

Sandra fires flame blast

Tetrax dodges it

Throw 3 handfuls

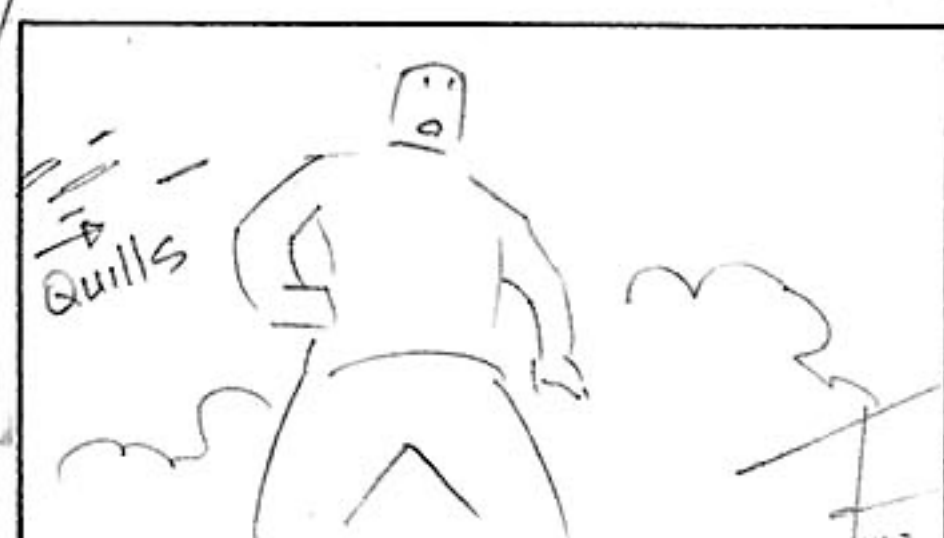

Cam flies with crystal shards

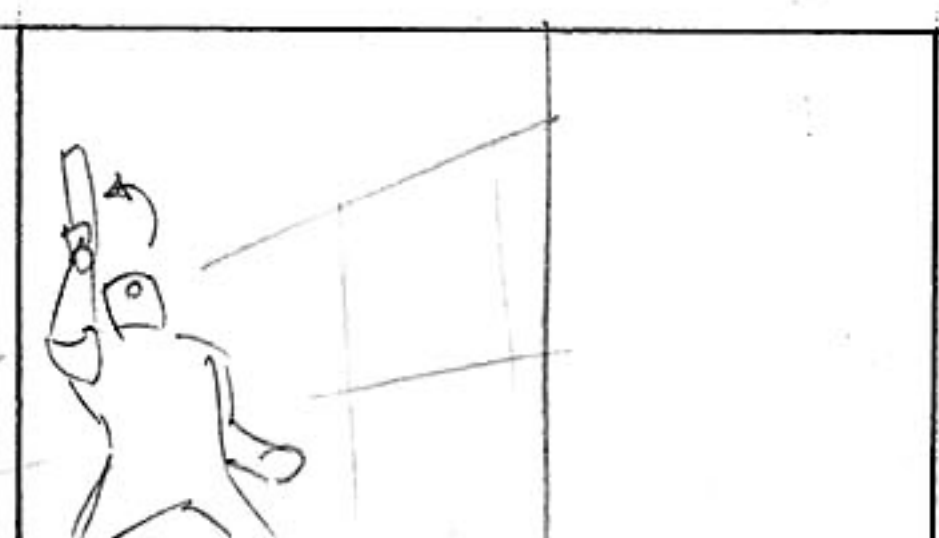

Barrier forms

forces Sandra to her knees

Pan to Max

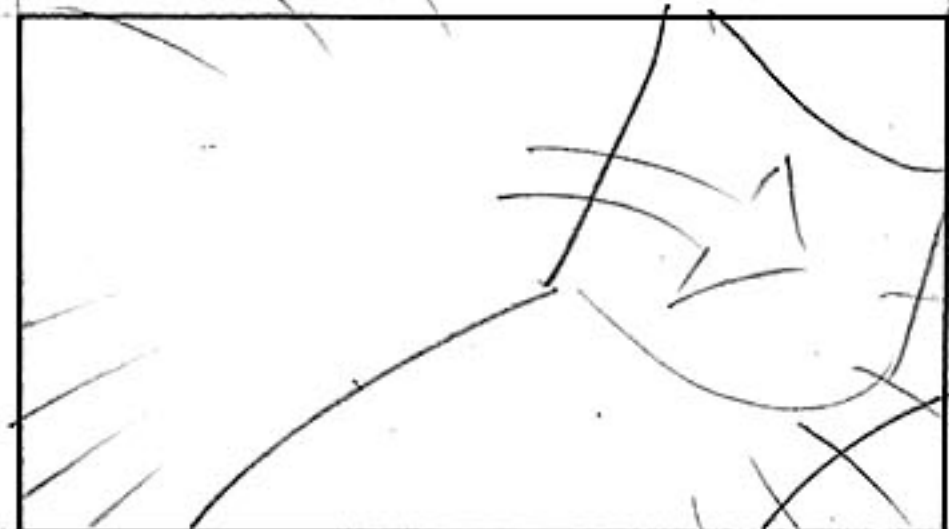

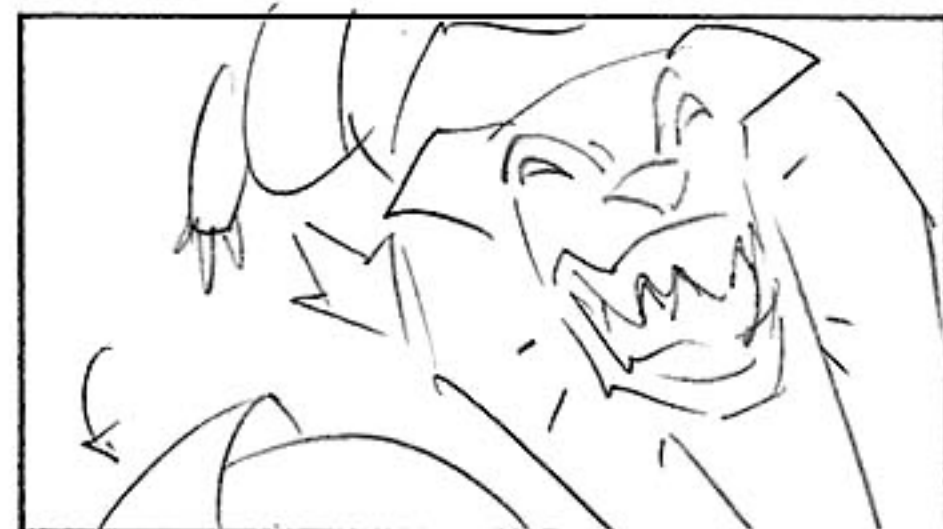

Quills stick in ground

Cut to POV, rushing Max

2

Sandra shatters barrier

Growl

TRUCK OUT
(655) M: Son!

No!

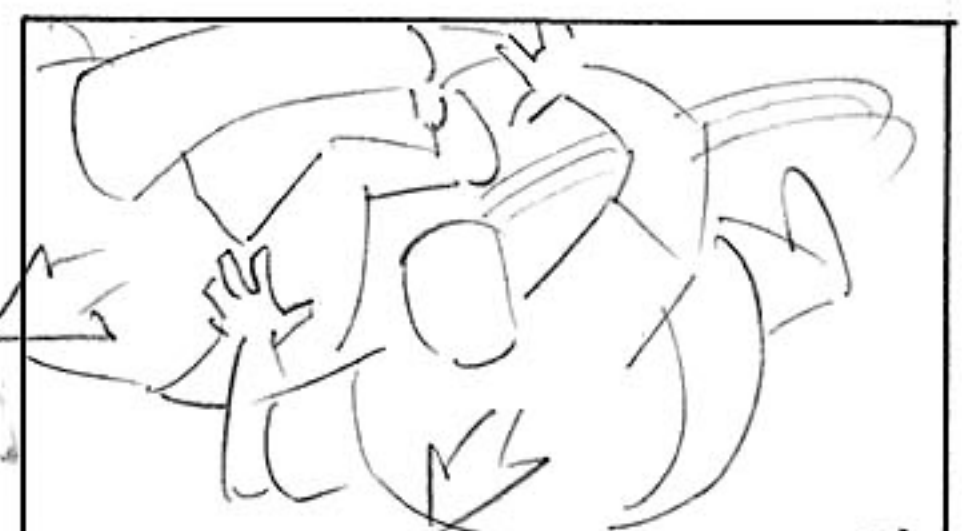

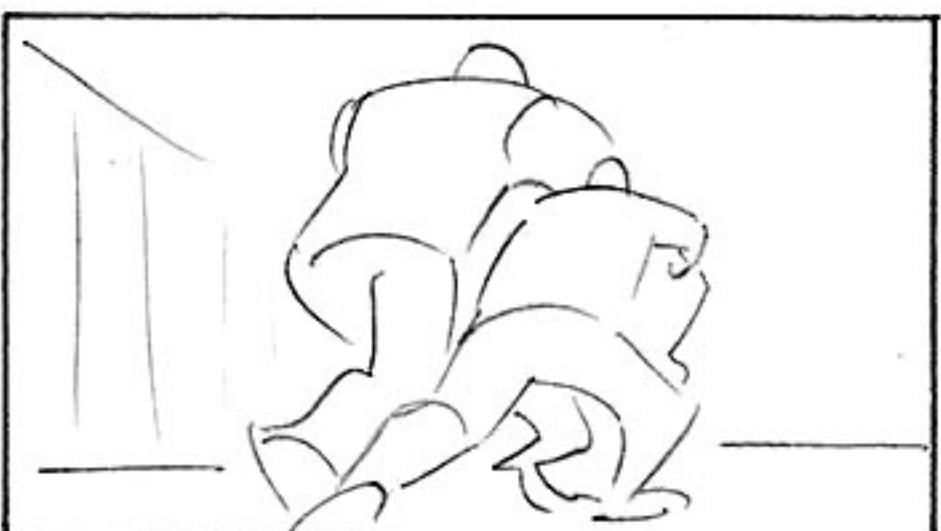

Tetrax in

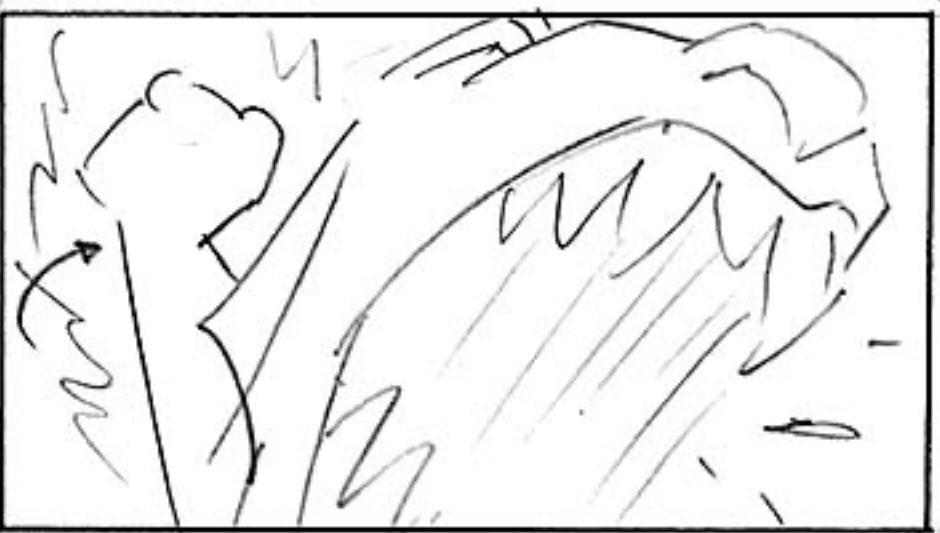

(696) M: Your wife-

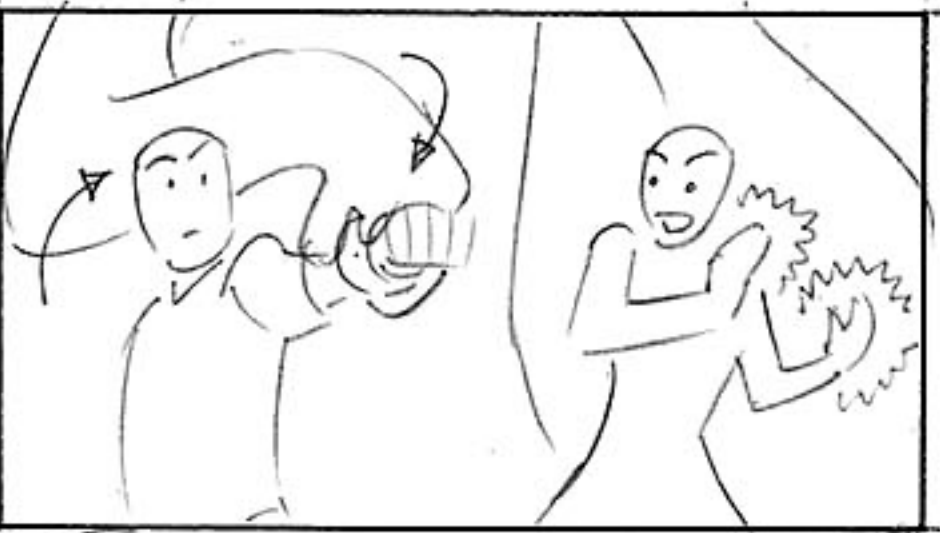

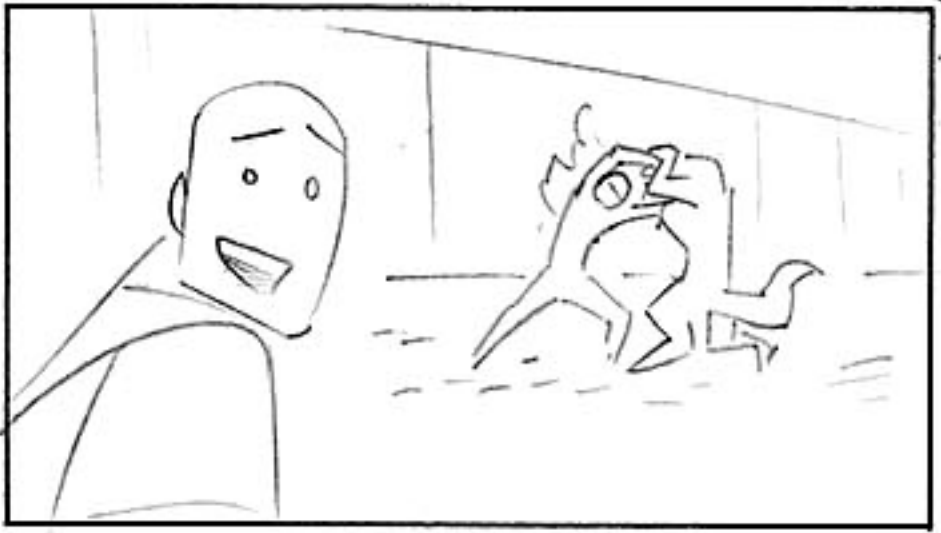

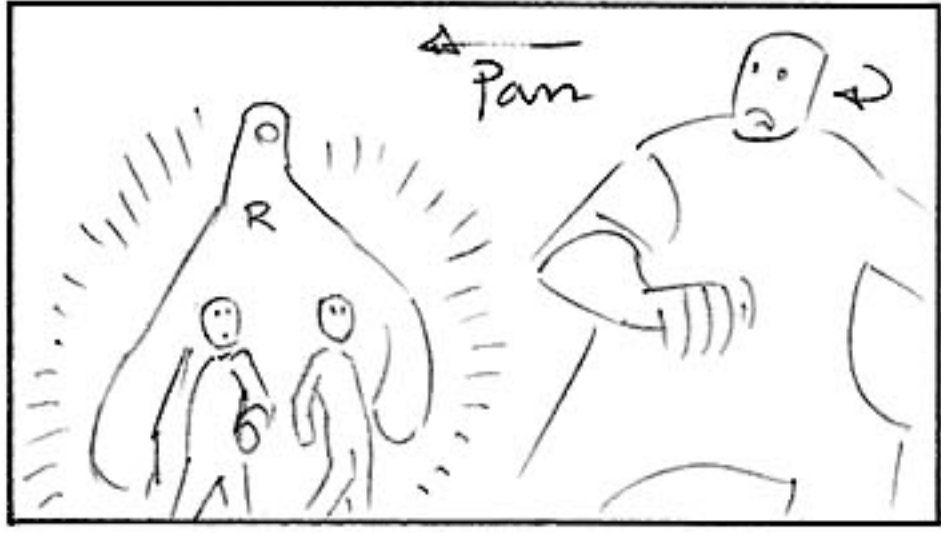

-IS NOT a midnight snack!

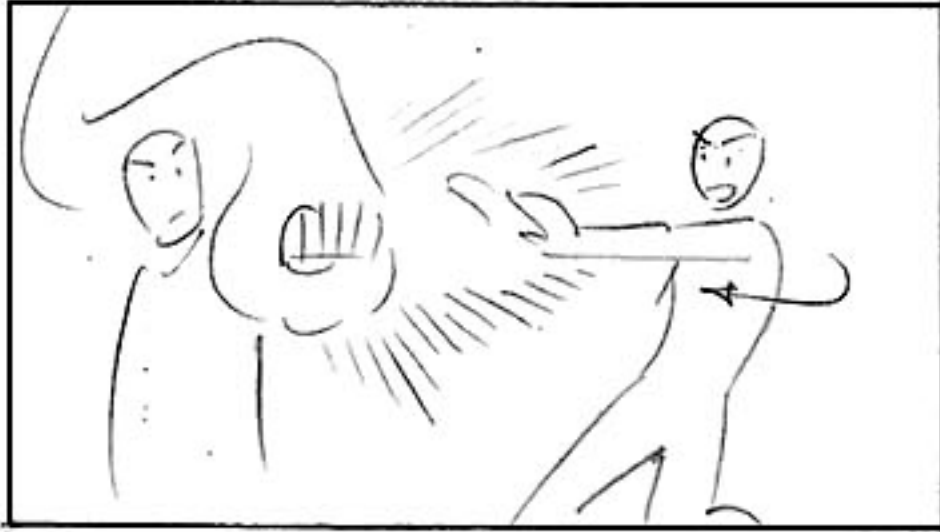

lunge - 'chomp (Sandra gets her arm around him) Chomp Chomp

B G

(657) G: Mechanae -

-discombobulus!

Cut to parents

Energy swirls around them

Ben opens one eye

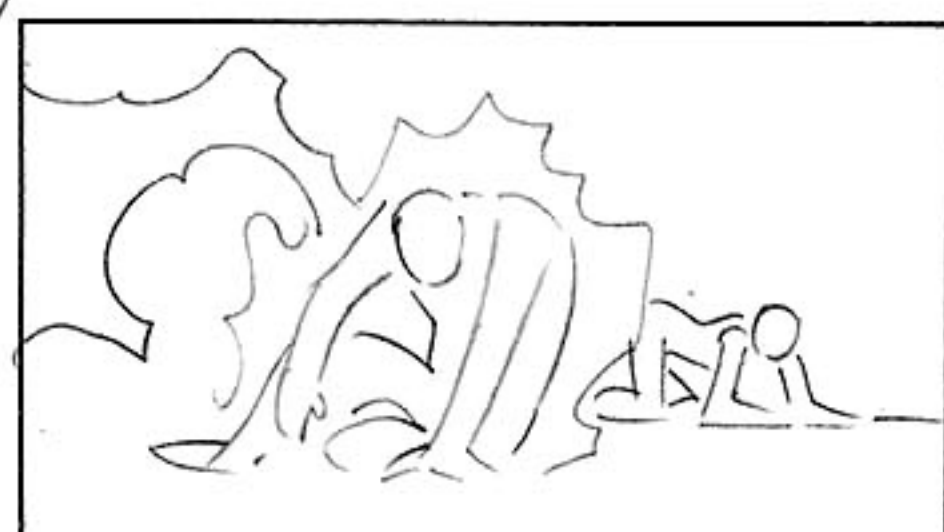

Parents go limp

-separate

Sandra drops to ground — reverts to normal

Carl reverts — both groggy

energy streams back into Omnitrix — Ben shudders

It ends - R releases Ben

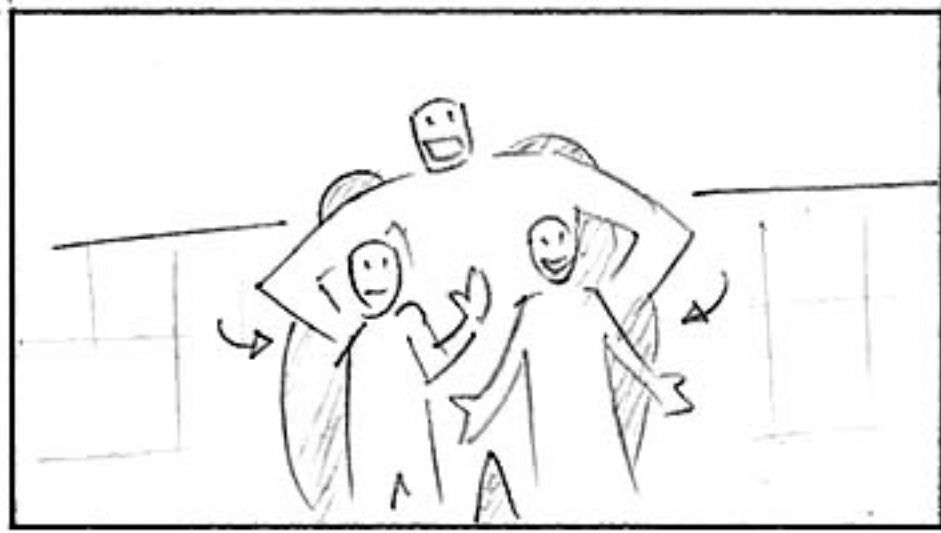

On Carl & Sandra

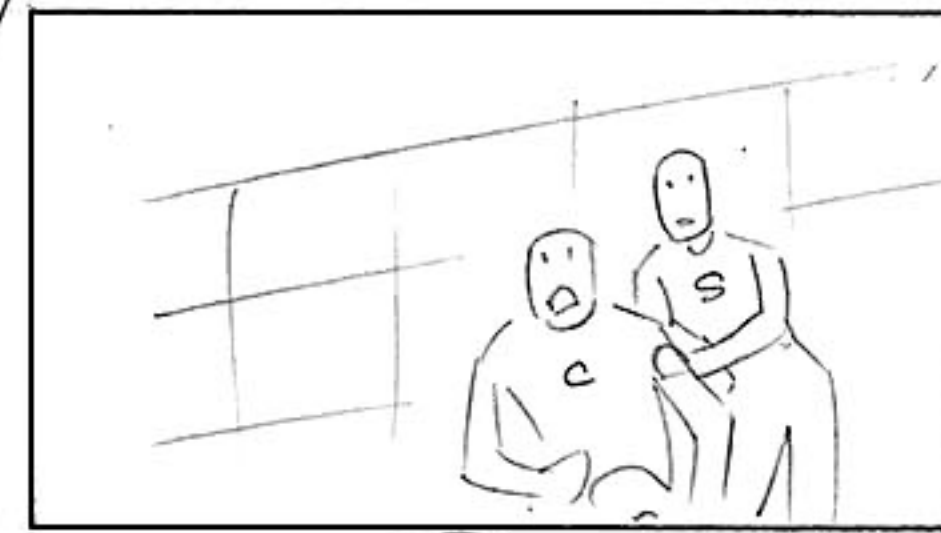

(658) S: Ben!

blurry POV/handheld

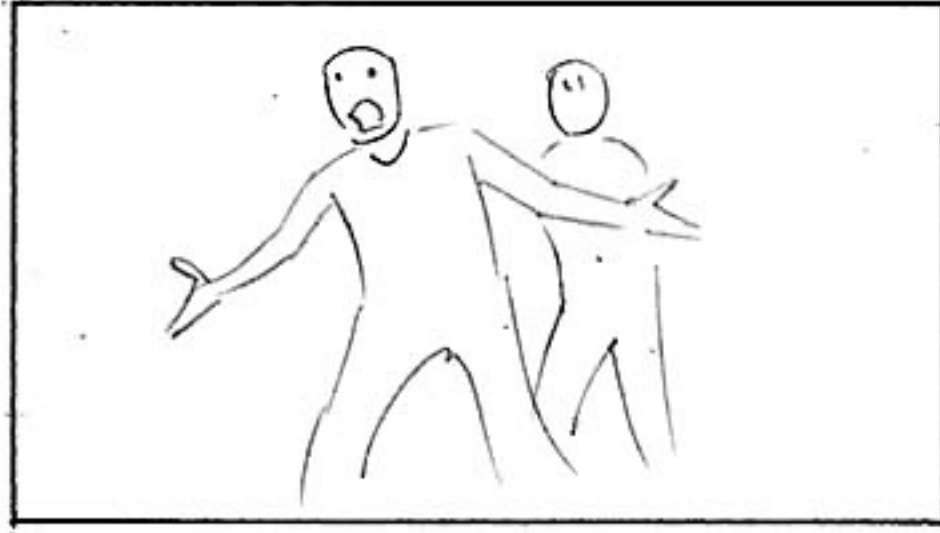

comes into focus as R & T squeeze behind the others

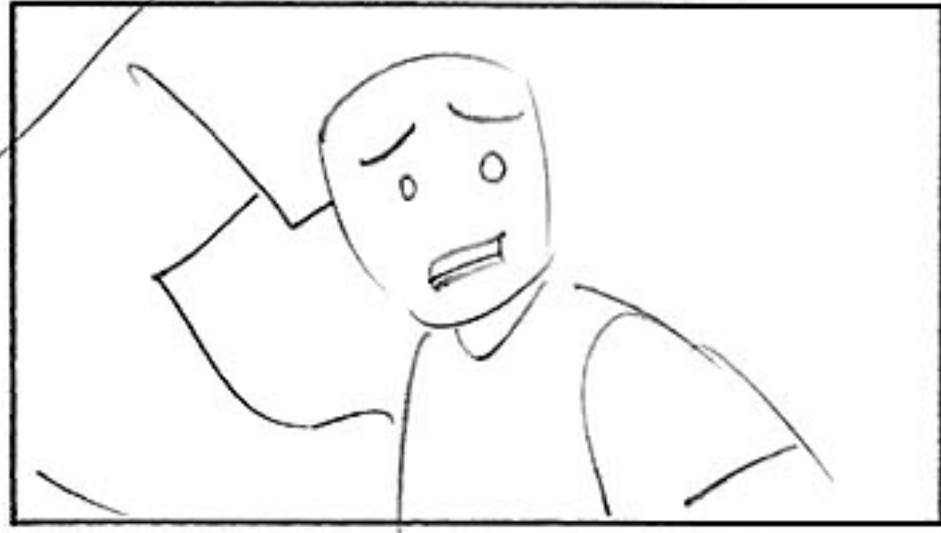

(659) C: Where in the -

-world were you? We've been-

-looking all over for you!

(660) B: Sigh...

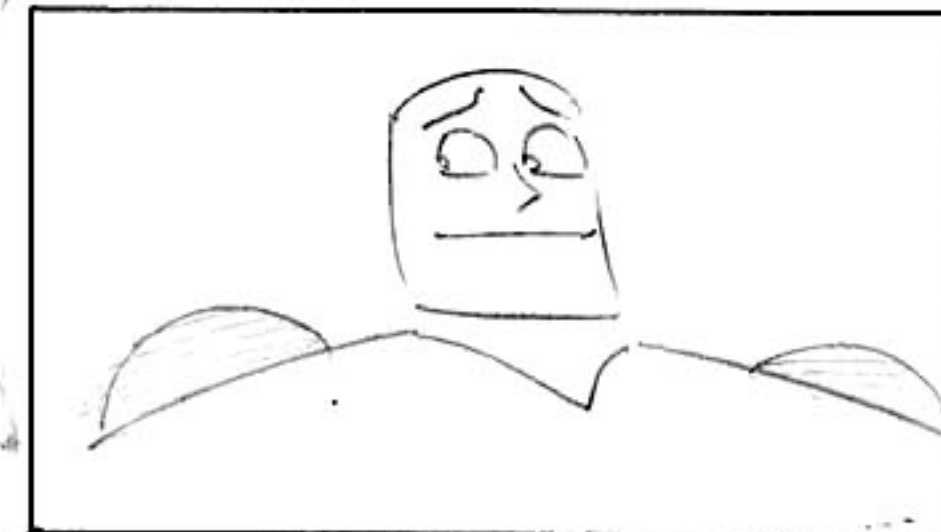

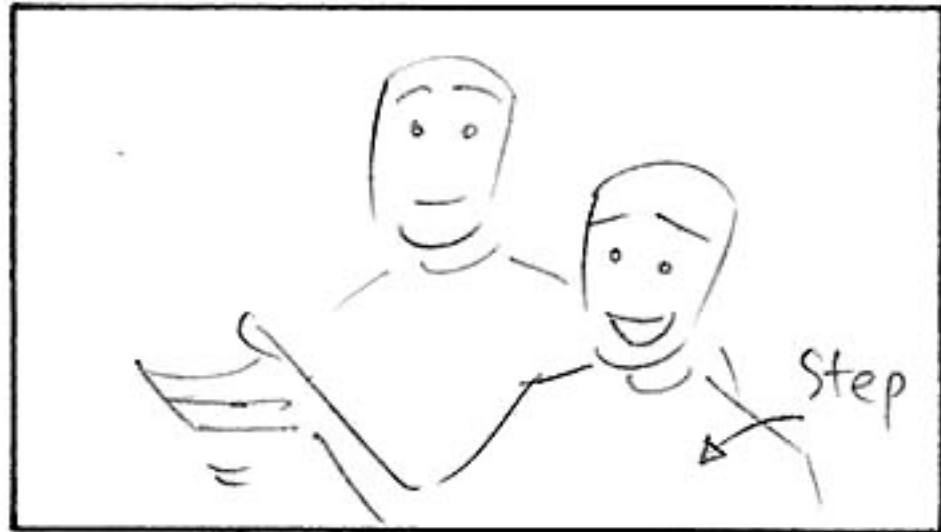

I...

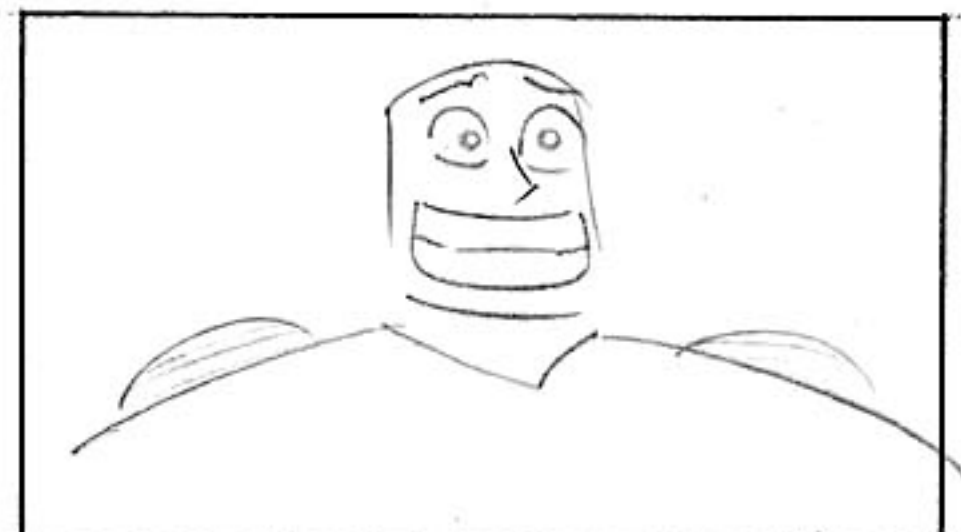

(Start to speak)

(661) S: Your grandfather's here - to take you fishing.

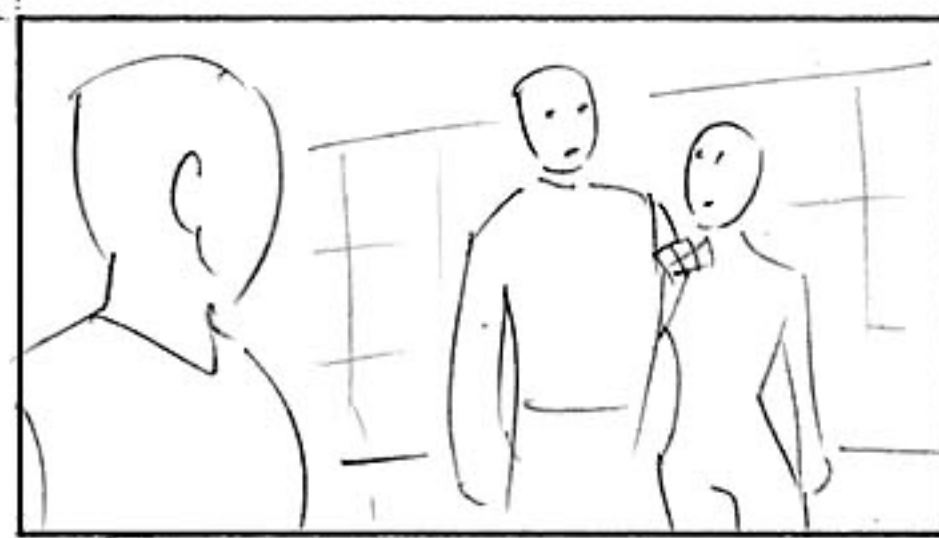

cut to Max - quick eye movements L/R

- then BIG SMILE

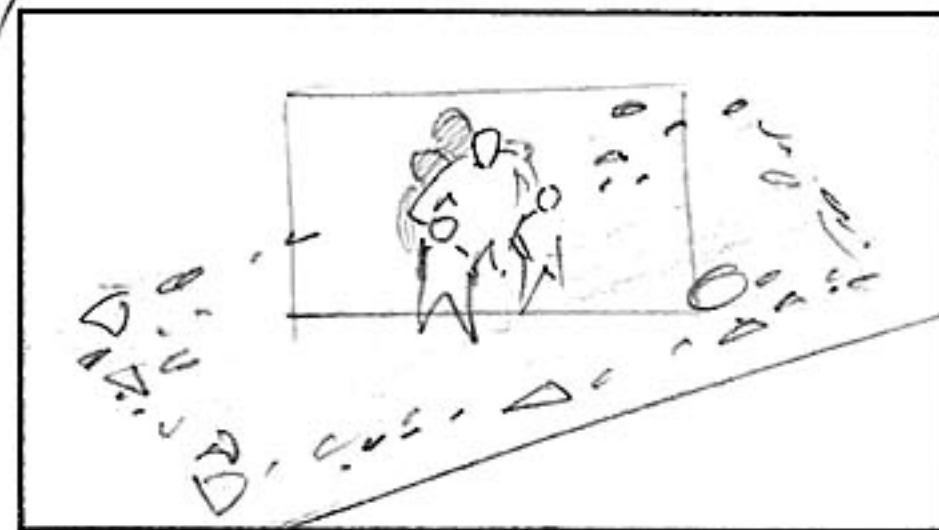

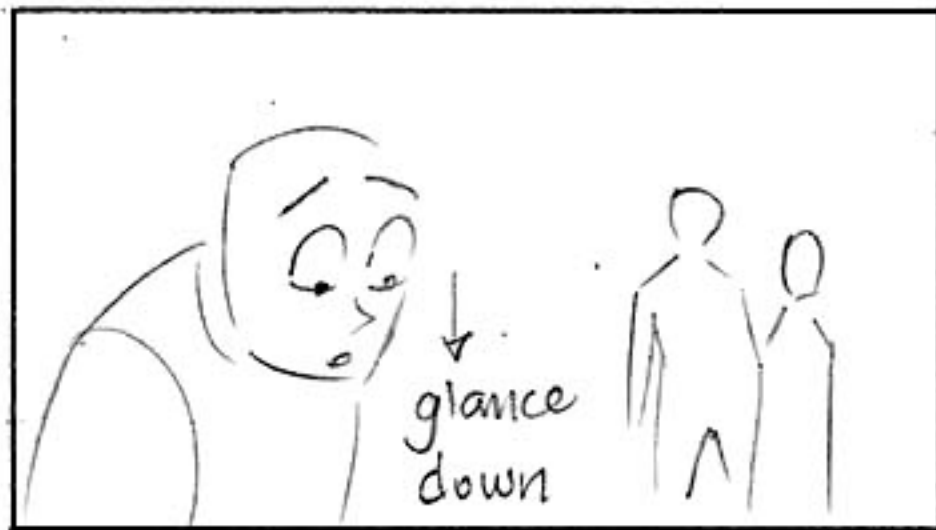

662 B: You mean, I'm not grounded?

663 S: I don't remember grounding Ben, do you, Carl?

C & S turn away

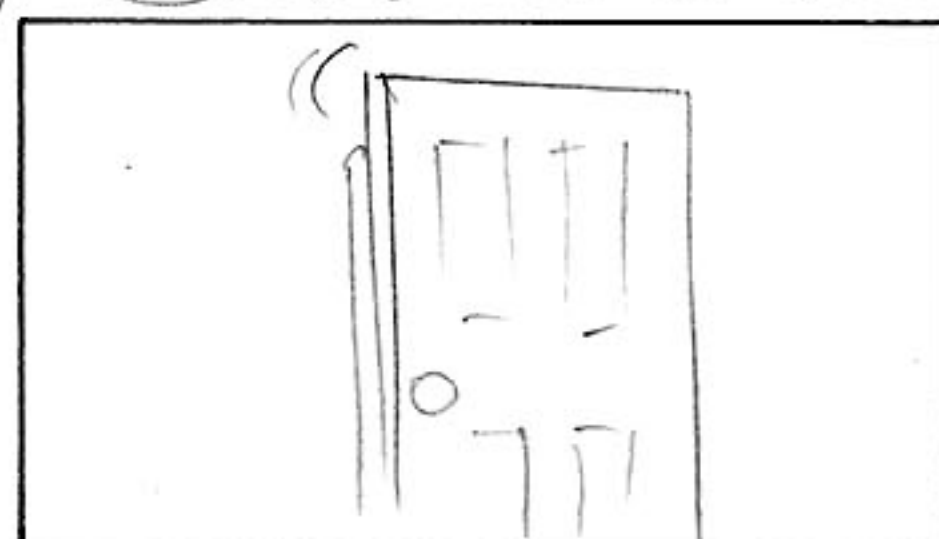

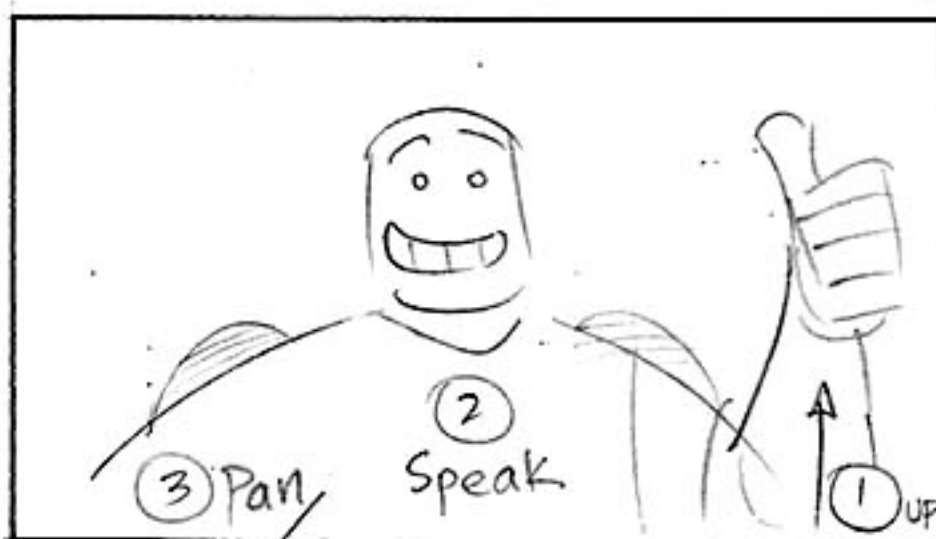

Truck out-group standing in rubble of Rustbucket
664 C (vo): Where's the RV, Dad?

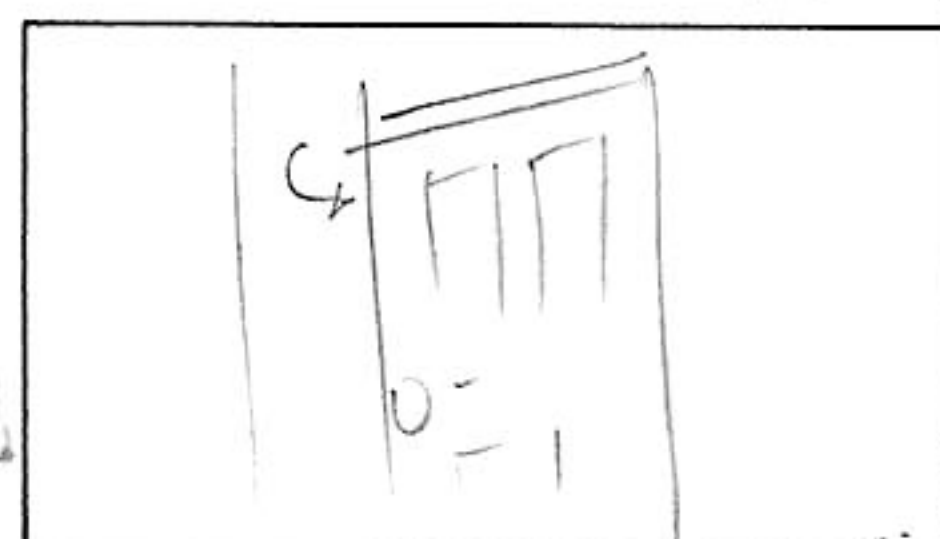

Max looks up sharply

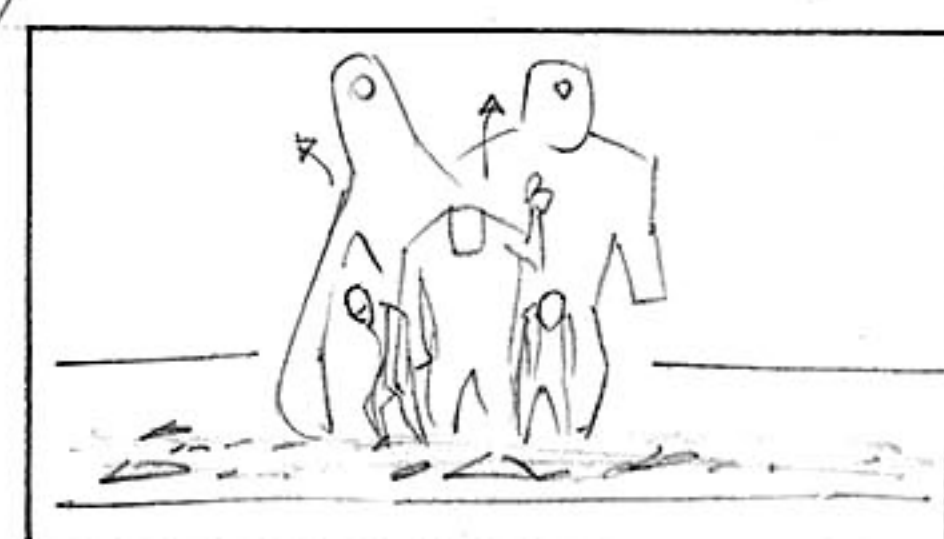

C holds door open for S
-you park it around the corner?

Back to door

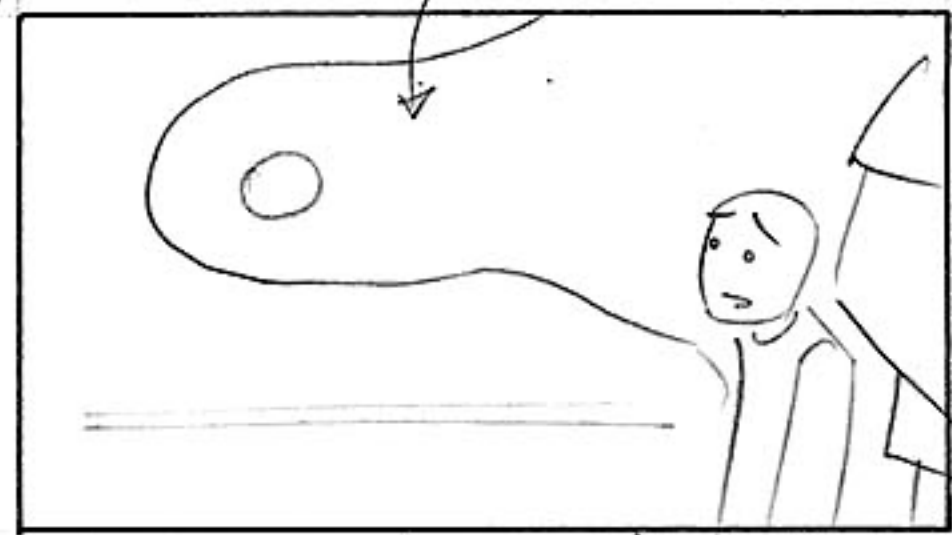

Click.

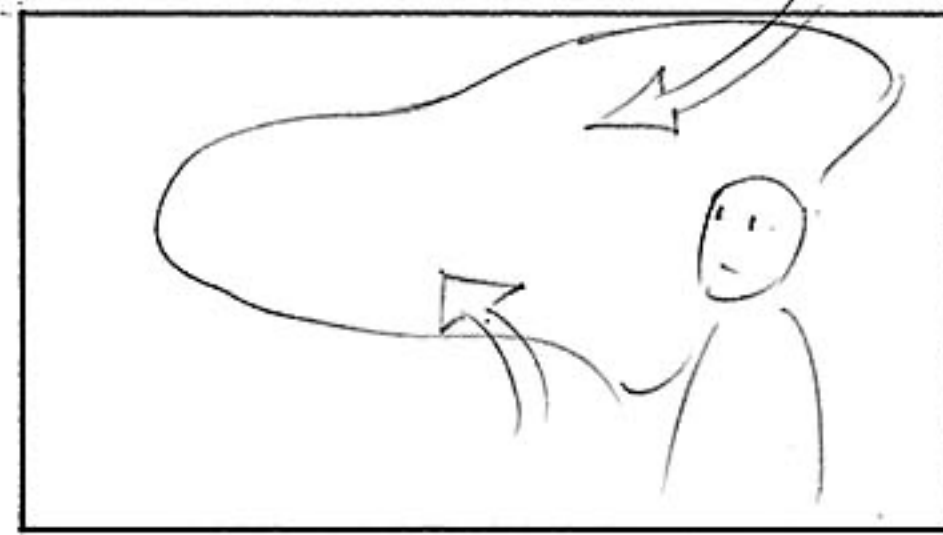

Back to the group-sagging with relief. R & T pop up

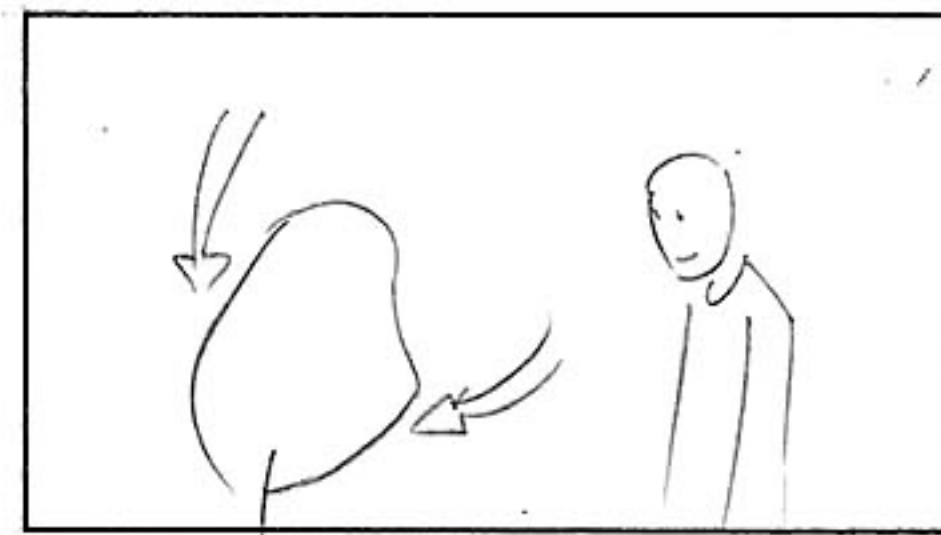

665 M: I think going alien may have scrambled their memories a bit.
666 B: At least it was good for something.

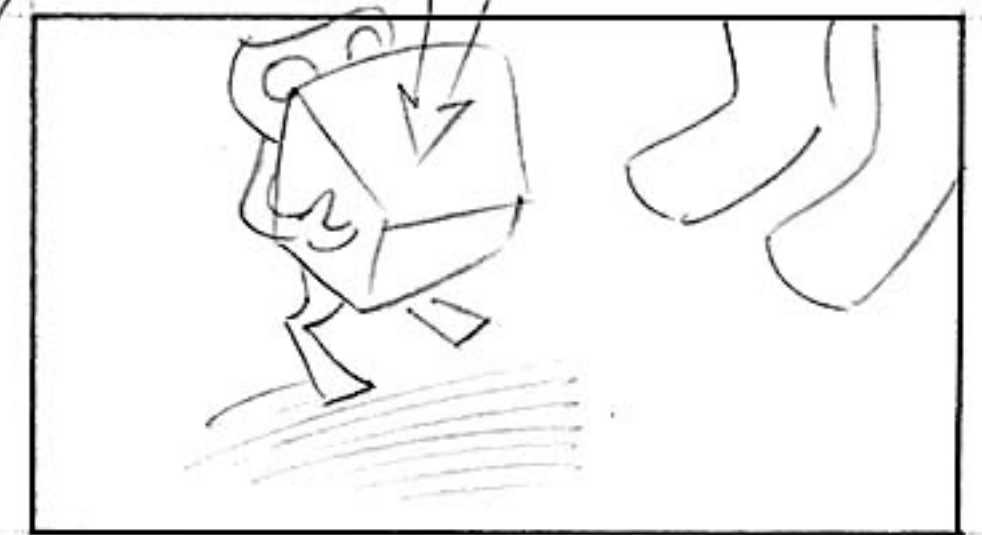

666 R leans down sideways
 667 B: I don't know what you did, but thanks.

Armor shrinks

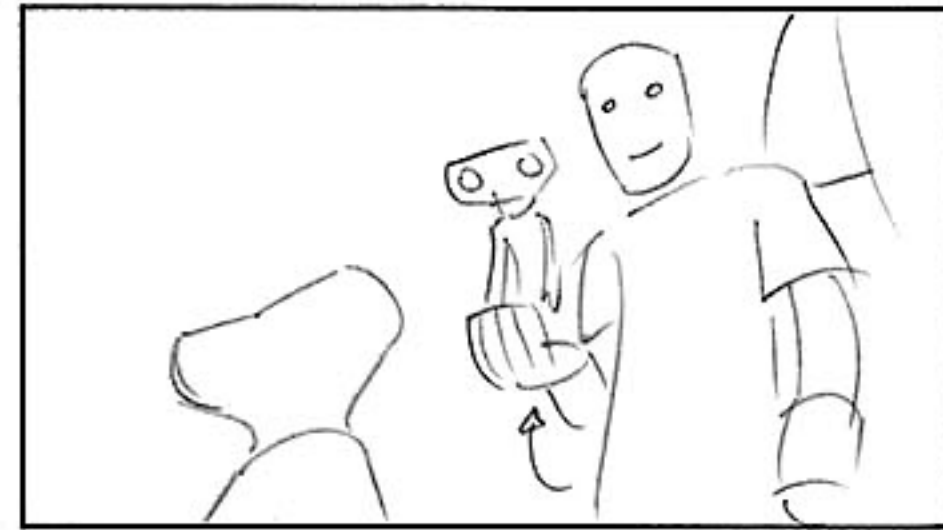

drop out

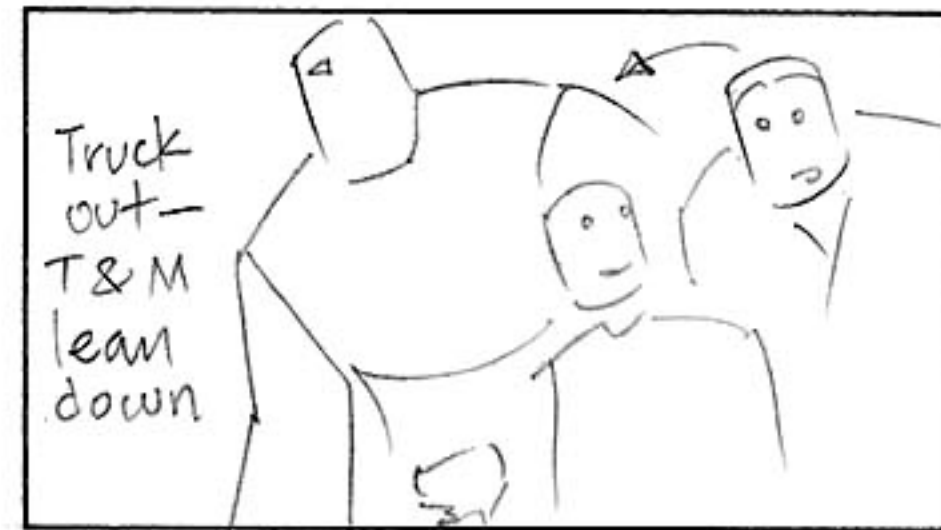

Azimuth drops in

668 A: Max Tennyson—

-I've heard a lot about you.
 (B reveals Albedo)

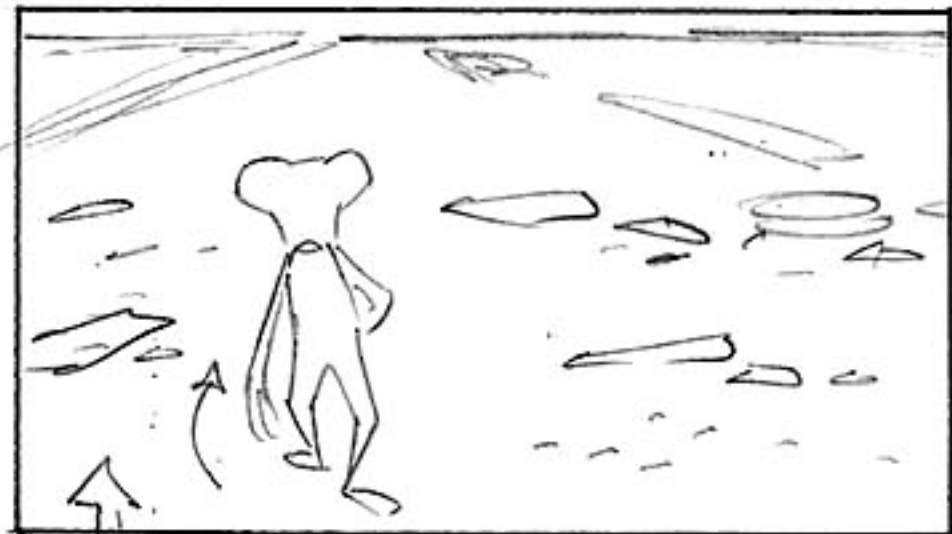

Truck out—
 T & M lean down

669 M: Azimuth?

670 T: You're--

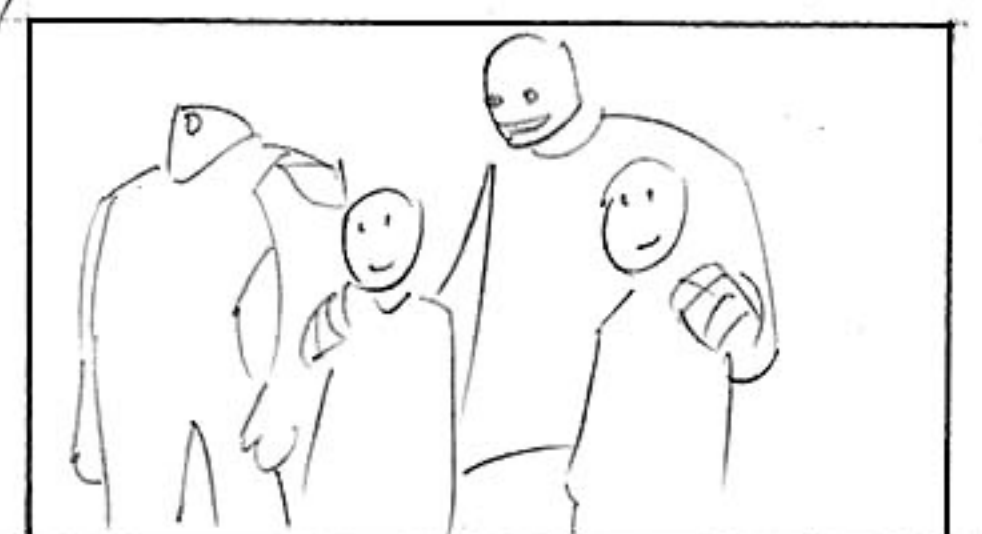

671 AZ: Yeah, yeah. The kids will tell you the whole story.

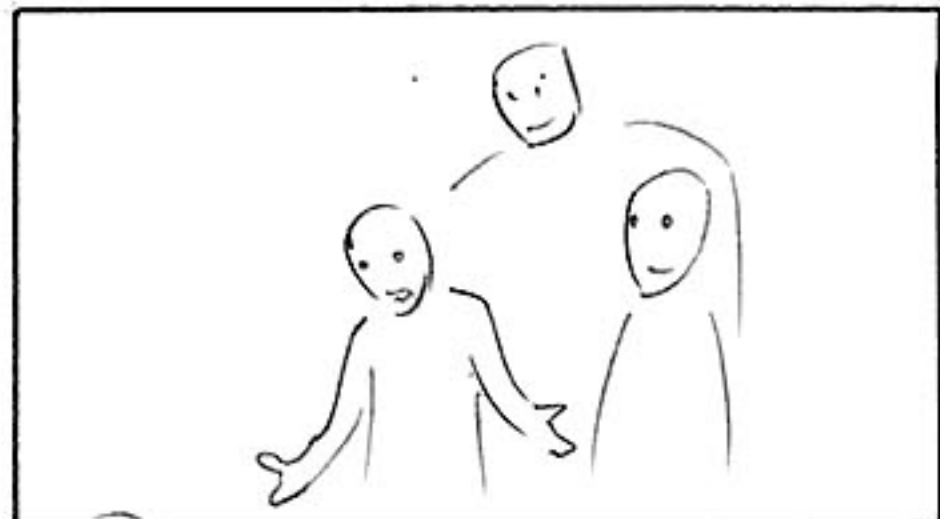

TIT UP
 I got a lab to get back to.

Albedo jumps down — follows AZ

672 M: I'm just glad to know you're all safe.

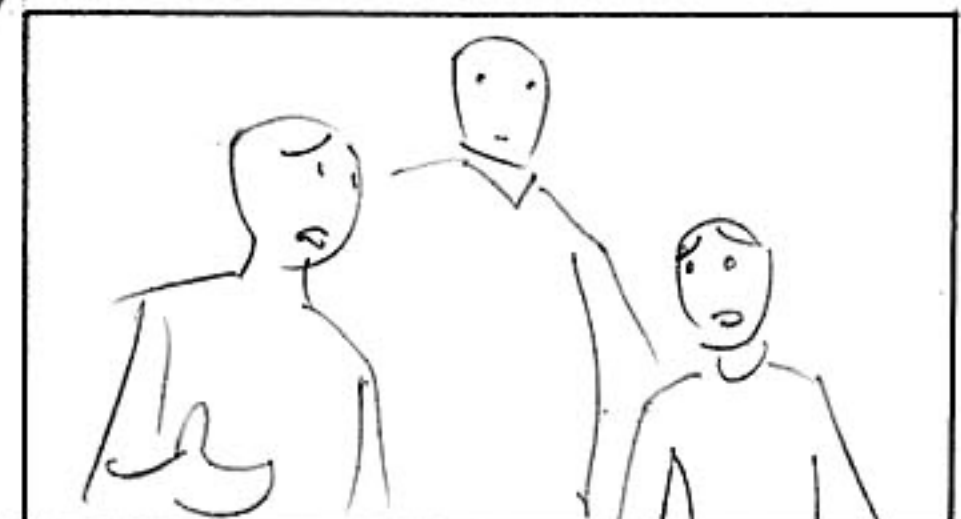

(673) B: Although it looks like-

-Nobody's going

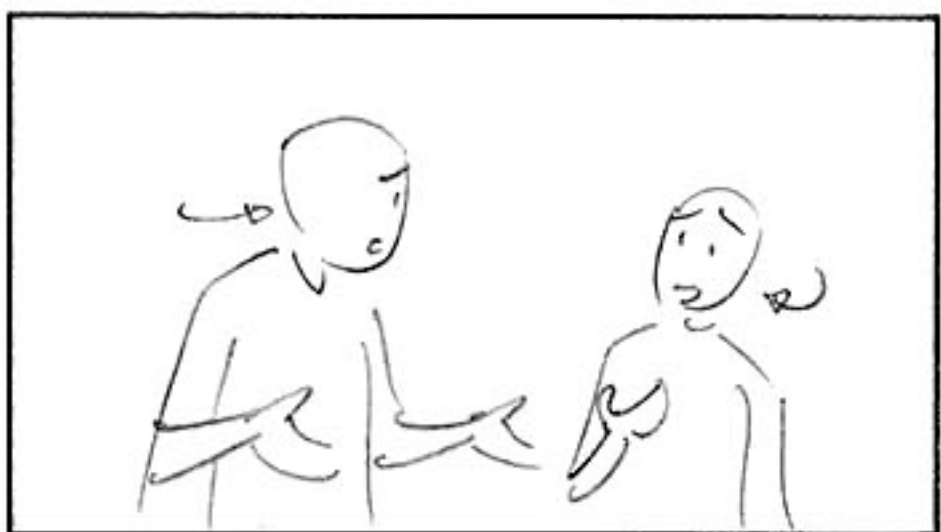

-fishing this weekend.

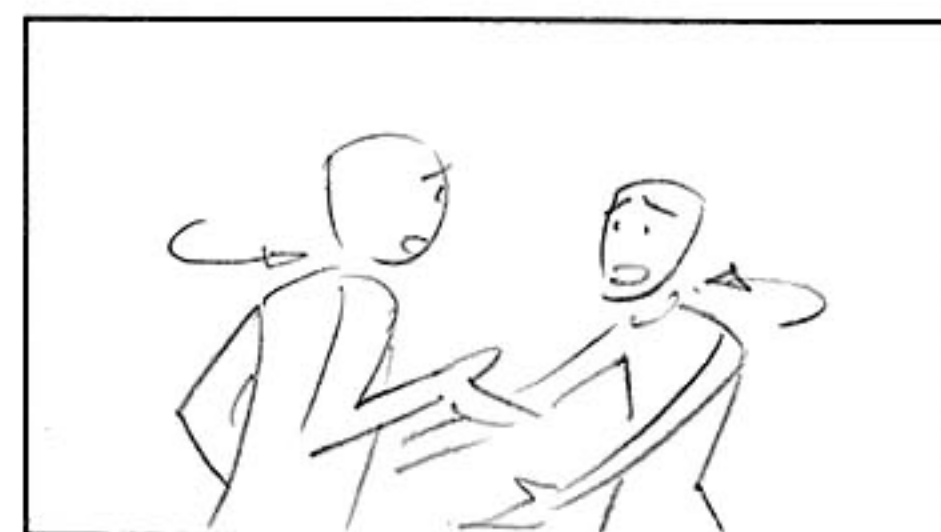

(674) Both: This is all -

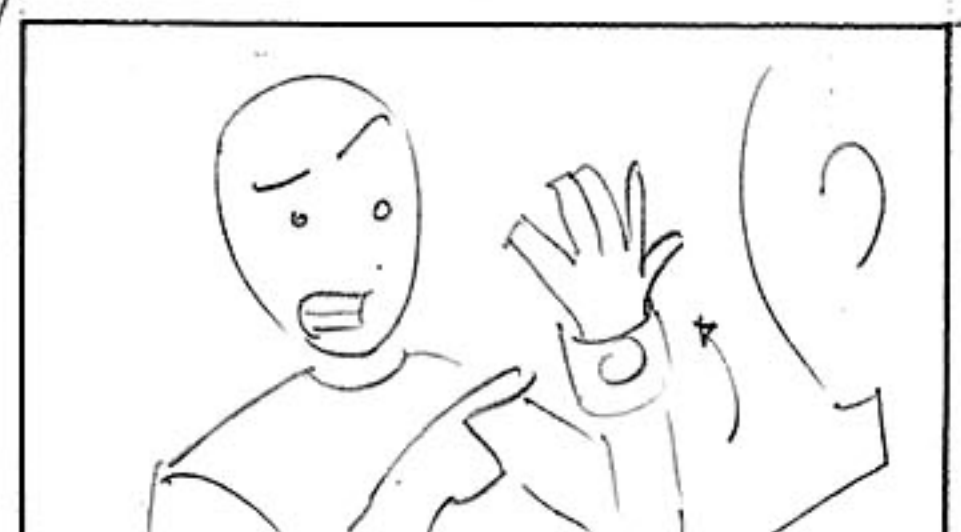

-my fault.

Your fault?

How is it your fault?

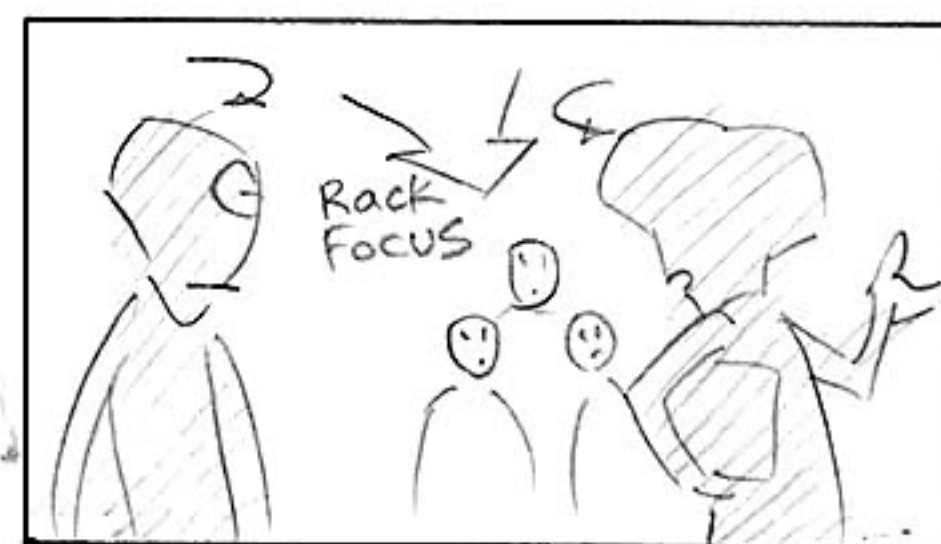

(675) B: My omnitrix trashed the Rustbucket.

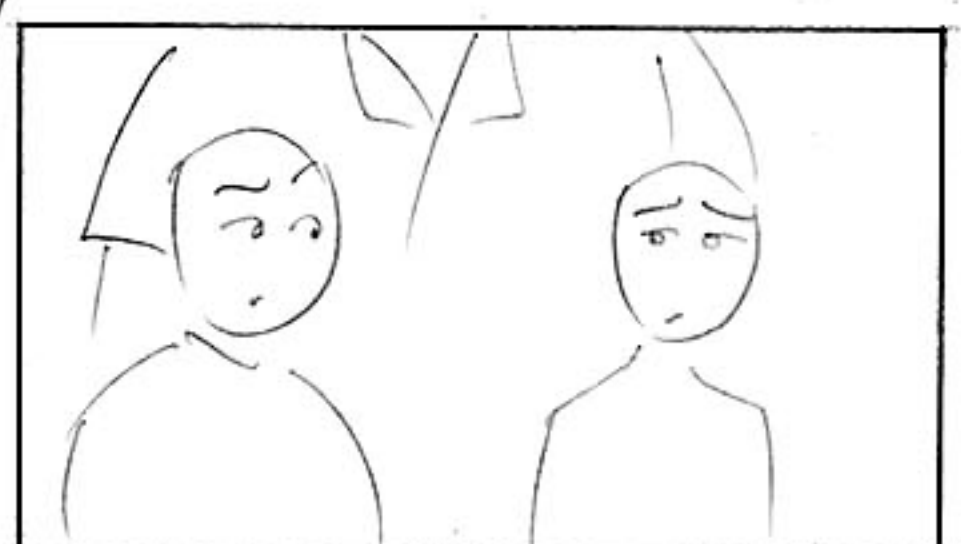

(676) G: Only because of my magic spell!

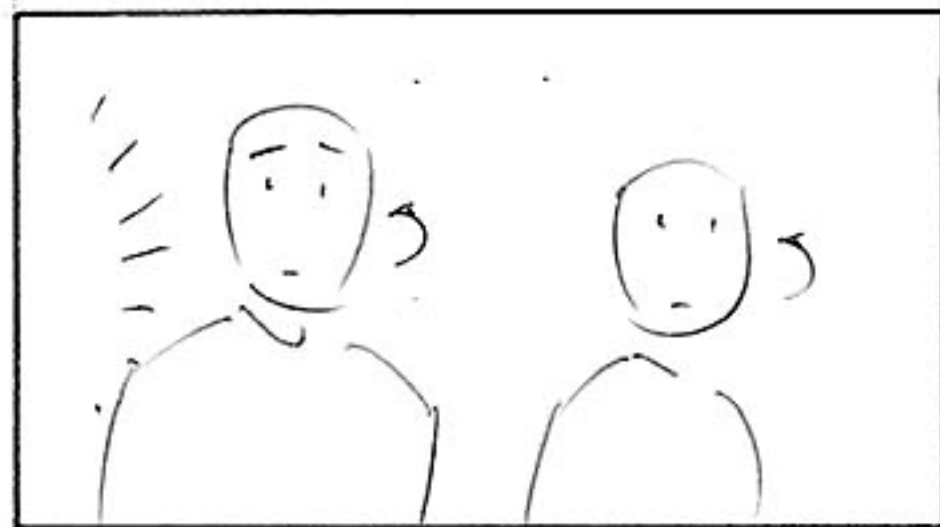

(677) AZ: Oh, for the love of-

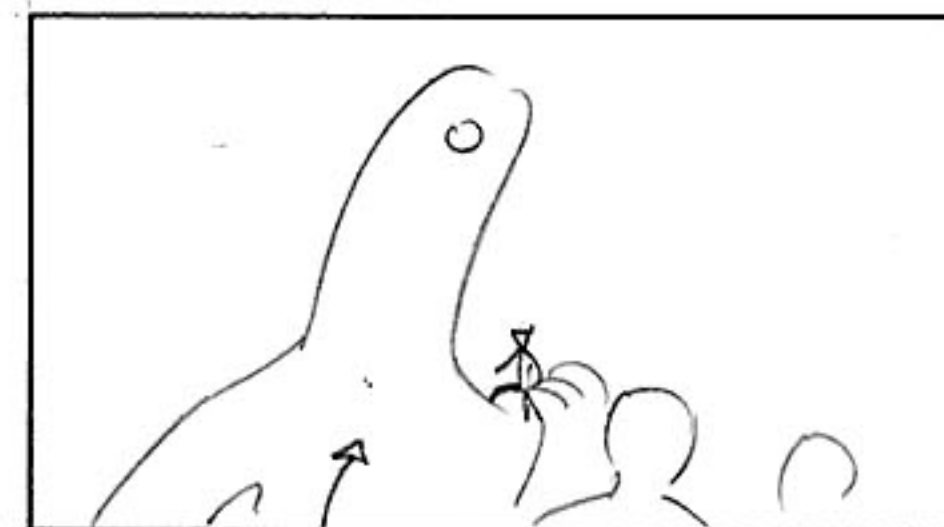

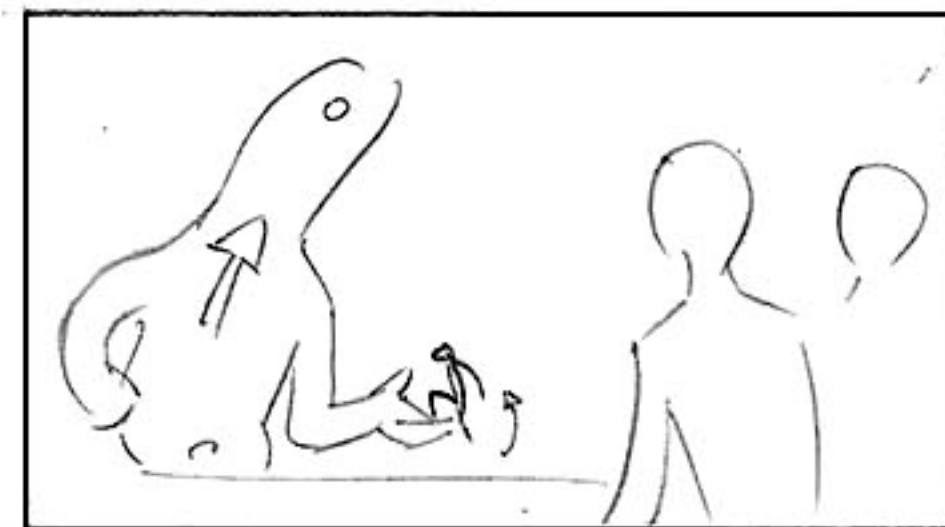

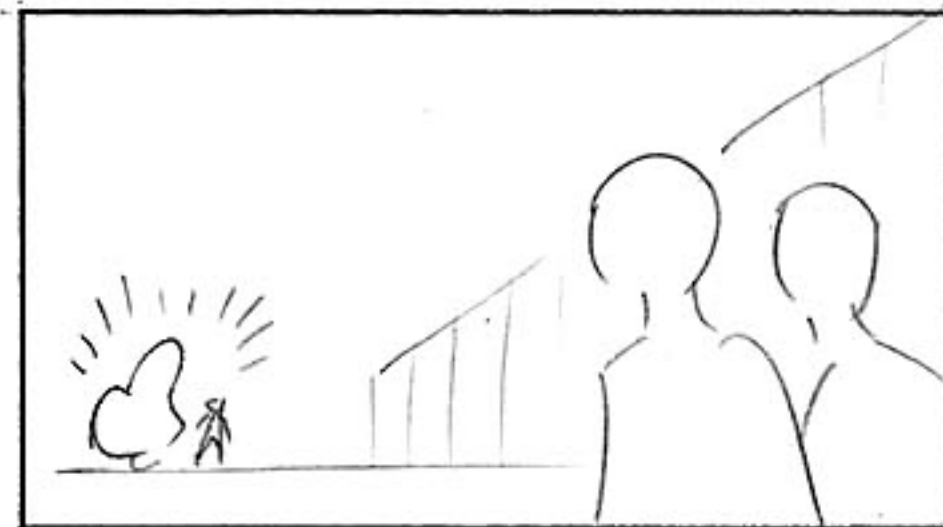

Do you two ever stop arguing?

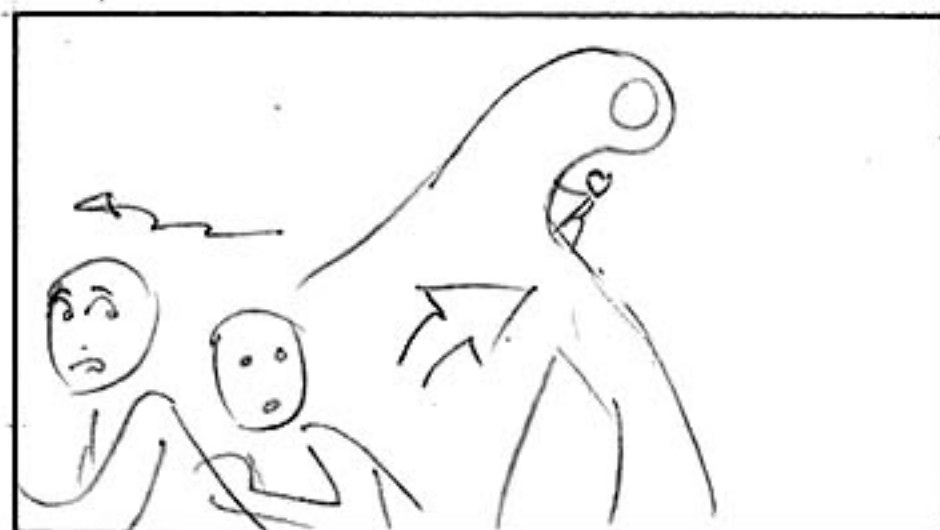

(glances)

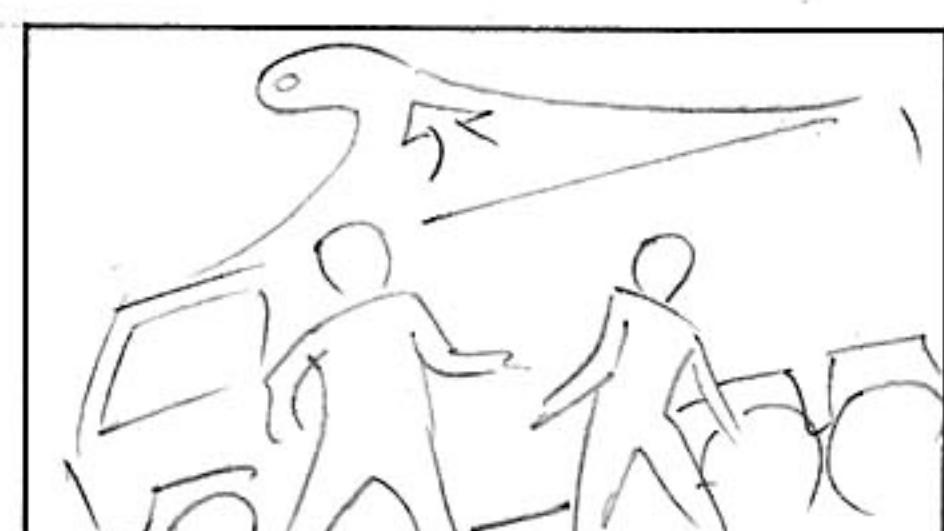

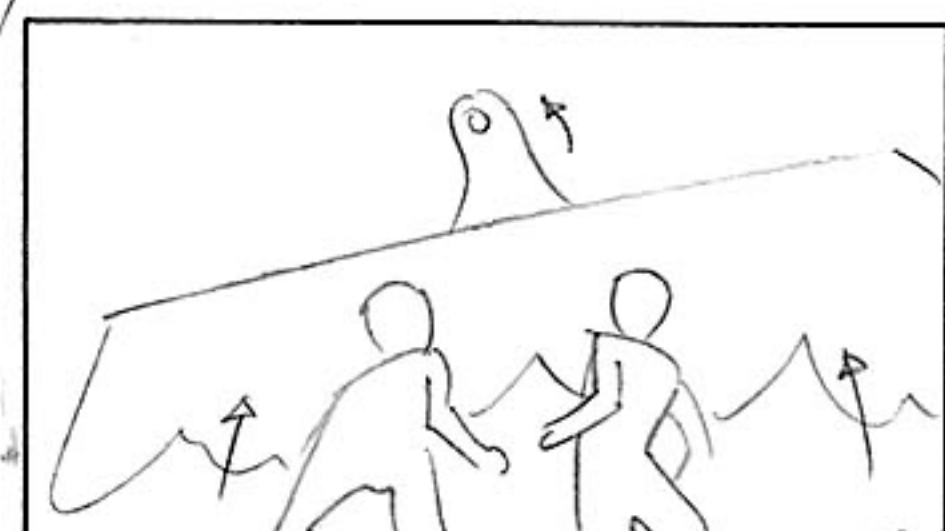

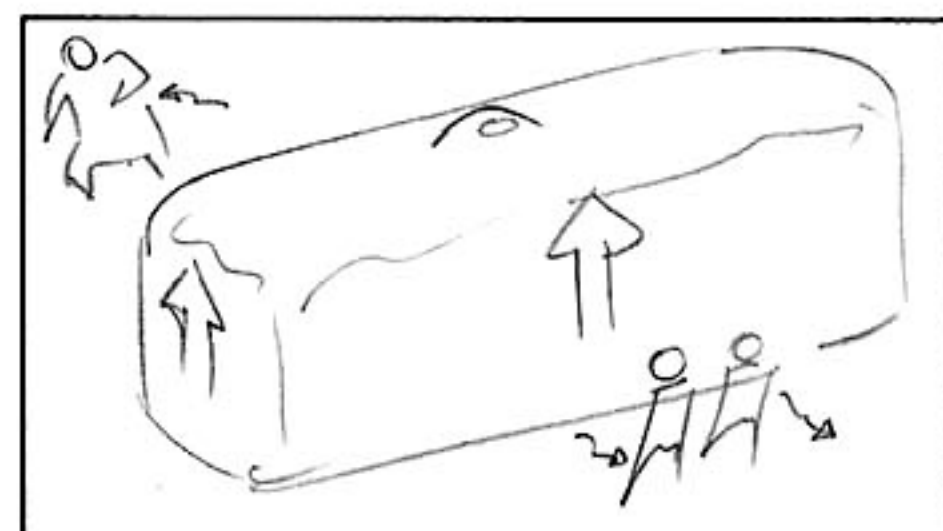

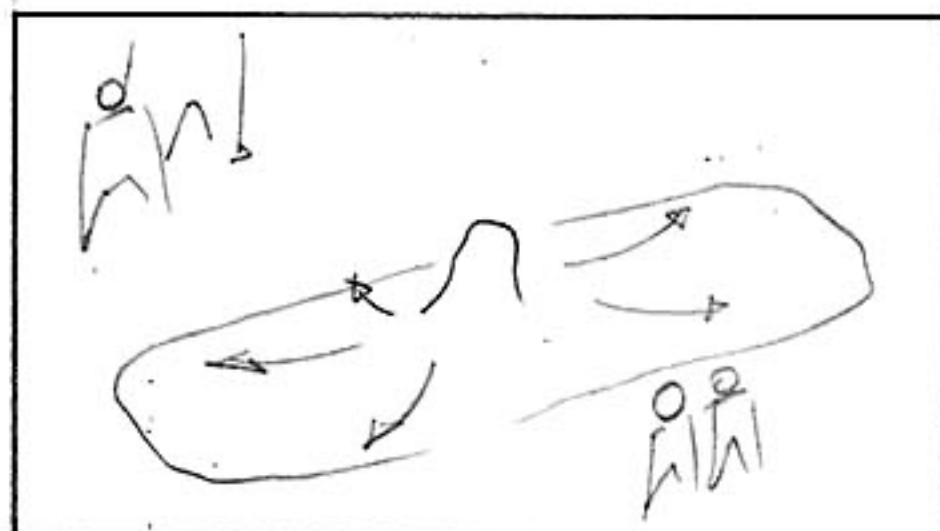

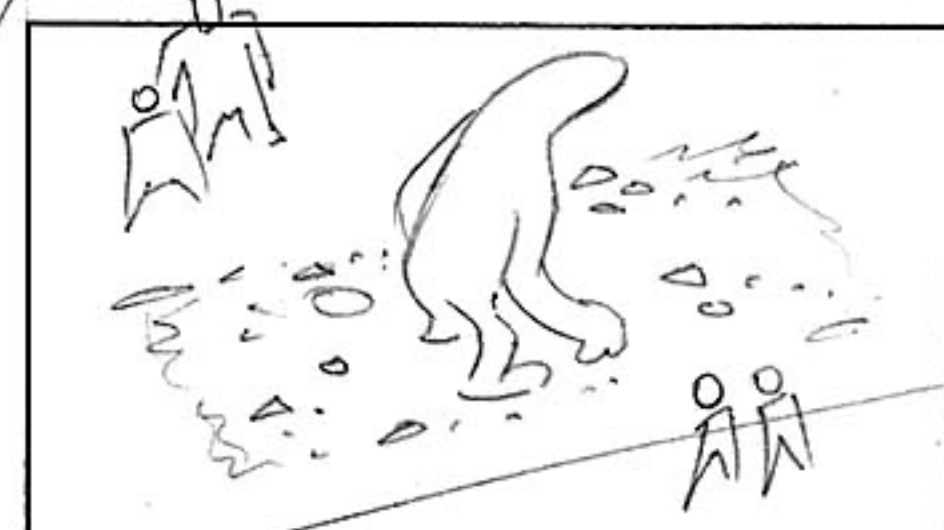

React to OS lighting

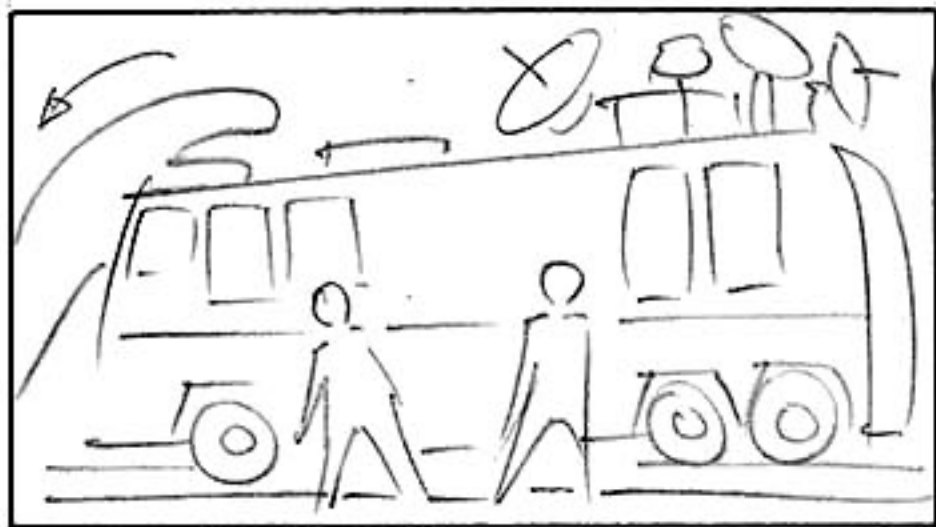

TILT UP

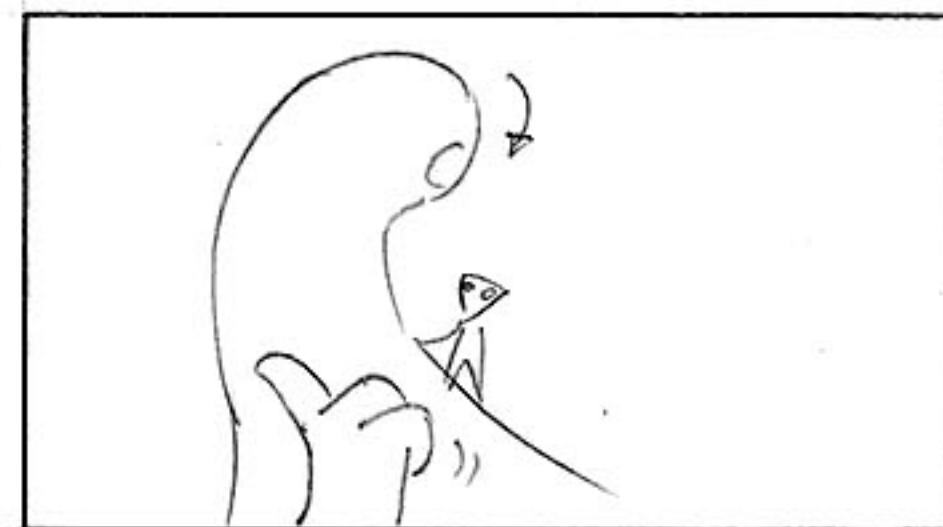

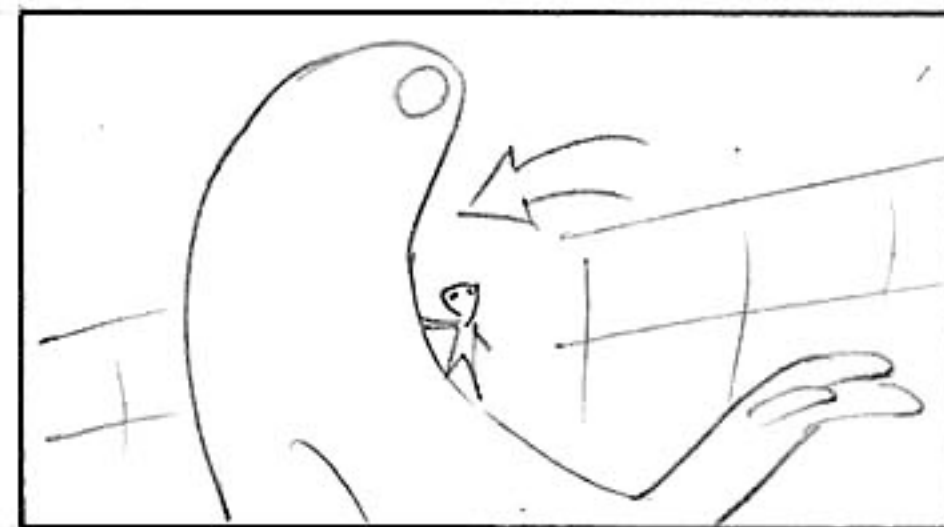

Truck out

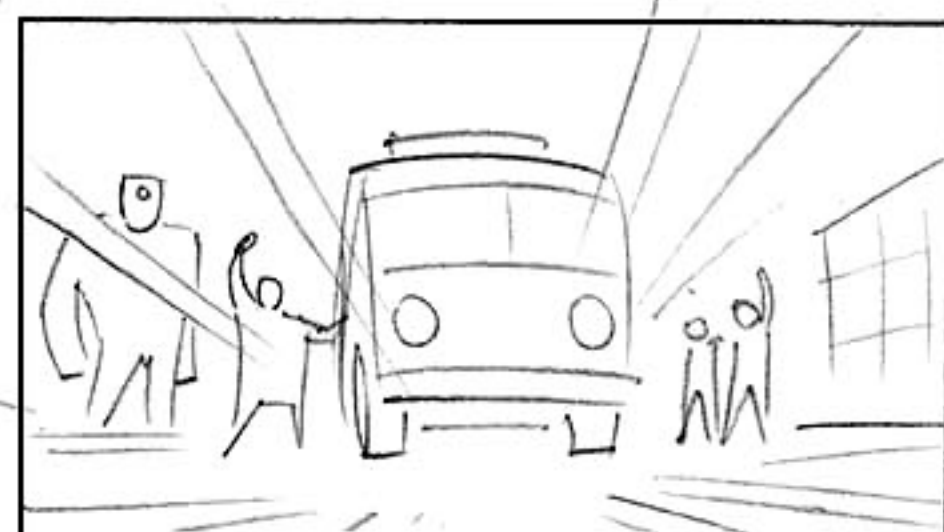

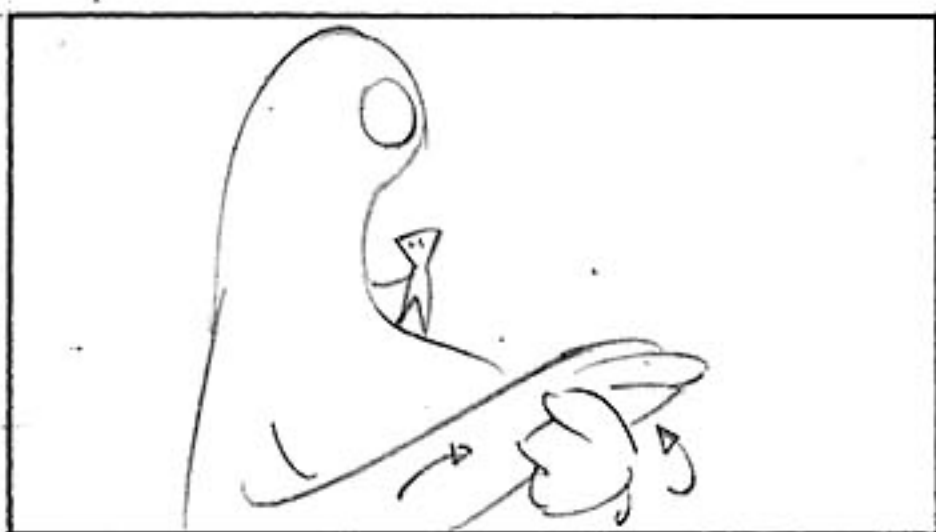

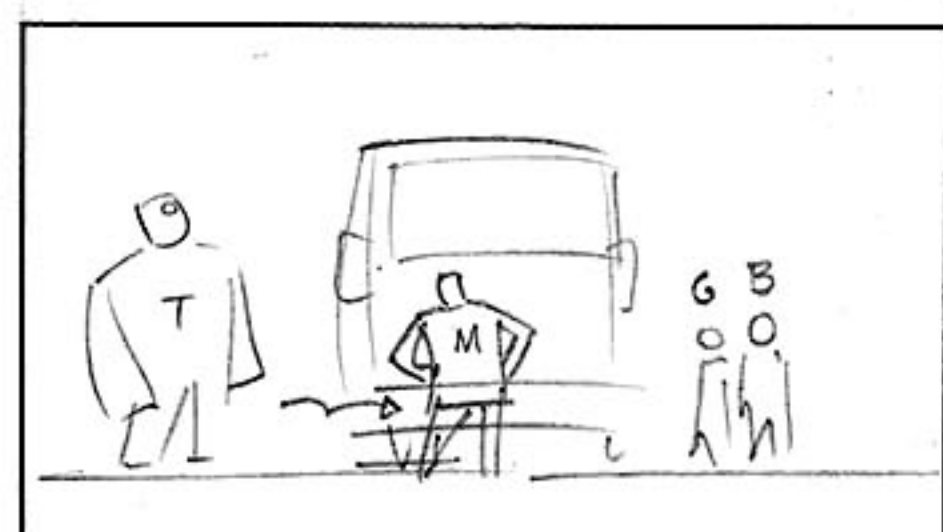

Pull Back for full reveal

678 AZ: Let's go home

FX clear FG

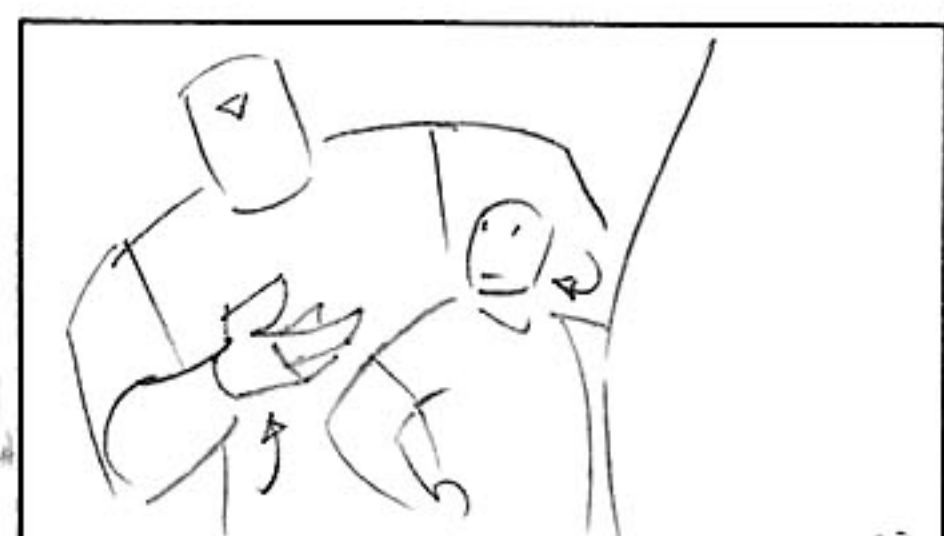

679 B: Home...

I really was gonna leave it for good.

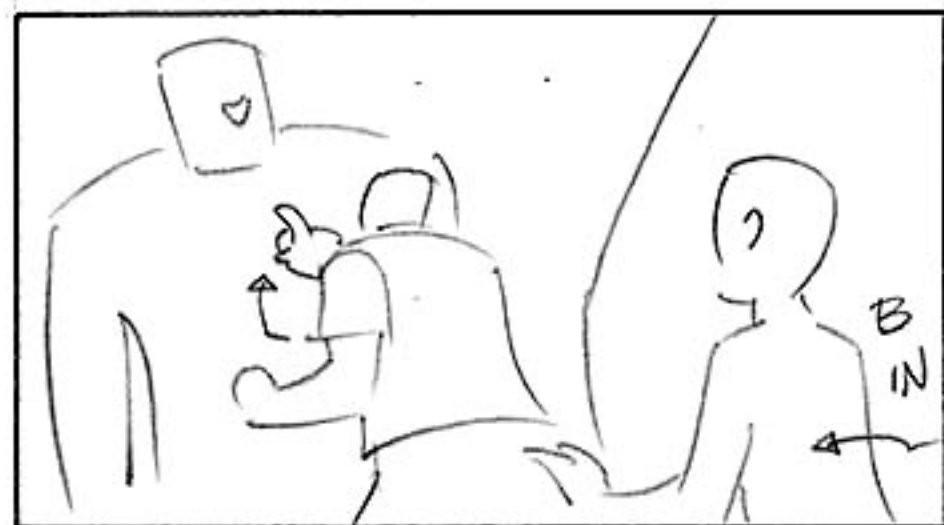

680 T: It's not too late.

The alien immersion training offer still stands.

681 M: Haven't you done enough damage?

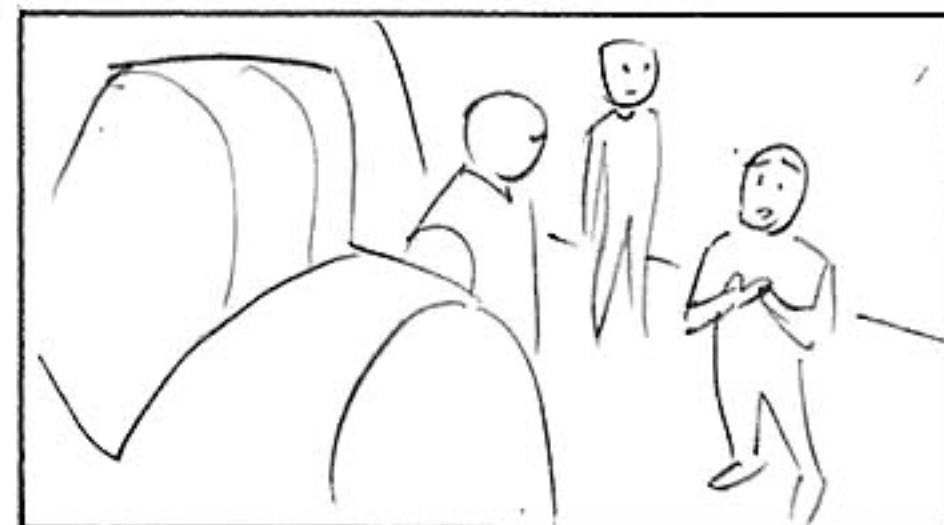

If you hadn't filled Ben with ideas--

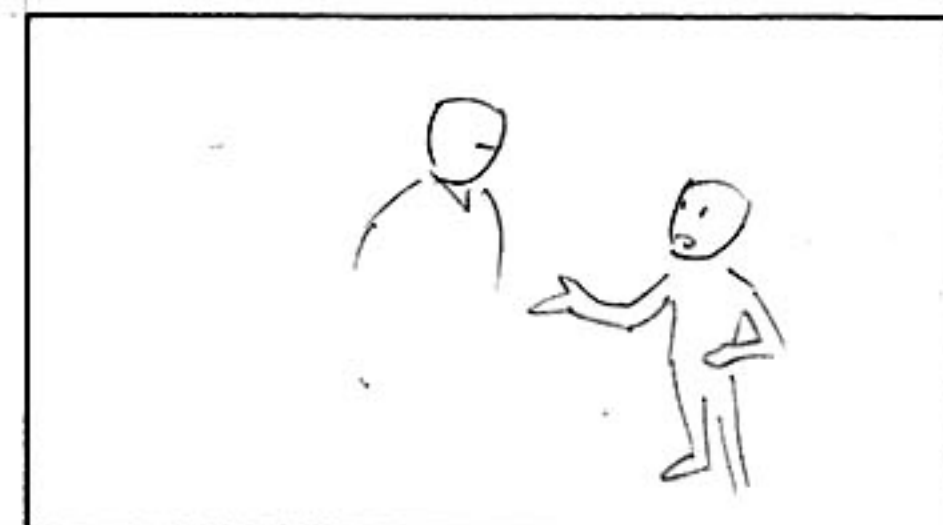

(682) B: No, Grandpa--

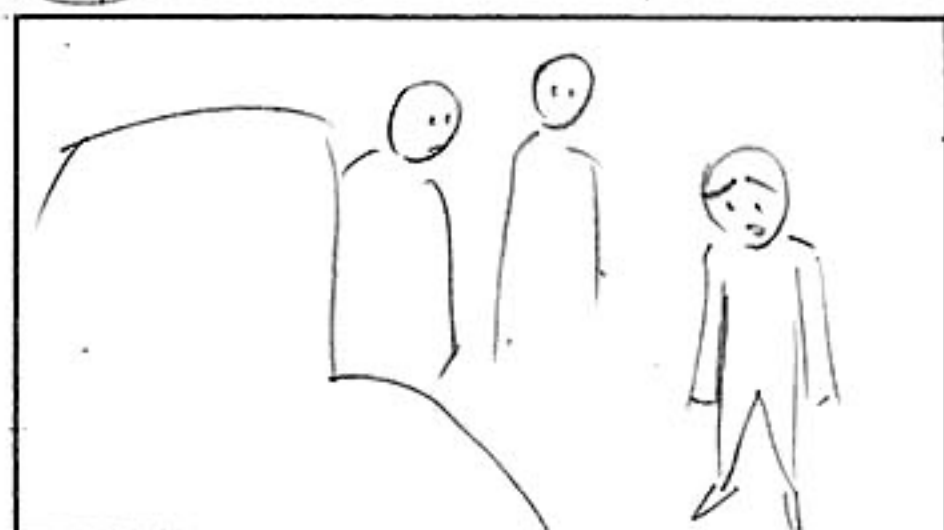

--it's my fault.

I never should have lied to Tetrax about--

--getting your permission.

I've learned my lesson.

(683) G: You'll forget it again.

But you've learned it.

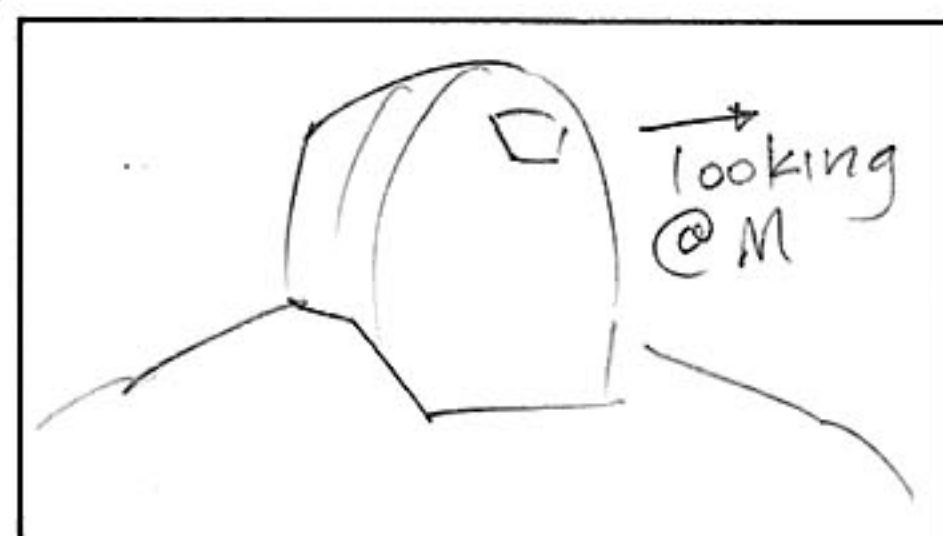

(684) M-Sigh

(TRUCK OUT)
Still, if this is what you want, Ben...

--It is your choice.

B-expression change

(end of section)
