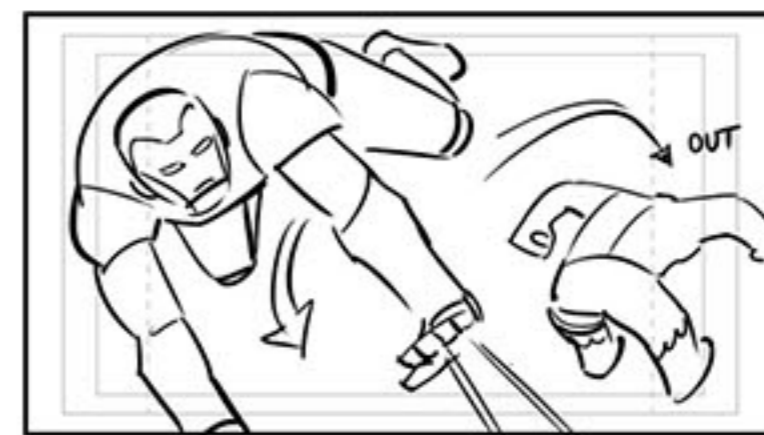

(Blast of wind from punch)

Too bad you can't fly!

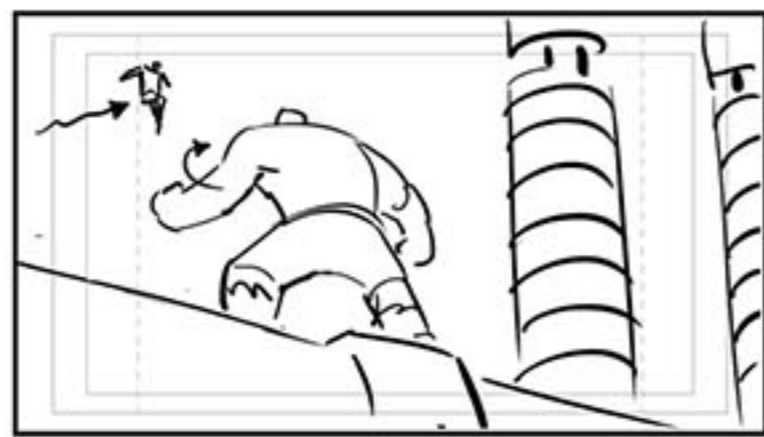

138 IRON MAN  
Oops,

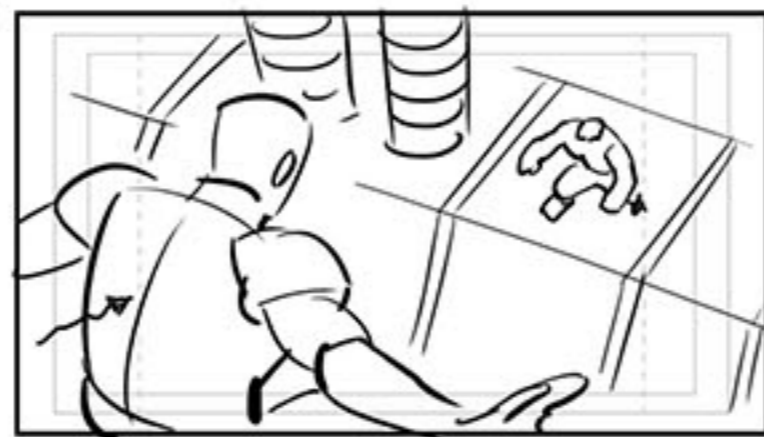

too slow!

It drops toward transformer

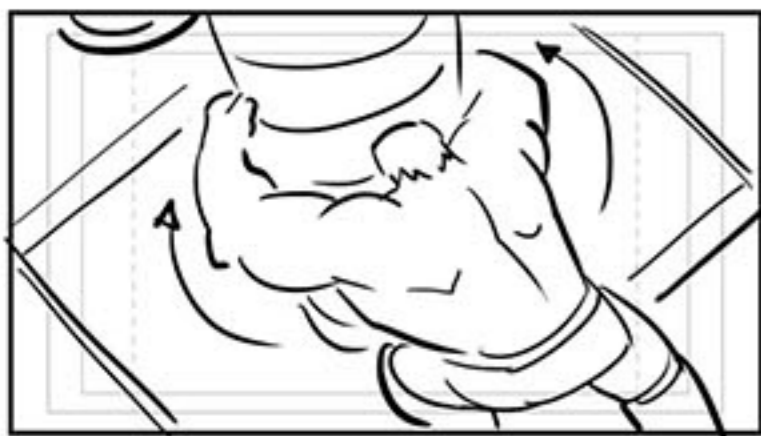

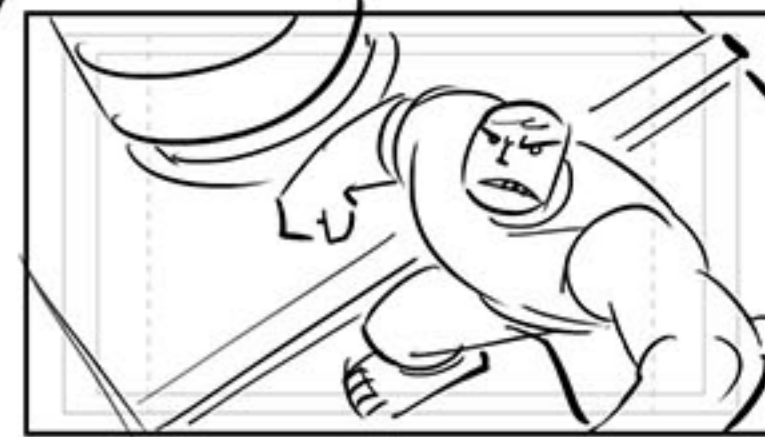

139 HULK  
Get down here!

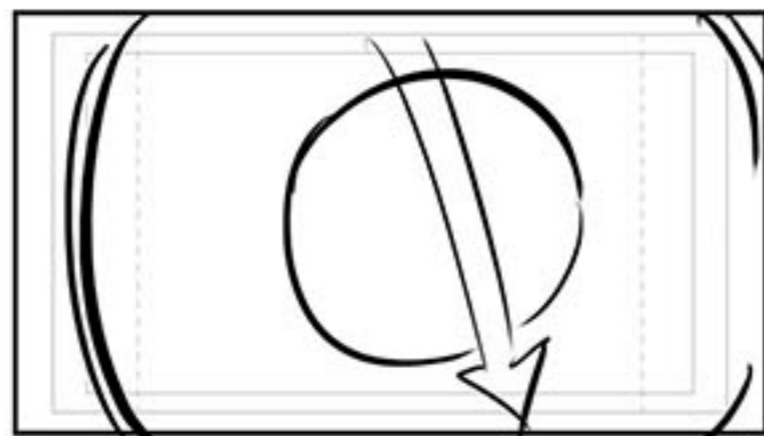

140 IRON MAN  
No, thanks. I can smell your

Hulk- breath from here.

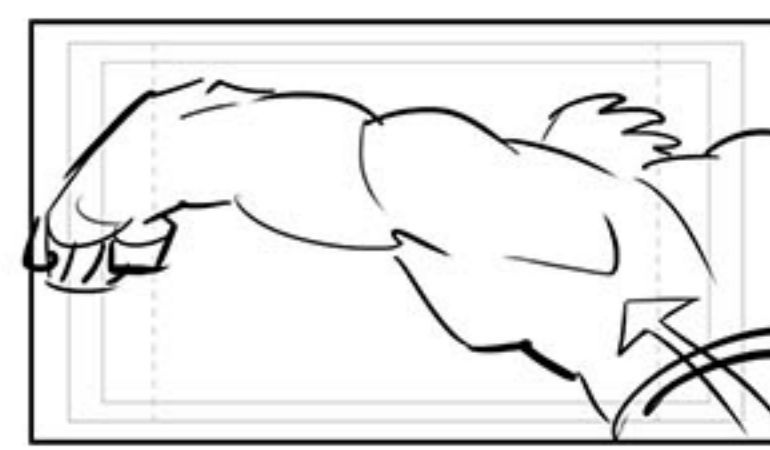

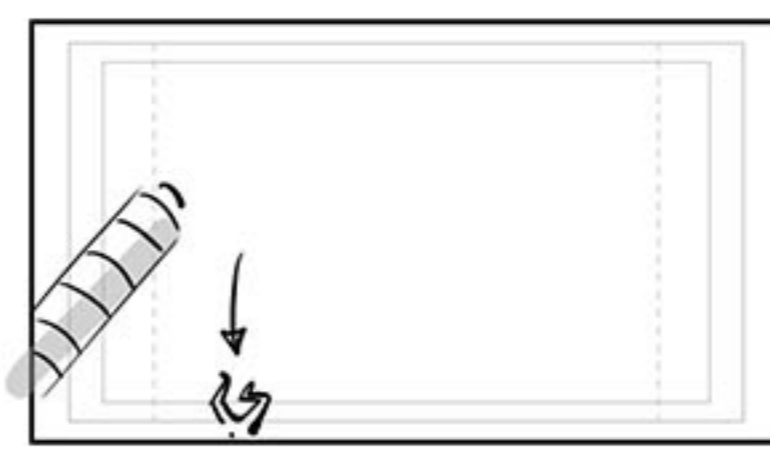

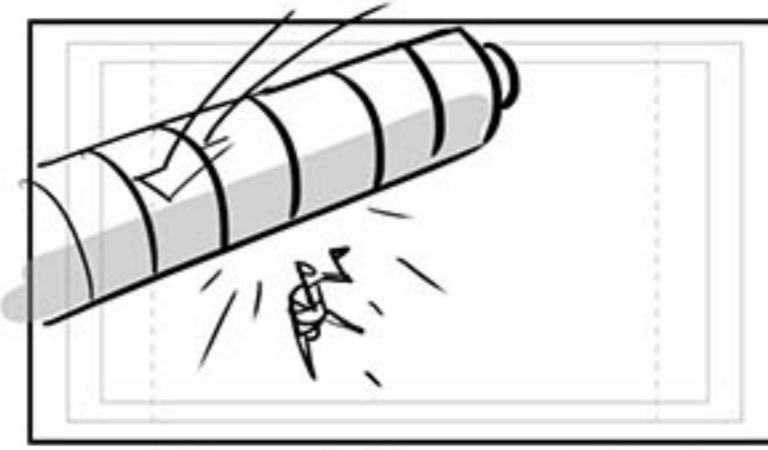

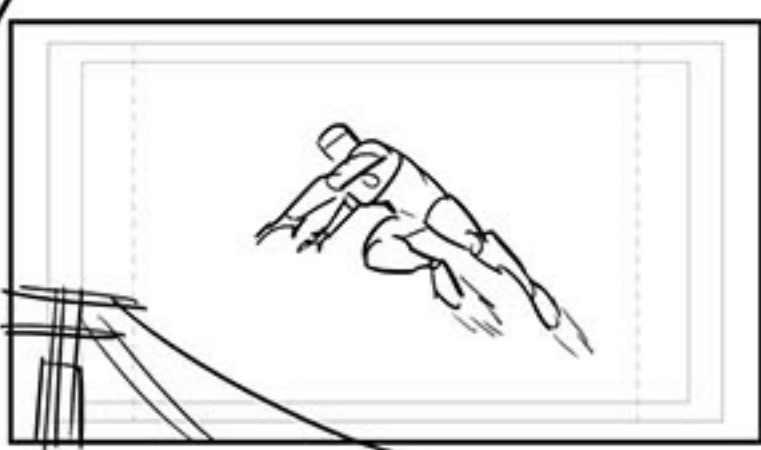

Truck out

Truck out

BWANG!

cut to ground

TRUCK OUT

141 HULK  
What? Nothing funny to say? Okay, I'll talk...

142 HULK (Vo)  
Yer always ready to blame the big

green guy when things blow up,

X DISS & TRUCK OUT

but I didn't even cause the problem here -- Hydra did!

PAM

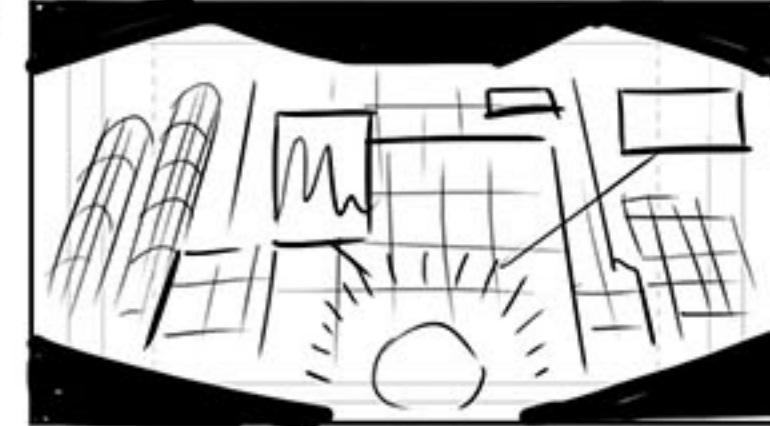

143 IRON MAN  
Hydra? Those guys are always trying to take over the world.

What would they want with a tiny energy plant in nowhereville...?

WIRE FRAME WITH LIGHT SOURCE

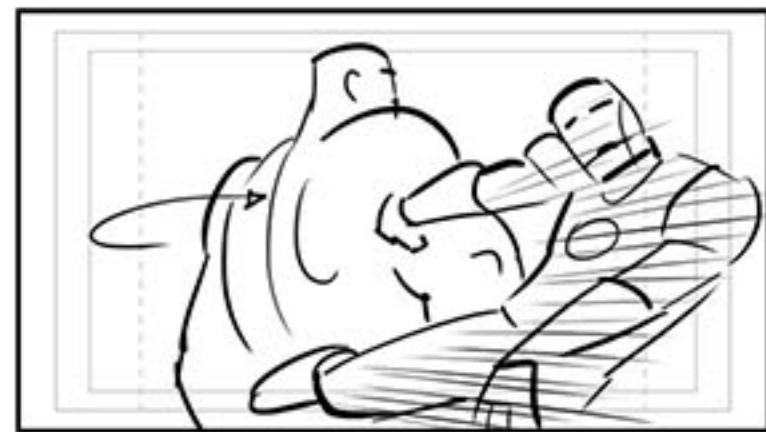

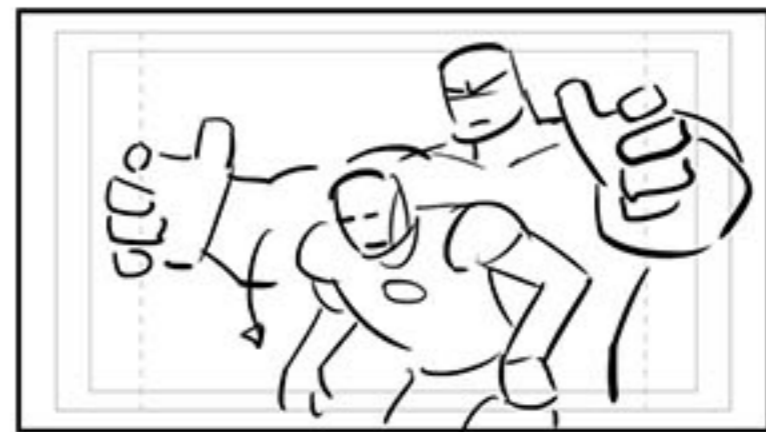

144 IRON MAN  
Hmum, I'm still registering a lot of Gamma Power inside the plant.

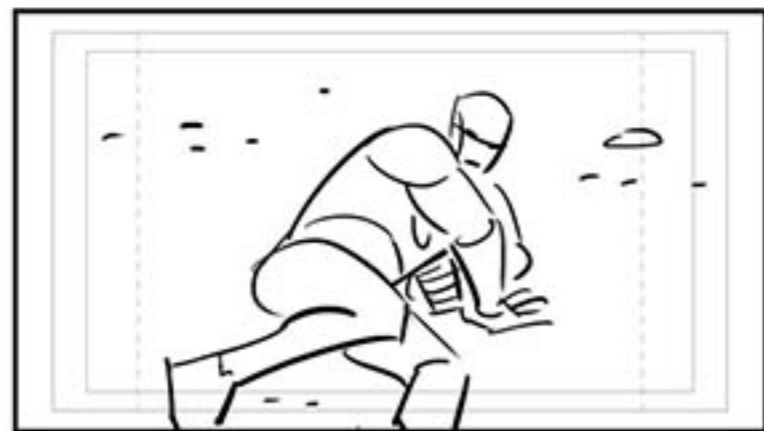

145 IRON MAN  
Okay-okay,

time out.

H turns, elbows IN  
"accidentally"

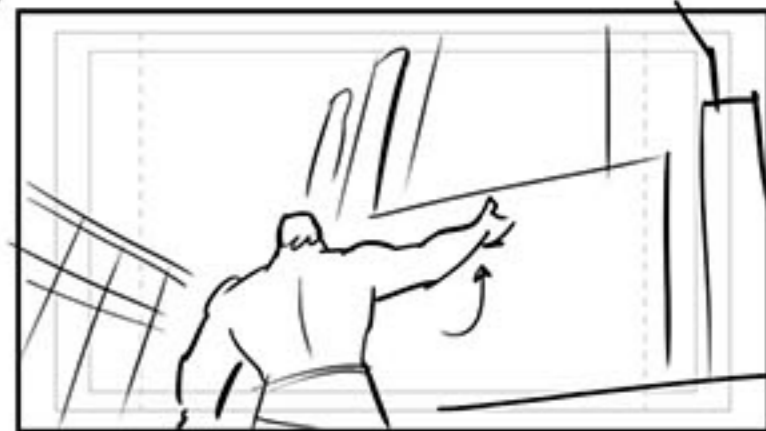

146 IRON MAN  
I said TIME OUT.

147 HULK  
I heard you.

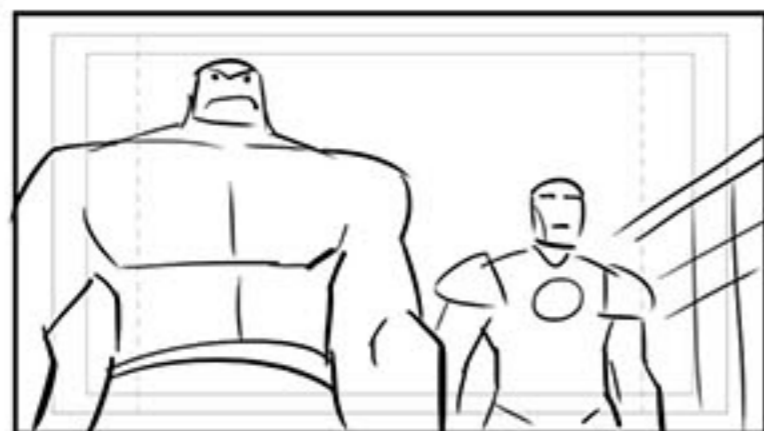

→ PAN  
Like I was saying, my power and  
all the other

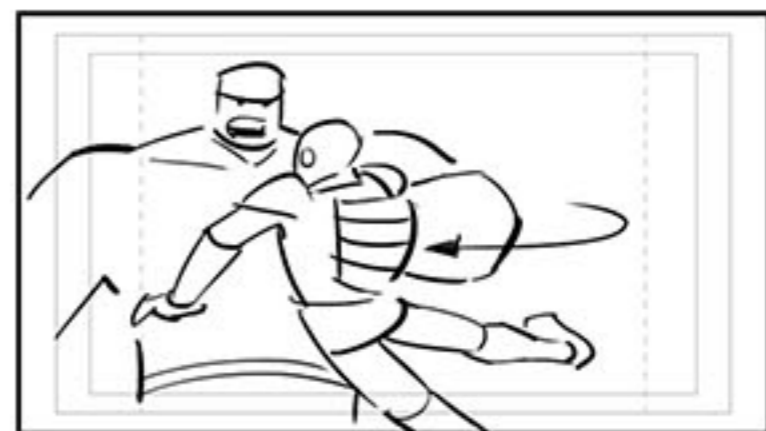

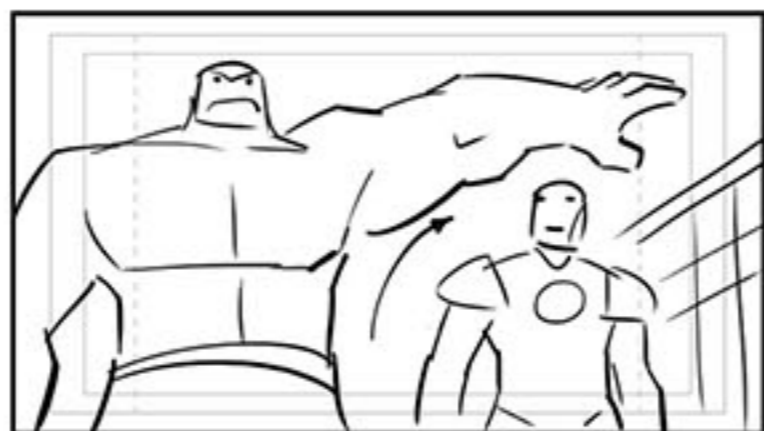

power was drained INTO the plant.

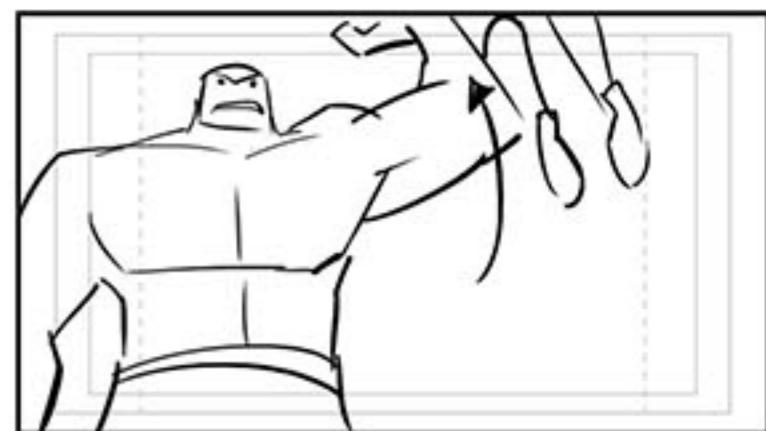

148 IRON MAN  
Well, why didn't you say so

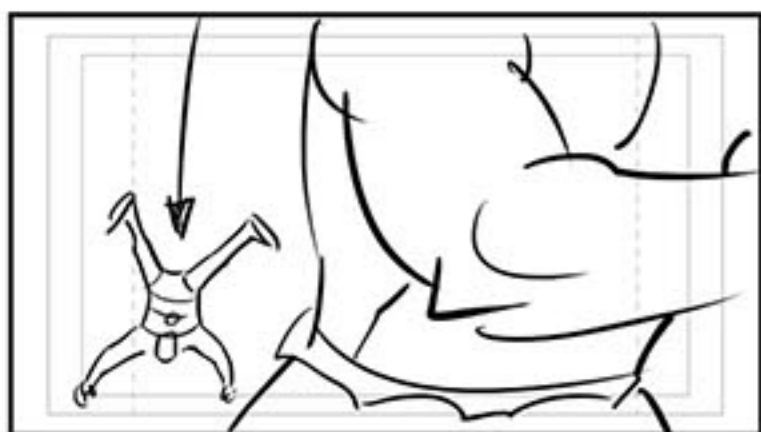

in the first place?!

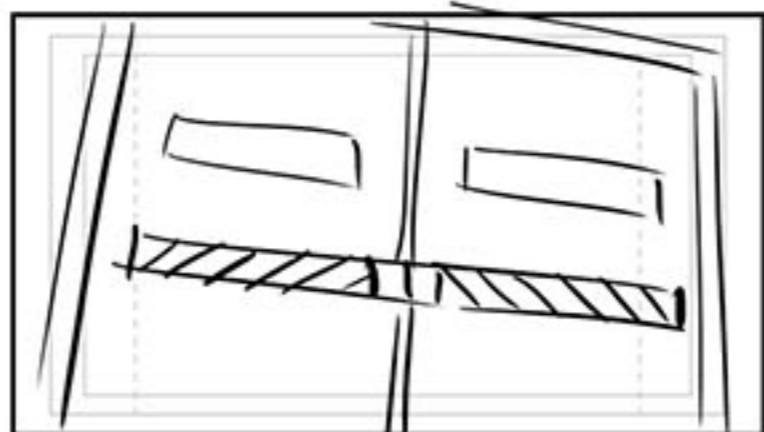

149 HULK  
<angry grunt> I was trying,

eeesh.

THUD

INSIDE PLANT-SECURITY

So much for your spark ball.

See? You do need me. 180 HULK  
It's true.

Ya make a good club.

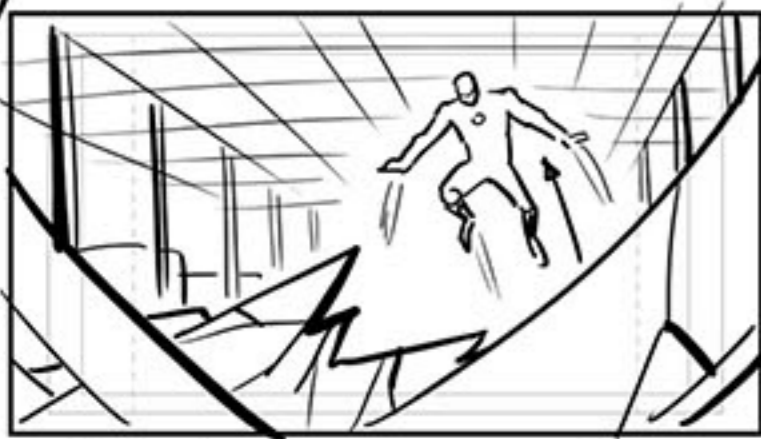

View toward reactor platform

181 IRON MAN  
Looks like those two Hydra goons escaped.

182 HULK  
I'll find 'em.

Cut to reverse - wreckage  
in FG

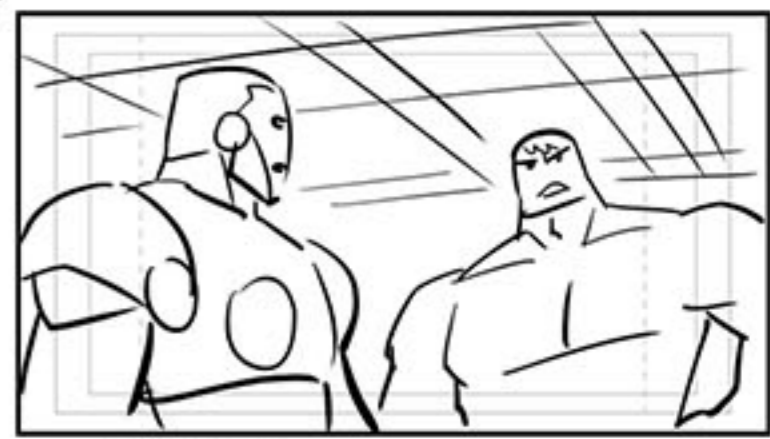

183 IRON MAN  
Hmm. This reactor is based on my design.

Of course, their big mistake was trying to power it

with the energy out of you.

184 HULK  
What's the matter with that?  
185 IRON MAN  
Gamma power is a dangerous,

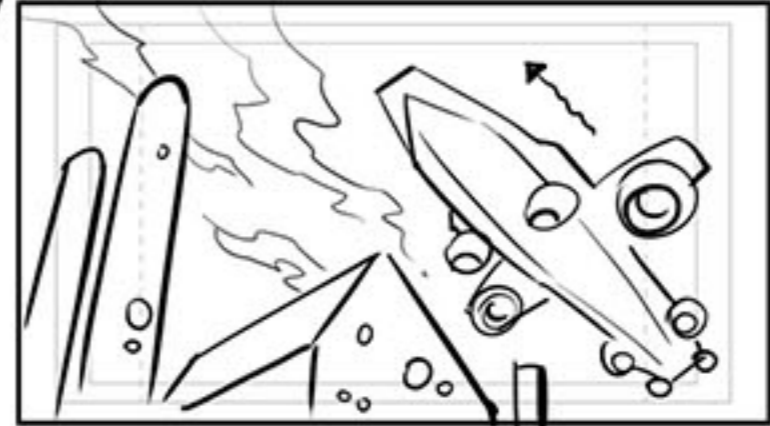

unpredictable energy source...

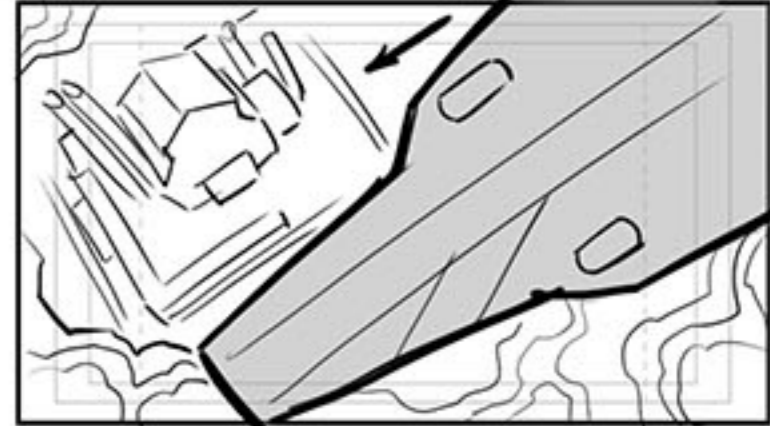

186 HULK  
Made me the man I am today.
