CAM RISES, ROTATES AROUND CONSOLE

1

DOC - All right, is everyone ready?

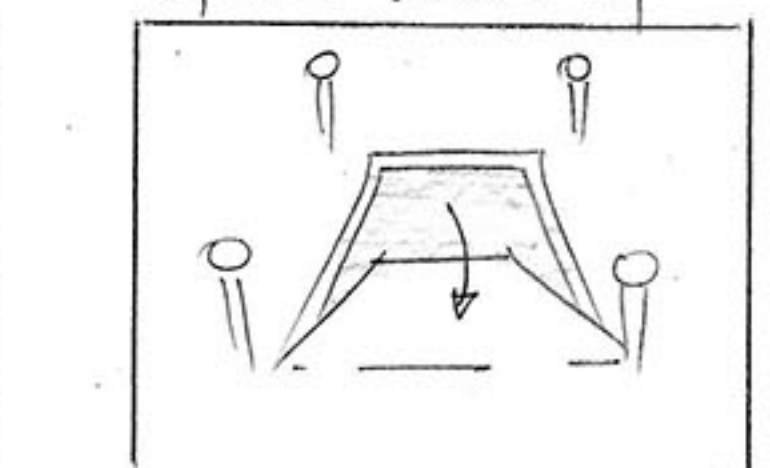

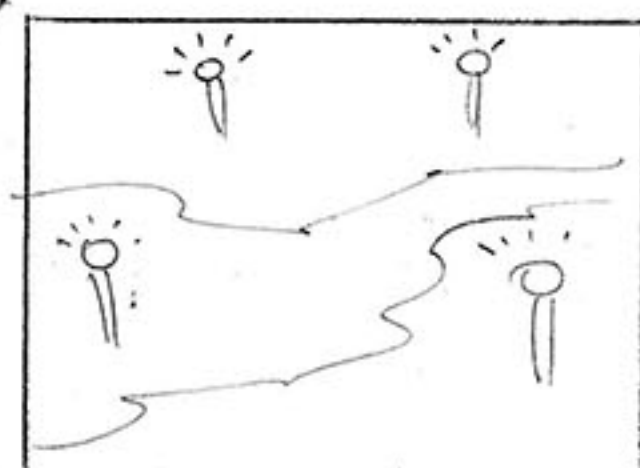

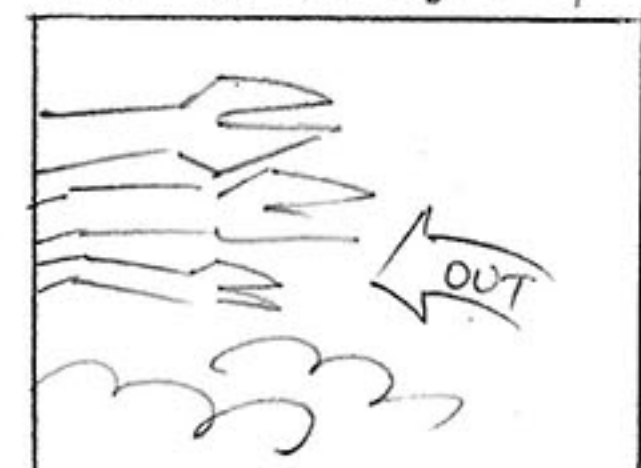

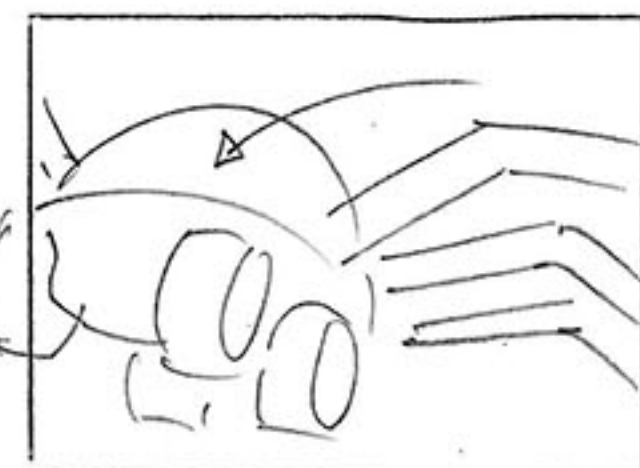

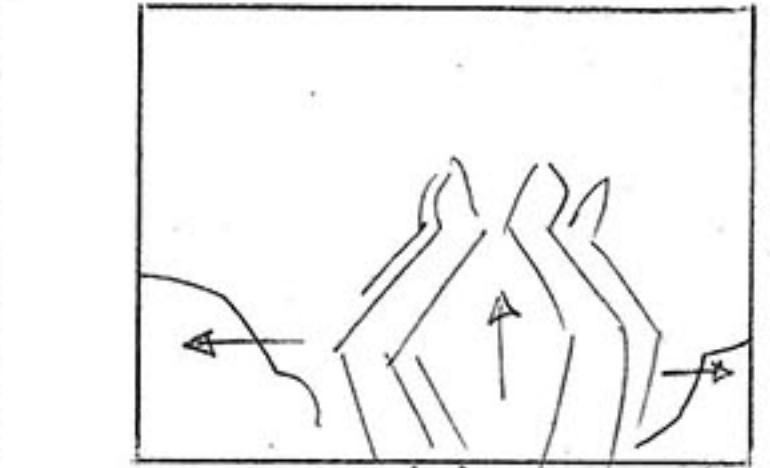

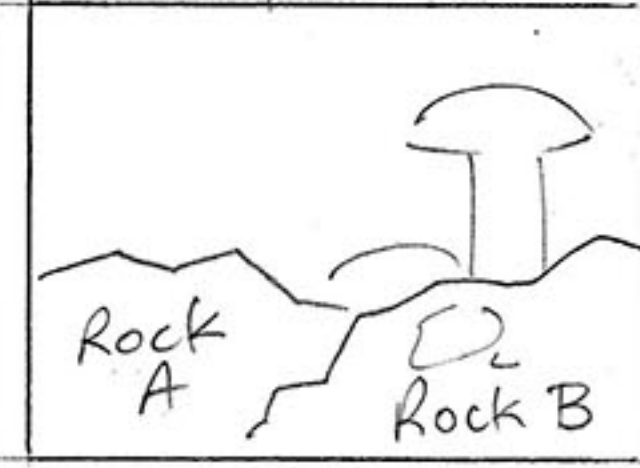

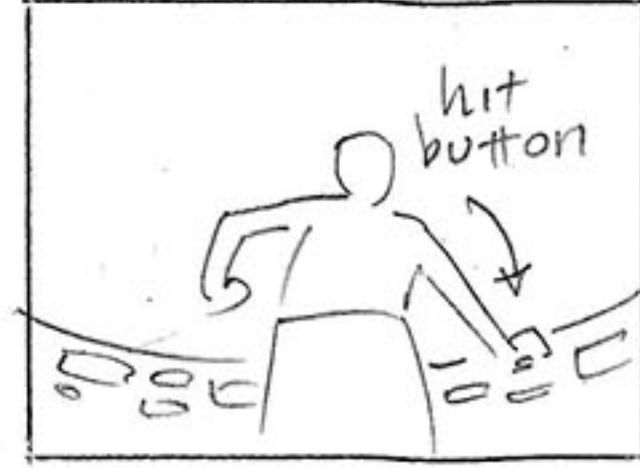

D: Space pod, buckled up and rarin' to go!

Ch: Exoskeleton, check!

And, um, thanks for the space shoes.

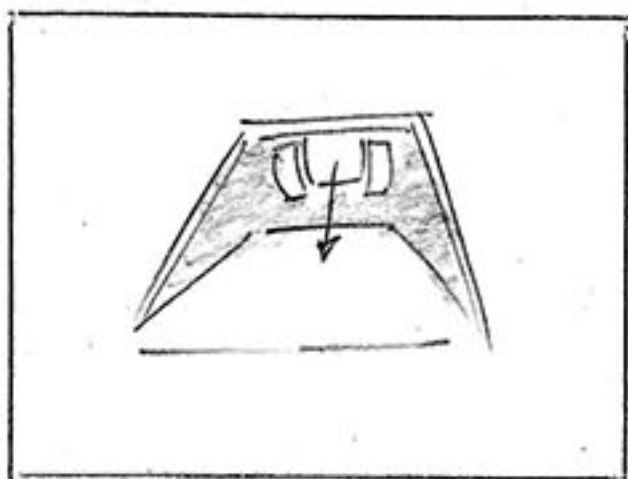

CAP: Yes, we ALL thank you for that.

DOC: Minds on the MISSION!

D - Woo hoo!

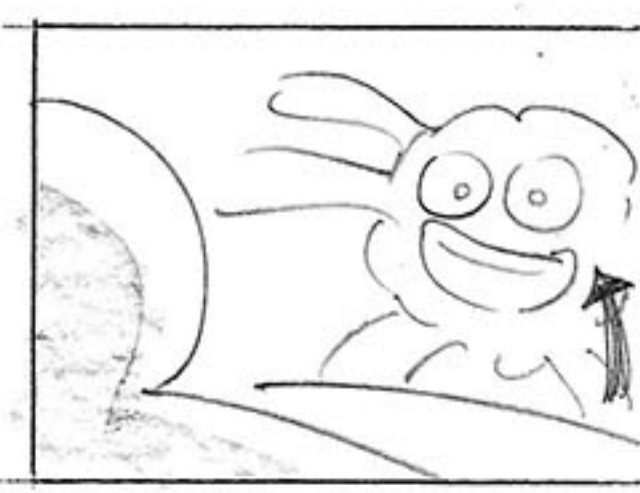

It's beautiful!

D - Doc, I'm very close!

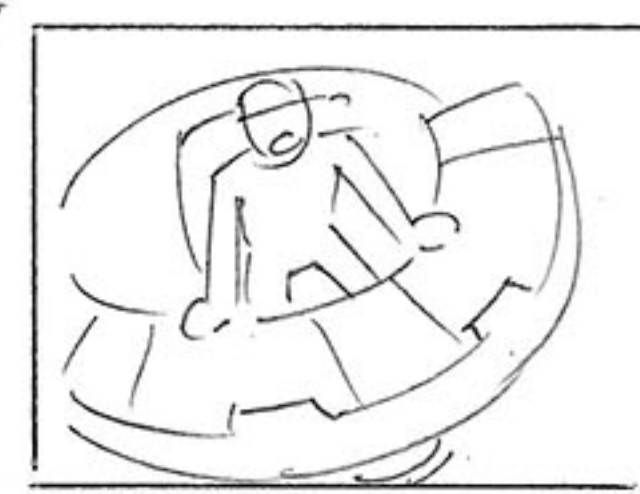

I should be able to move in for a rescue any-

SPLAT!

D - Jiminy! A space creature!

Doc - Dash, I've spent months thoroughly -

-scanning this planet from the

-space station. There is positively

-no sign of alien life.

D: That alien didn't eat chief...

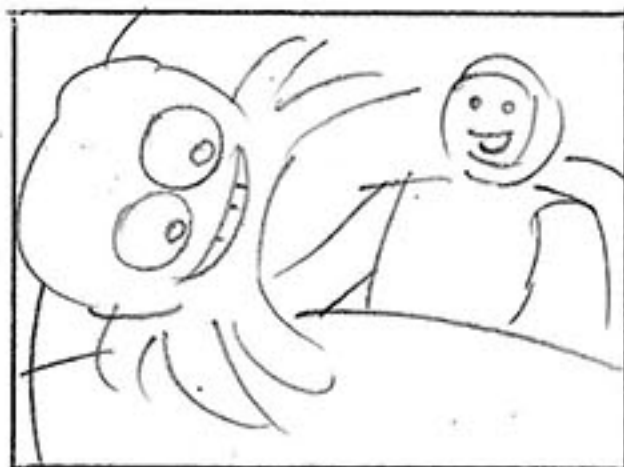

DOC - It SAVED chief!

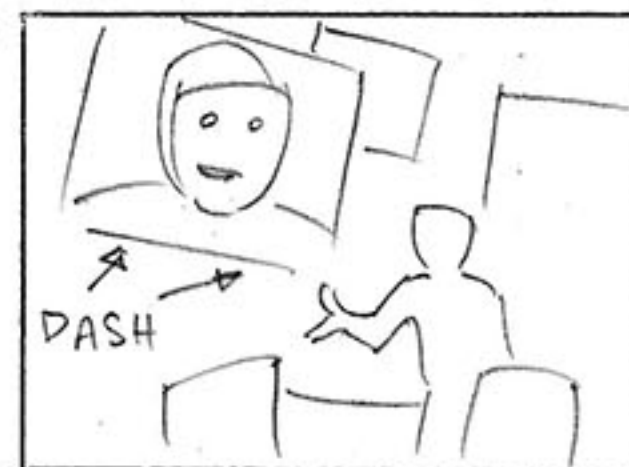

And if that alien was trying to —

—HELP us...

D - Maybe these others are doing the same! DOC: Exactly!

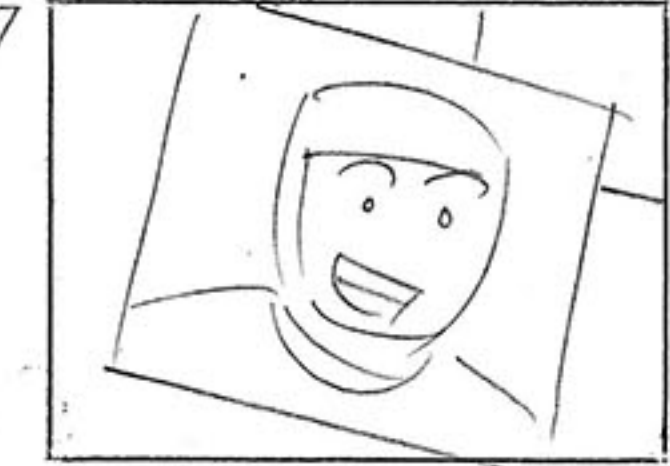

Dash, you can talk to Earth animals —

Ever wondered if you could —

—Speak to an alien?

D - Cracking idea!

Let's give it a whirl, shall we?

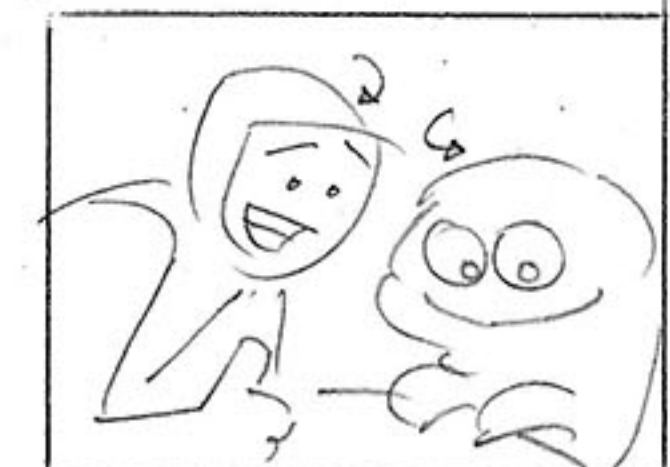

(start making noises)

(continue)

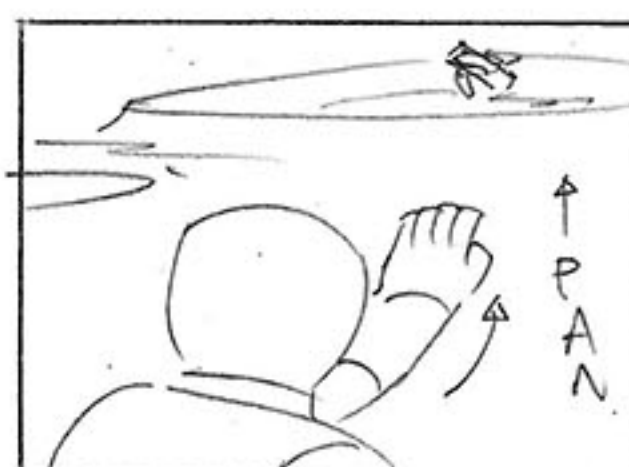

Alien responds

D - Yes! He understood!

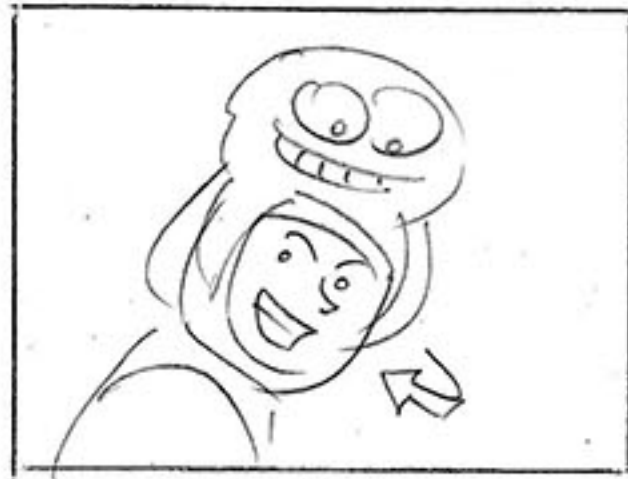

He does want to help!

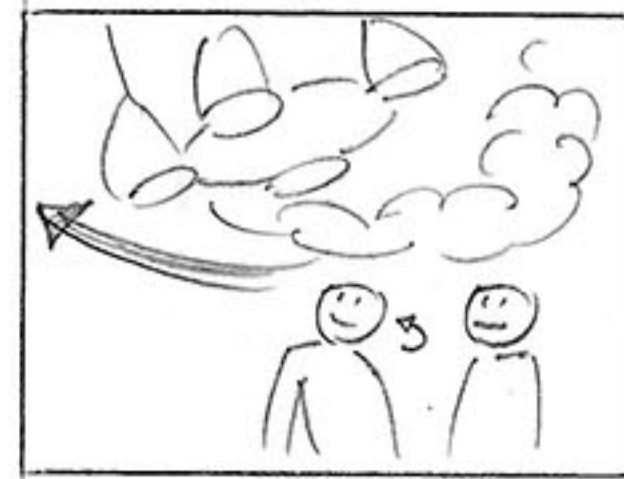

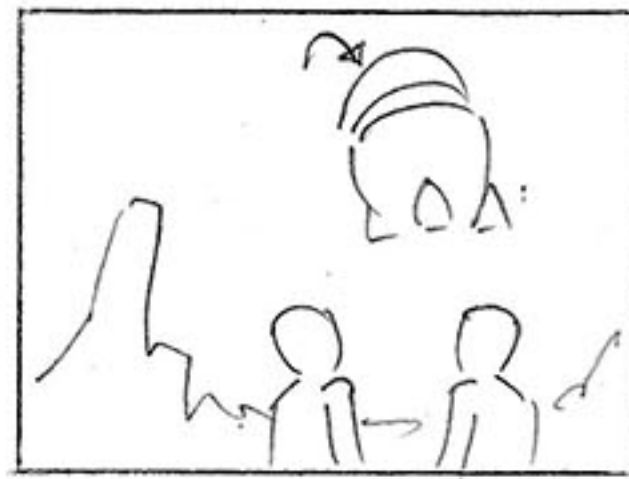

He asked me to fly low over the space shuttle!

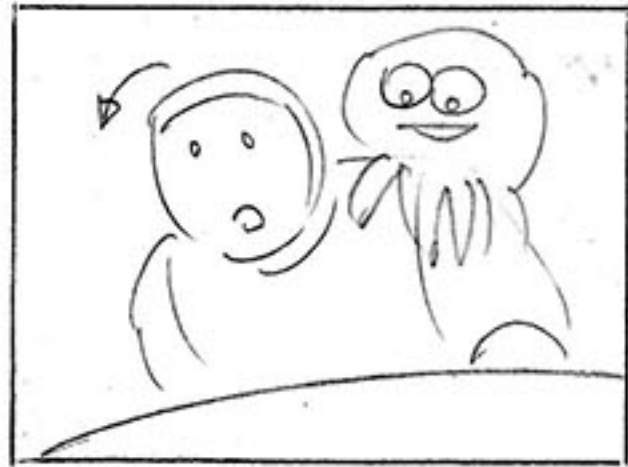

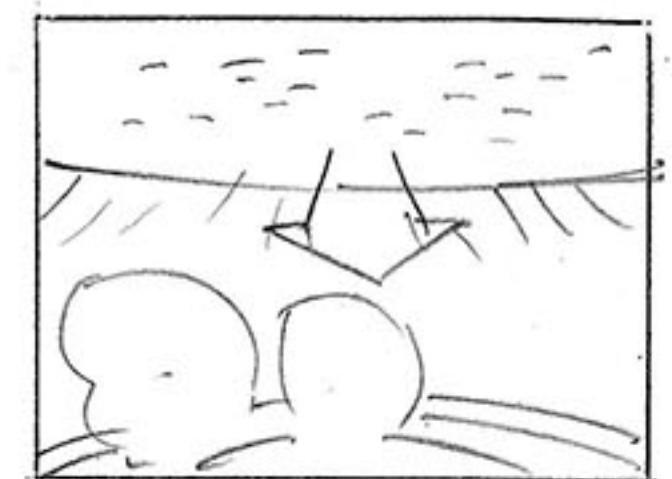

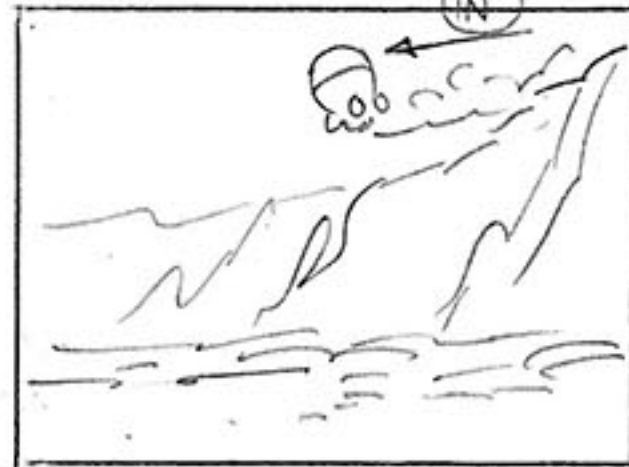

D-Let's go, my friend!

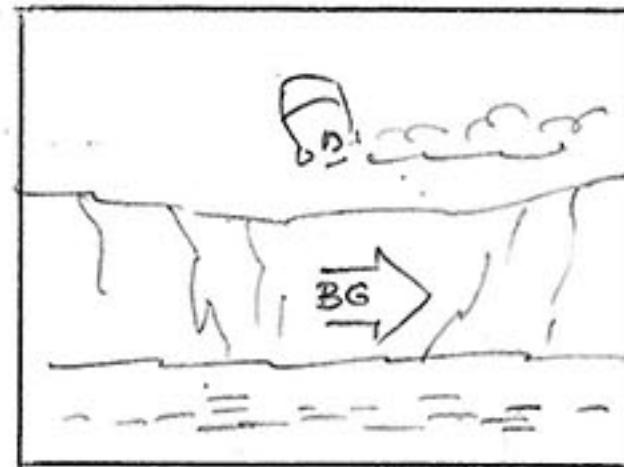

Pov forward

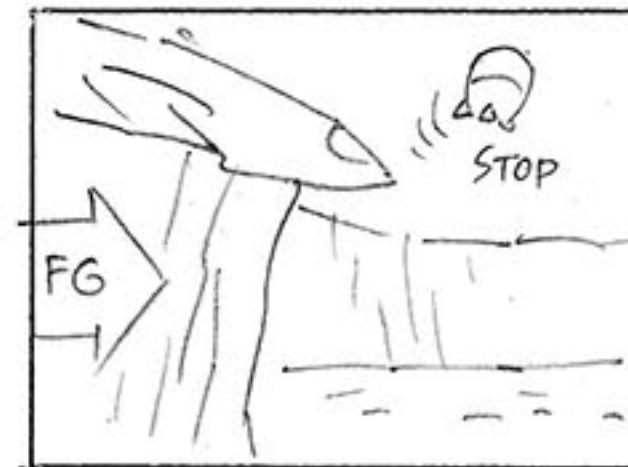

D-Goo geysers!

Dozens of them!
Steaming just beneath

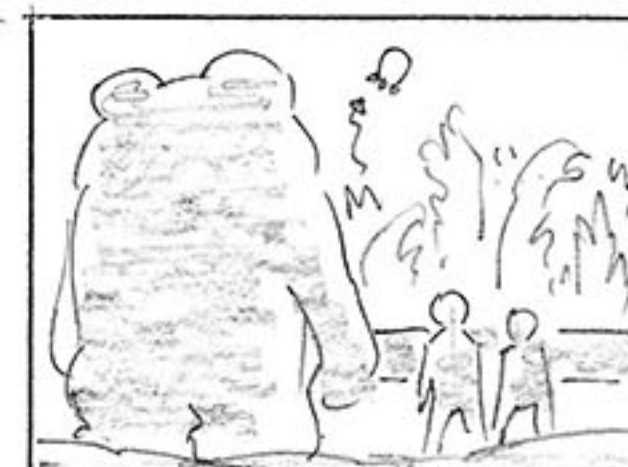

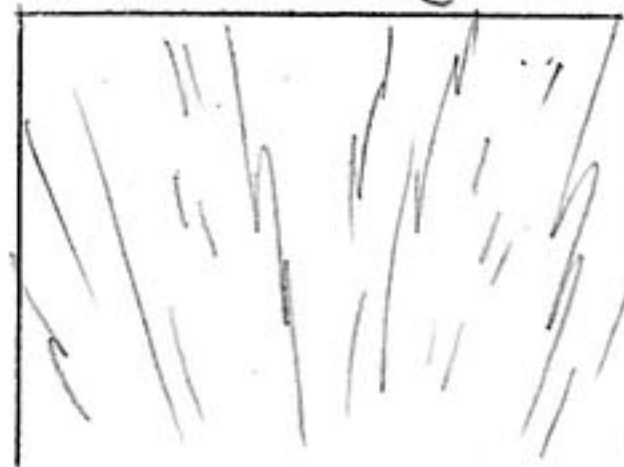

-the surface! If they
started bursting, we'd-

-never get through
them alive!

(Geysers heat up)

CH- So that's why you
and your friends-

were keeping us from
the shuttle!

You were protecting us
from the geyser!

ALIEN: YOU GOT IT,
SPACE APE!

ANG: Well why didn't you
say so? You could have just

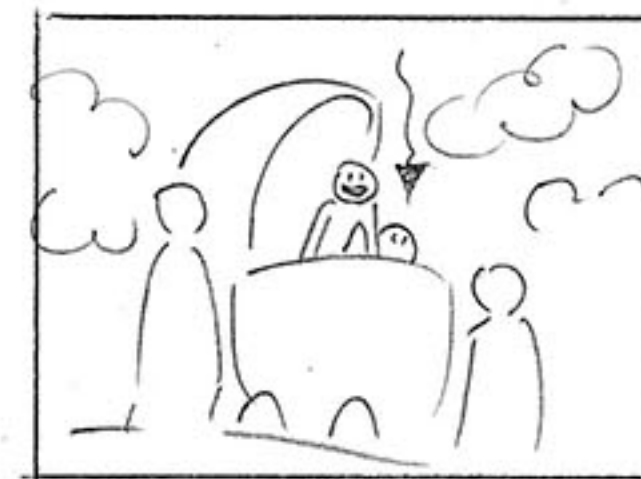

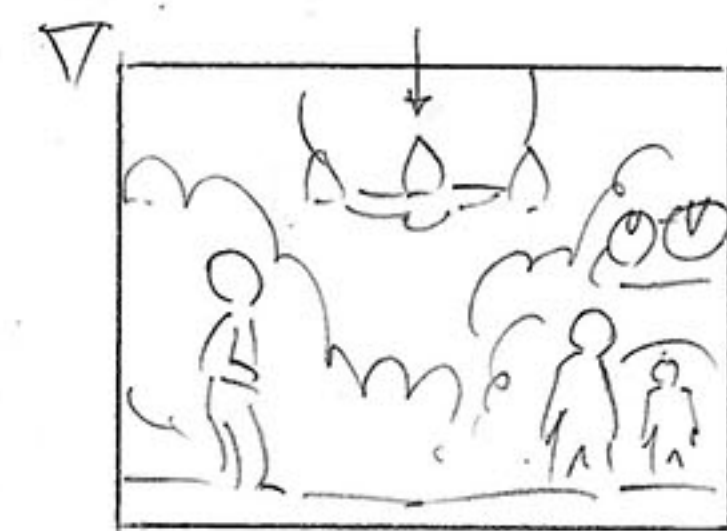

swallowed us all up and
carried us thru the geysers-

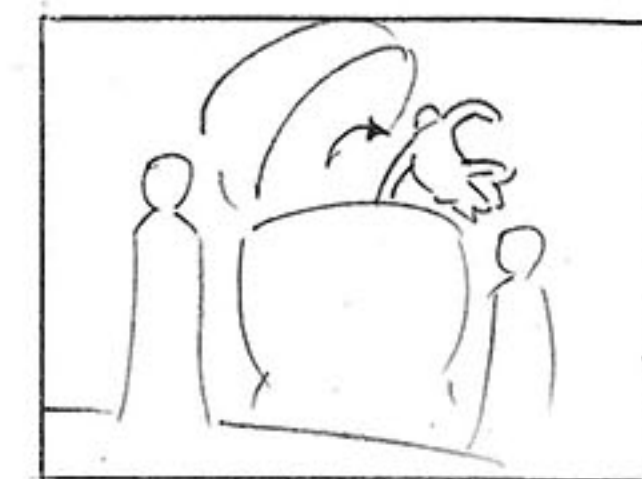

instead of making us...

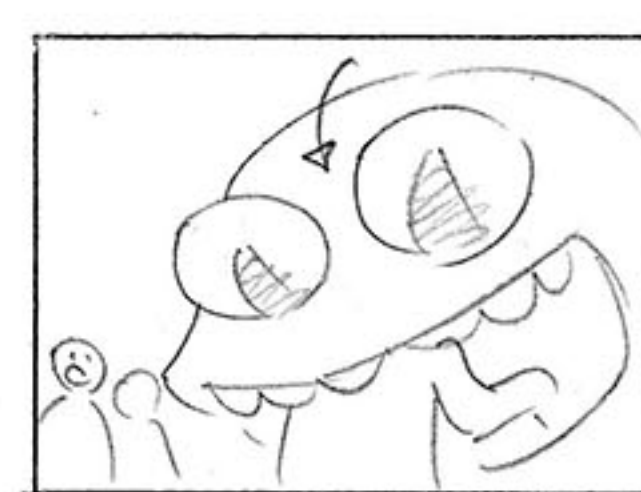

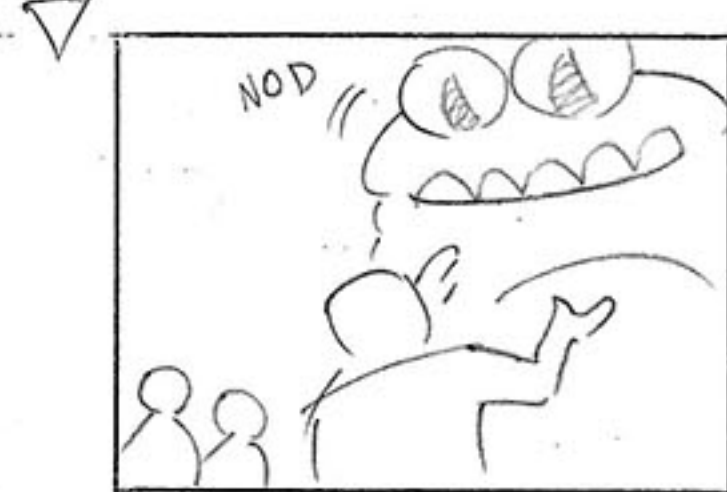

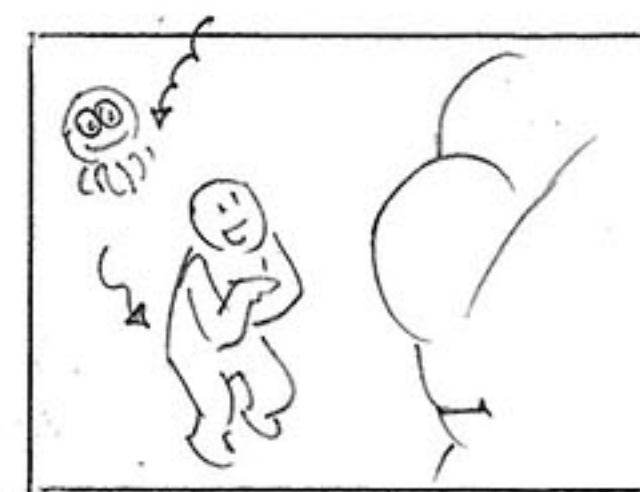

...dance.

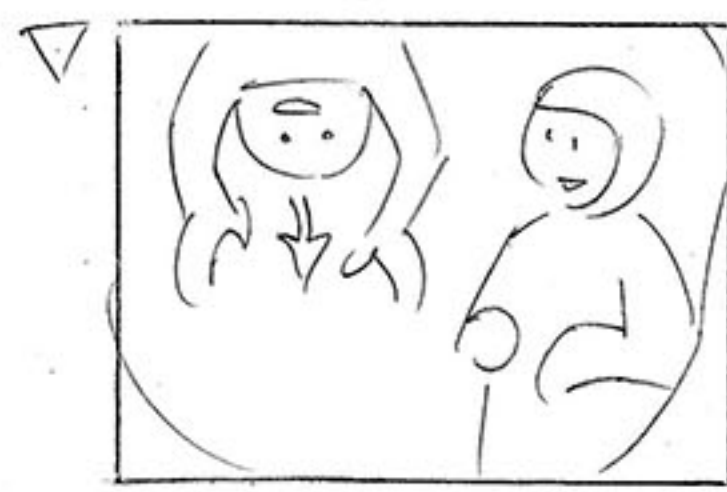

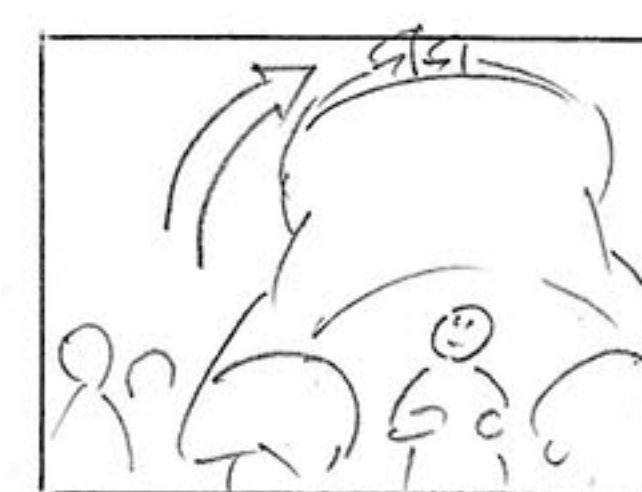

D: That's it!

ANG: You do -

ANG: - If there's no
more dancing, understand?

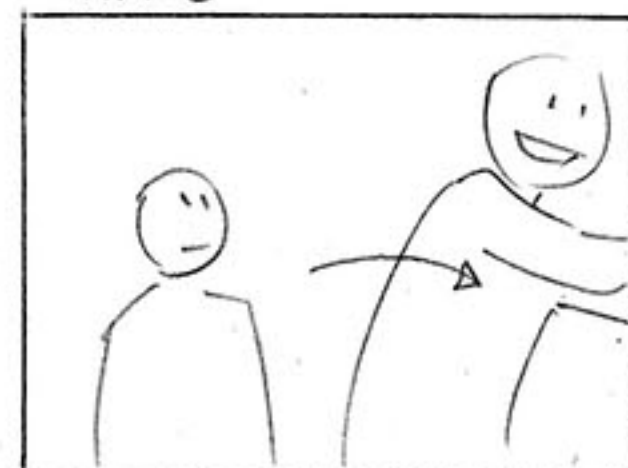

DASH - These seems like
a whoppingly good time
to celebrate!

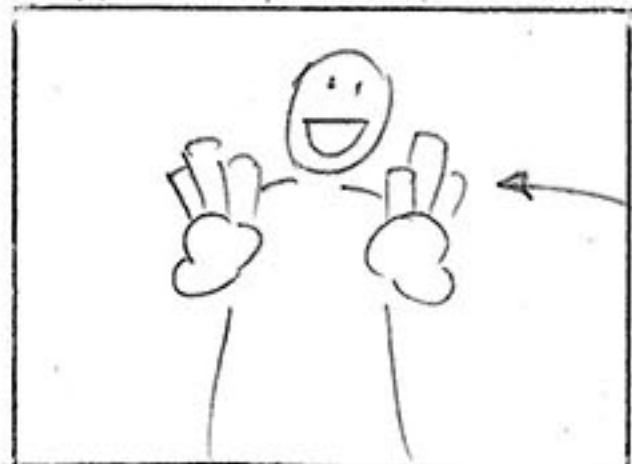

▽

D - Agreed!

And I have the
perfect treat!

Freeze dried ice cream,
anyone?

D - Brilliant! I think

We have some takers!
