

Close on bricks

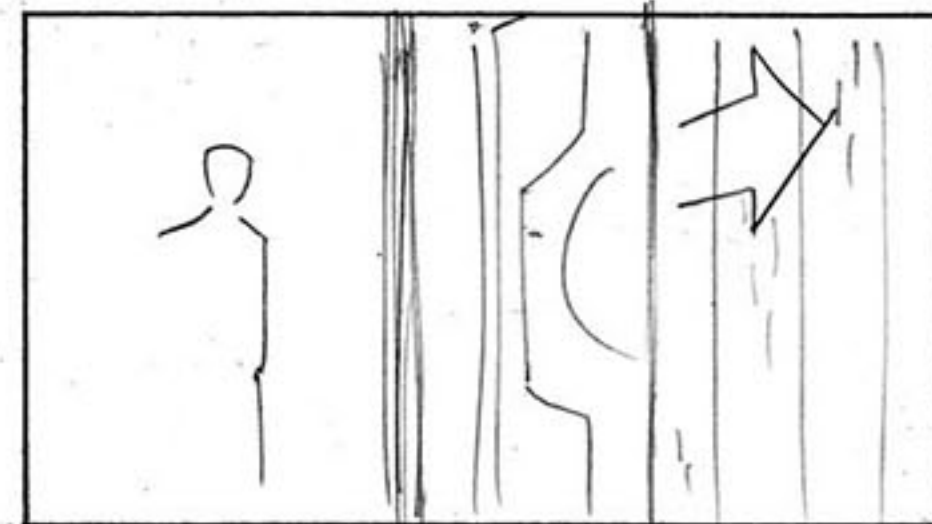

(197) VOICE: Identity confirmed.

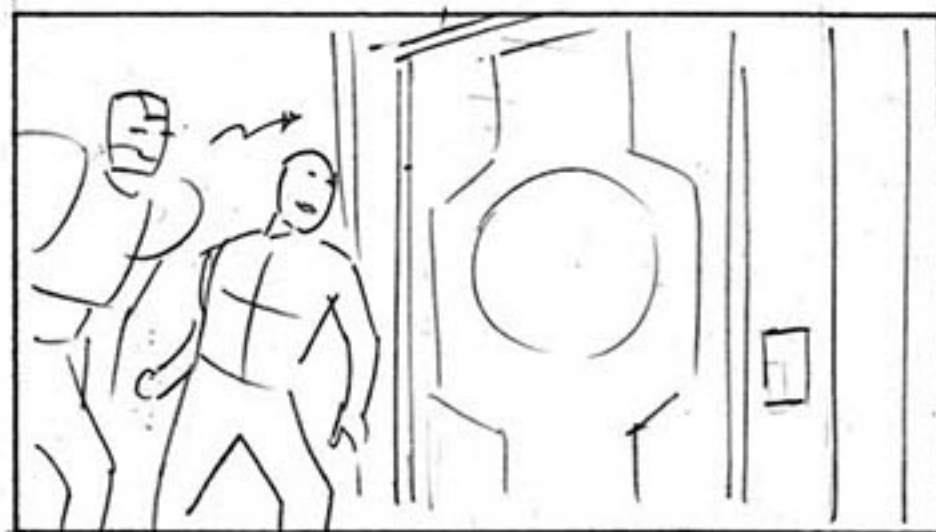

(198) M: Good thing it's not really a shoe factory.

SFX - Machinery

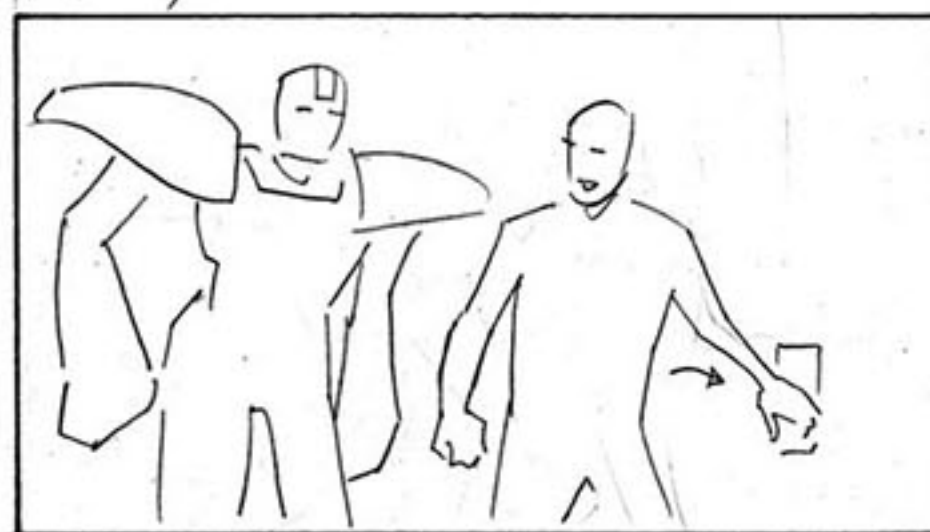

→ Pan to wood fence

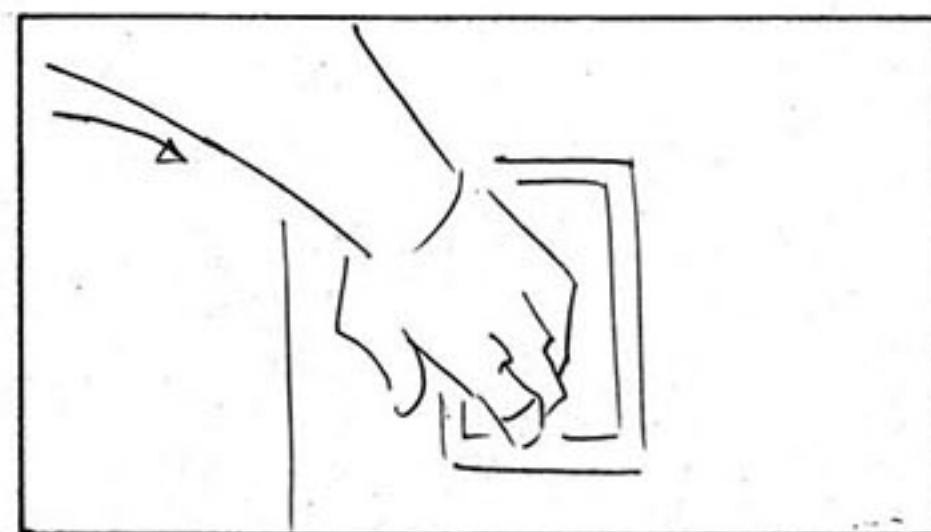

fence slides open - reveals metal door

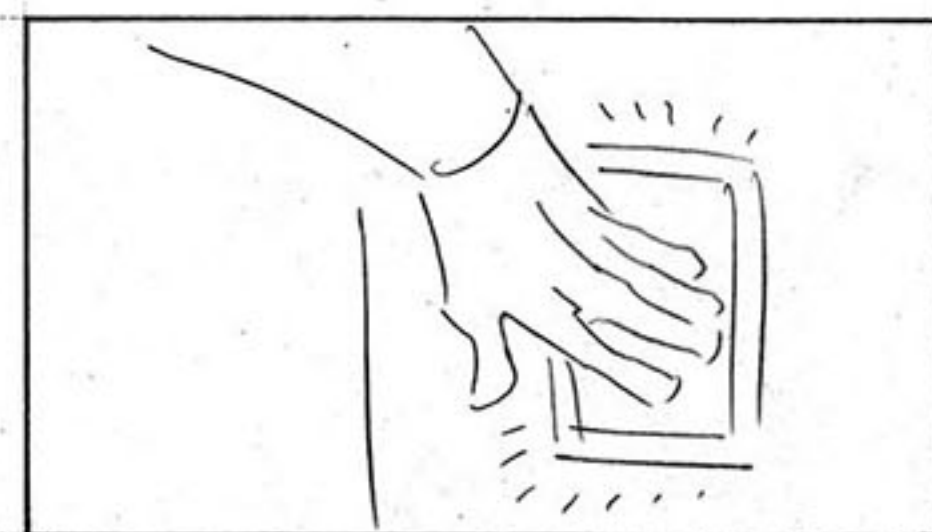

Reveal elevator
In the old days, Ntek used

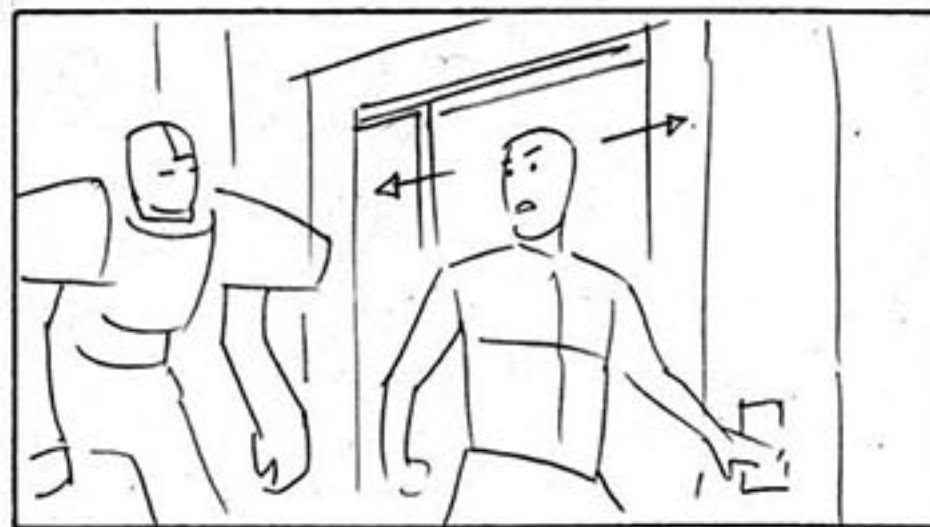

- a sporting supply company as a secret cover alias.

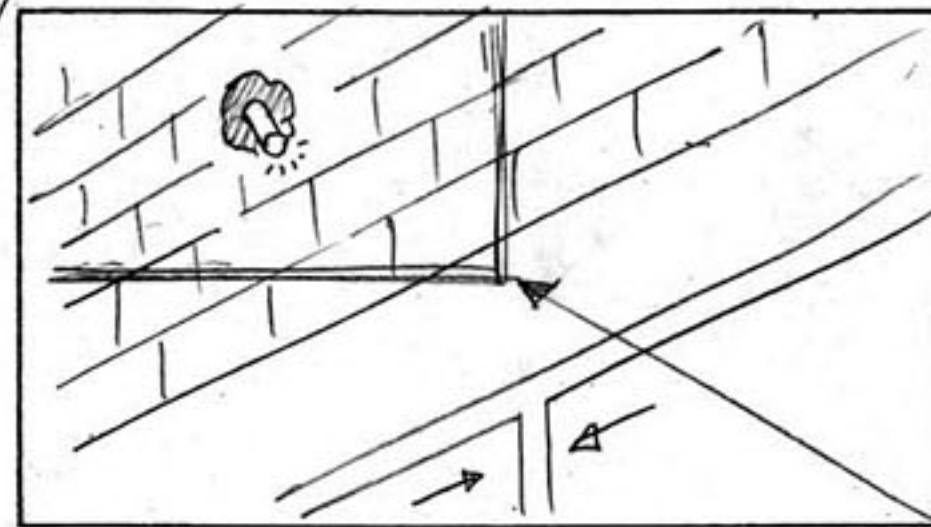

This is one of the original armories.

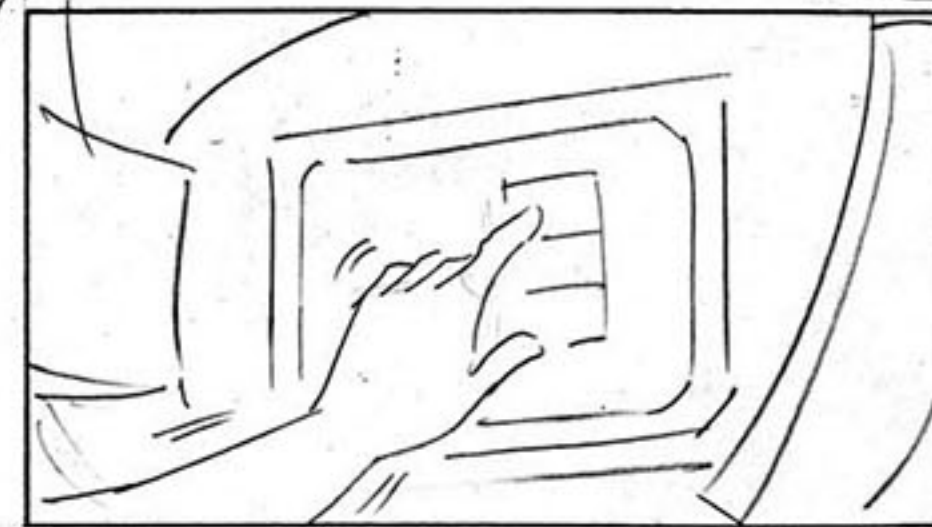

(panel lights up)

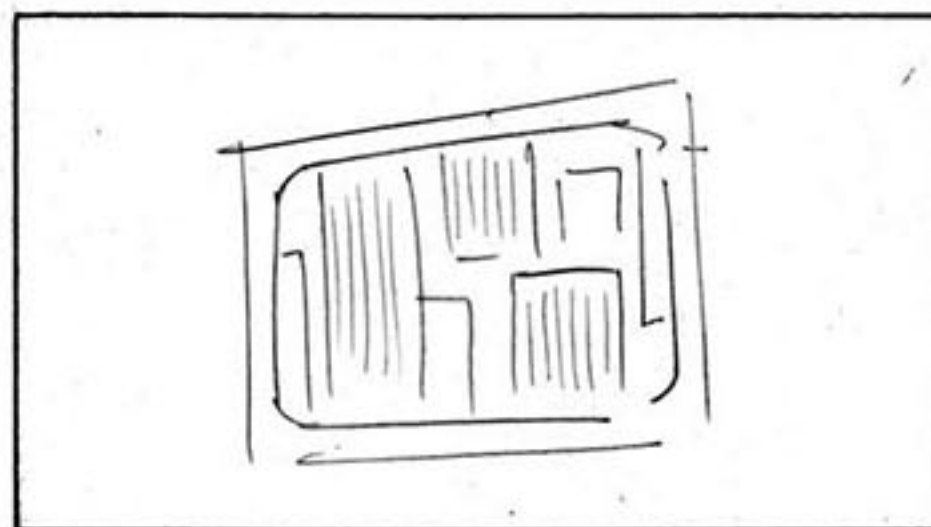

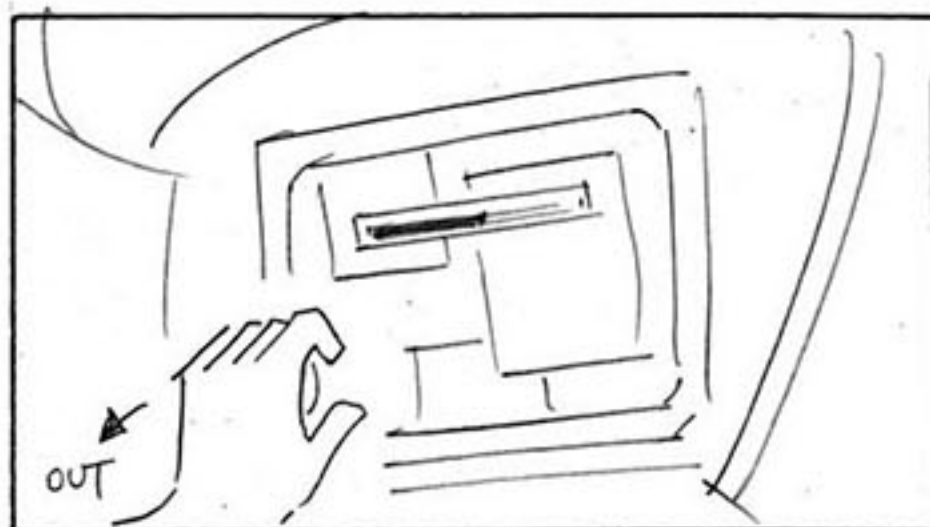

They'll have a charger for you and more.

Elevator door closes - then truck in on mini-cam with flashing red light (stuck to bricks with putty)

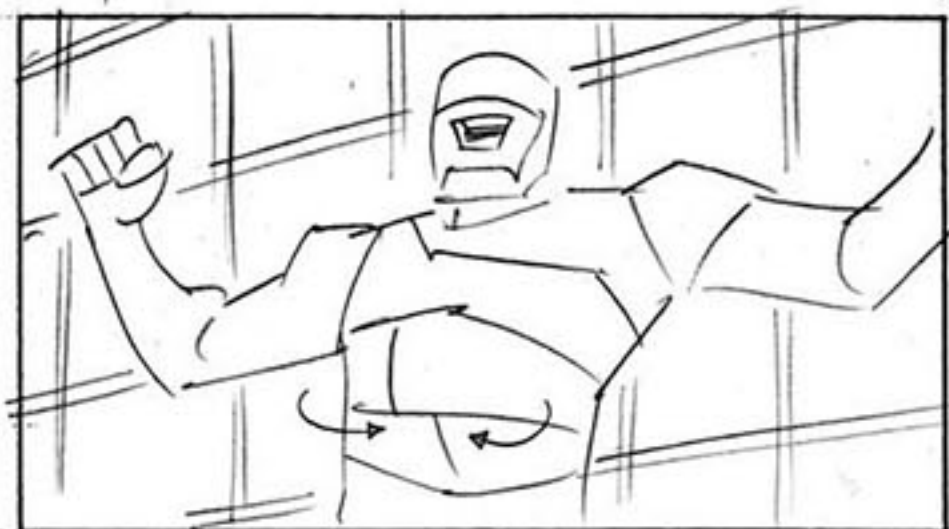

Match cut to Berto's hand touching panels on laptop in MK's body (trembling)

199 MK: Download complete! (files blur across screen)

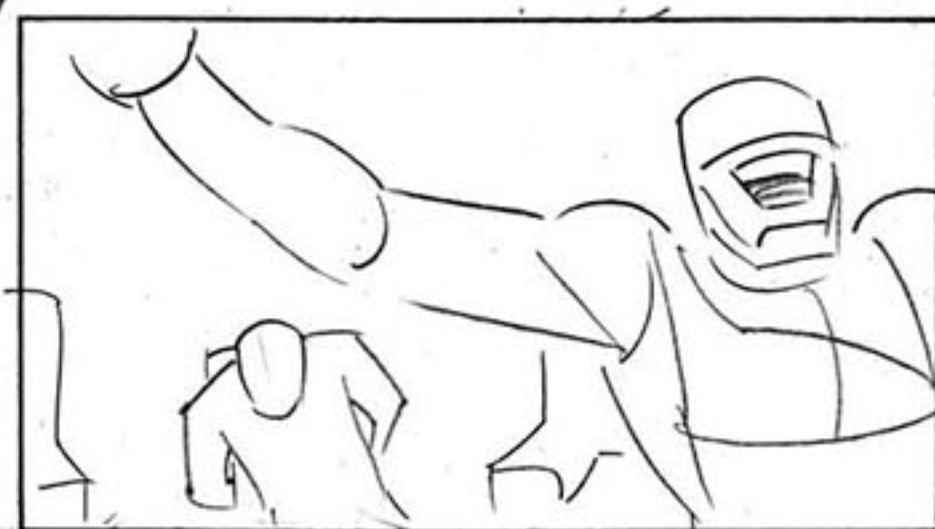

Truck out as screen pulls back in & rises to chest cavity
Wow! This is—

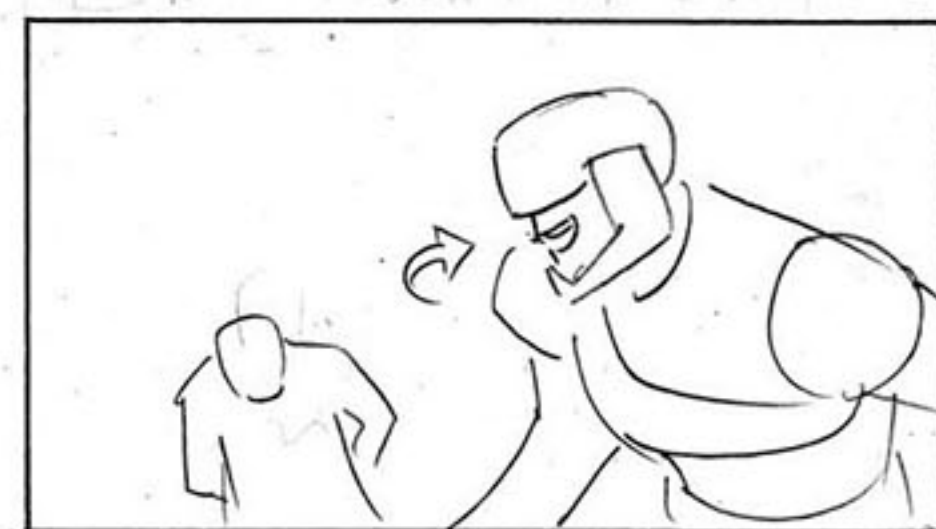

Truck out as panels close
— great stuff!

I totally know how to
do this thing!

YEEAAHH!

Hey, you held out longer—

(vo) - than I expected, Berto!

Glasses drop OS

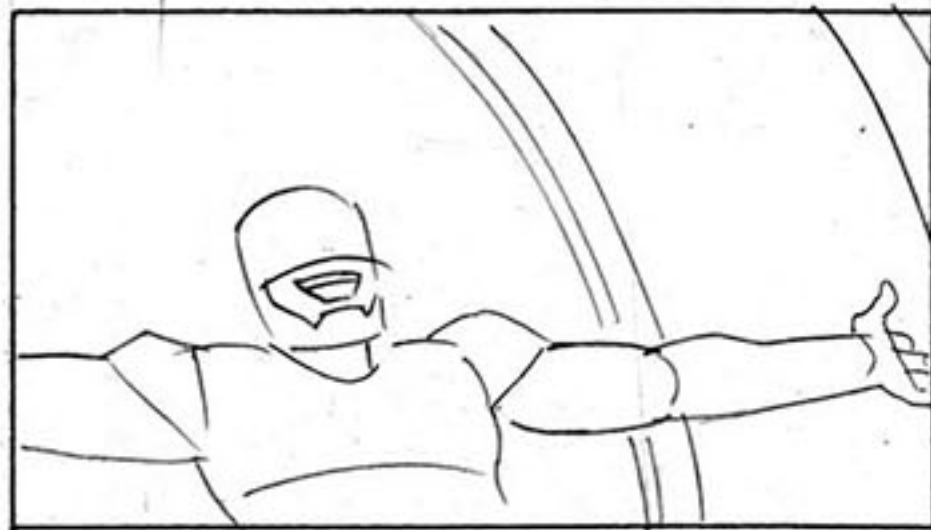

cut outside skybox

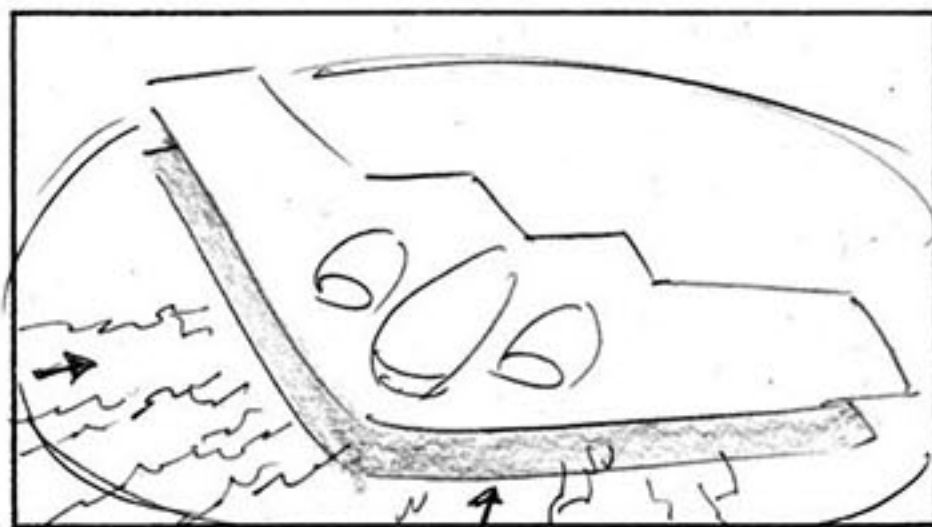

TRUCK OUT

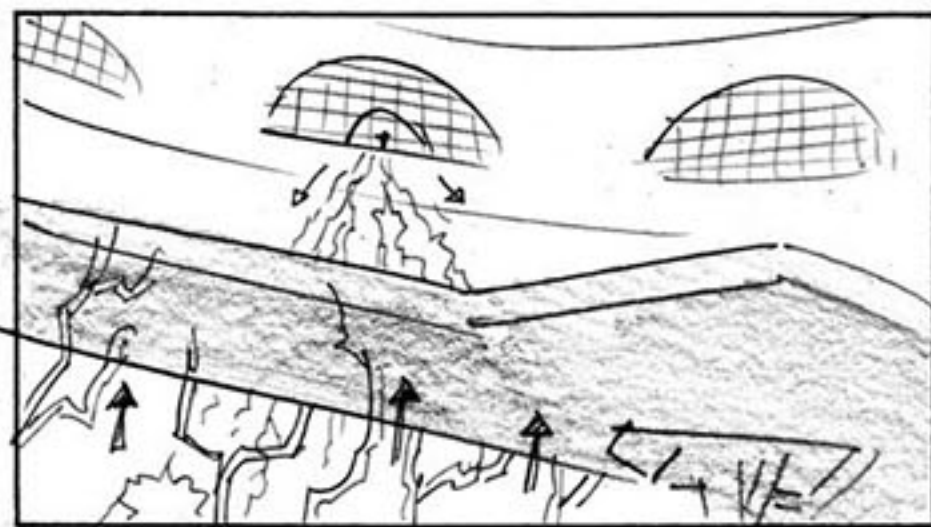

(200) MK: well, folks, it looks like the real show is about to begin!

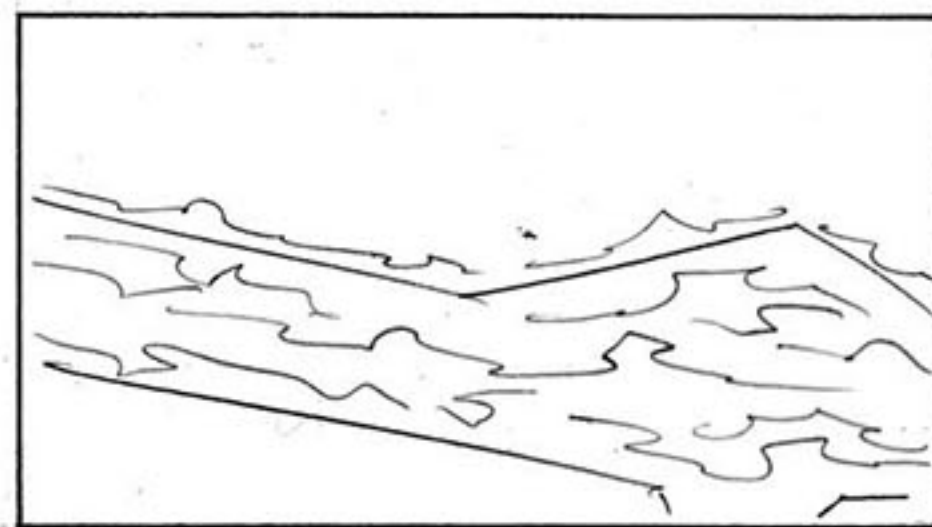

TRUCK OUT

electric FX in as it stops rising

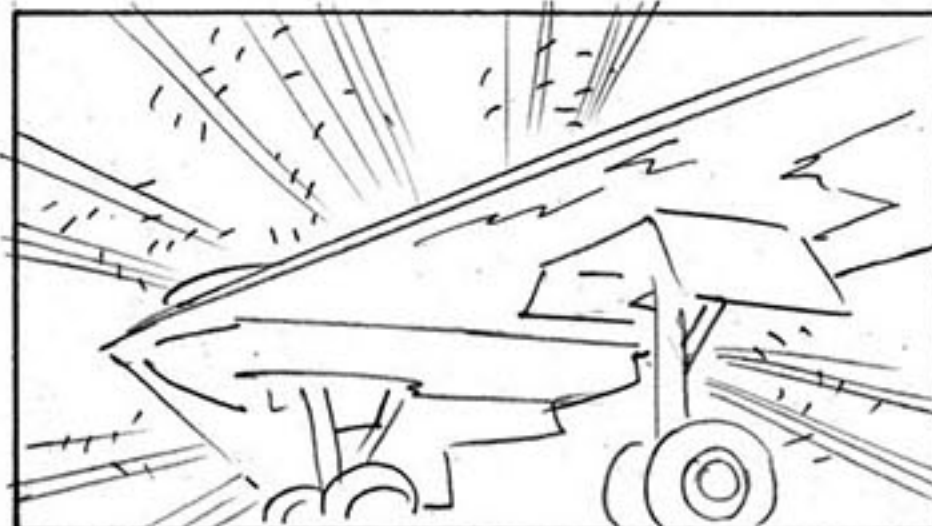

electric FX leap up

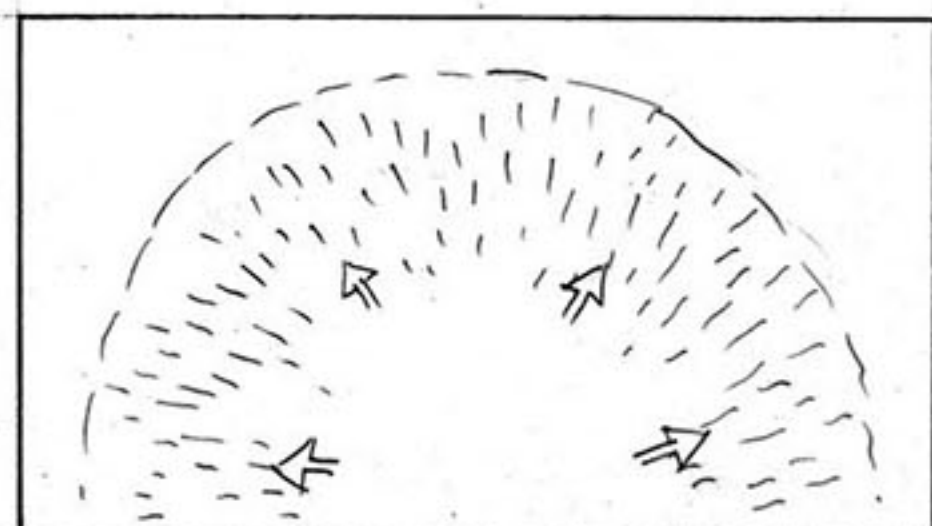

cascade over bomber

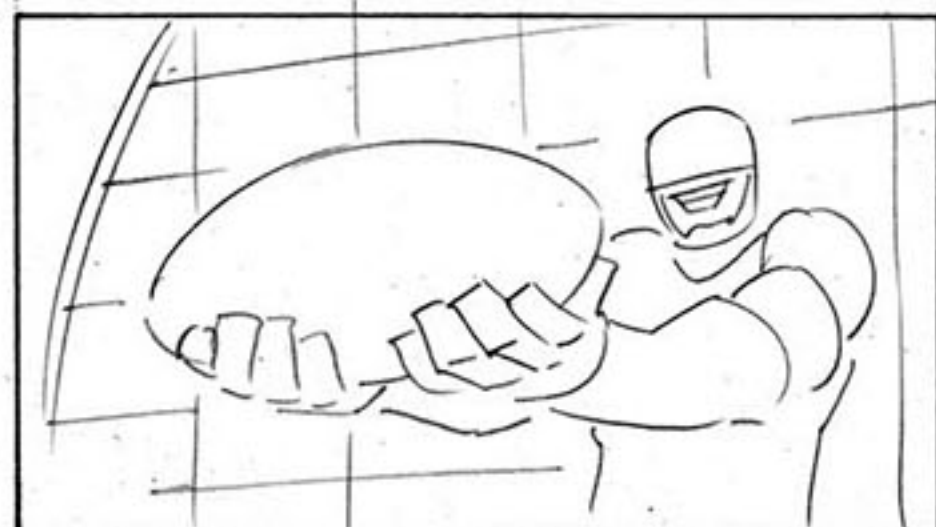

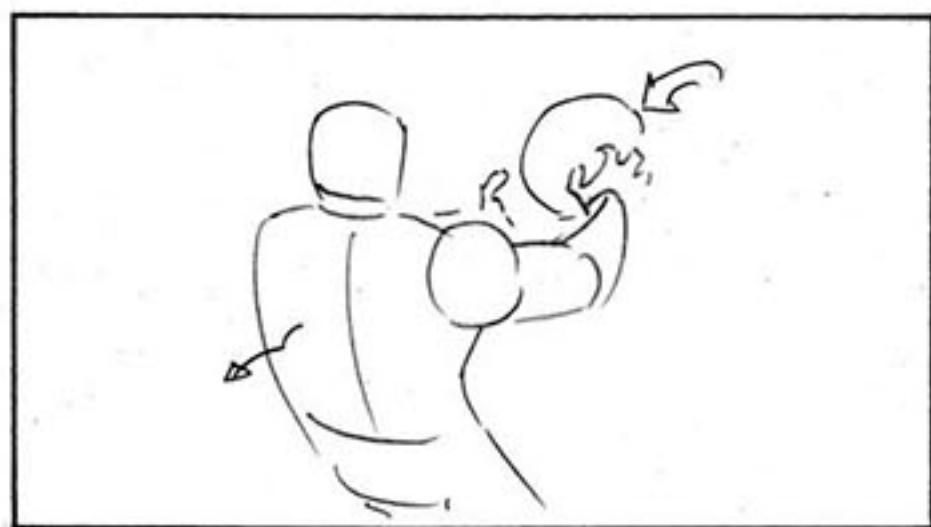

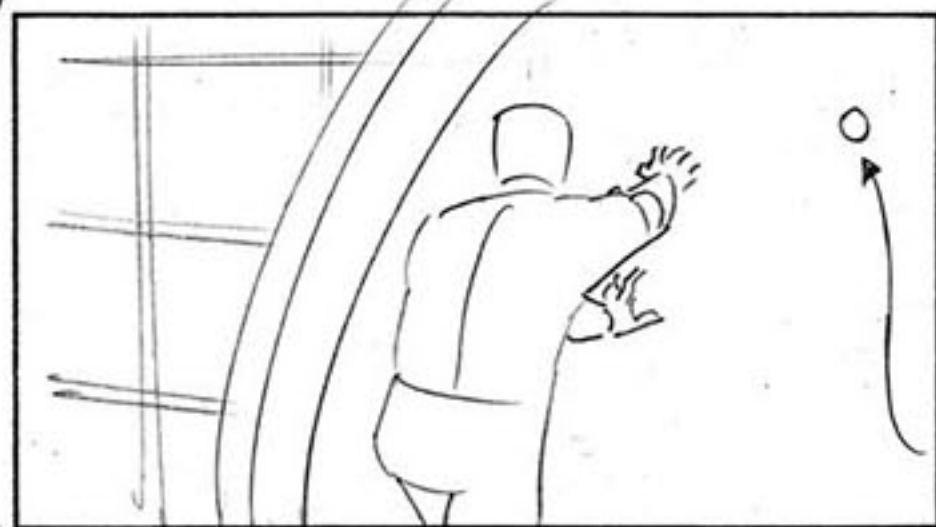

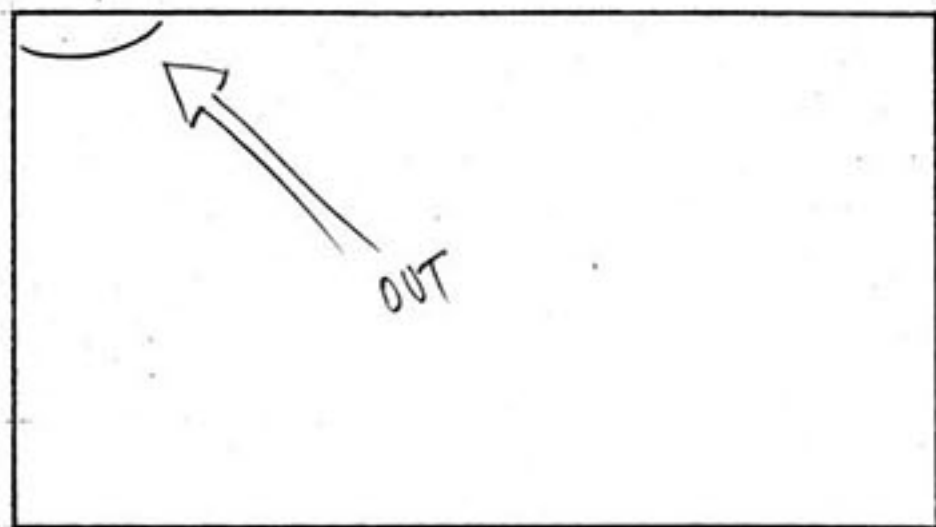

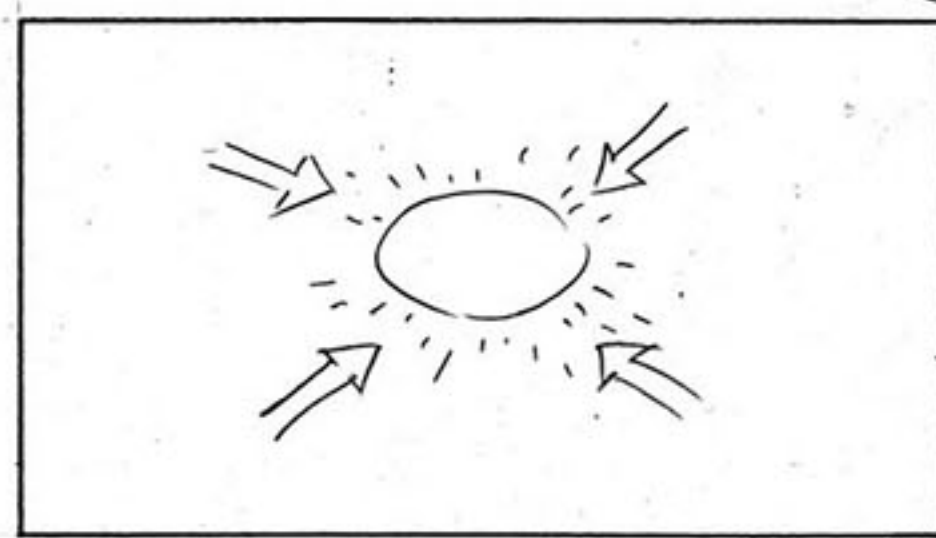

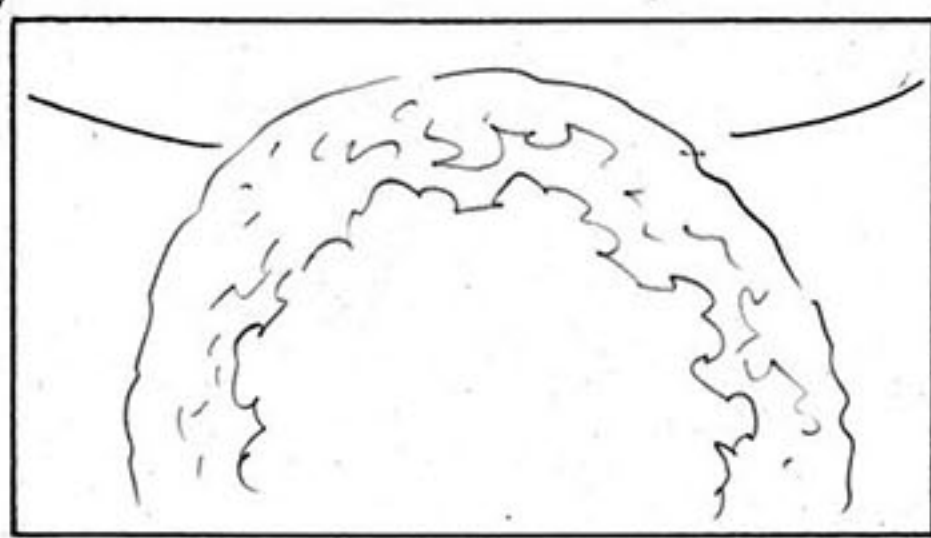

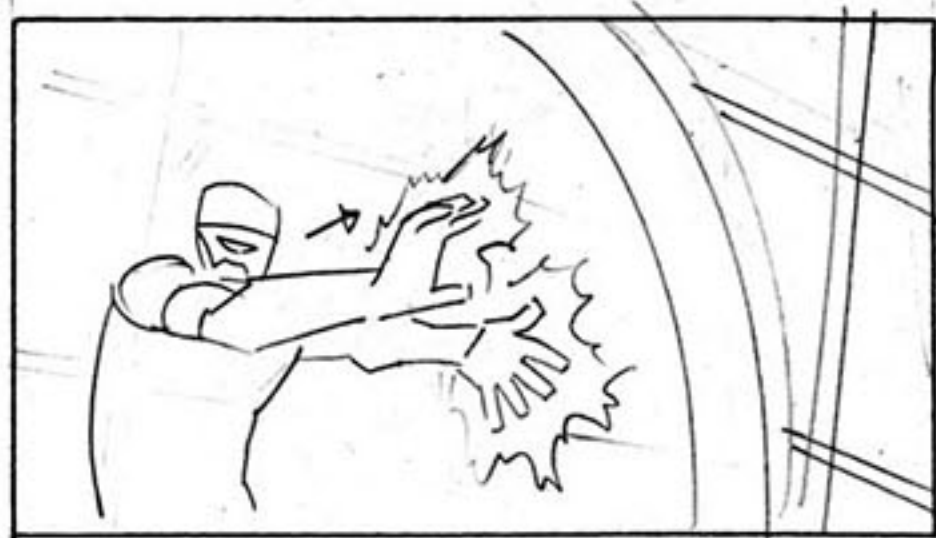

skin pixellates, fragments

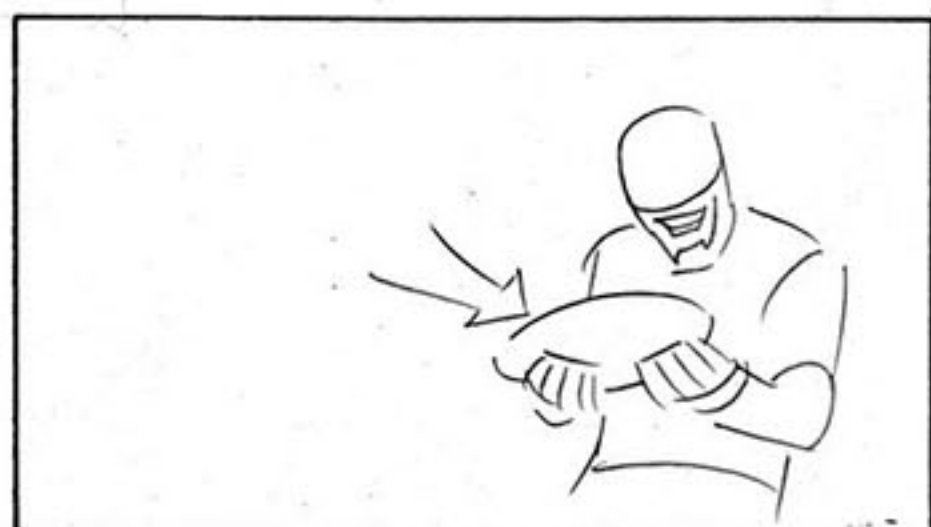

Truck out - shield catches fragments

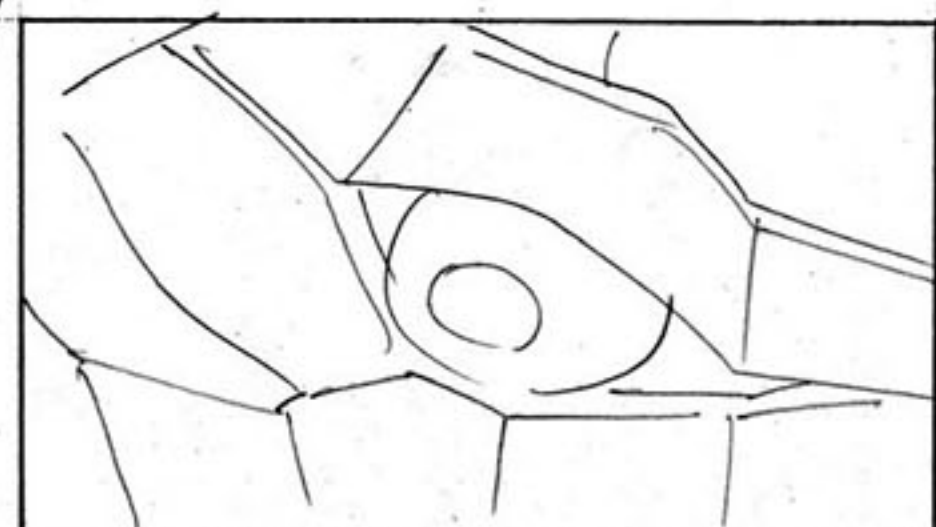

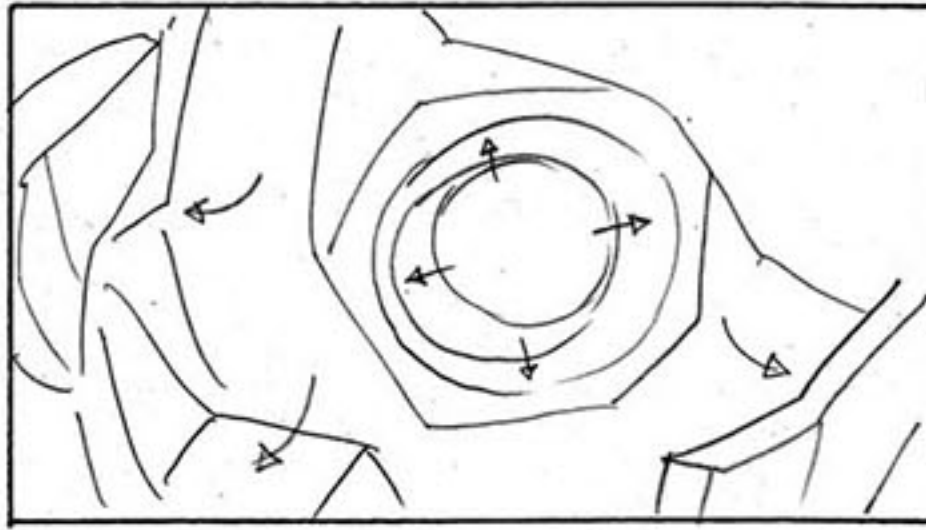

(20) MK: You haven't seen anything yet!

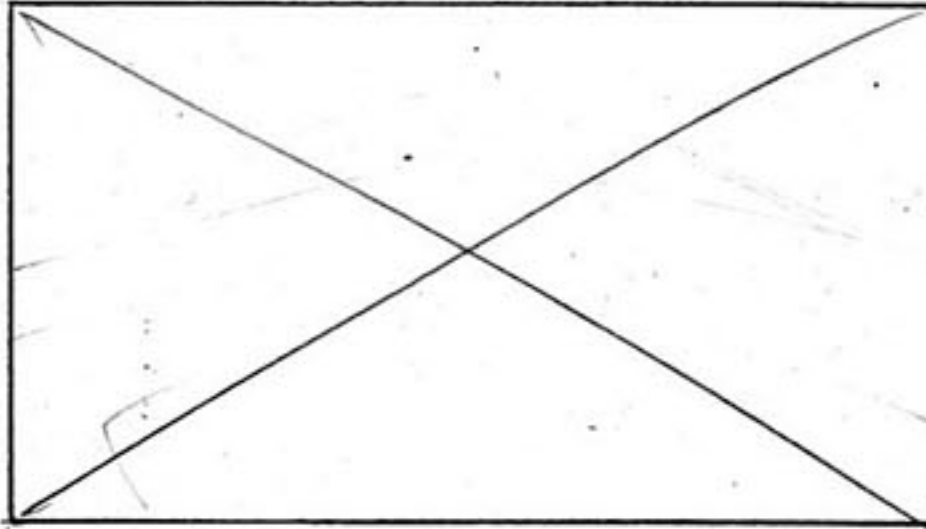

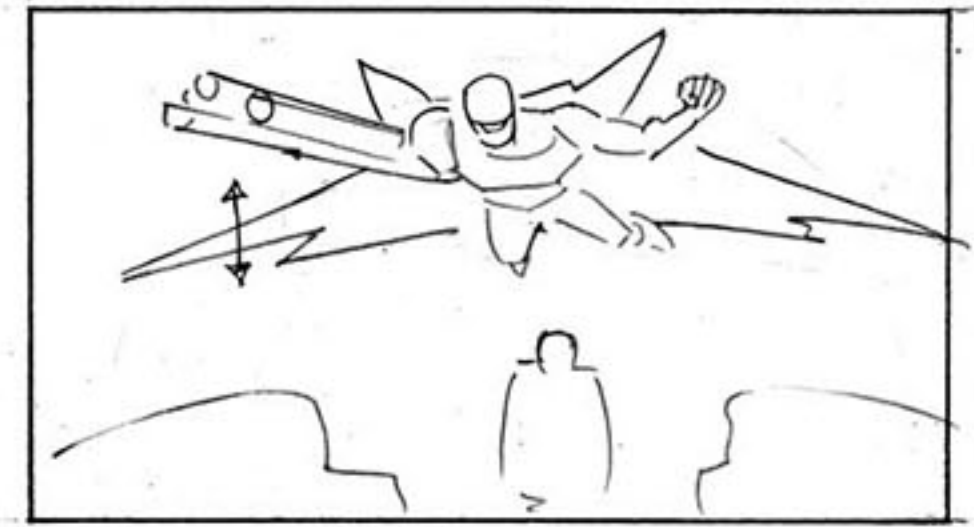

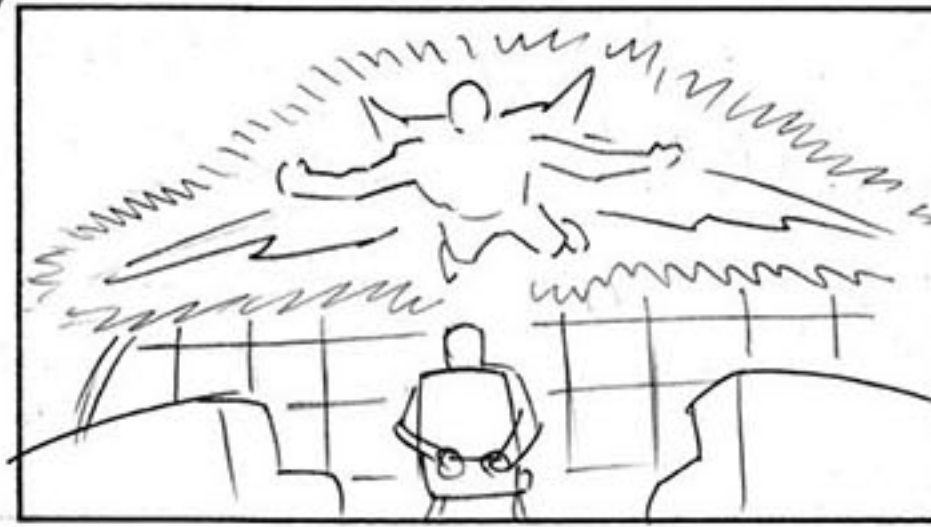

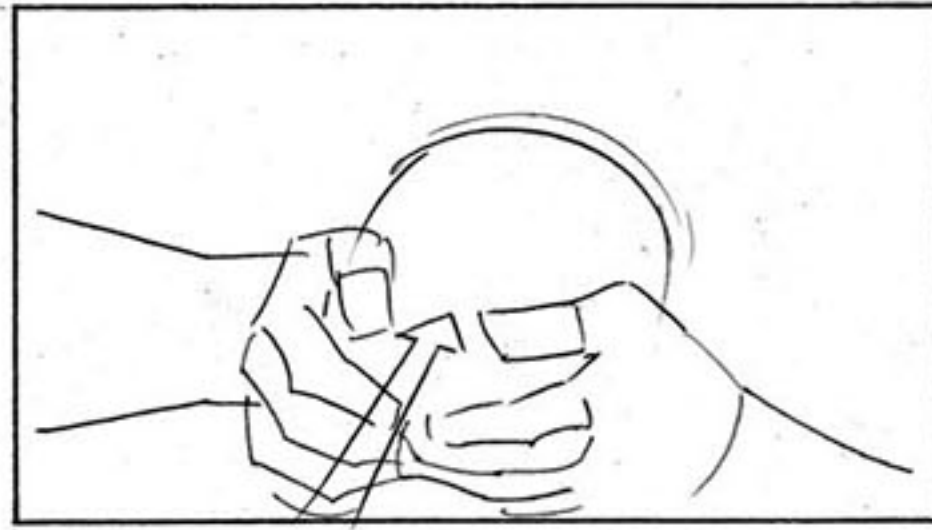

check this!

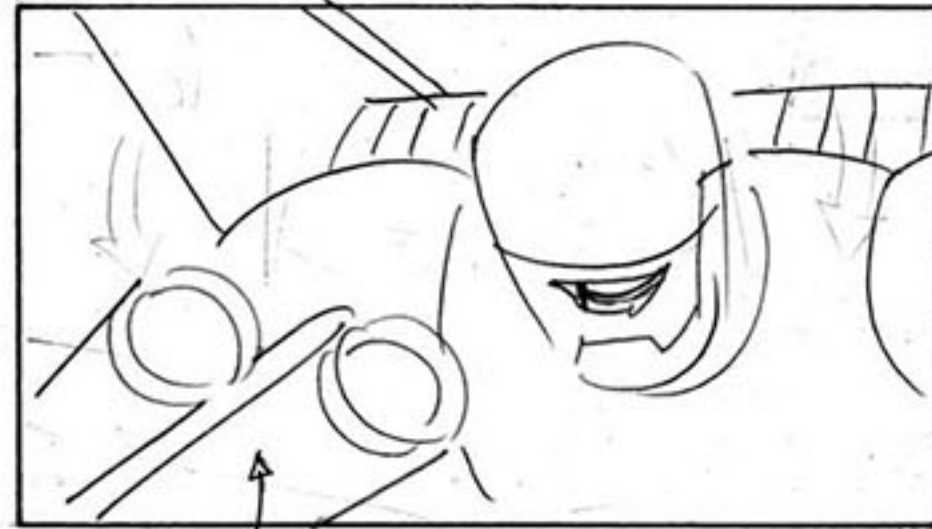

Close on chest

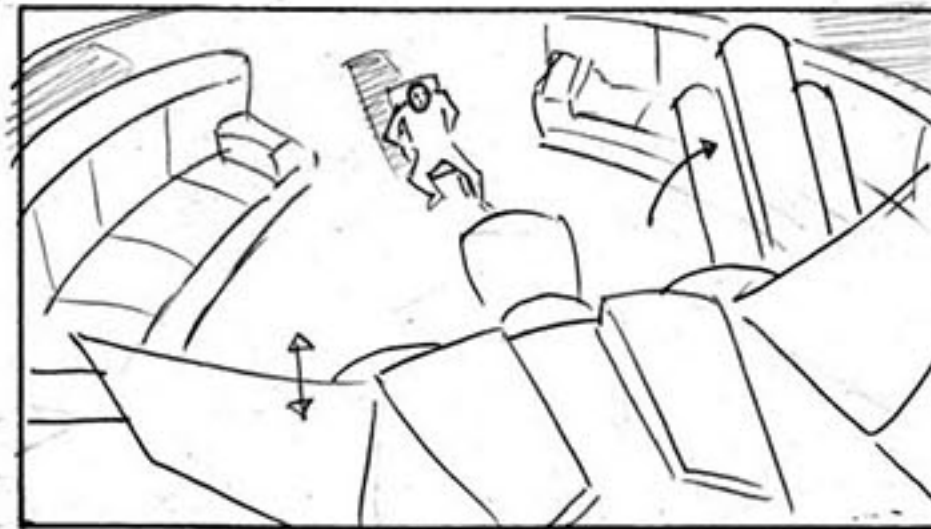

Panels & aperture open

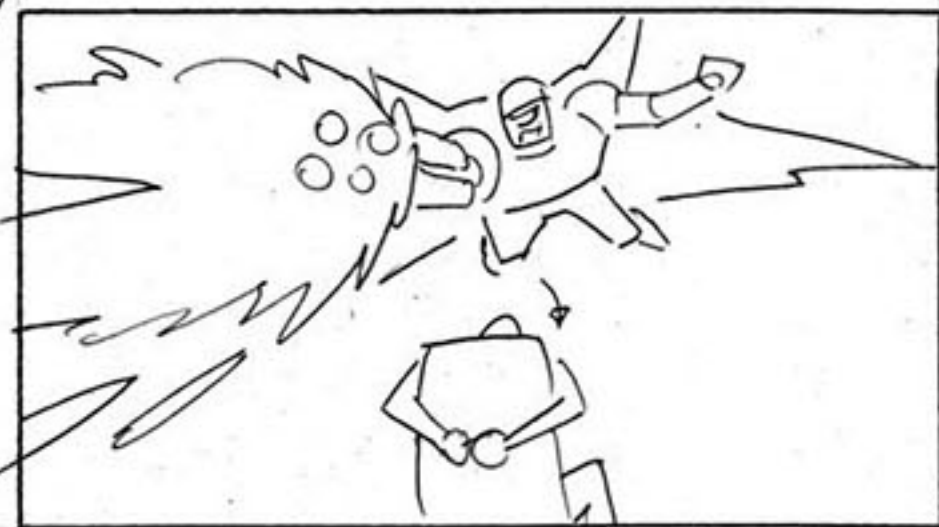

cut closer

MK: I look pretty bad!

(202) B: This is bad. VERY bad.

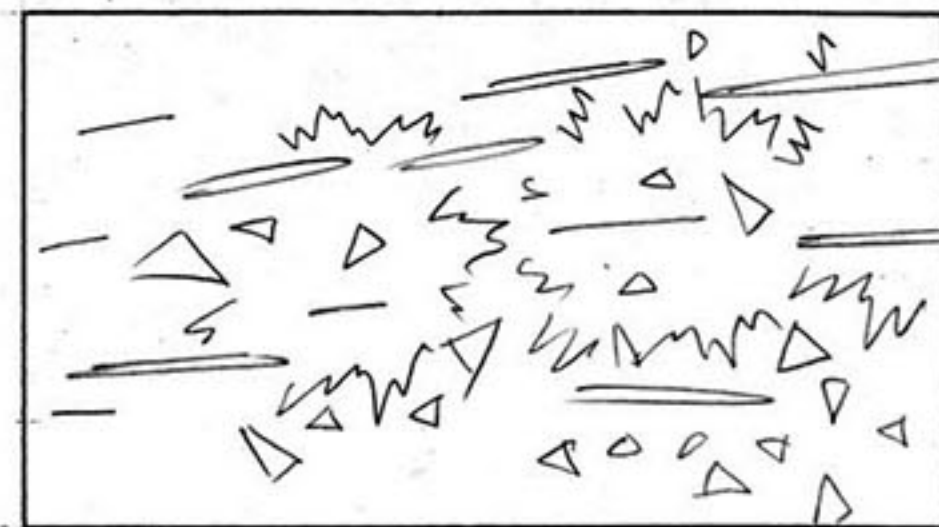

Track with bullet hits

MK rotates over B's head

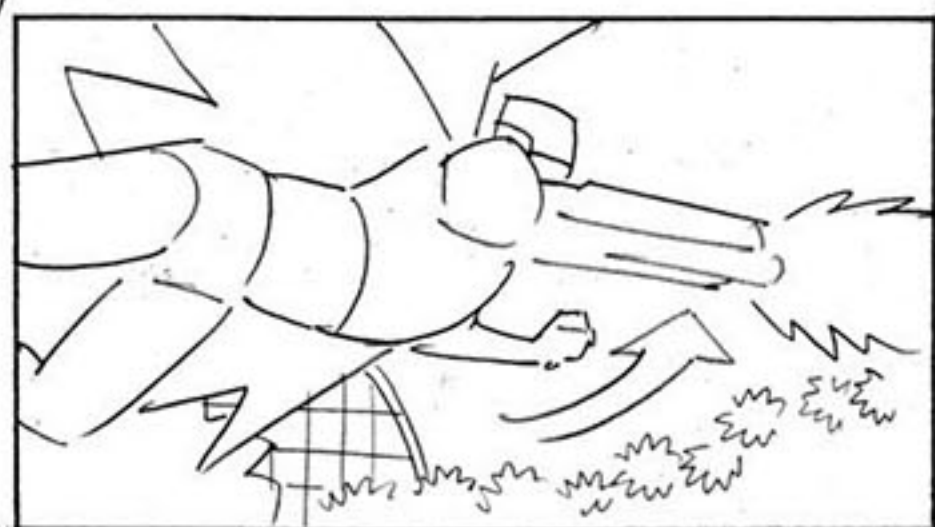

cut to TV screens

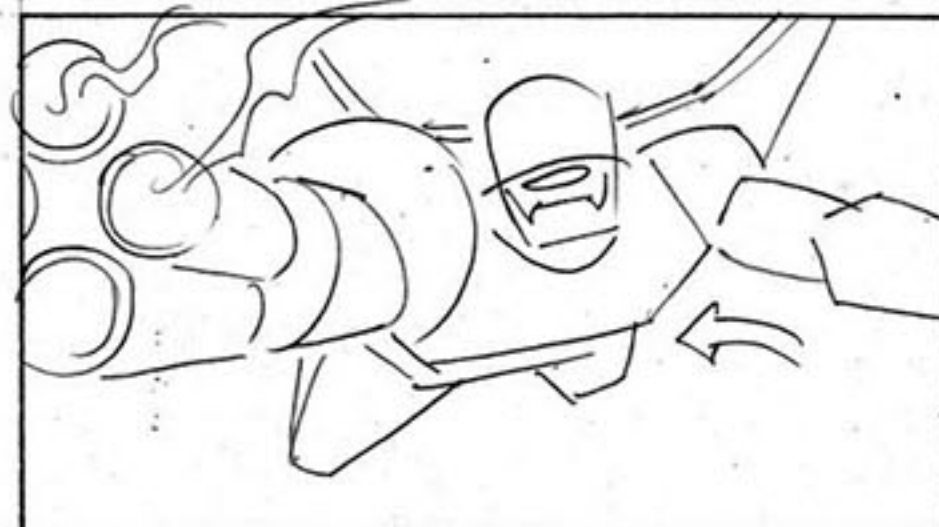

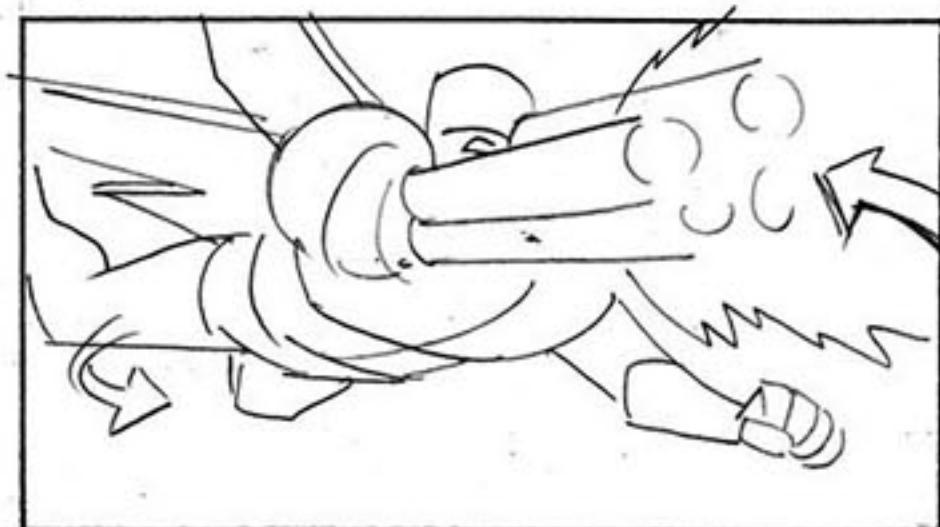

Bullets spray in

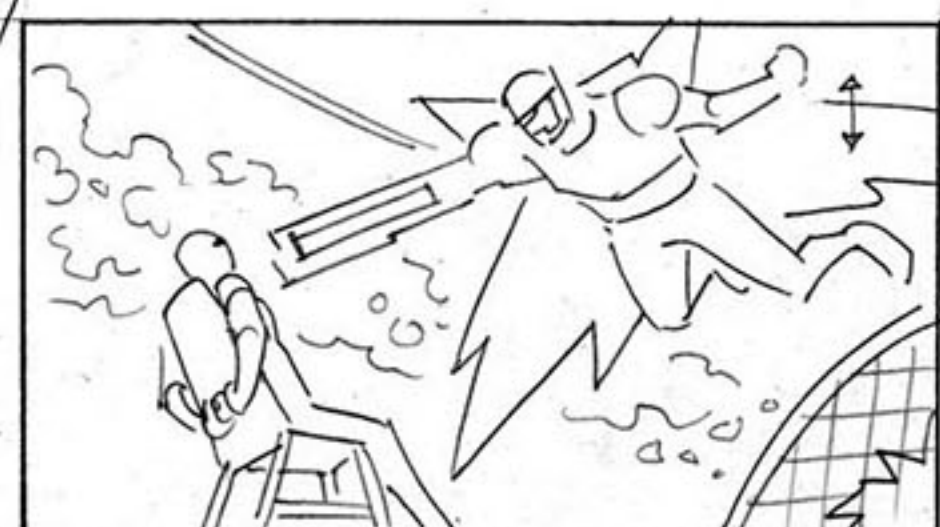

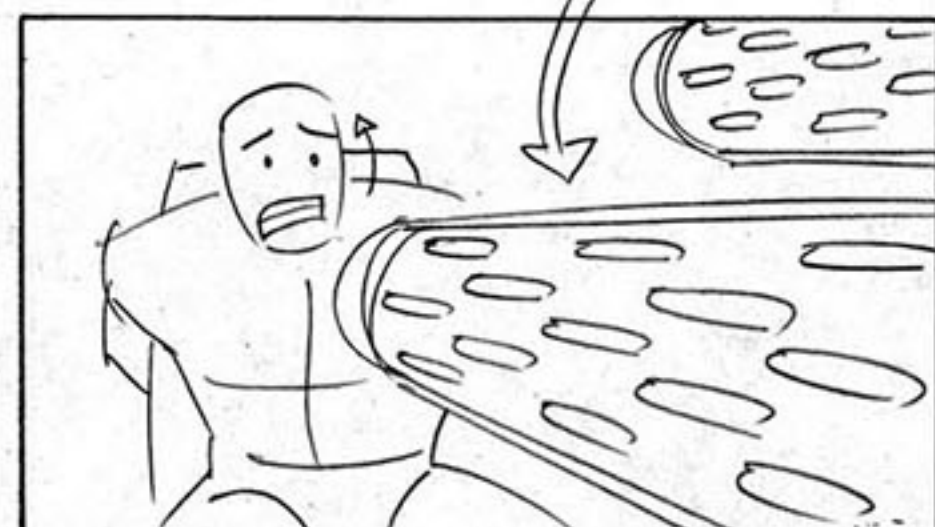

Outside skybox - bullets burst out

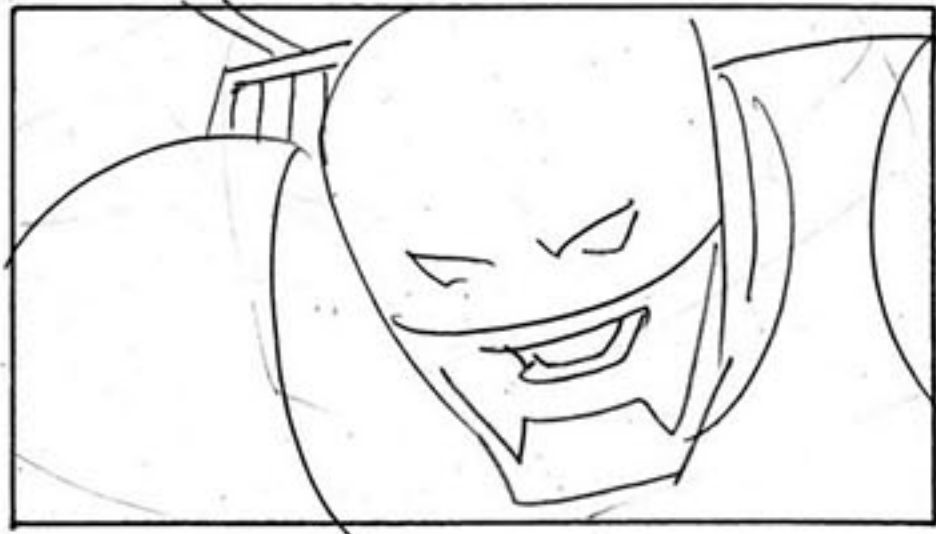

MK continues rotating & firing

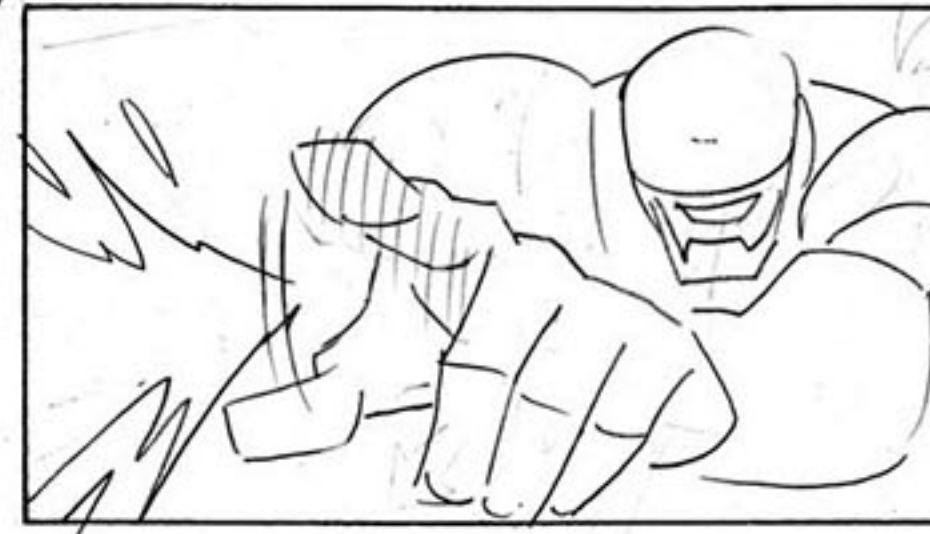

STOP

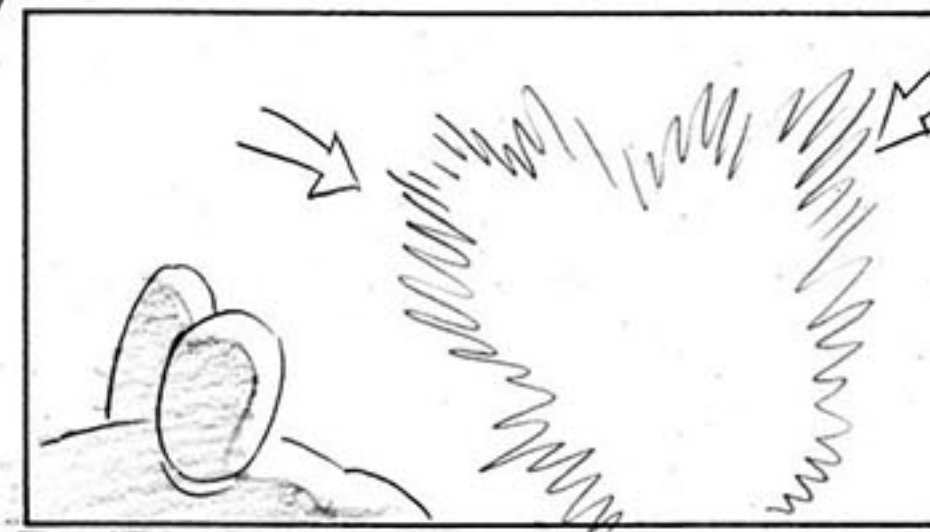

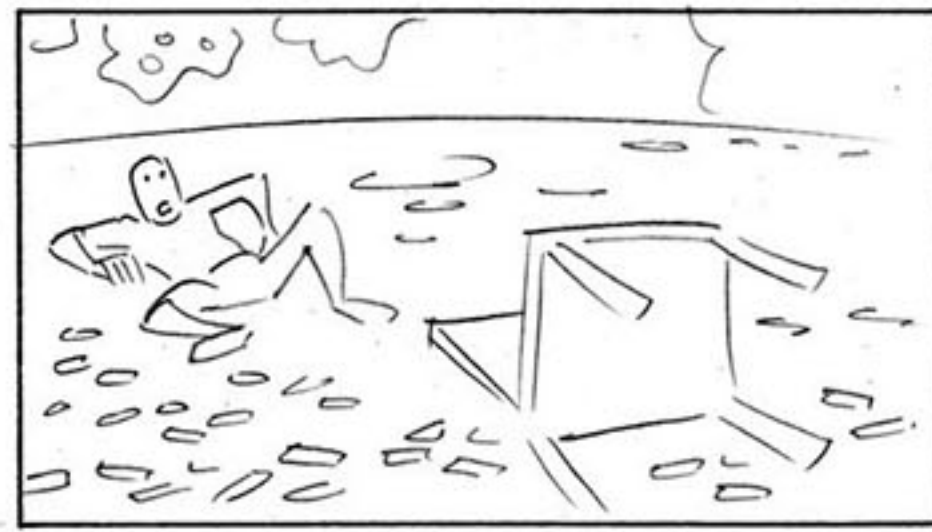

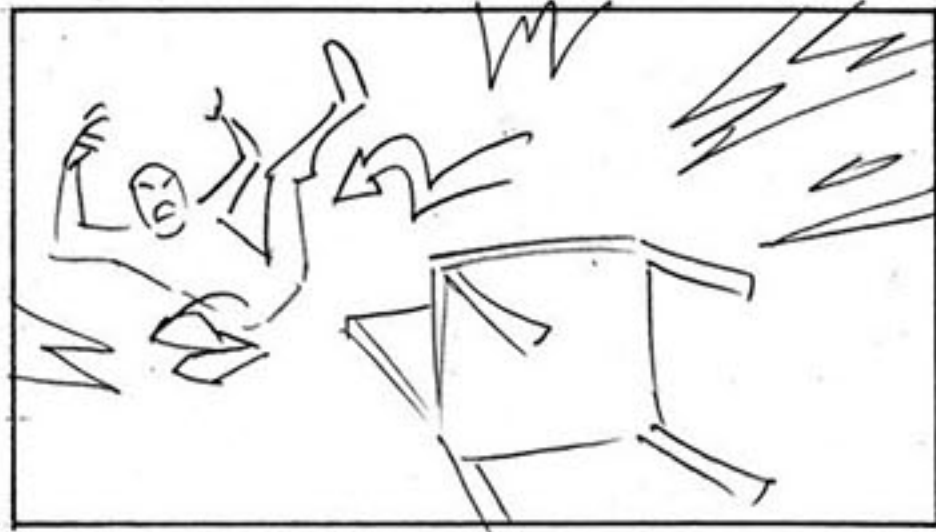

-but I'm done with you now!

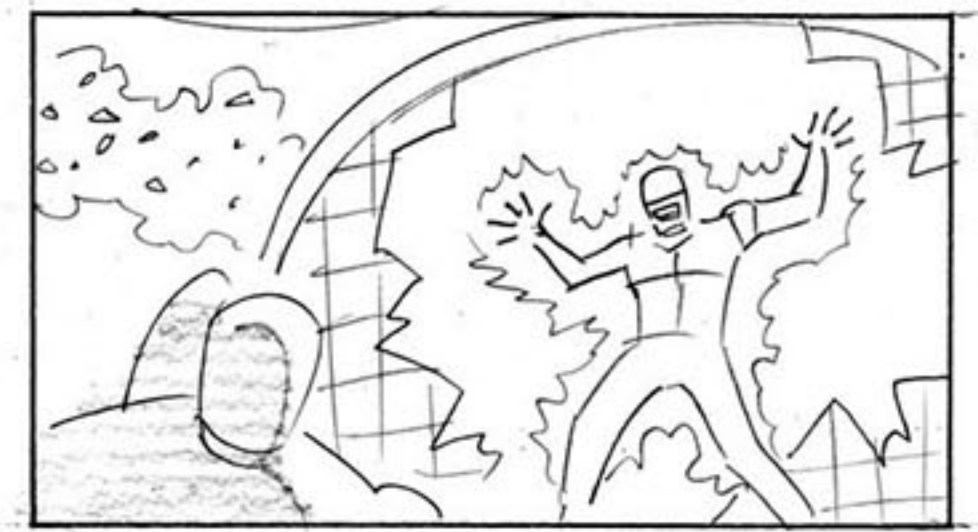

Flick electric
shock

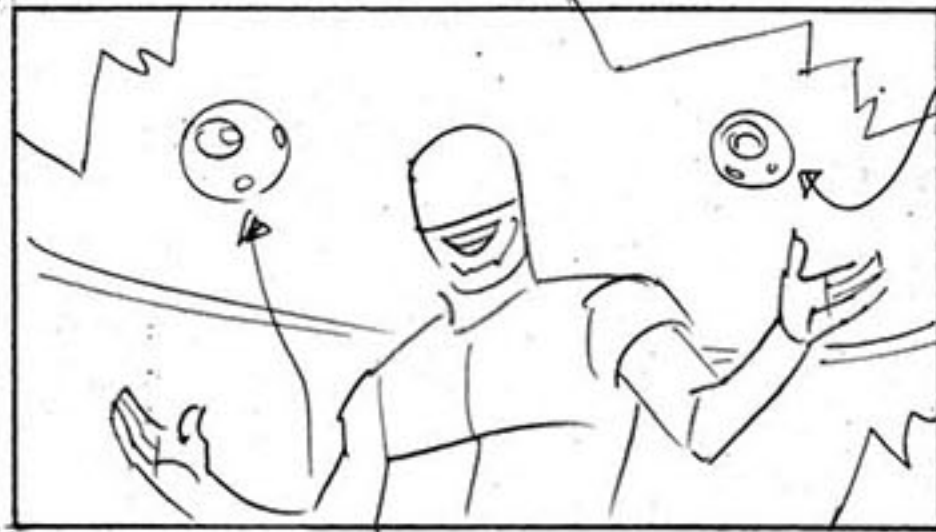

light shrinks

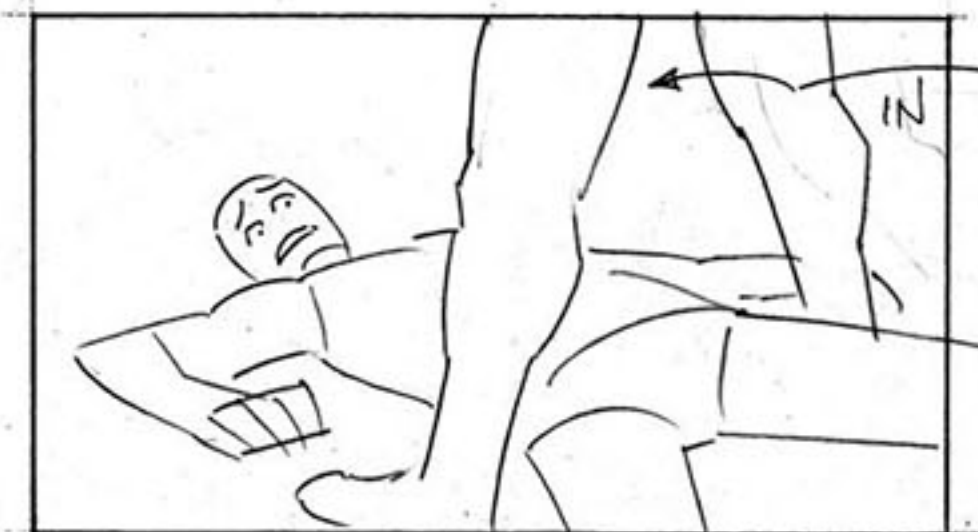

(204) MK - Laughter

-gotcha!

Where's a camera when you
need one?

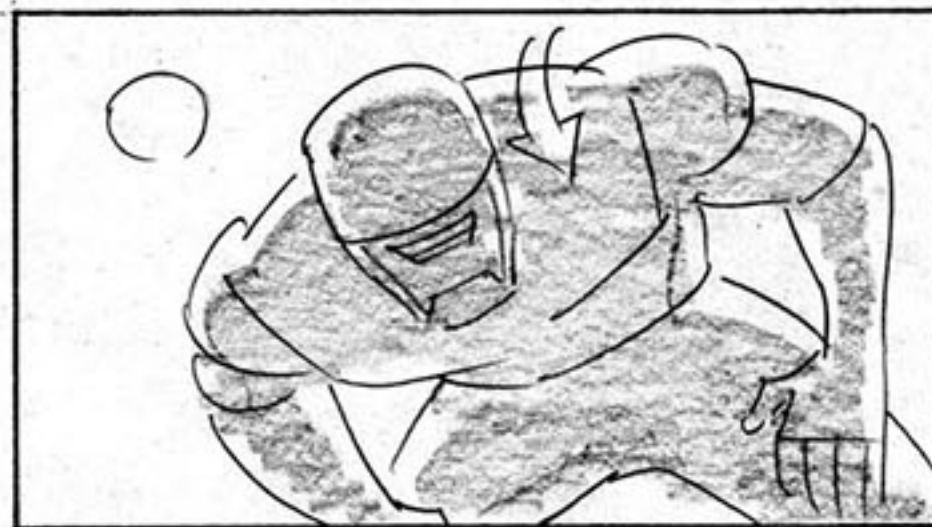

Hey! This is only
the rehearsal!

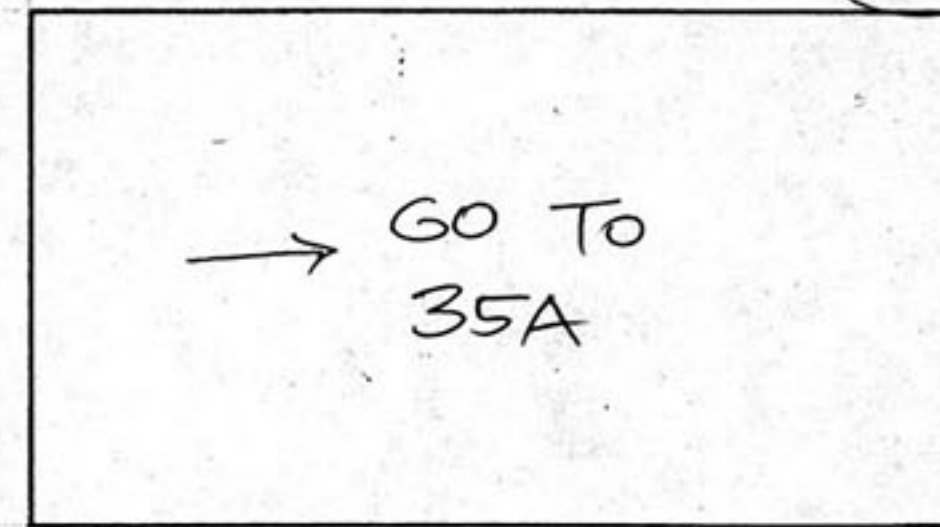

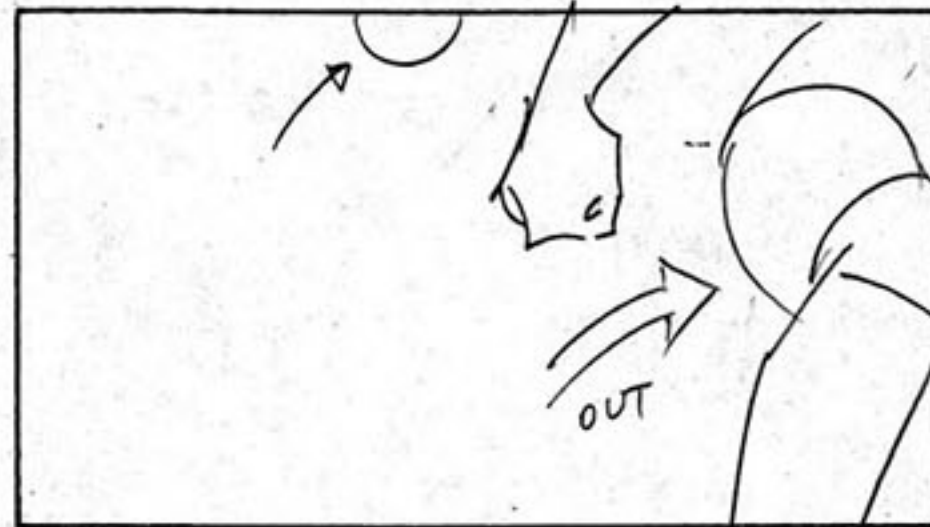

▽

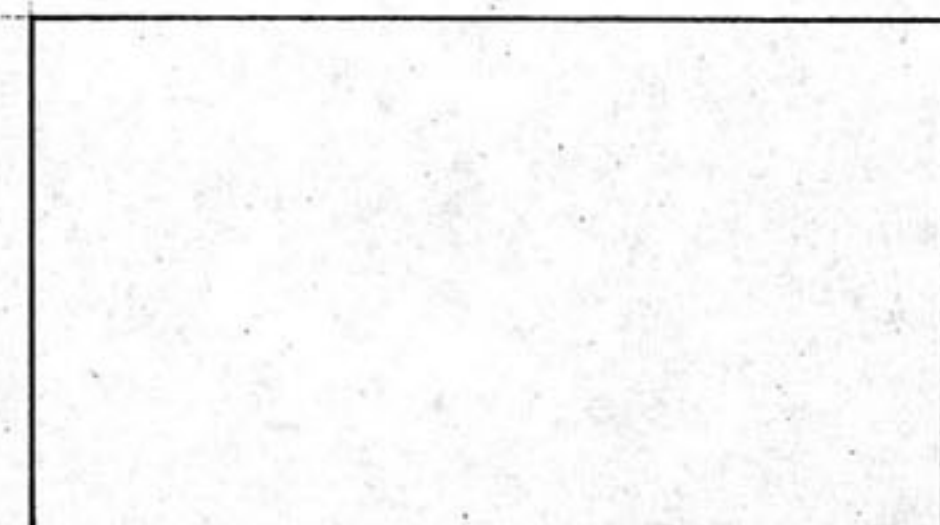

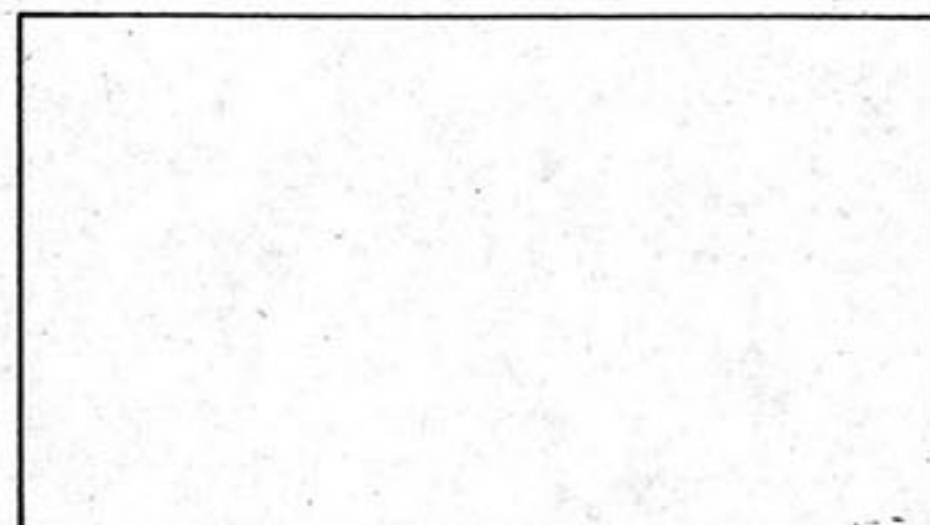

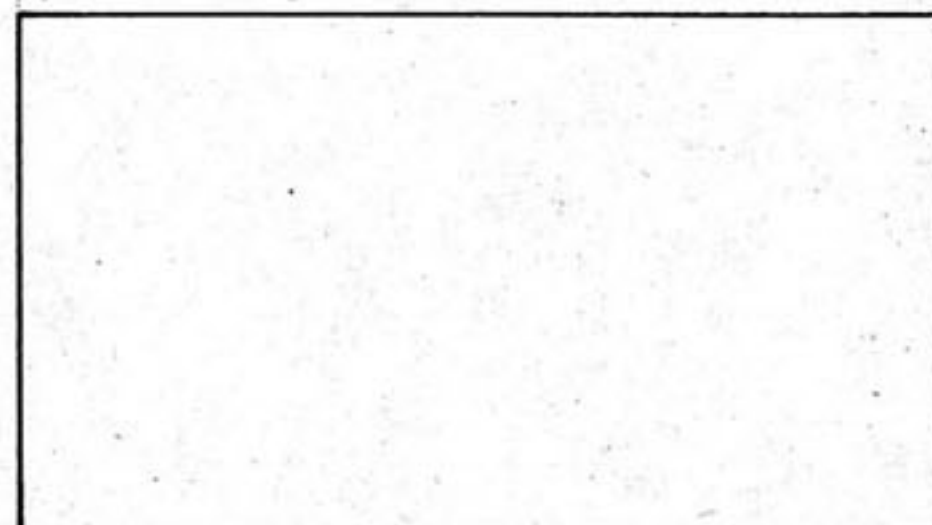

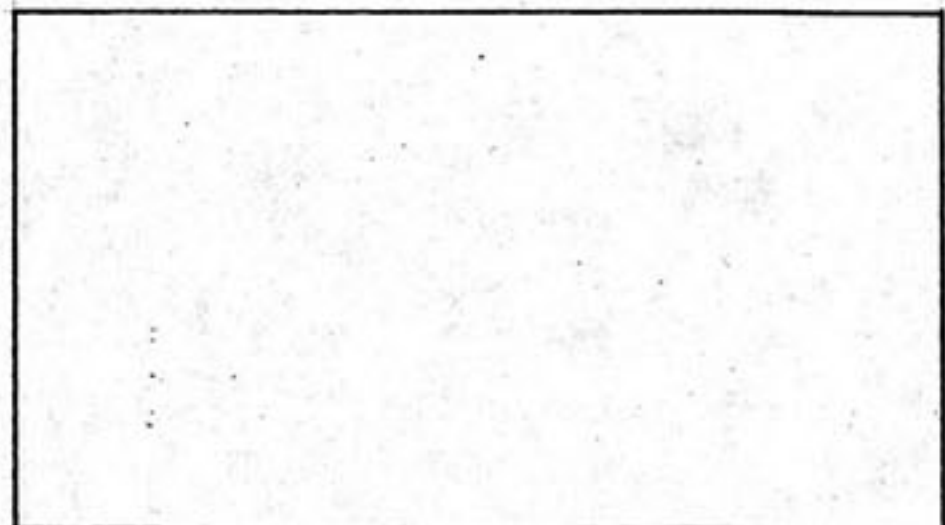

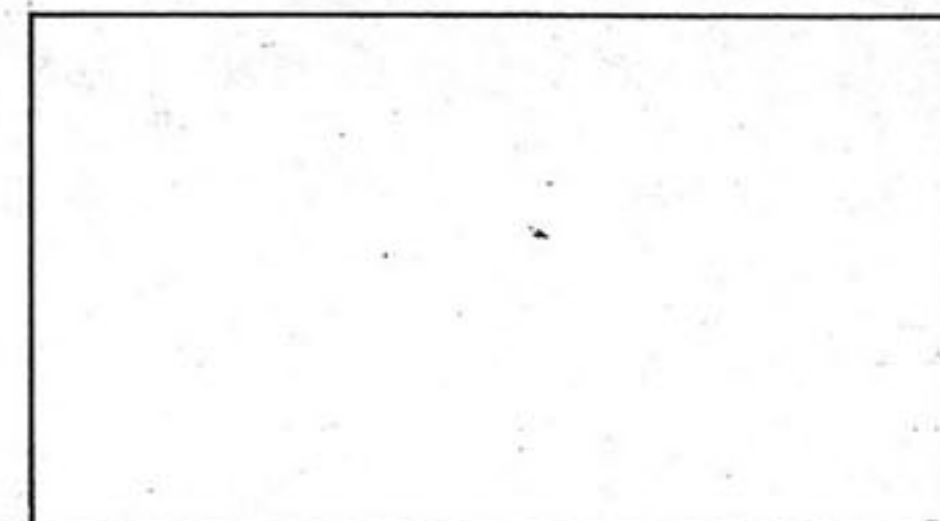

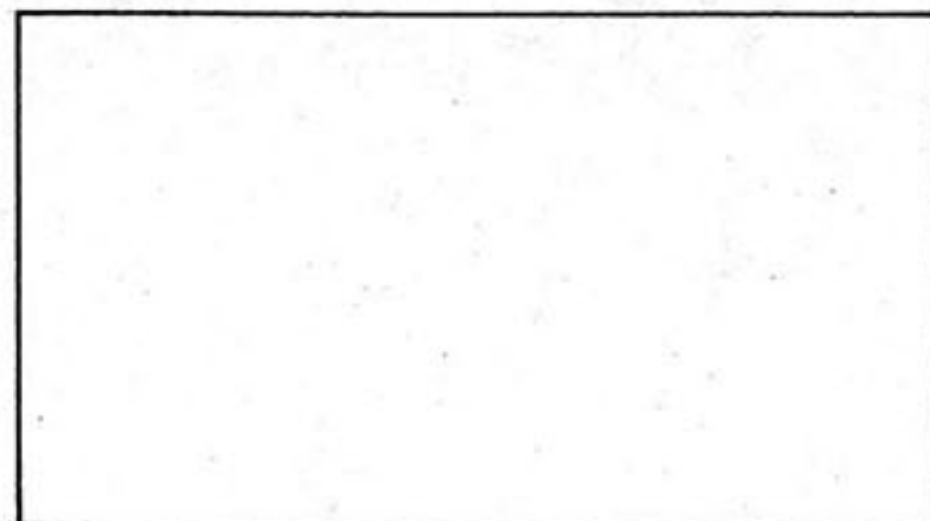

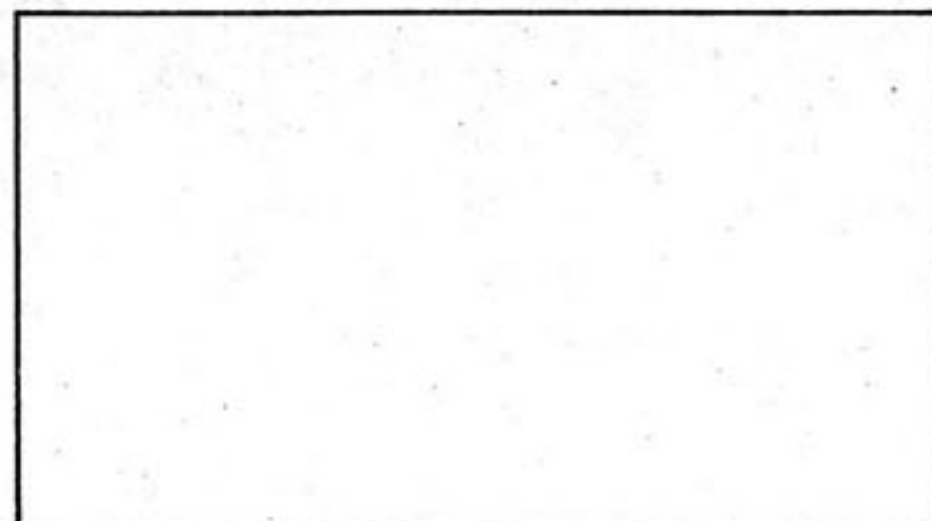

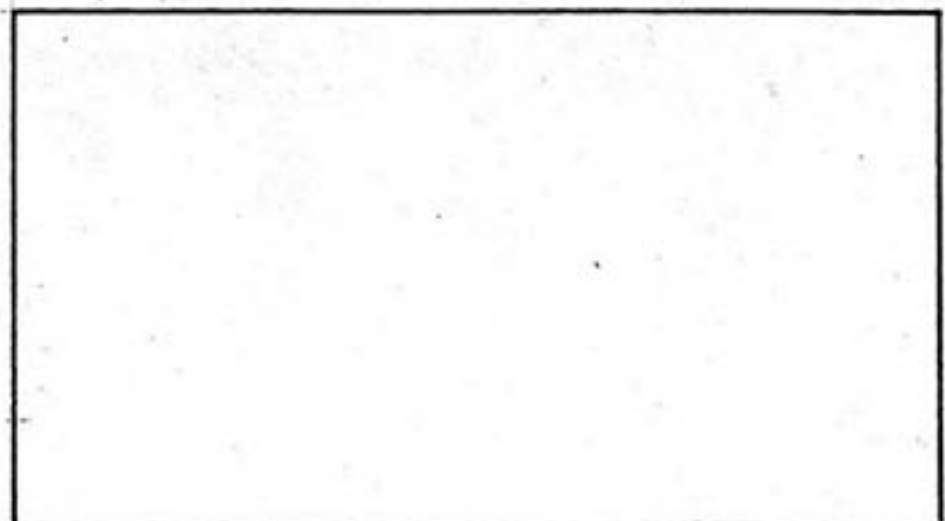

Tell Max Steel that he's the next guest on my reality show.

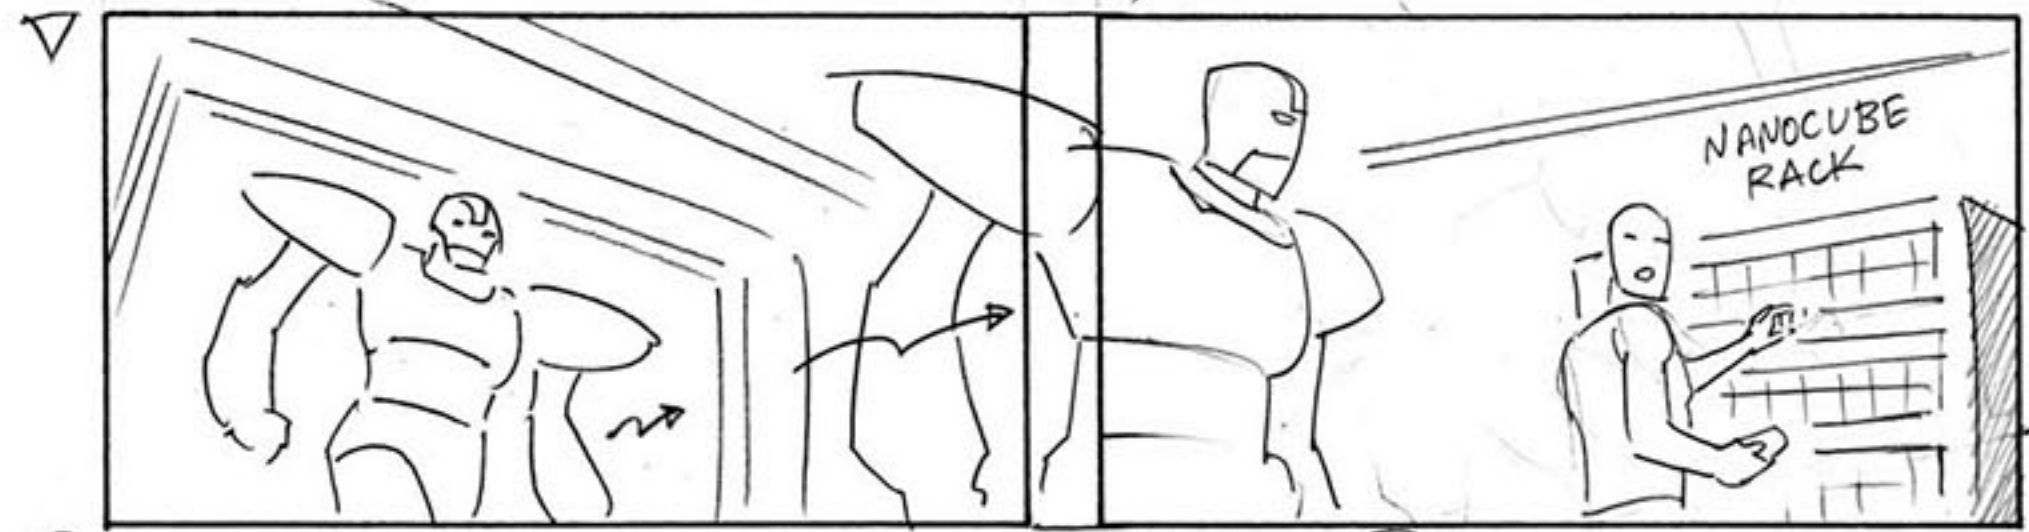

And there's only room for one at the top!

34E

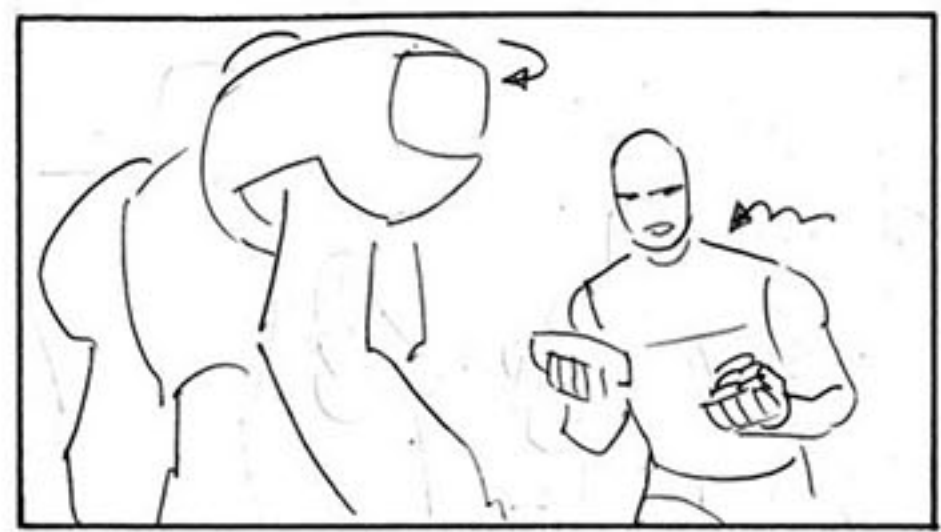

Pan with Cytro

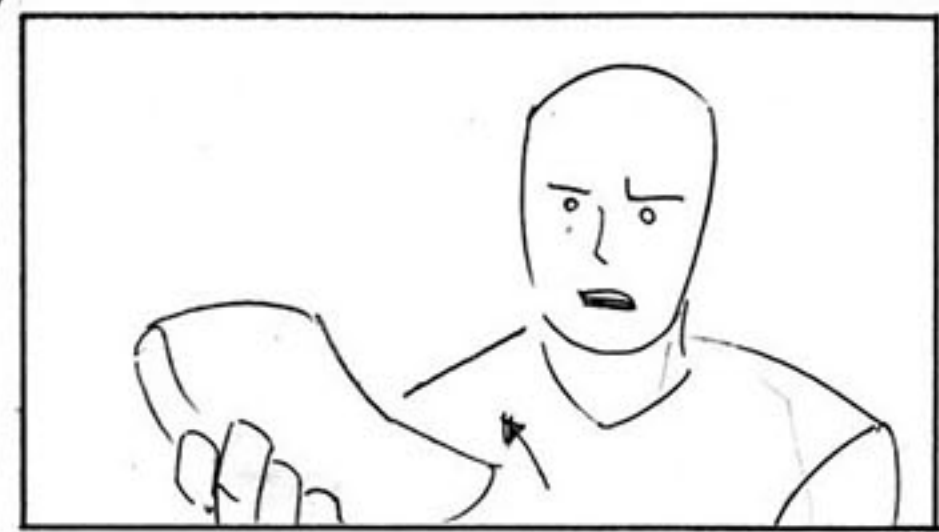

205 C: Power pack locked and loaded, Max!
I am ready to go!

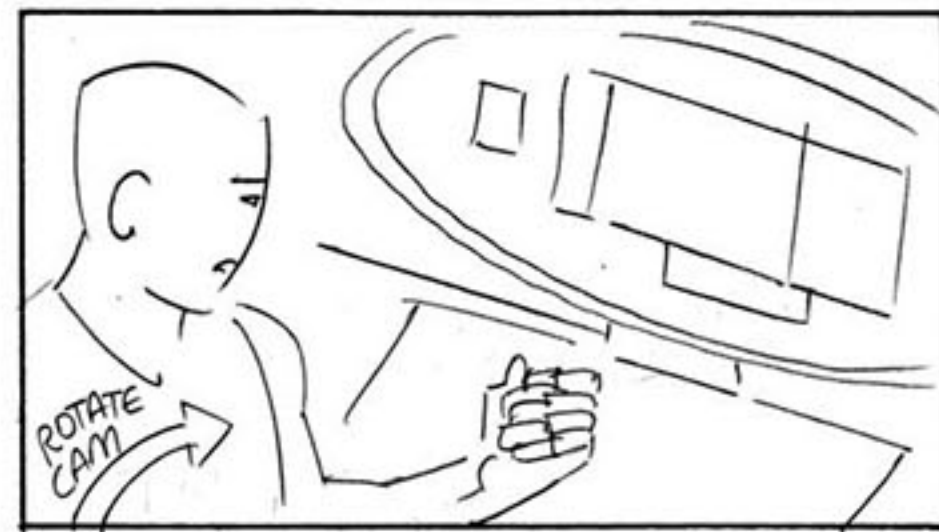

206 M: Hey, Cytro...

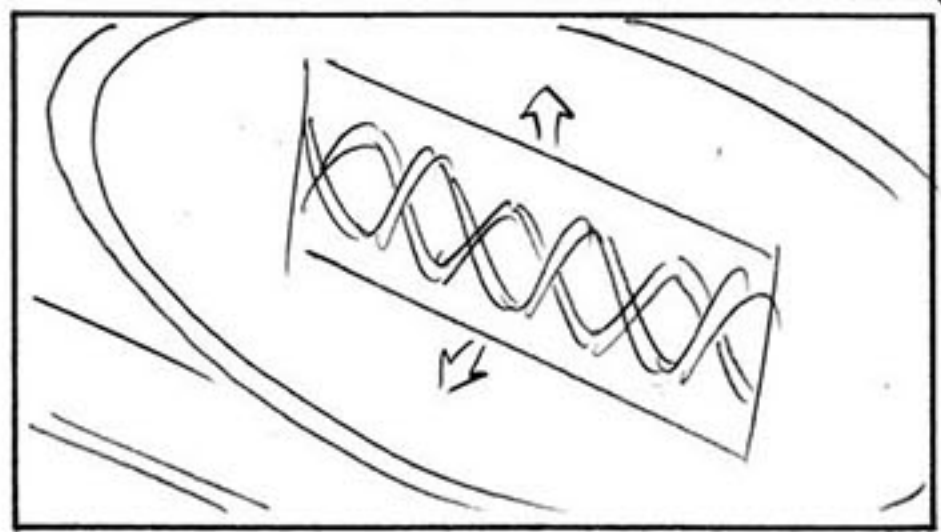

This metal from Makino...

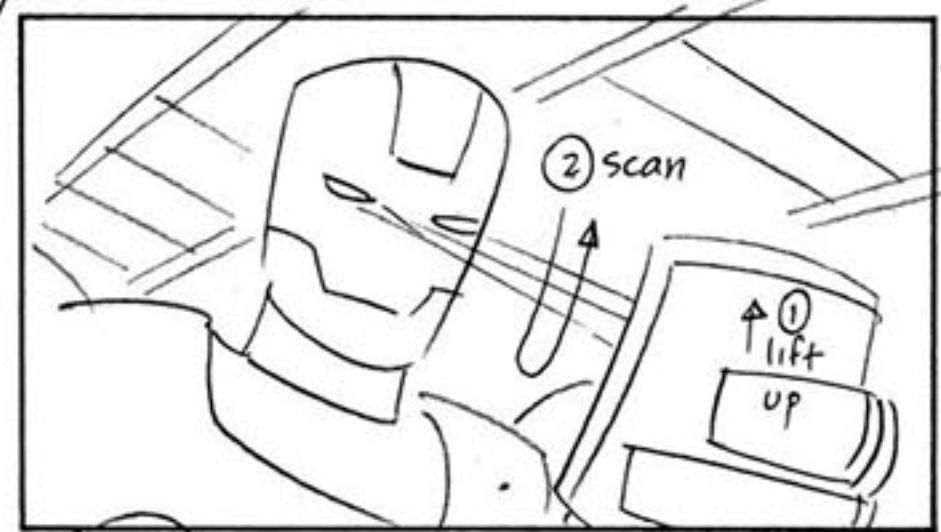

Scan it. I ran a scan on
that piece of Makino's body armor-

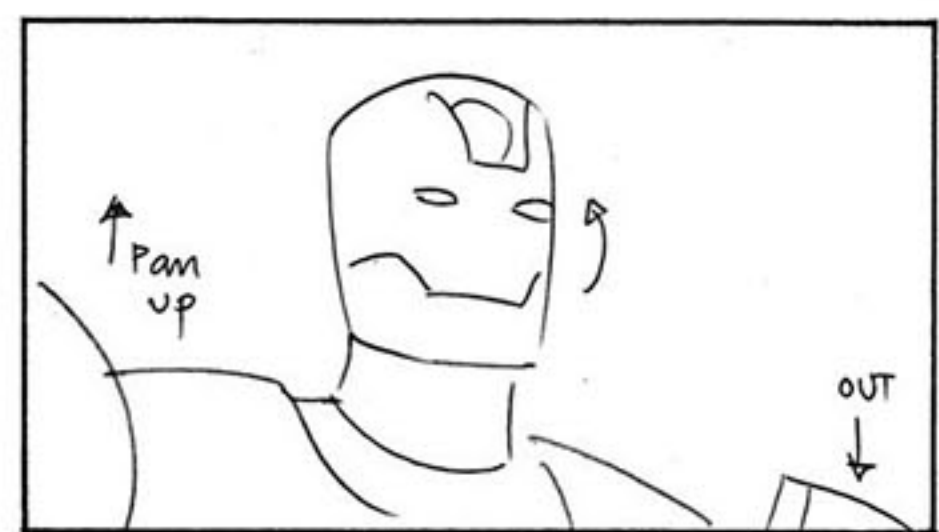

- that I picked up back at the
airfield and the

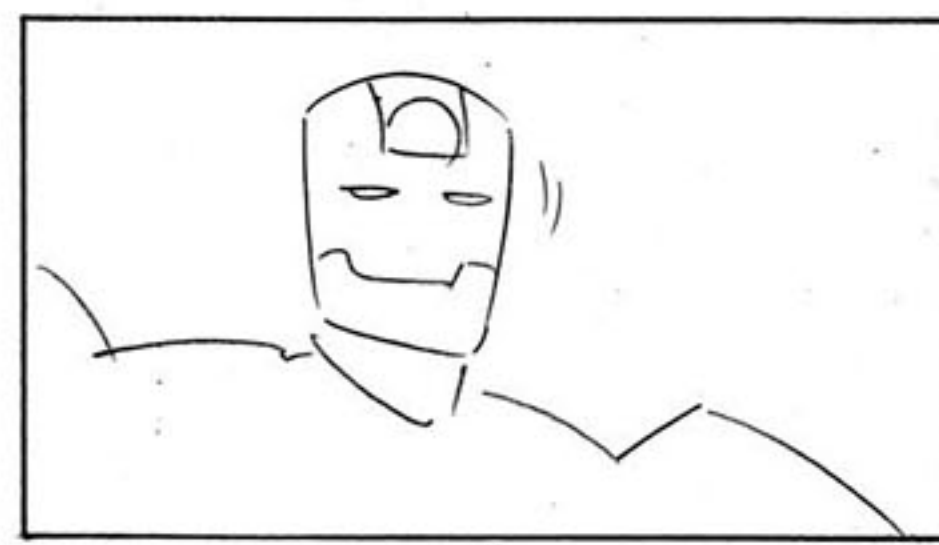

- computer picked up trace
amounts of human DNA!

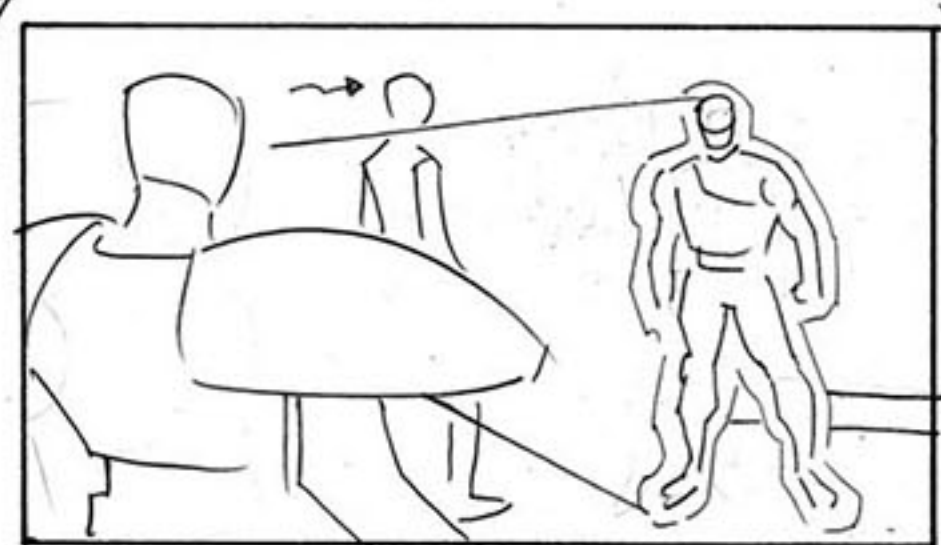

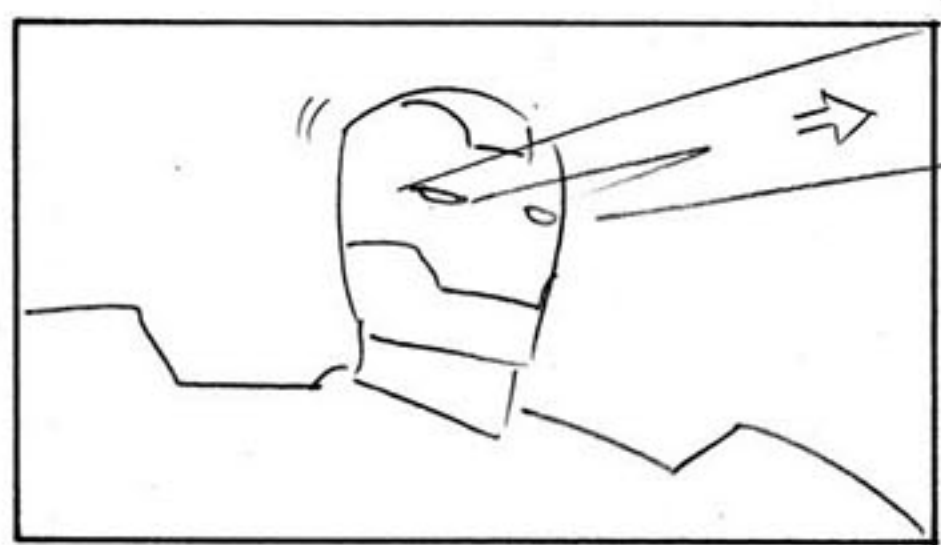

208 C: Scanning. Human DNA
from unknown subject detected.

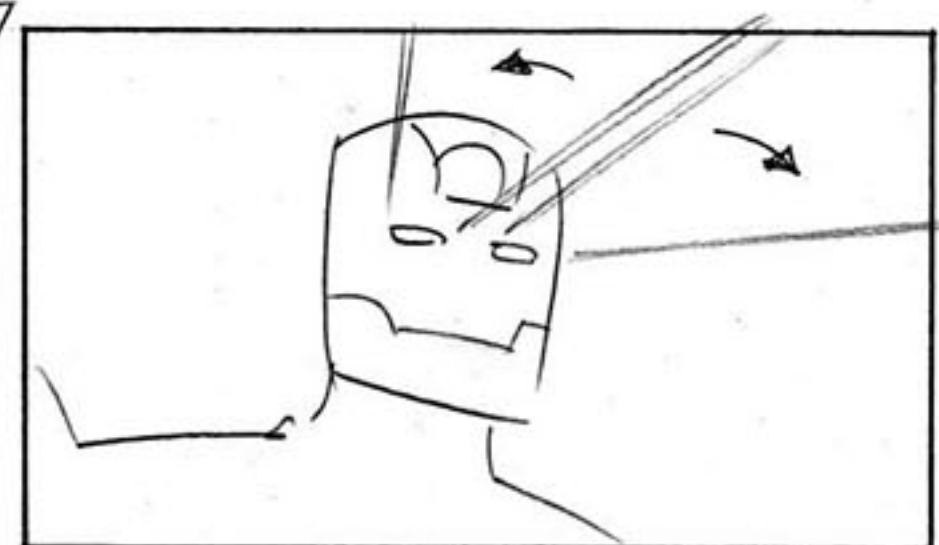

Checking DNA against
universal database.

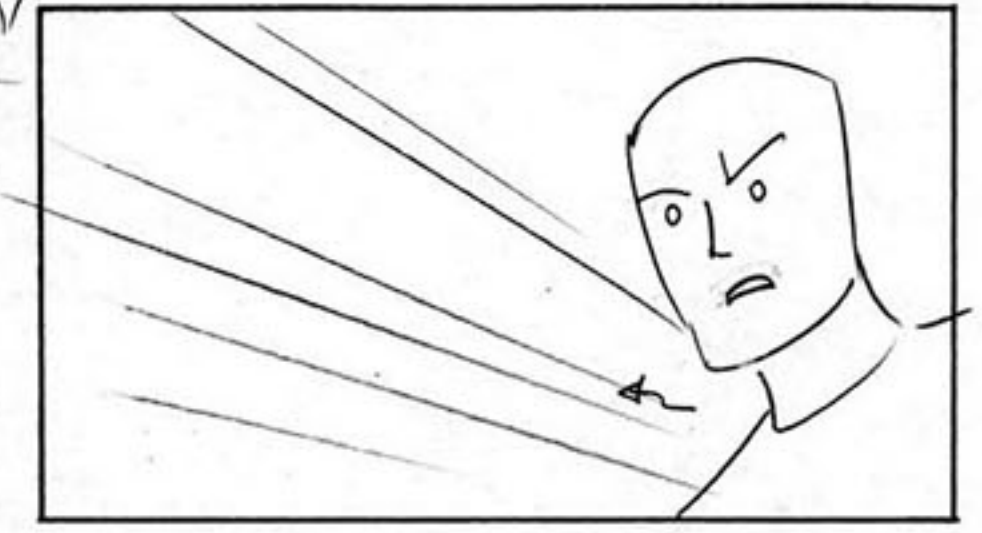

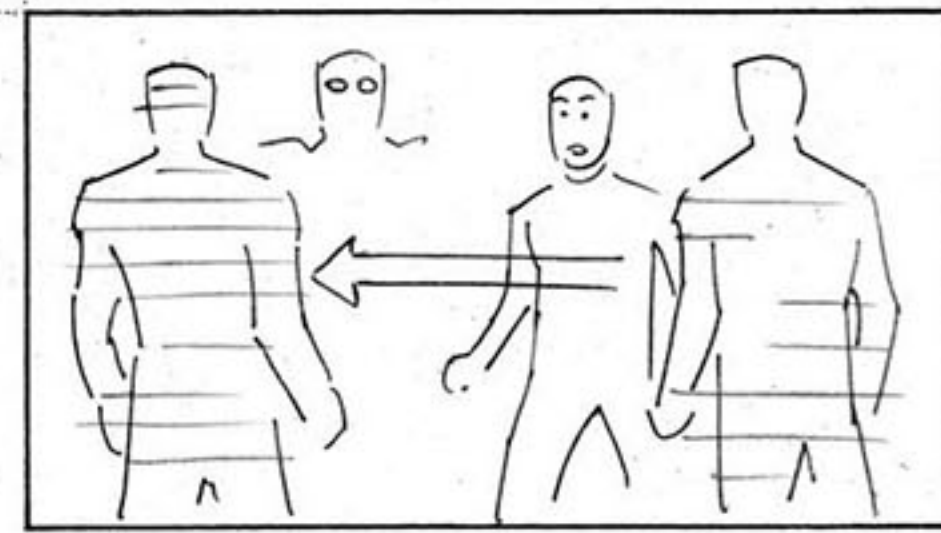

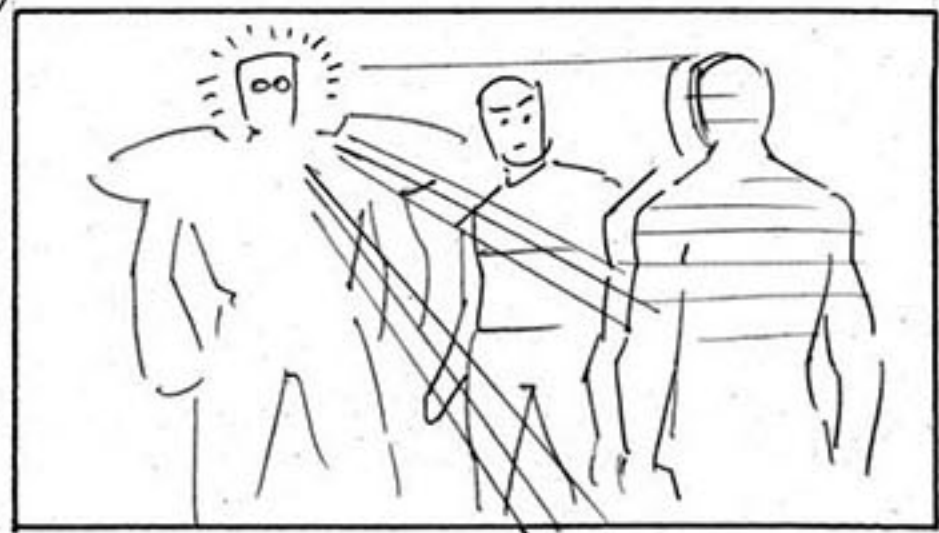

Match found.

Project MK's body

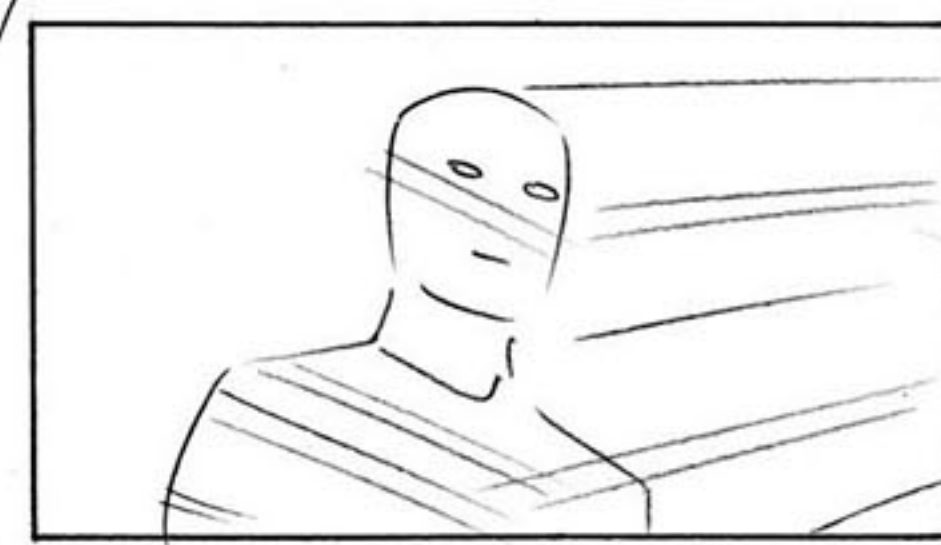

eye beams separate
(cont) Max, this person is
famous.

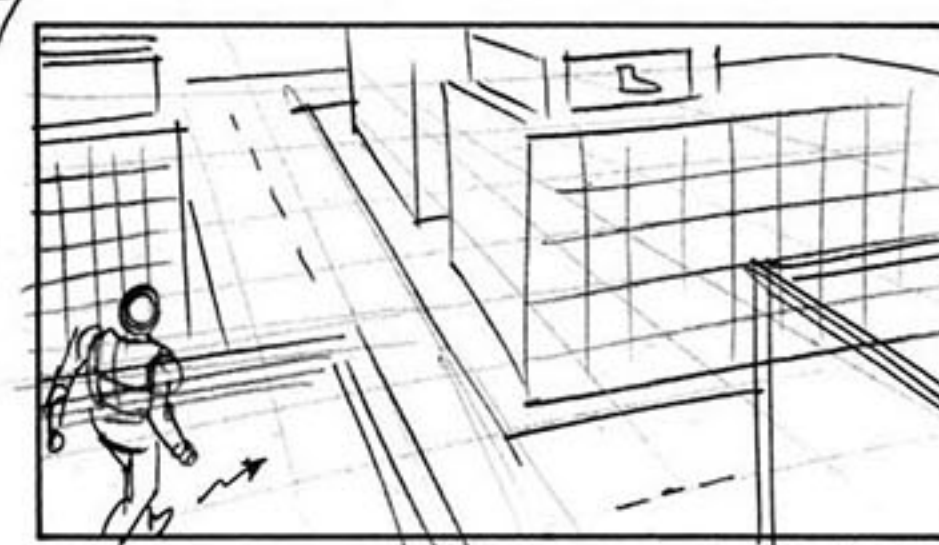

Mike Nickelson hologram
drifts in/stops

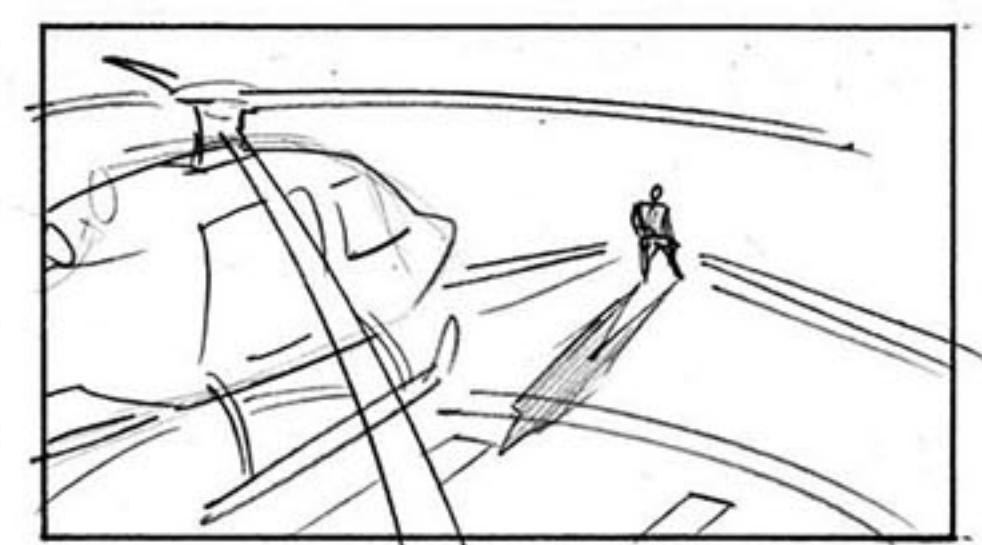

209 M: Mike Nickelson?

(On hologram)

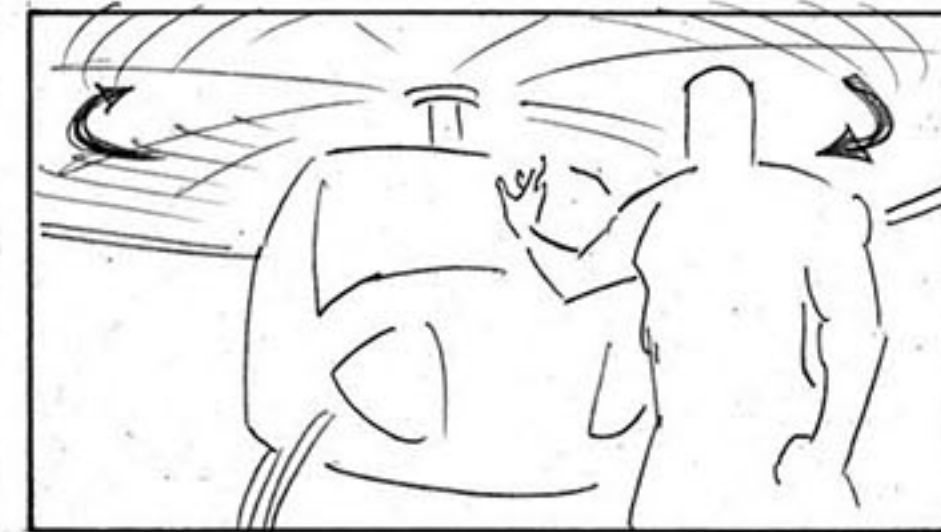

MK in-walks to corner of
bldg looking toward shoe factory

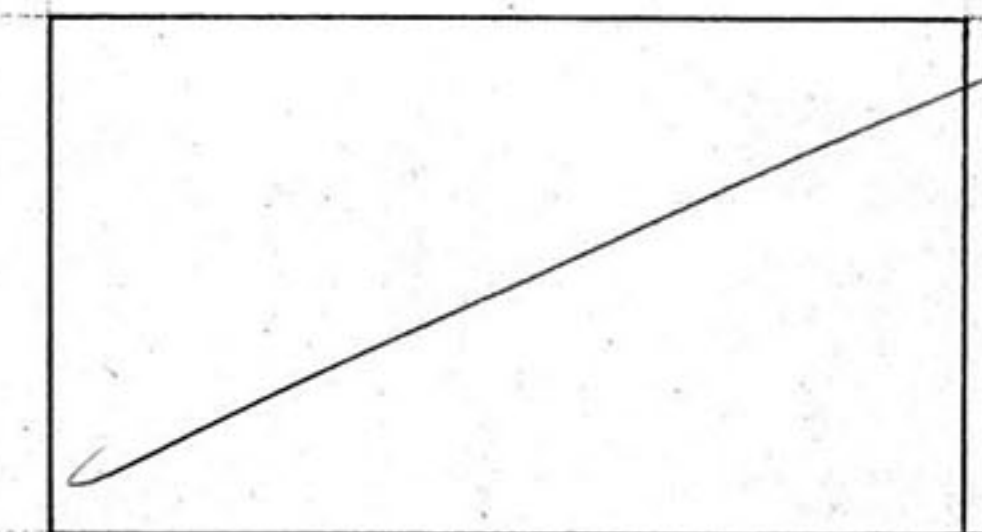

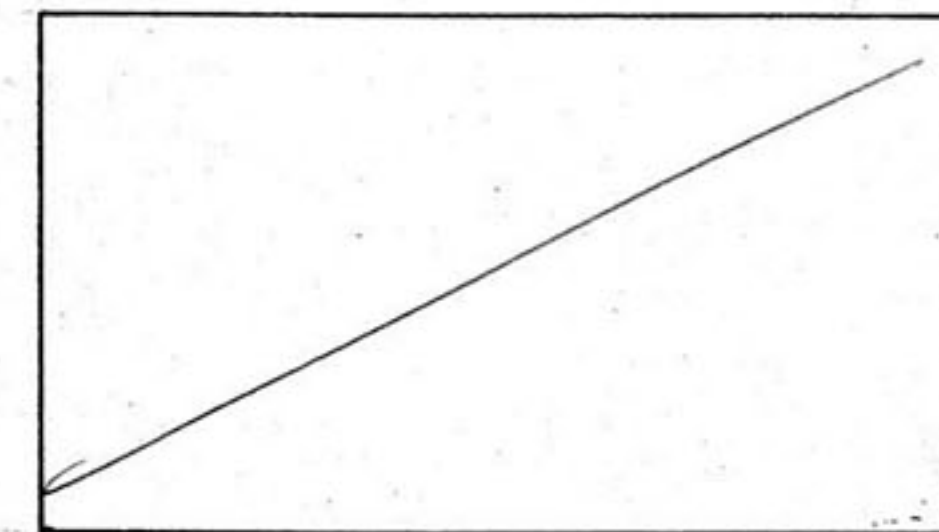

Pull back to include chopper

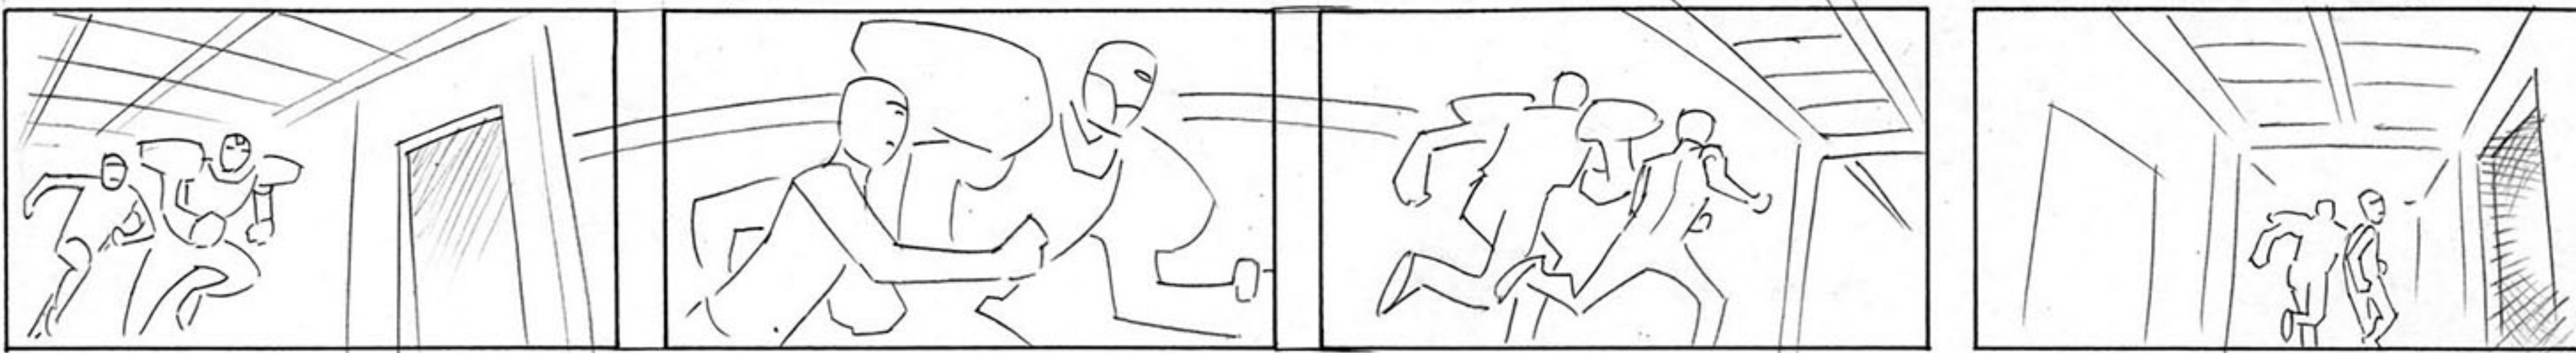

210 MK: Lights.

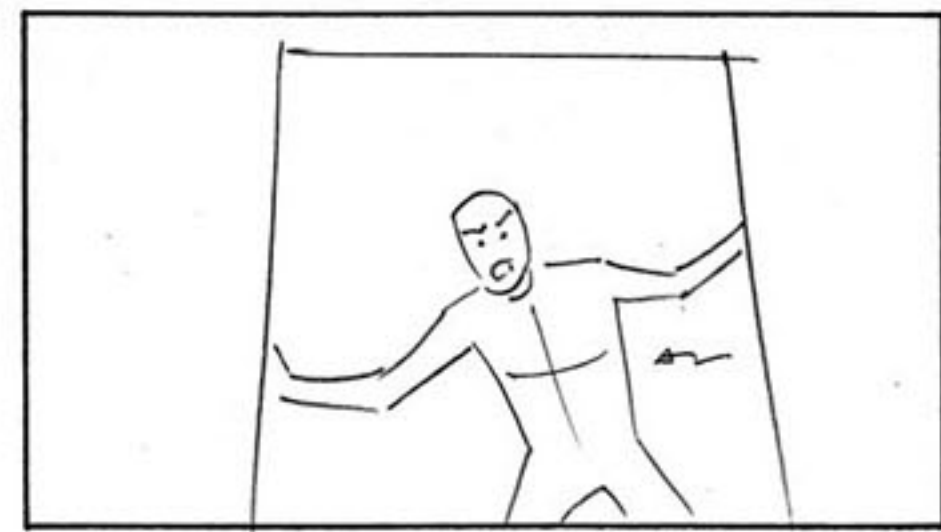

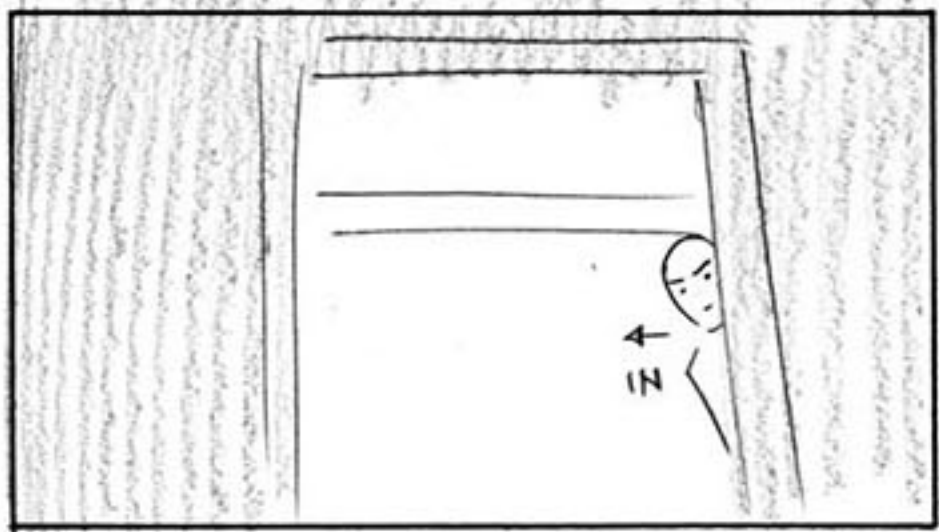

Camera. Action.

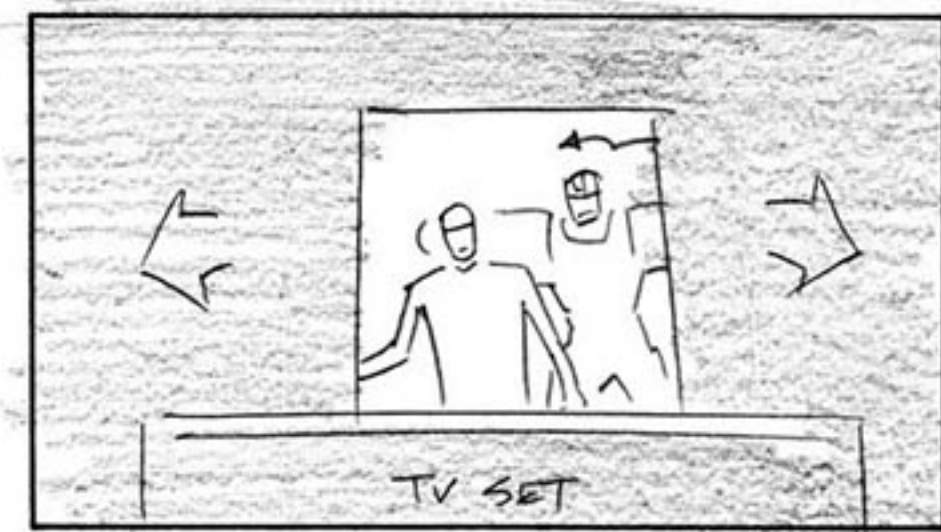

→ follow

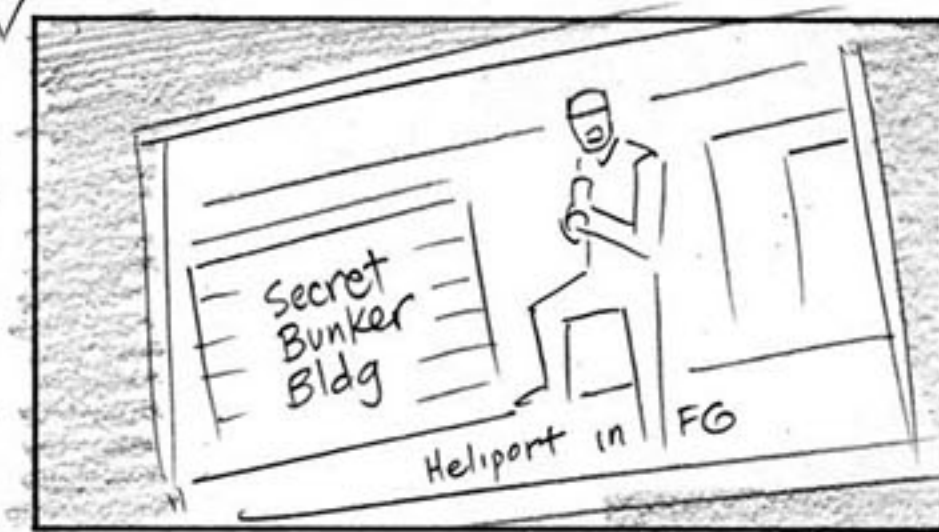

Max slows as light comes on in break room

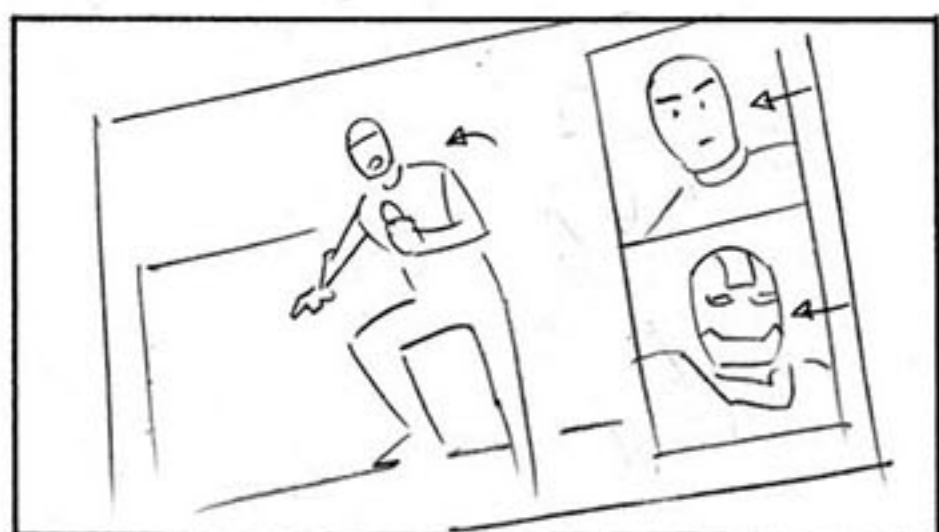

(211) M: Cytro! Hold up!

(212) VO: Mike Nickelson here with breaking news!

Eyewitness reports indicate that the two fugitives

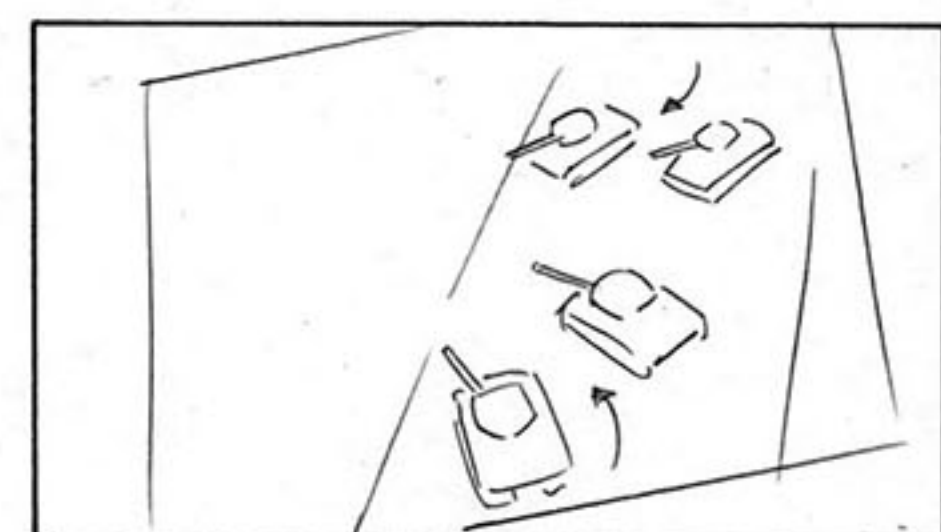

(213) -were seen entering this building only moments ago!

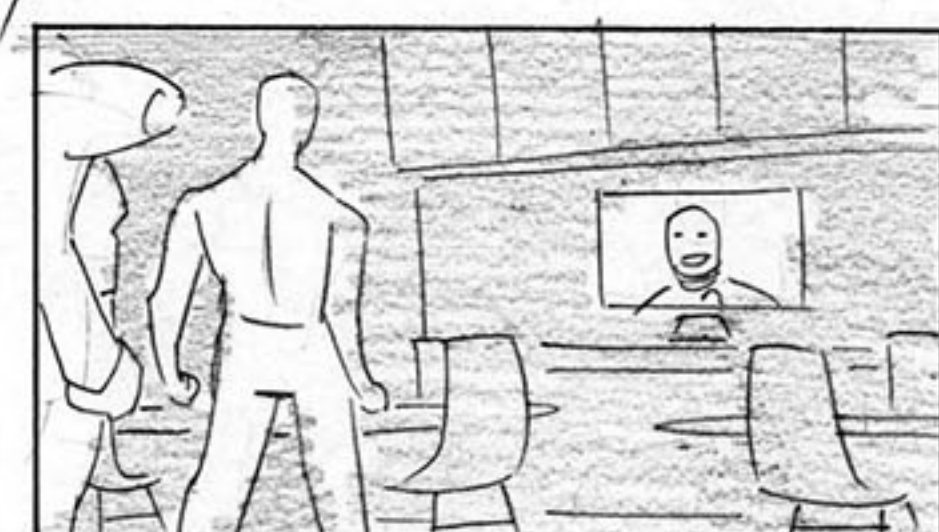

Scene change - tanks roll in

A building that is being surrounded by the authorities

-even as I speak!

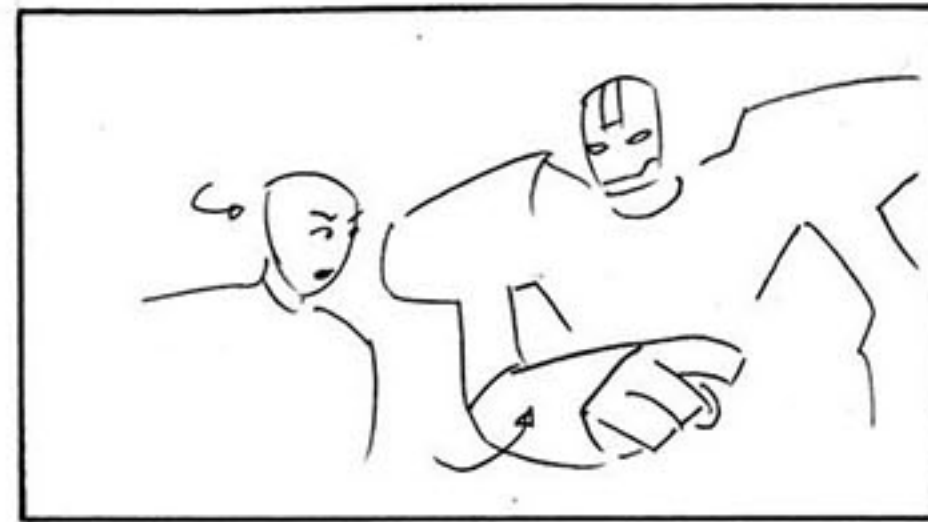

Mike Nickelsen reporting live on the scene, risking my life to bring you the latest!

You're welcome.

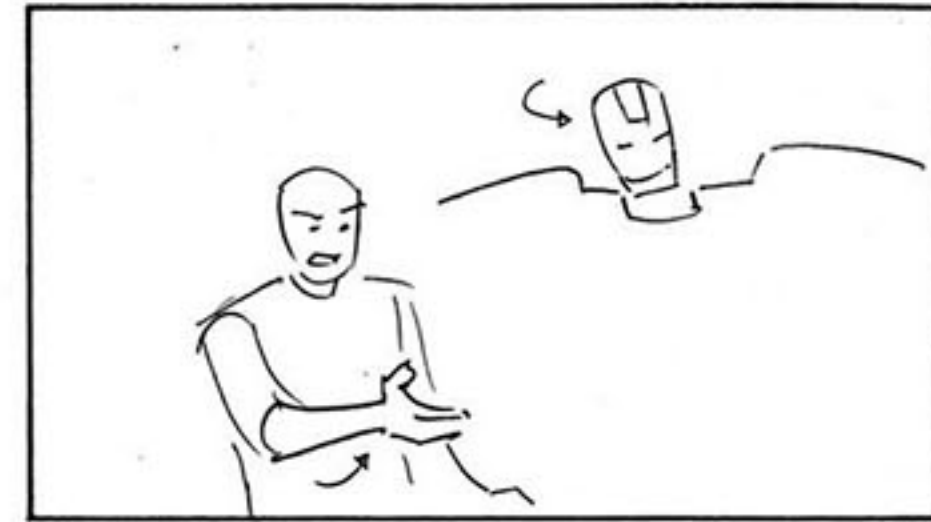

213A C: He does not look like that.

He is faking the images.

214 M: Yeah, but -

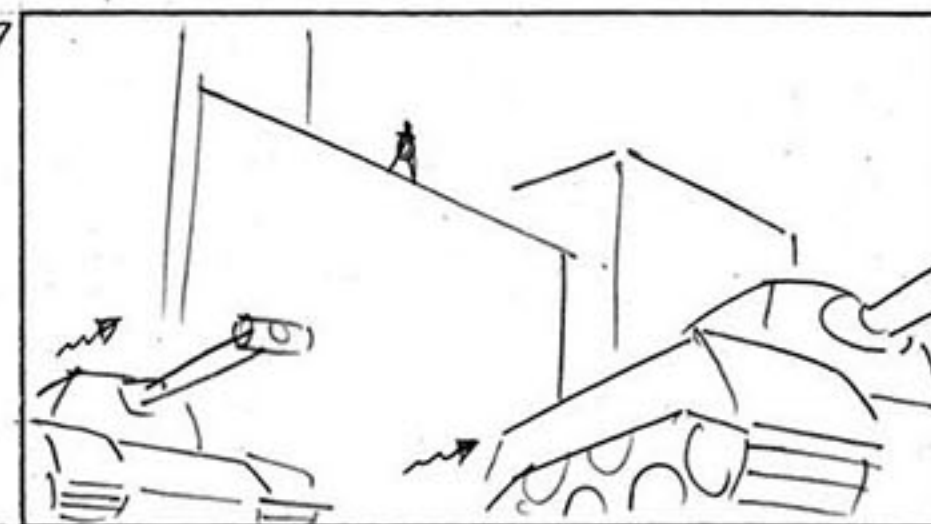

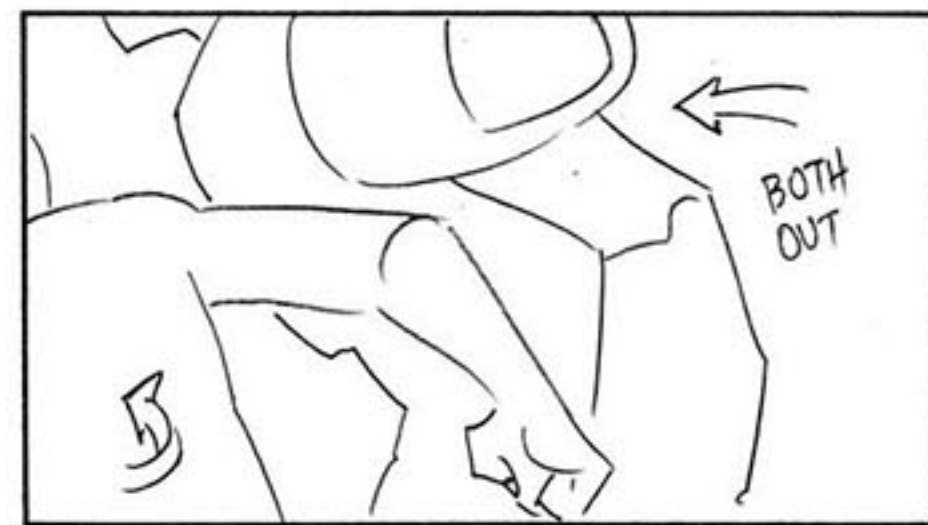

-he's not faking that-

-he's on top of that building across the street!

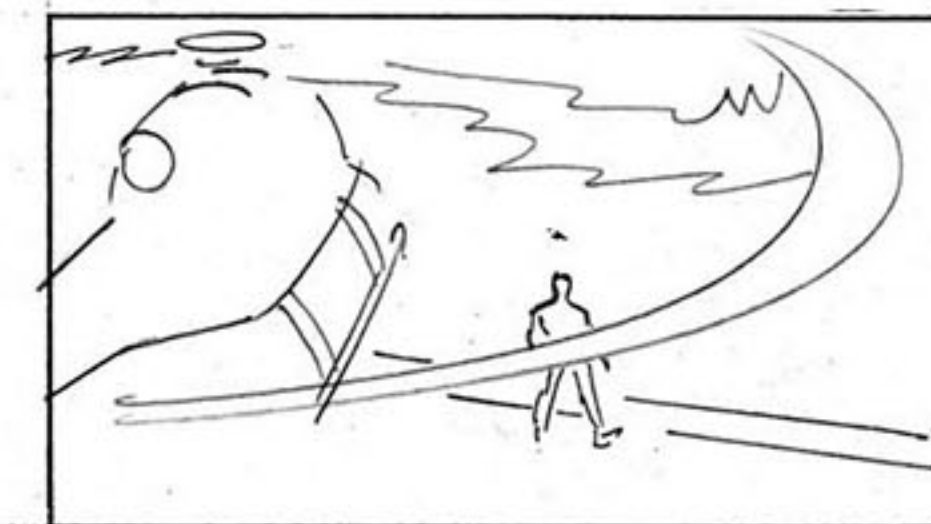

We're on our way, too, Makino! To get YOU!

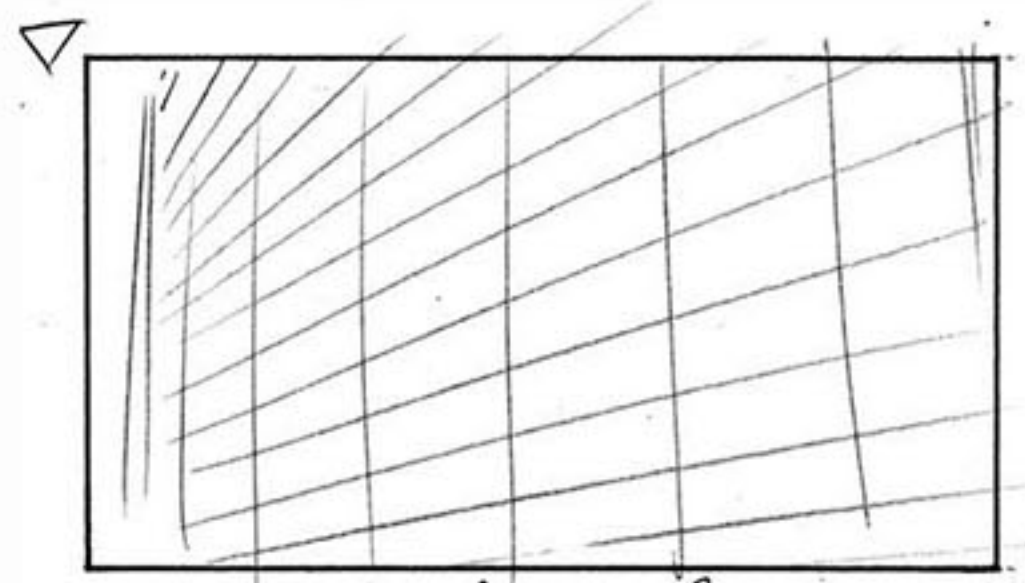

MK on bldg across street

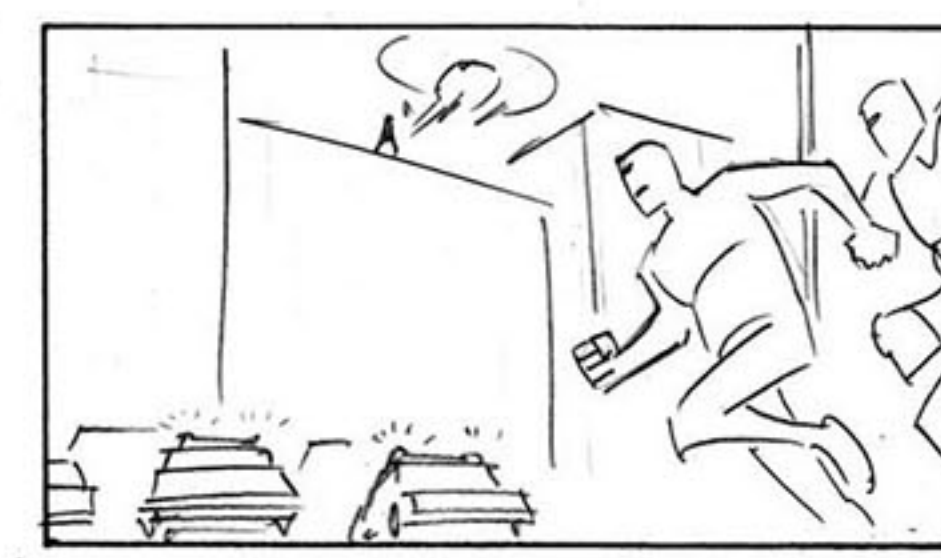

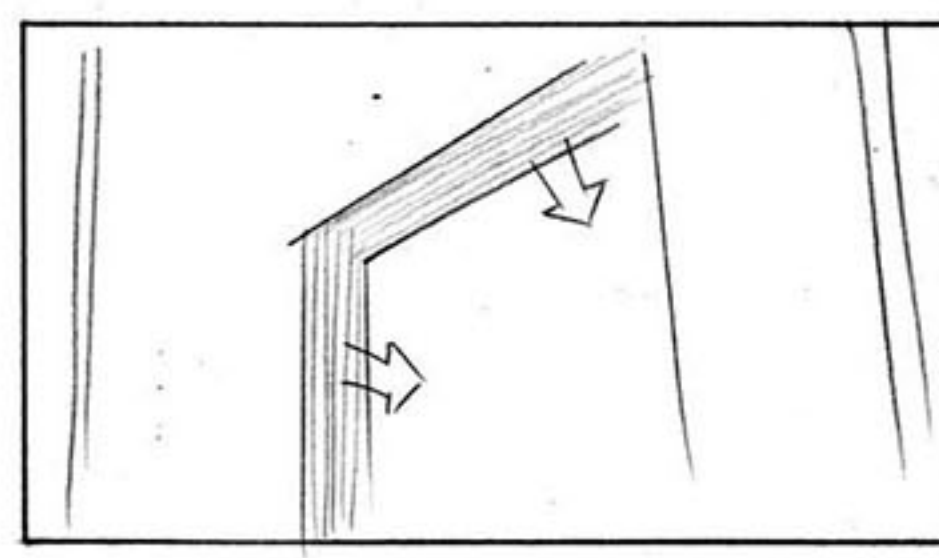

MK looks down @ parking lot

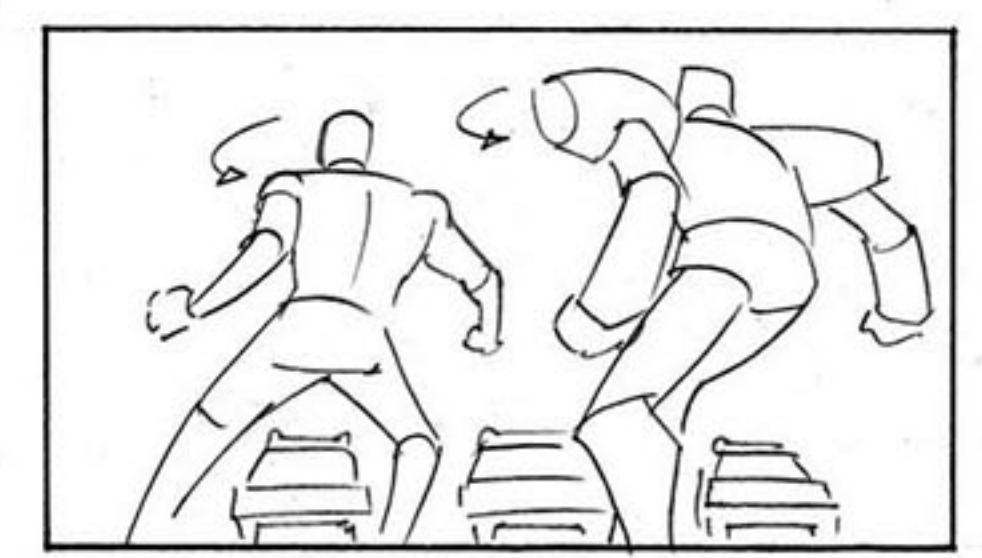

Truck out to include chopper

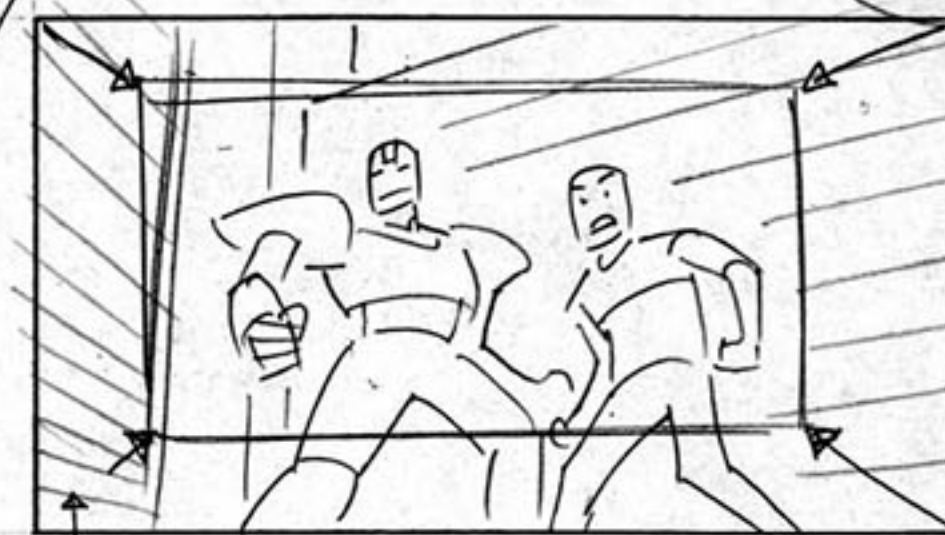

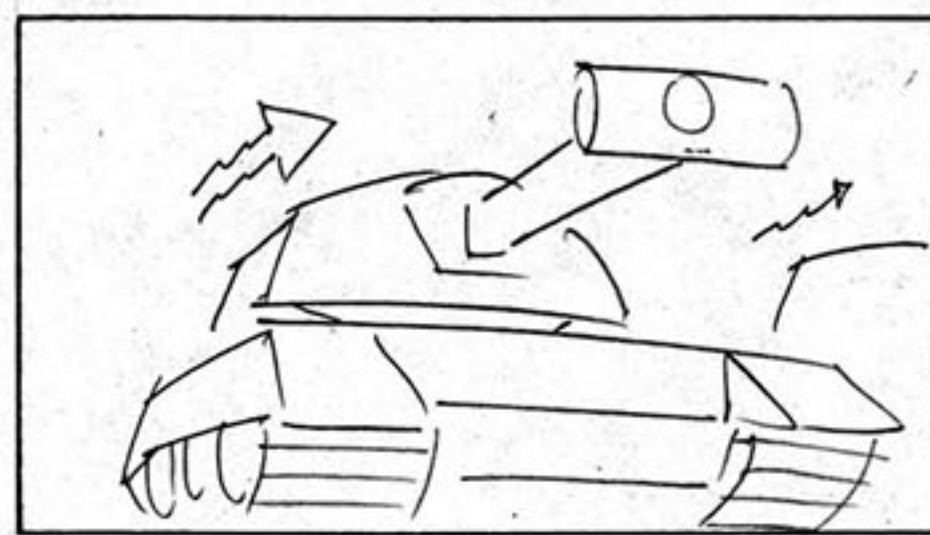

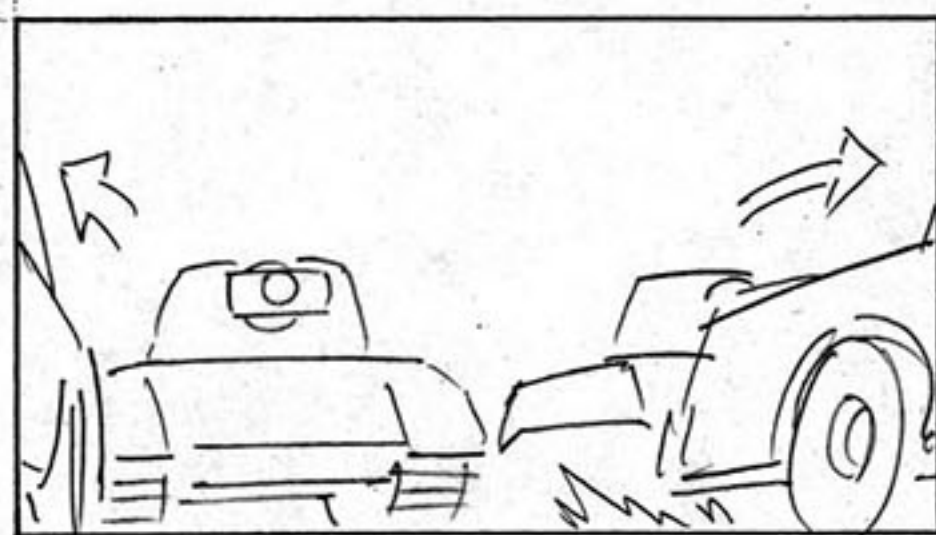

Side of shoe factory

← Pan

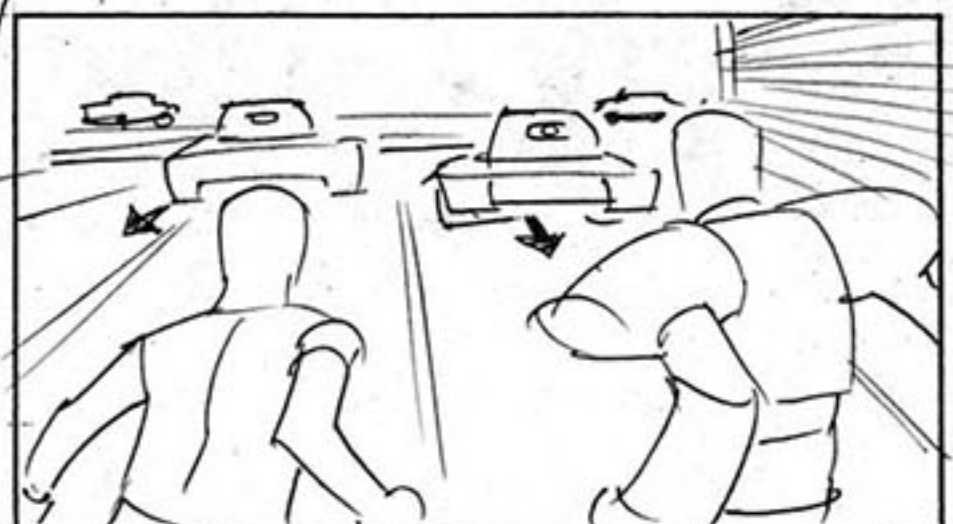

37A

shoe factory corner

M: Cytro, those poor guys have been tricked into doing this.

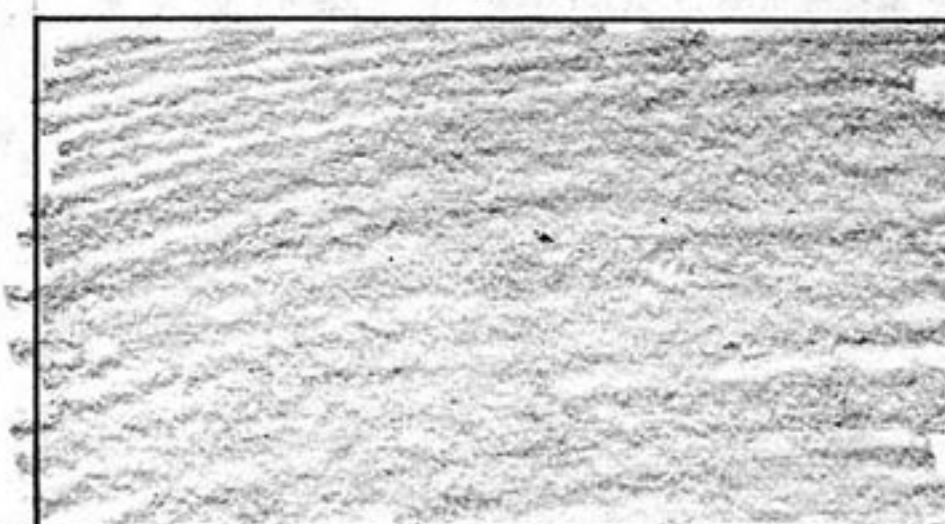

Play defense. No people get hurt.

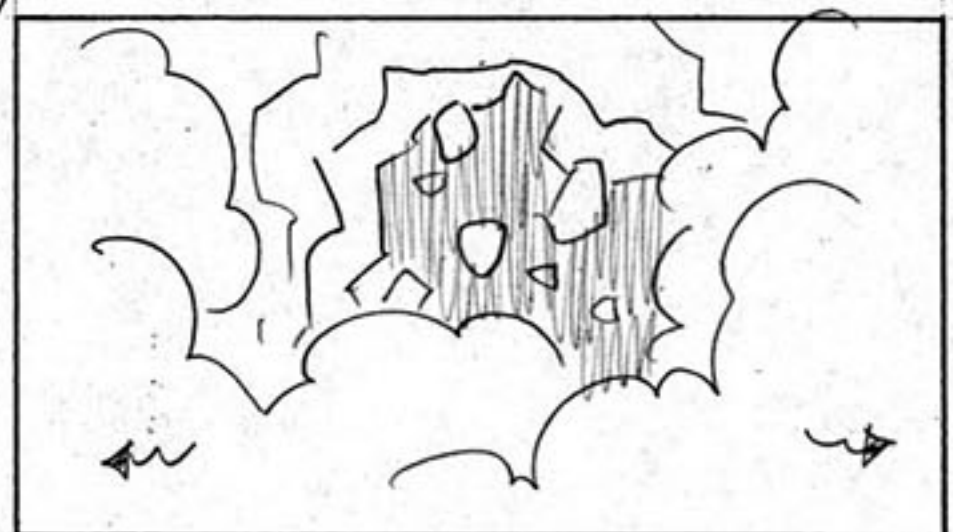

Both tanks fire

Cytro hit - thrown into cam

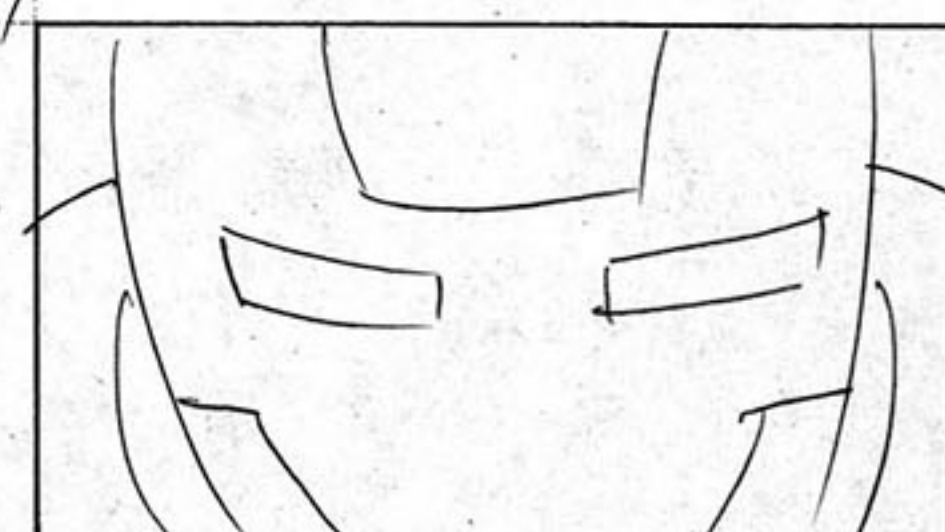

-slams into cam

C: But, Max Steel...

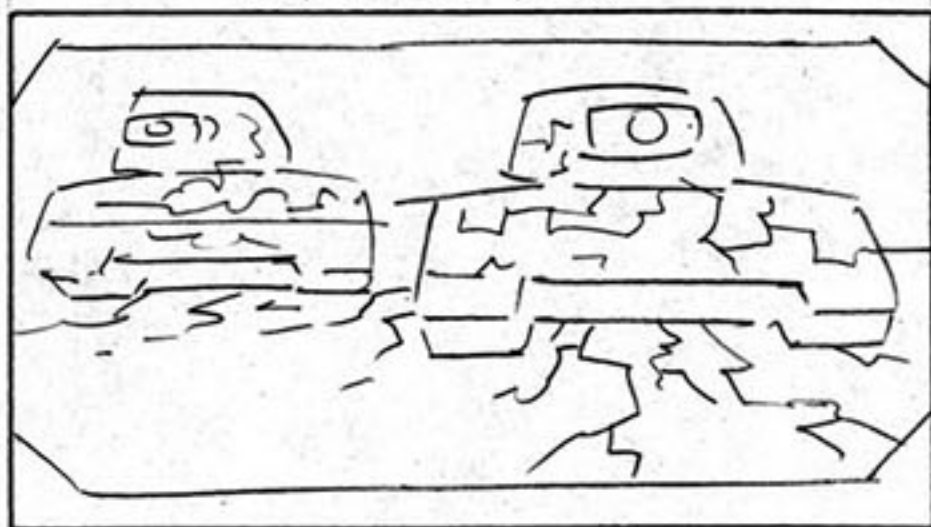

There are no people.

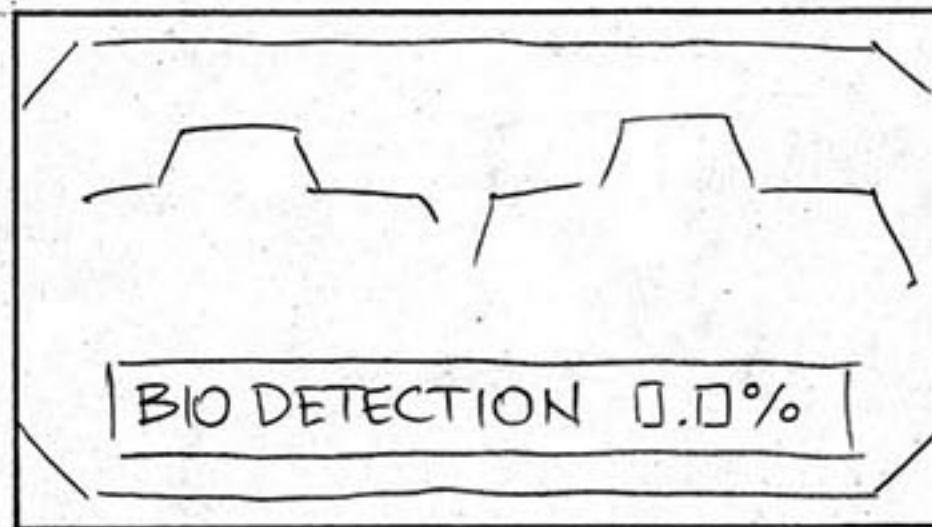

Scanning.

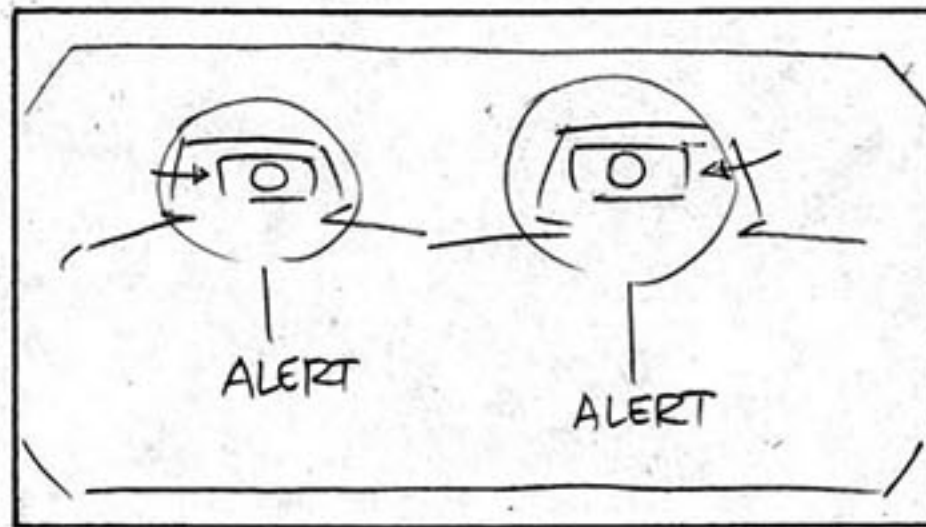

CYTRO POV

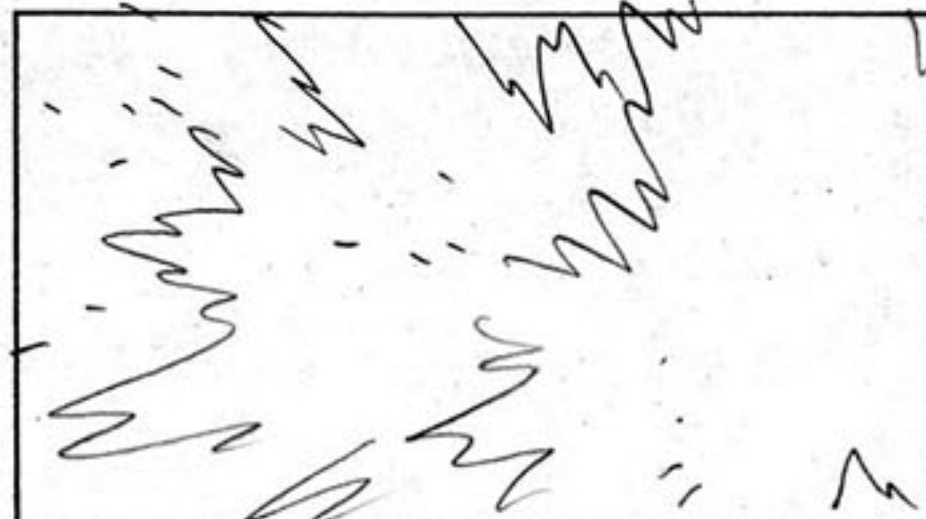

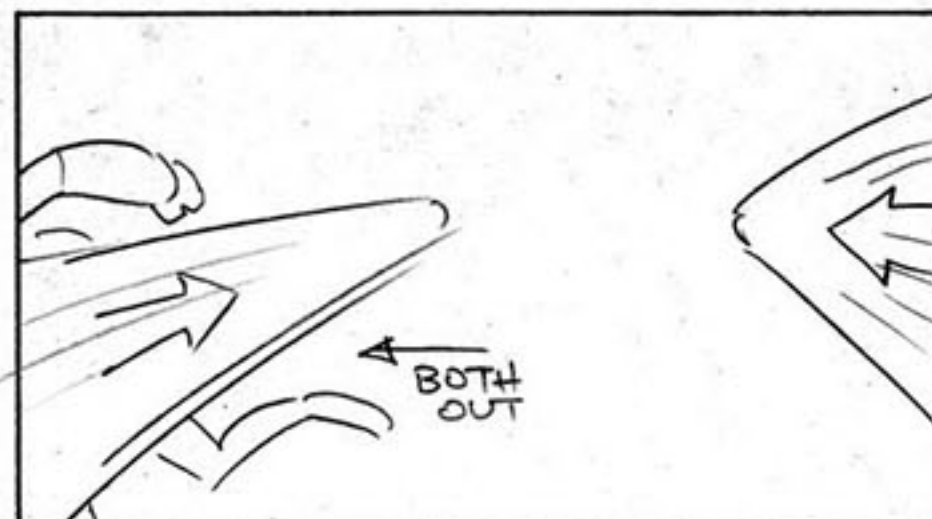

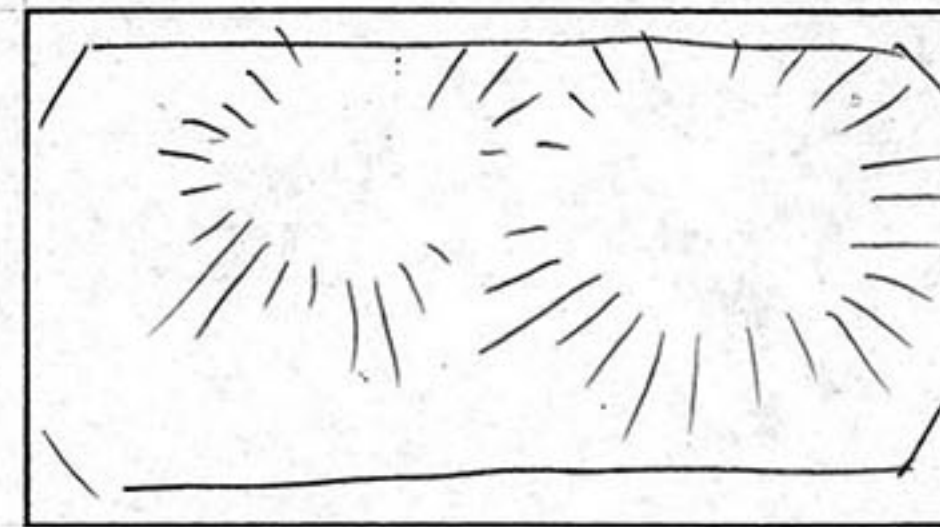

Electric FX swarm over wireframe tanks

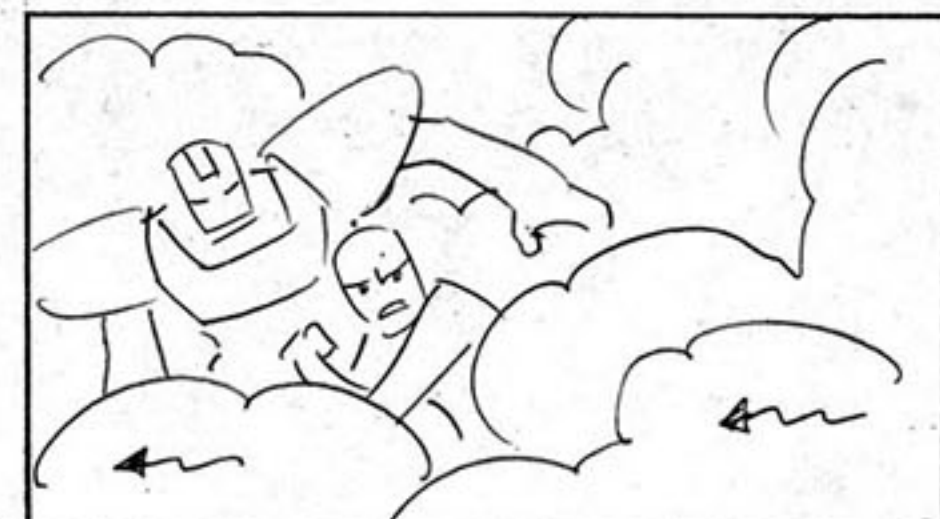

VO: Negative. No life forms.

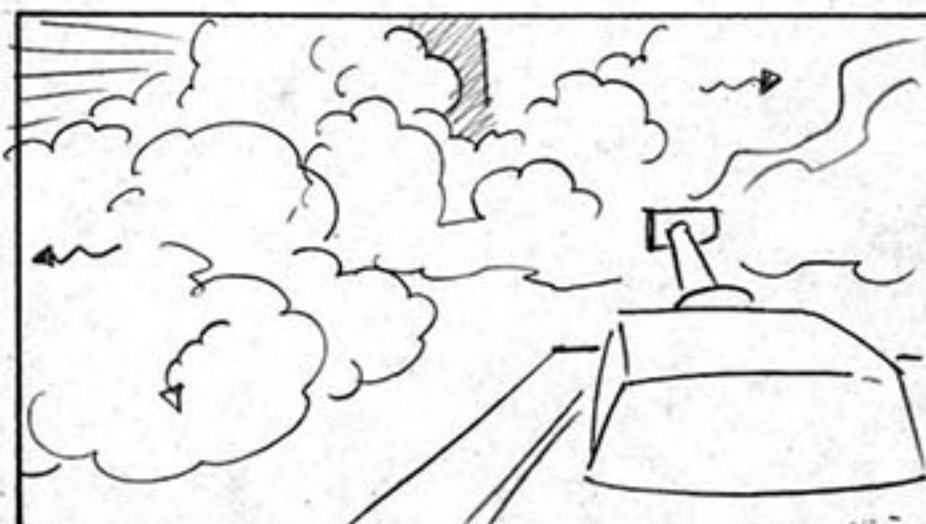

Both tanks aim cannons

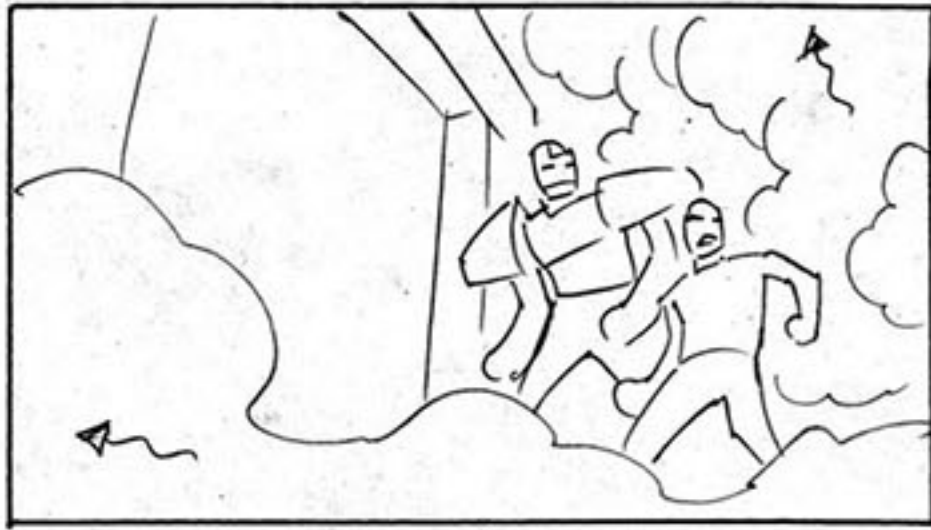

— SHAKE —

(215) M: Makino. Nice trick.

C&M make their way back to vault door

I'm going after Nickelson.
I mean Makino.

I need you to distract him!
think you can handle—

—all this firepower?

C: Max Steel, permission to
play offense?

M: Yeah. Permission granted.

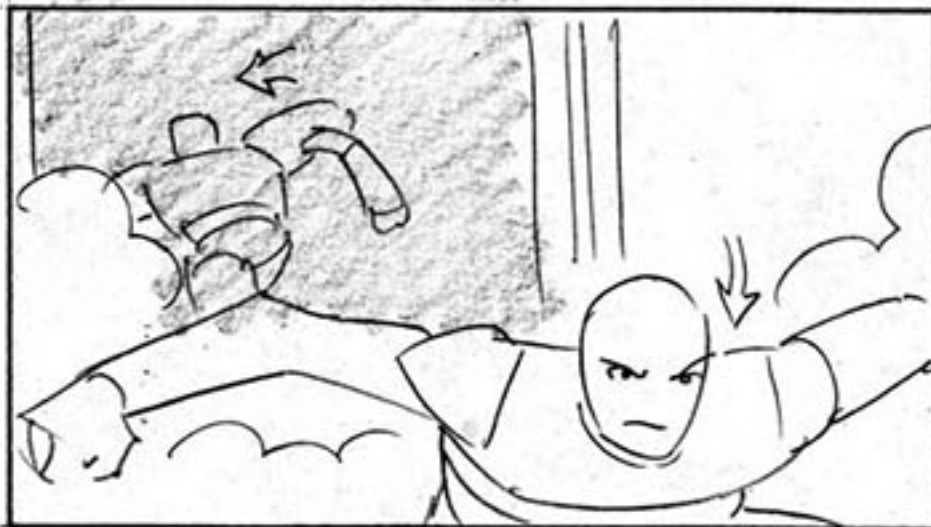

Go kick some butt!

C: Then I can handle it.
But first I have to change.

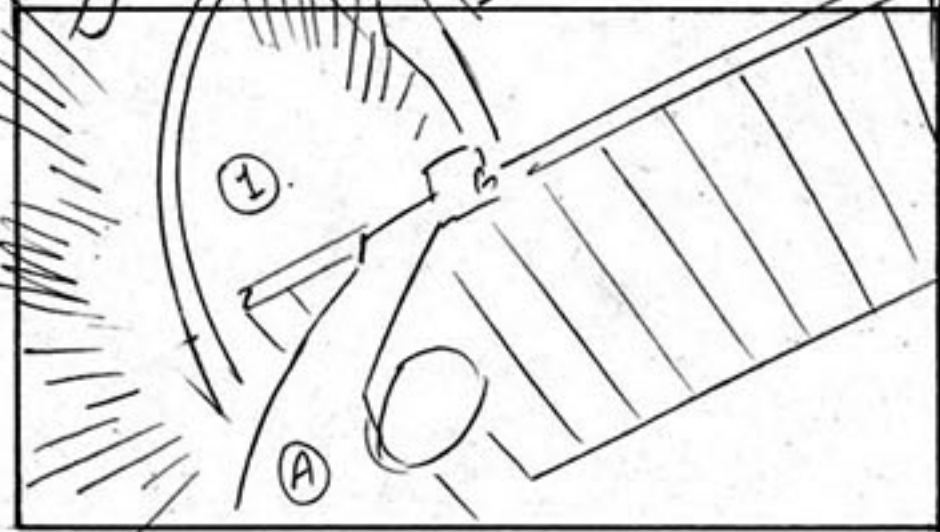

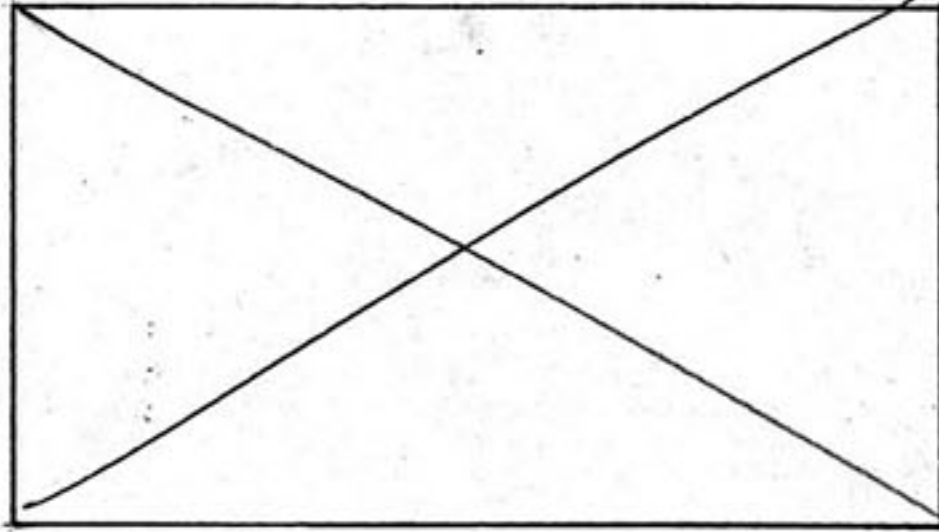

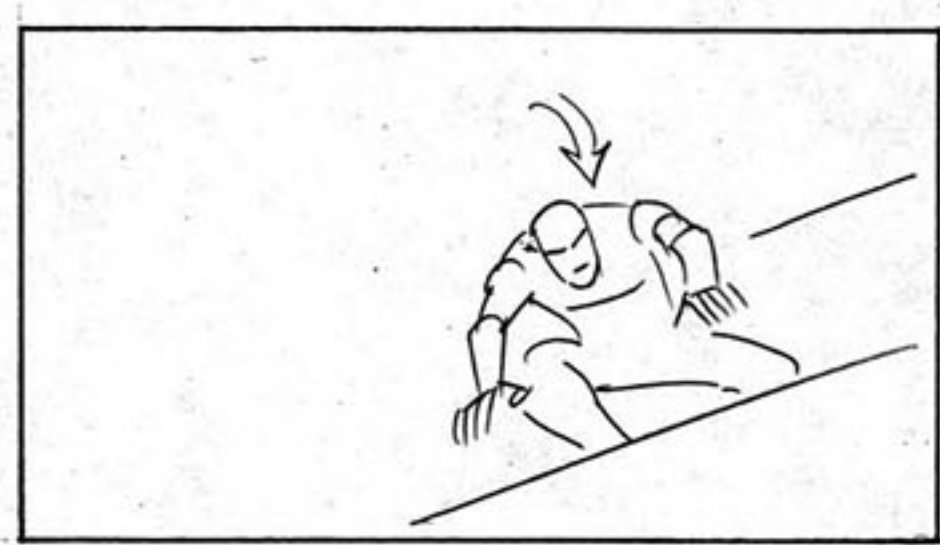

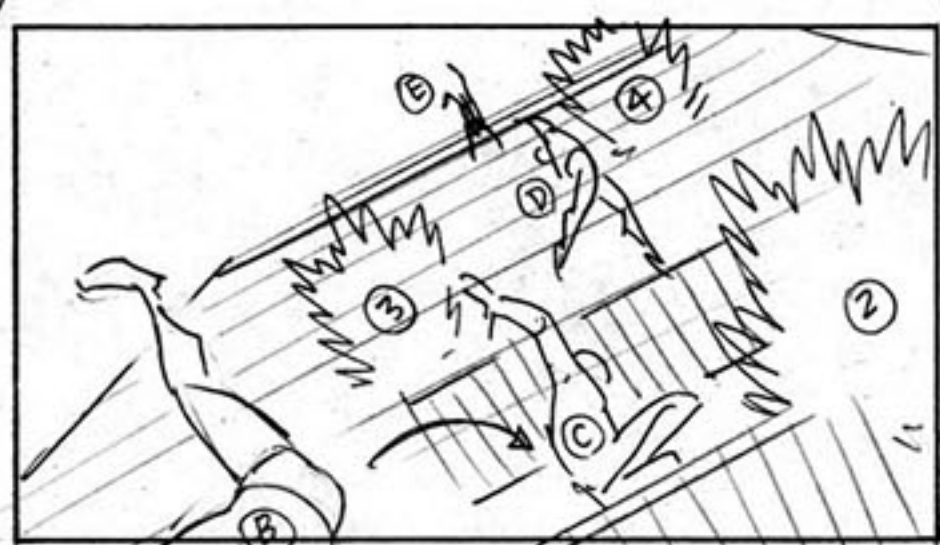

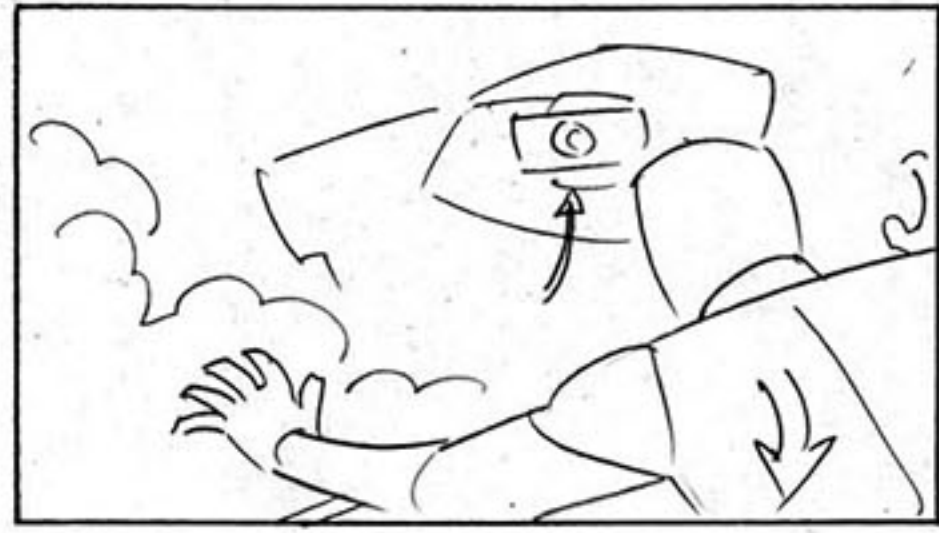

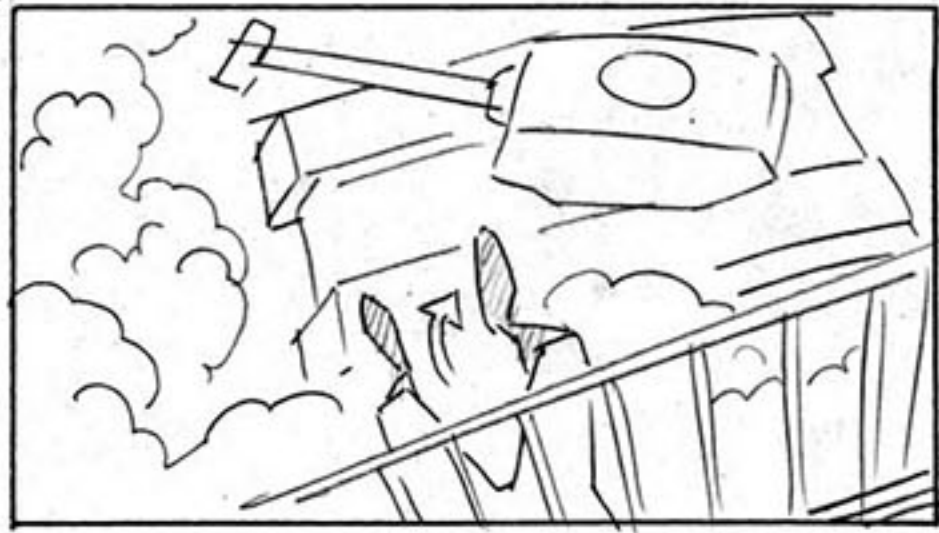

TRUCK OUT
I will be in the armory!

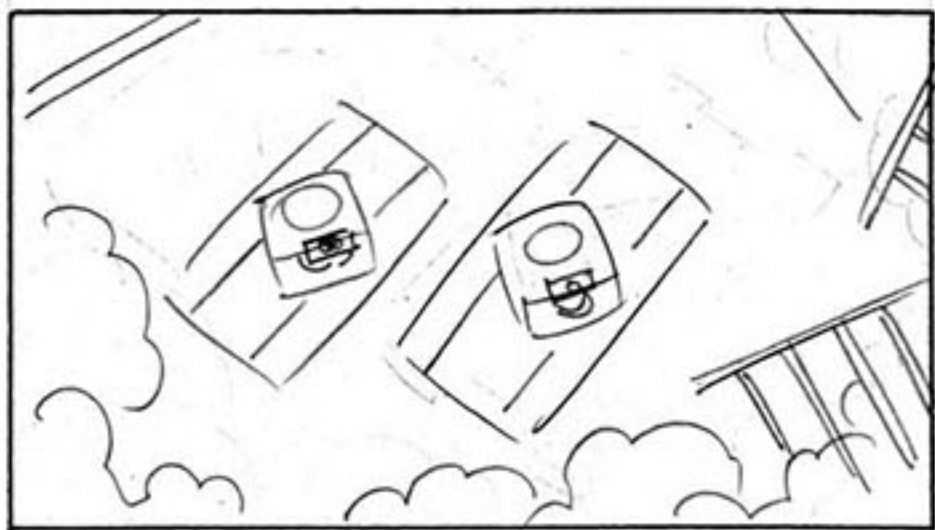

M leaps up

grabs fire escape

Pan up to follow Max flipping
up side of bldg - tank shells hit as
he rises

View down - tanks aiming

- SHAKE -

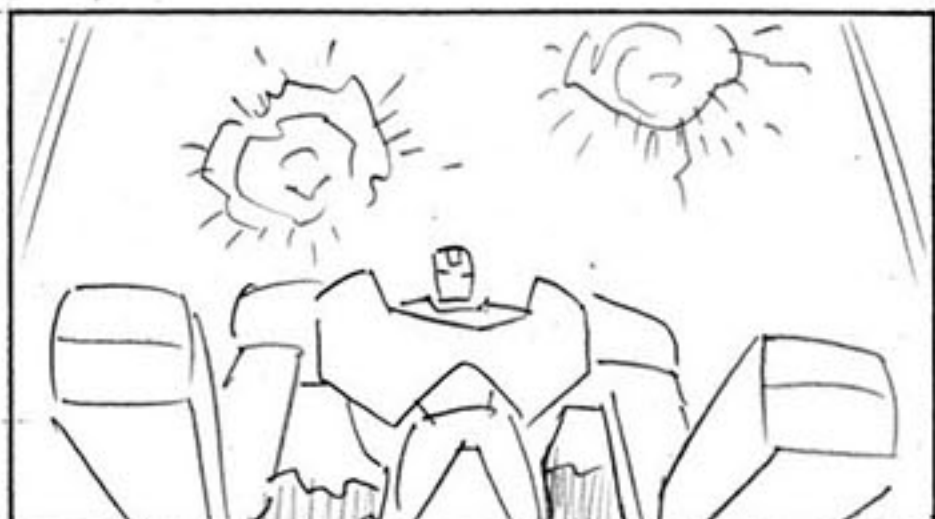

cut to ground level -
side of shoe factory erupts

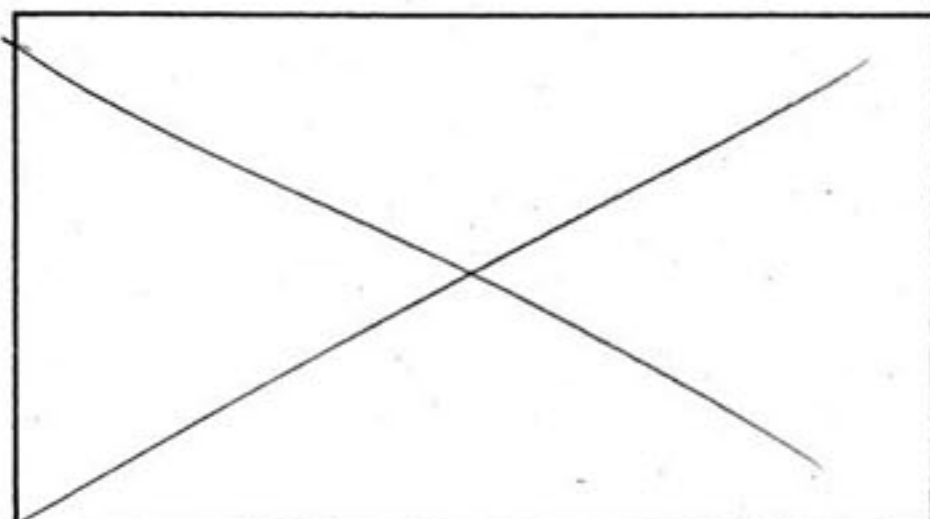

Smoke & rubble flies out over tanks

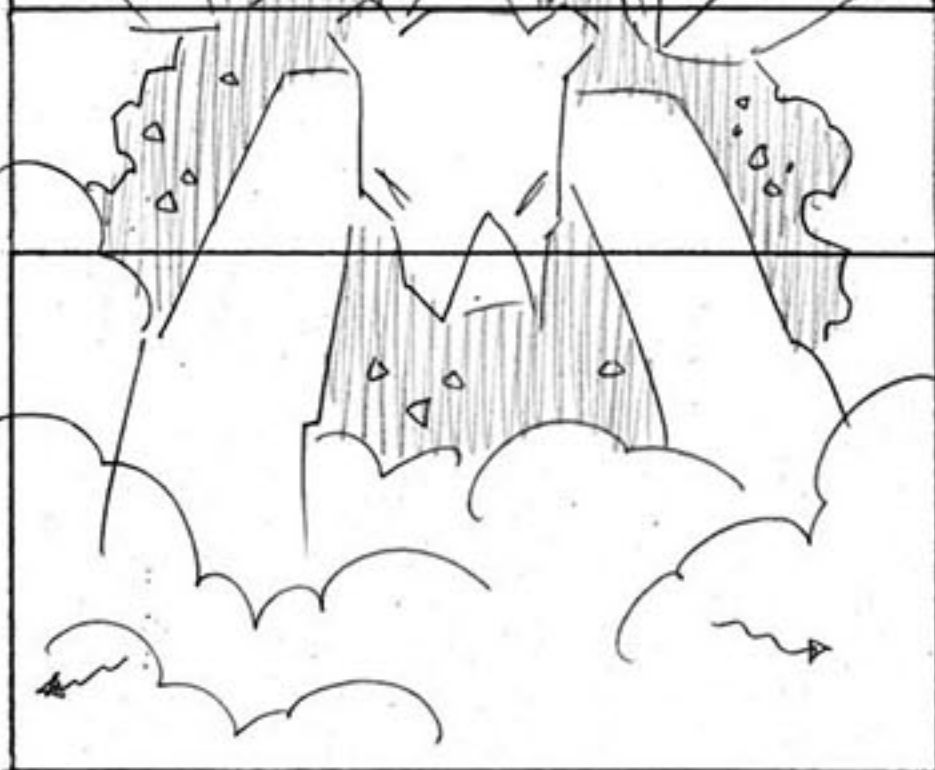

↓ INSERT MAX SMILING

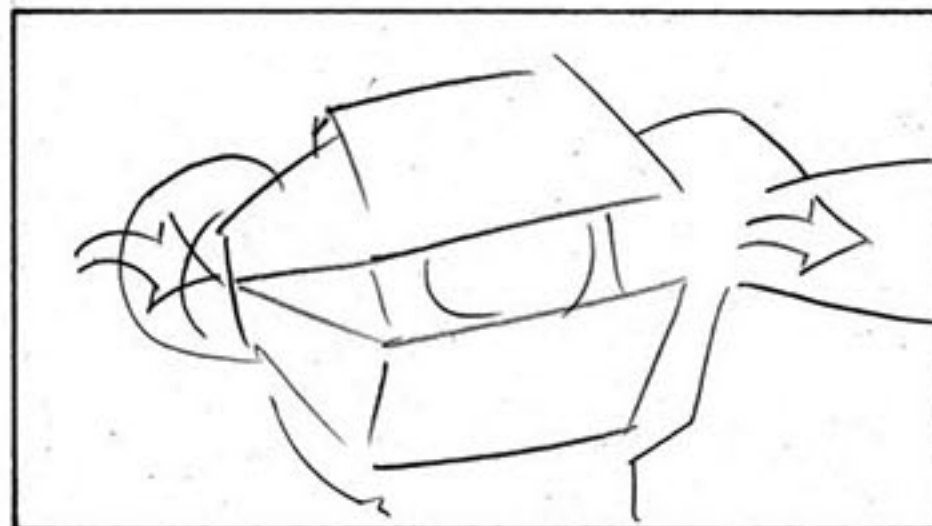

- into butt-kicking mode.

Then to Cytro

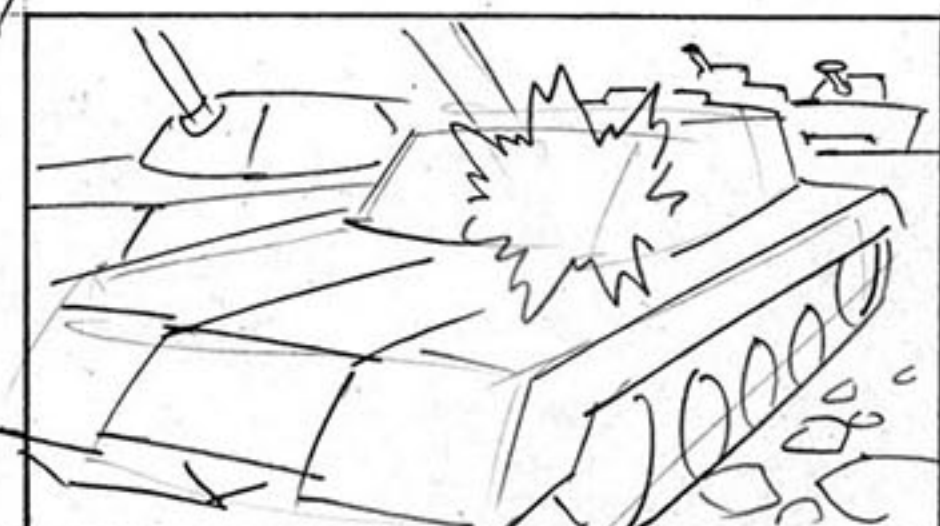

Cytro in Mega armor!
(217) C: I have changed.

Guns aim FWD

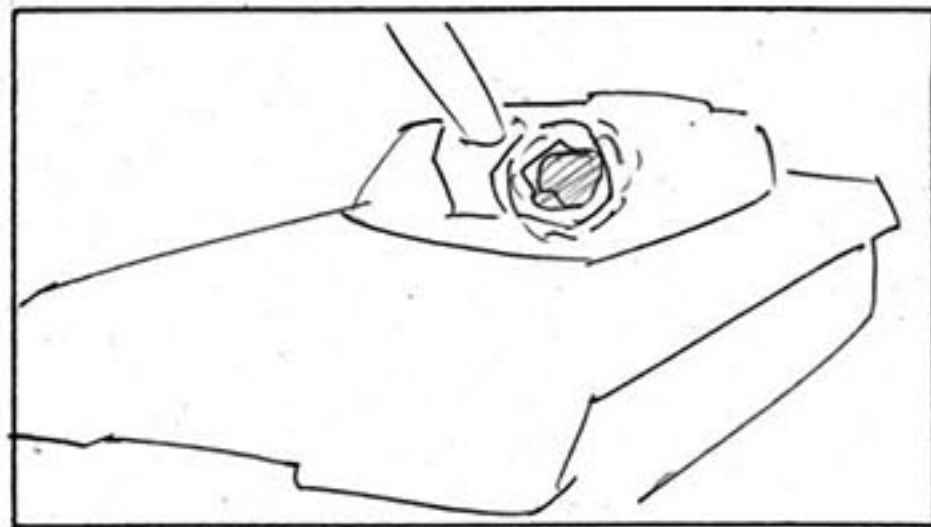

fire/recoil

Impact on lead tank

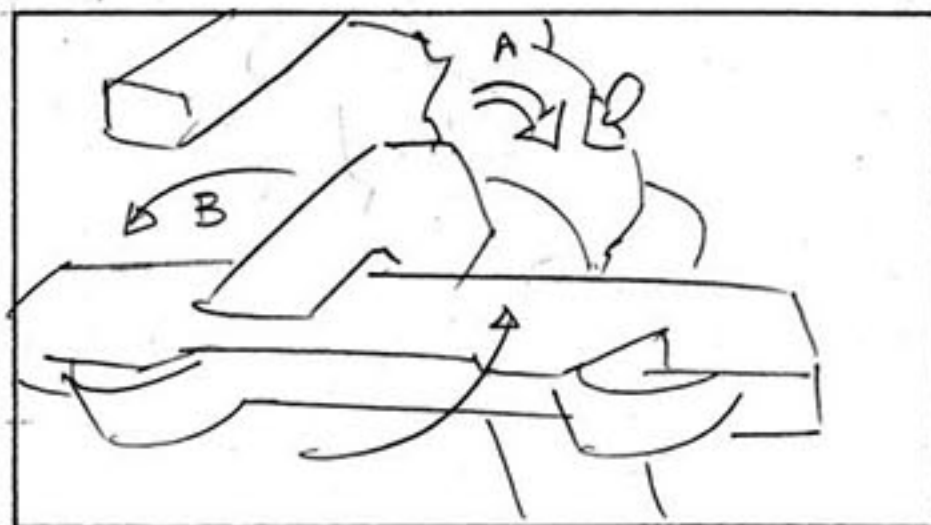

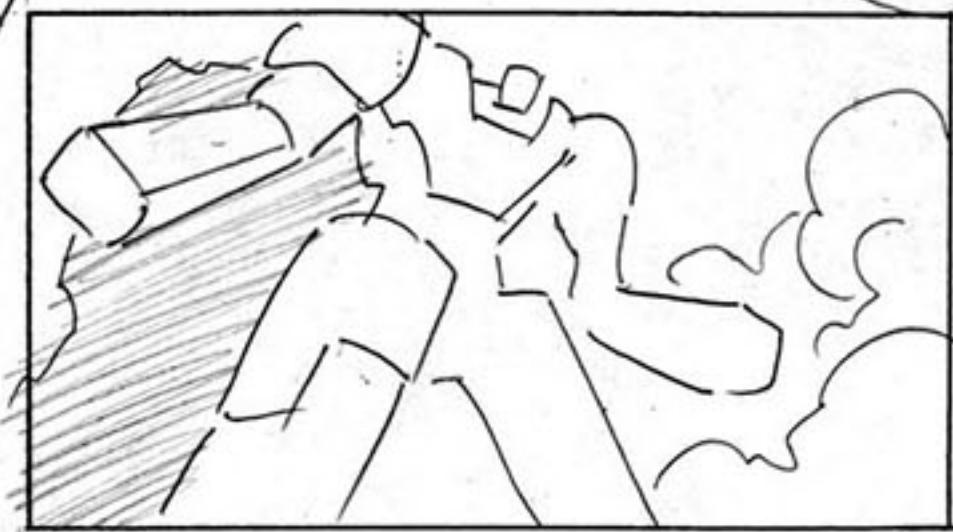

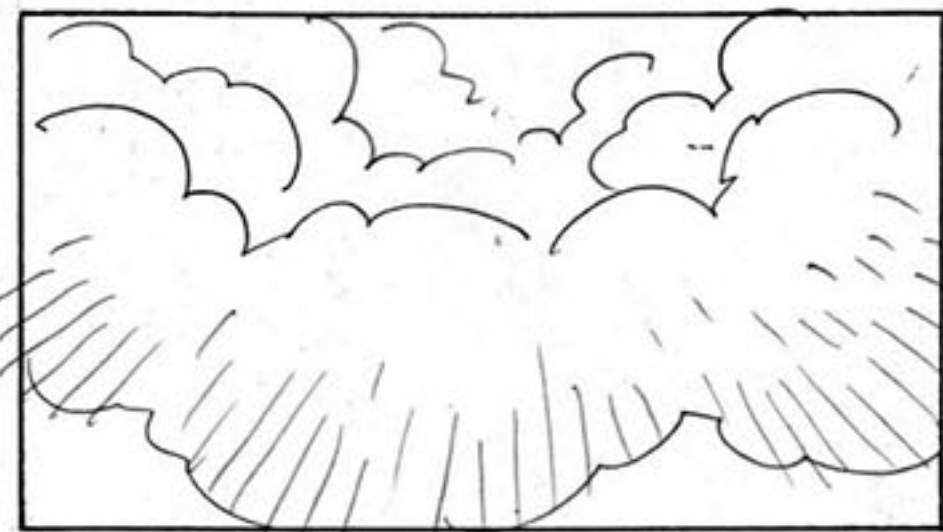

← 2 more tanks in BG

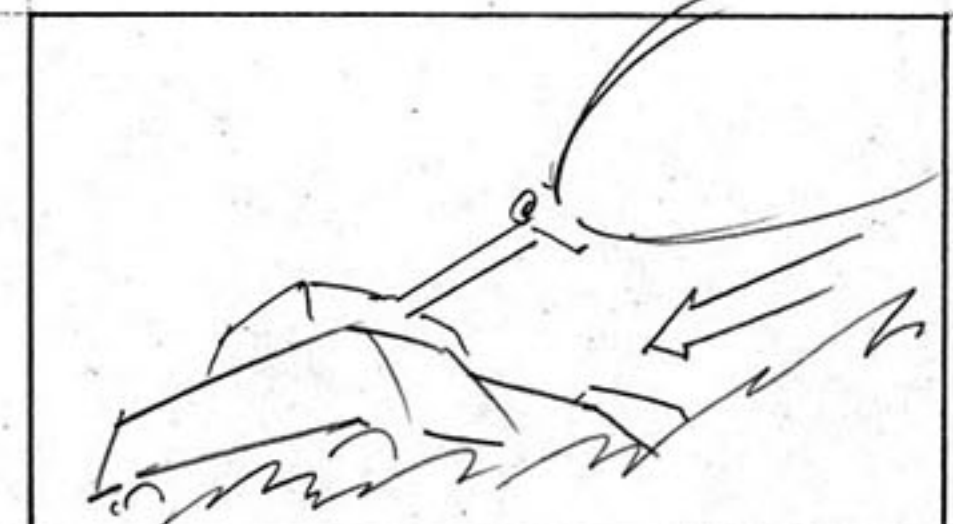

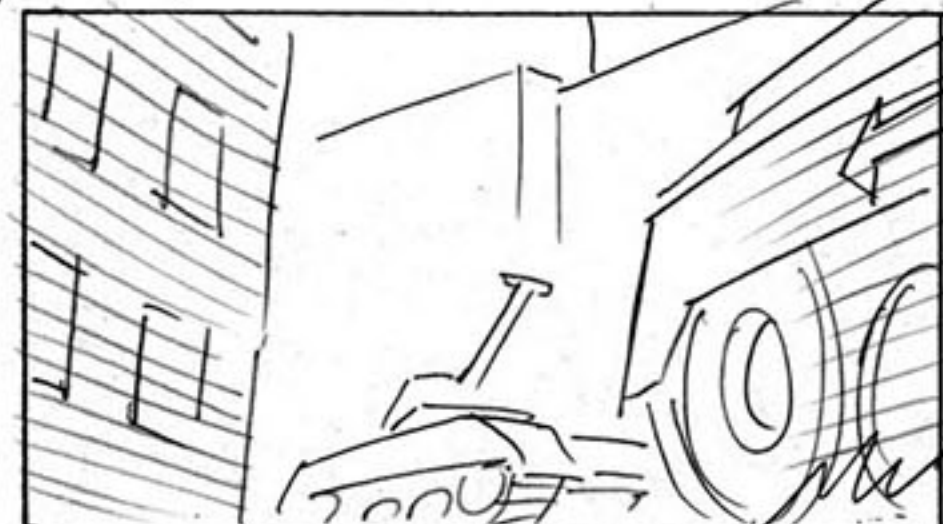

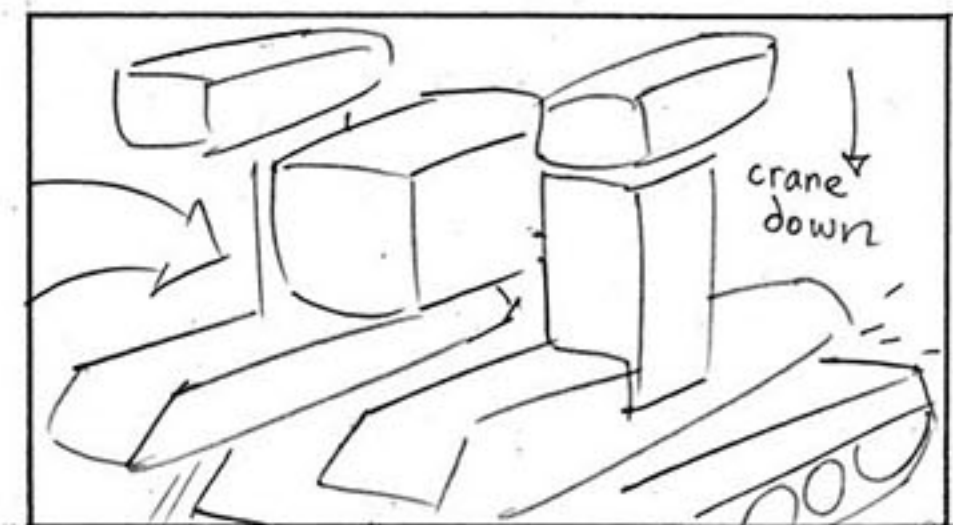

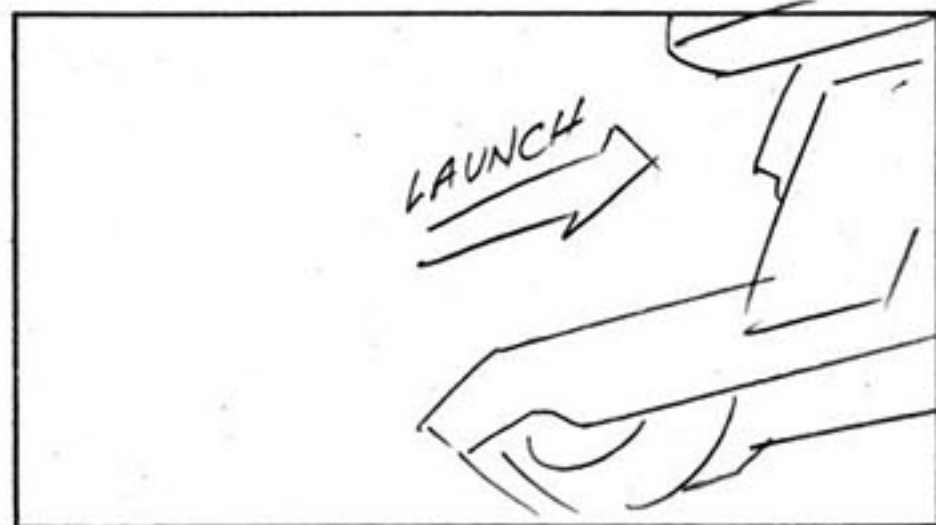

Pause

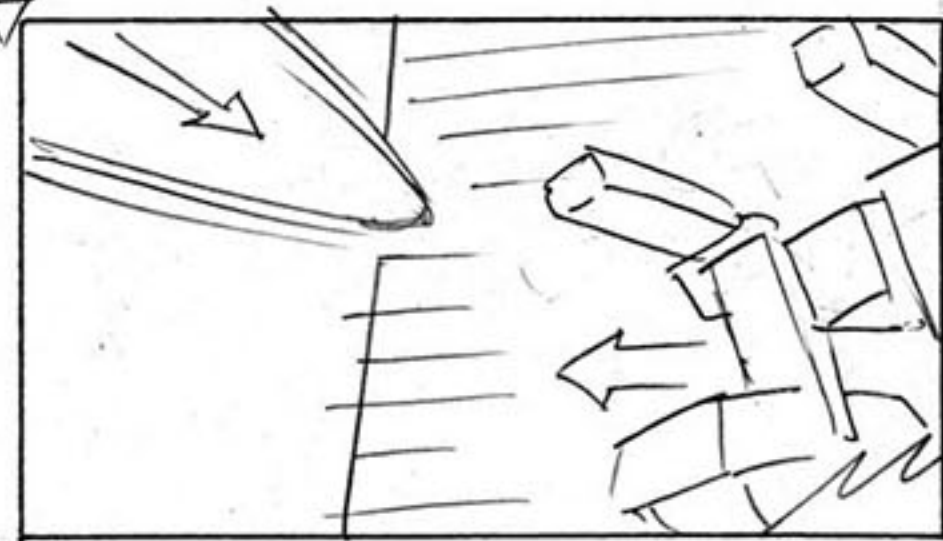

Turret blows off

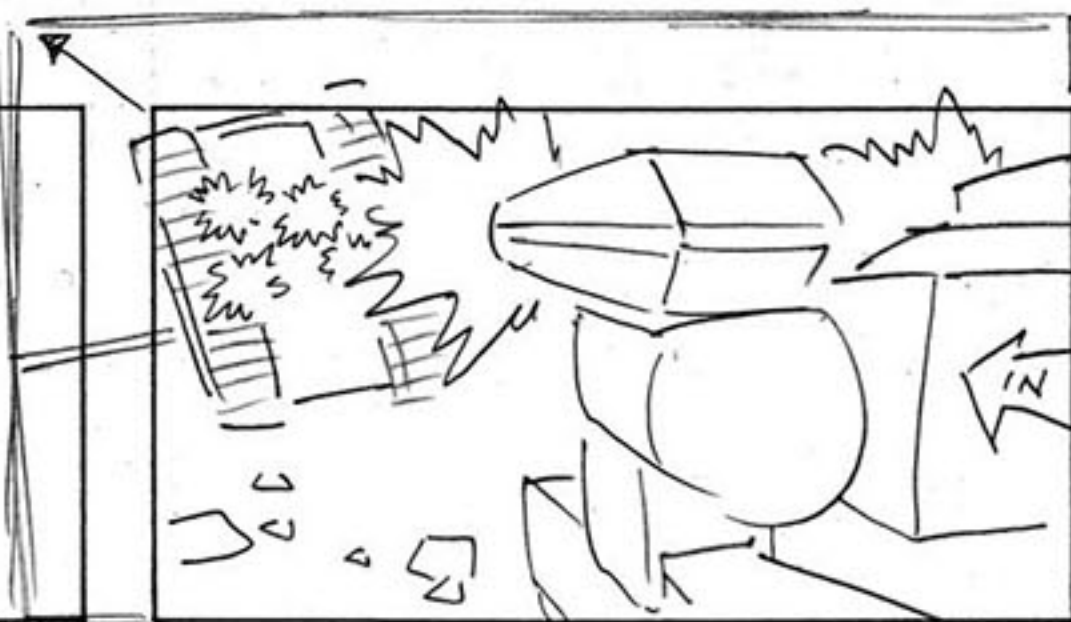

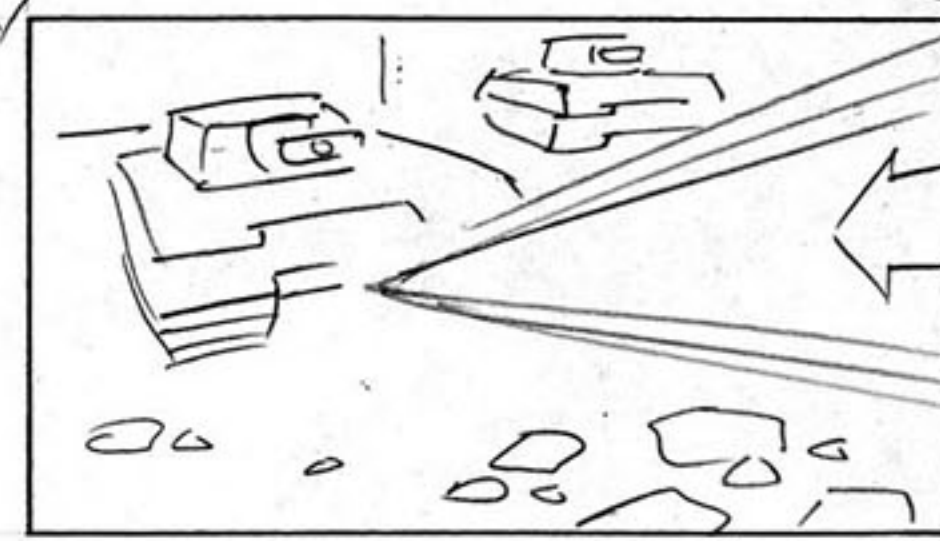

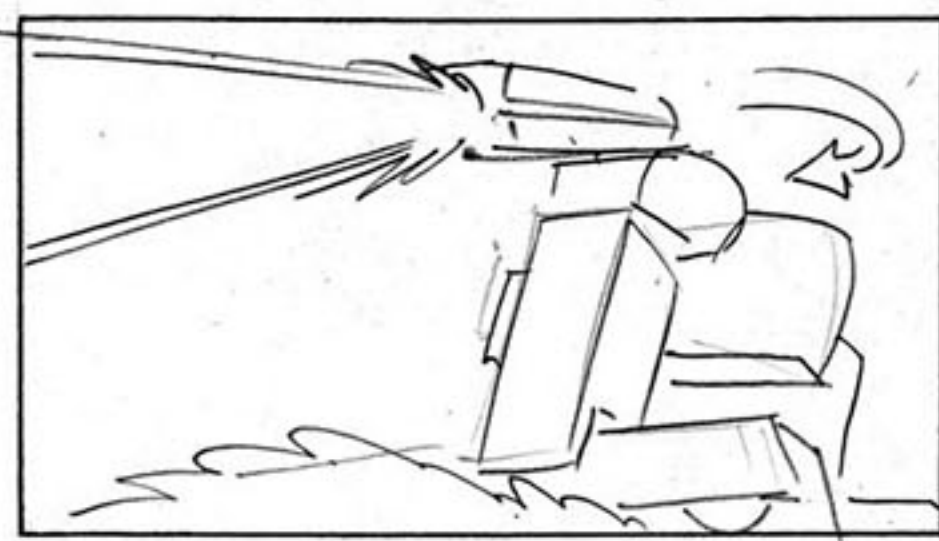

Begin transformation

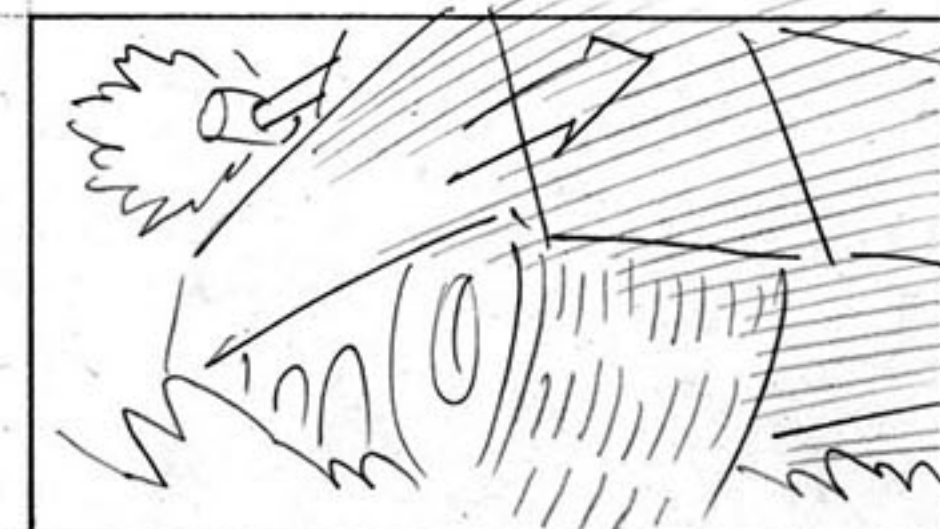

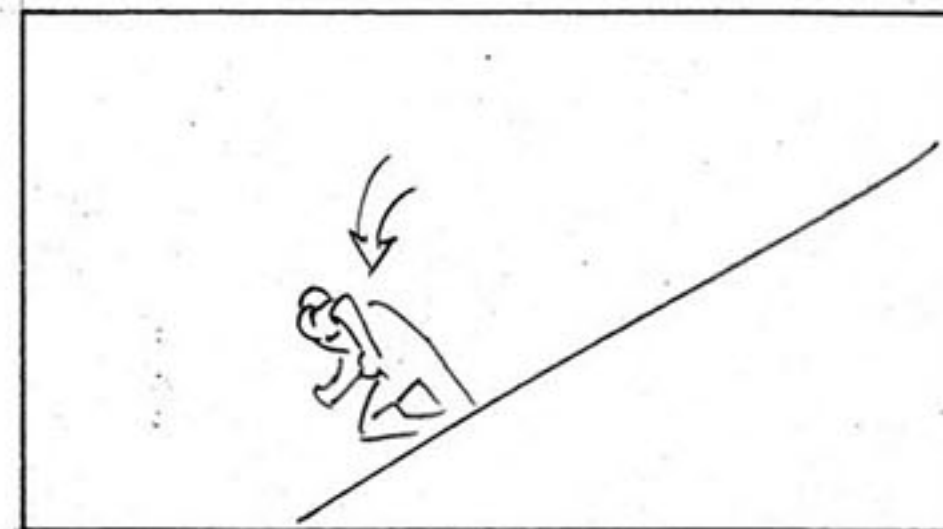

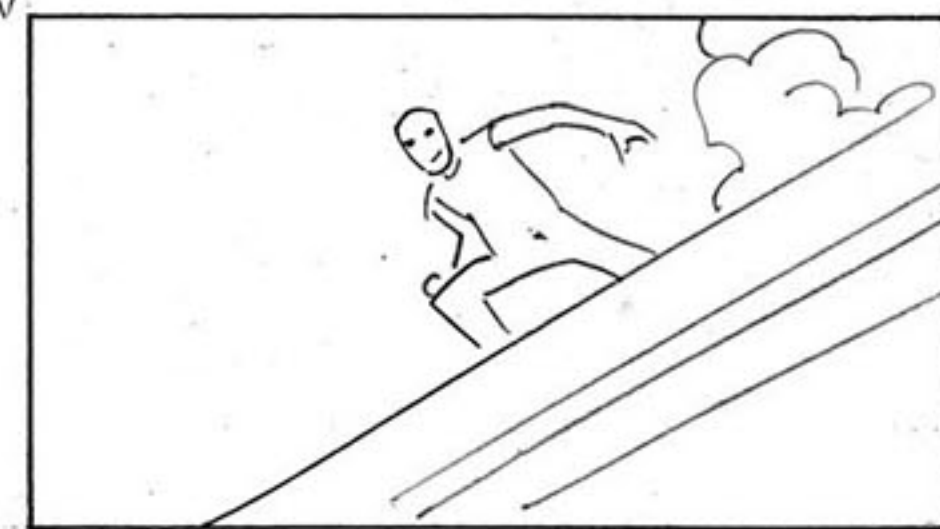

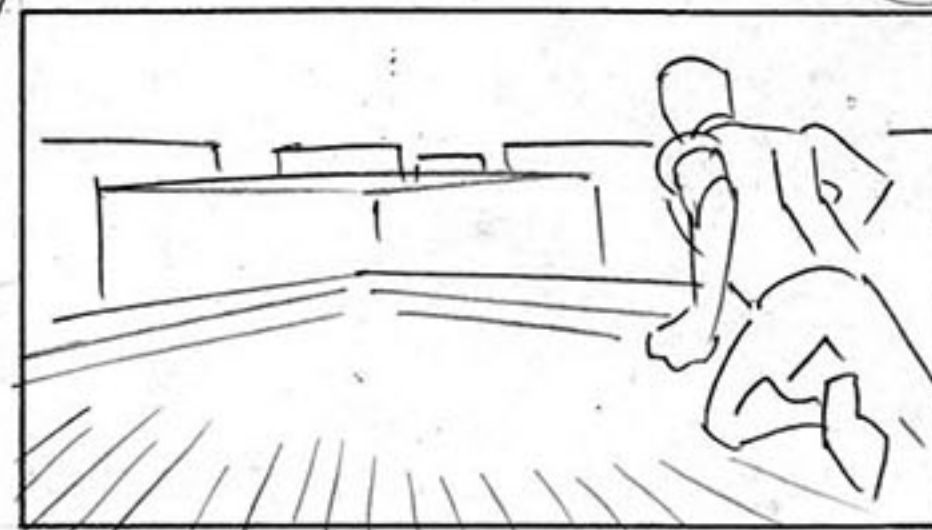

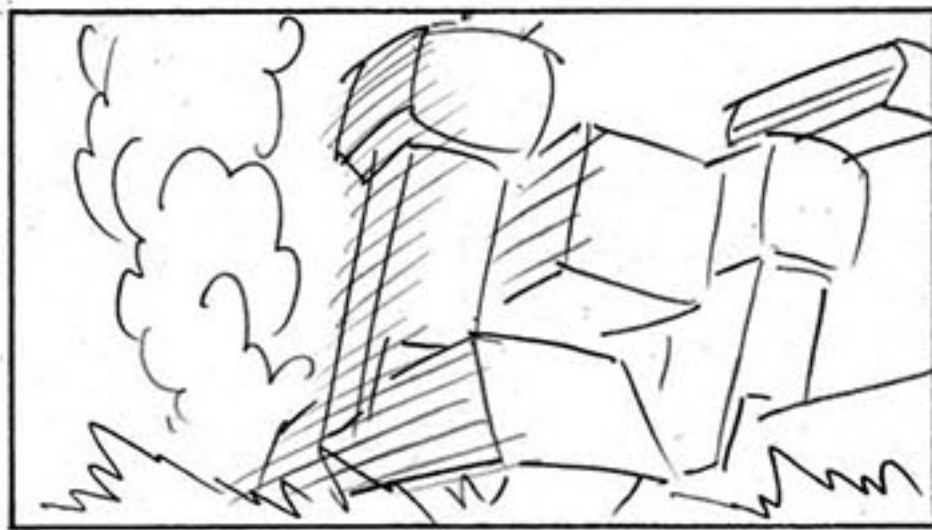

— SHAKE —

Truck out as c drives
in, goes full-auto

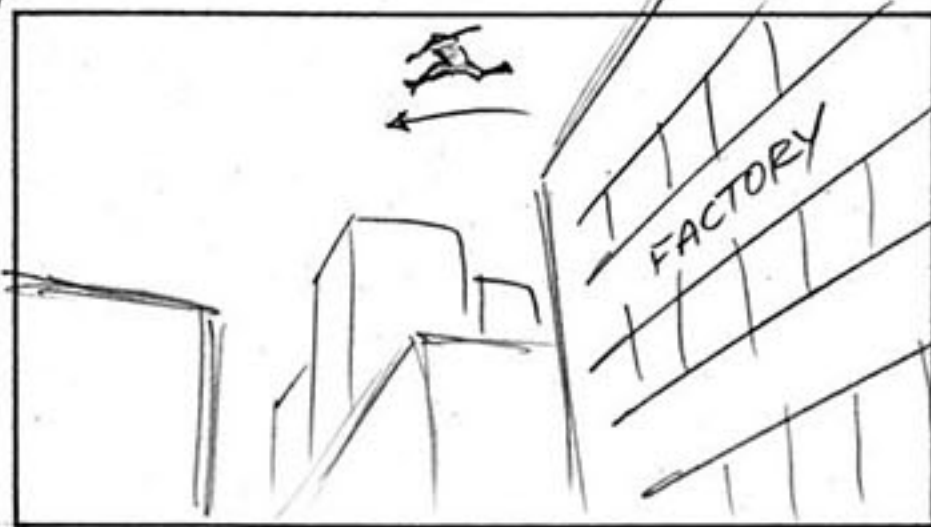

-SHAKE-

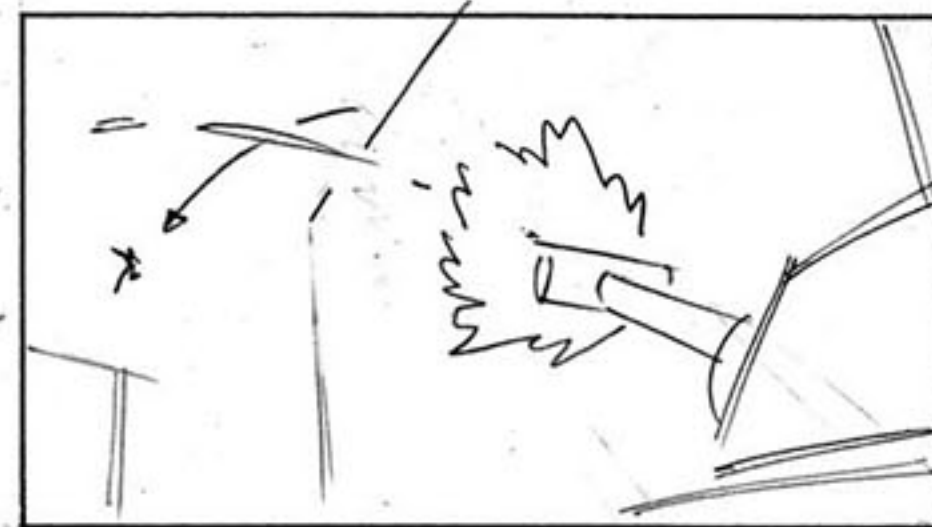

Track with M running toward corner of factory roof

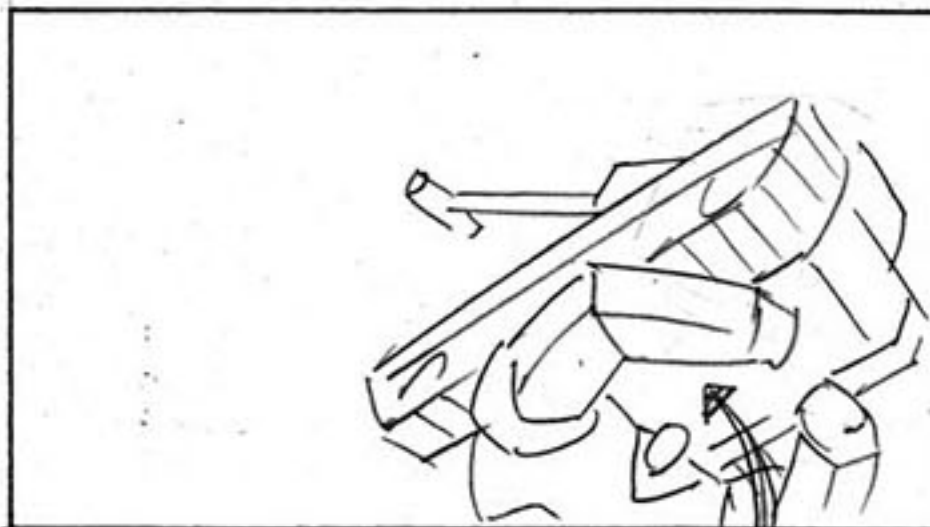

Can't

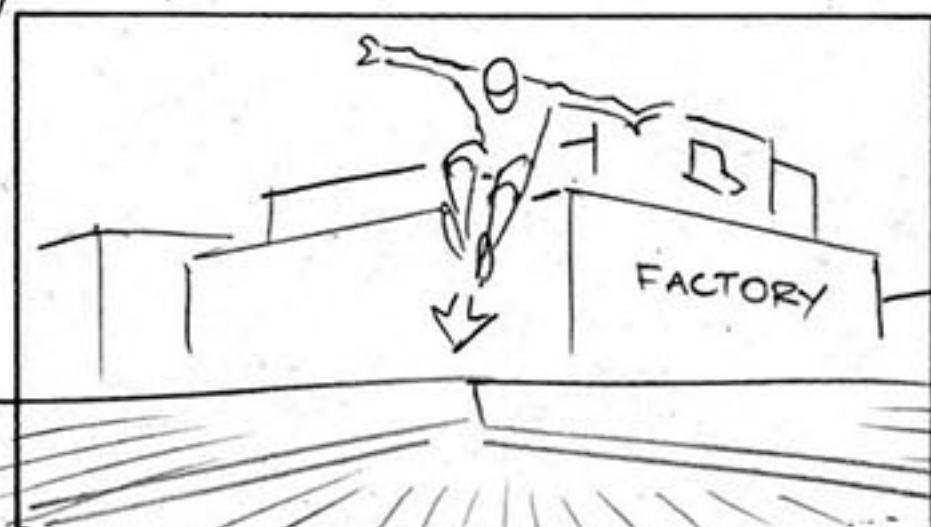

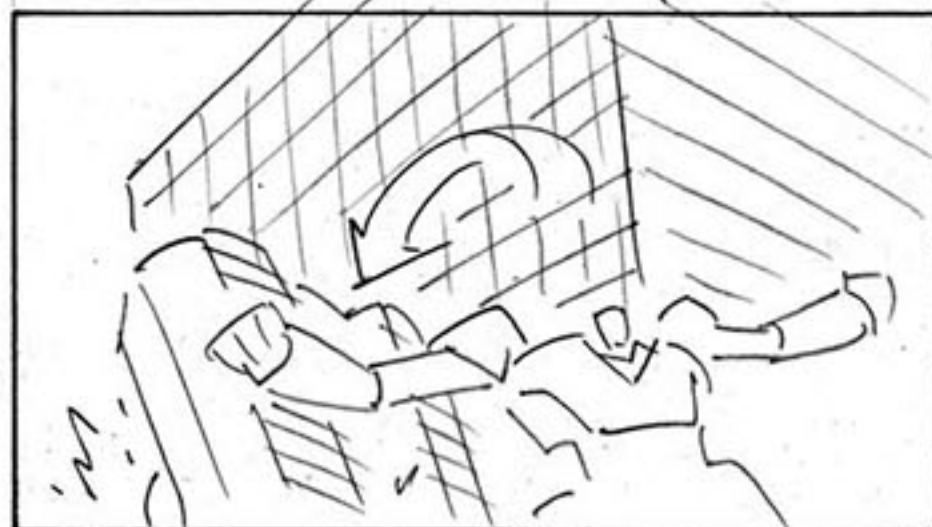

M leaps across gap

Pull back to include tank firing

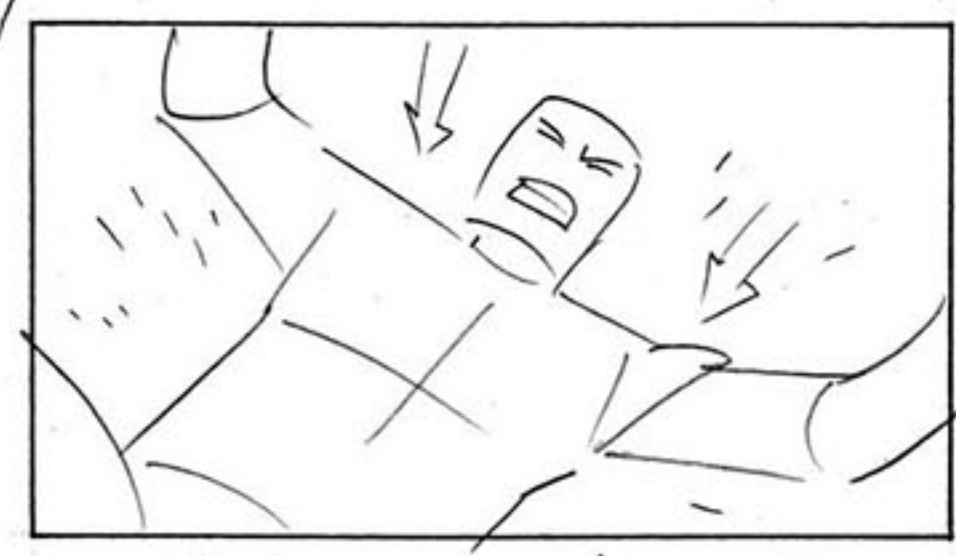

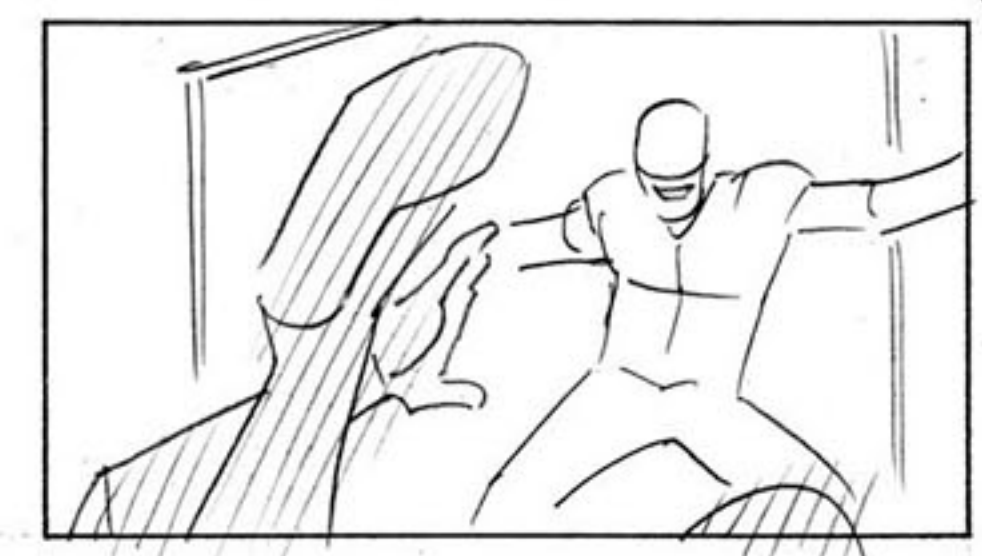

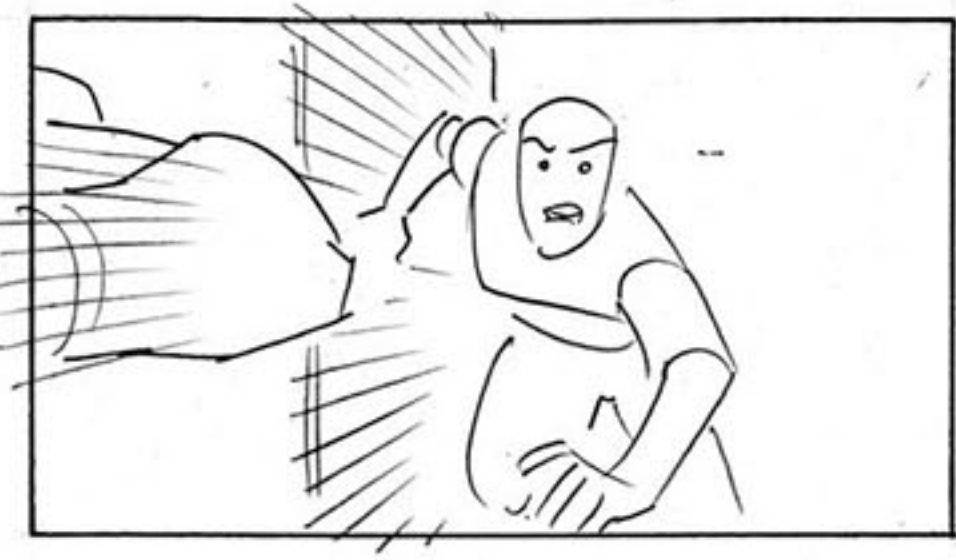

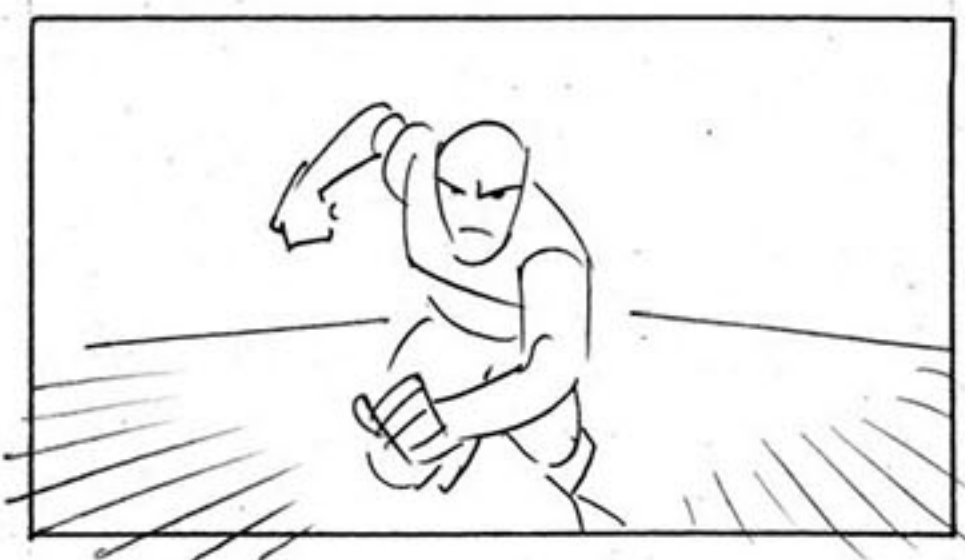

Can't pullback - C rises under tank

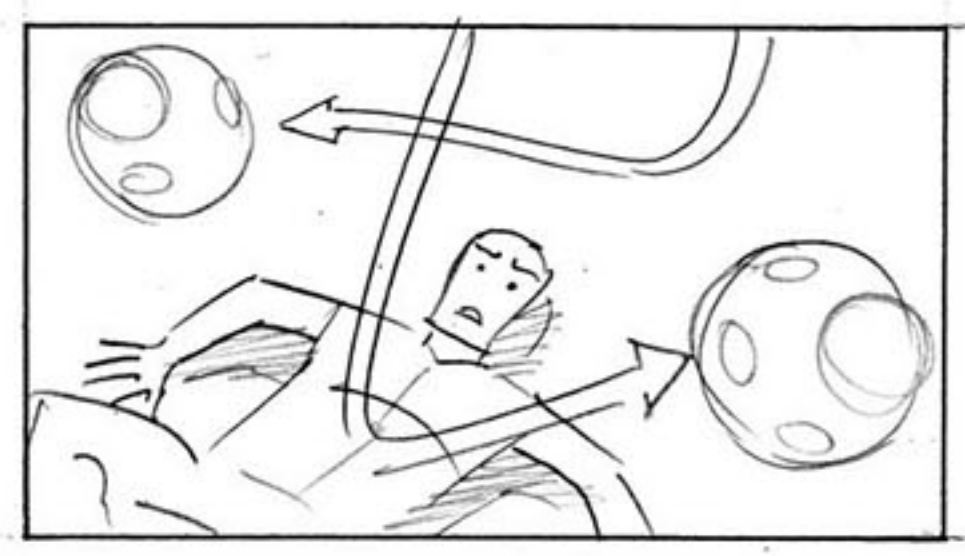

Cam tracking backwards (on helipad roof)

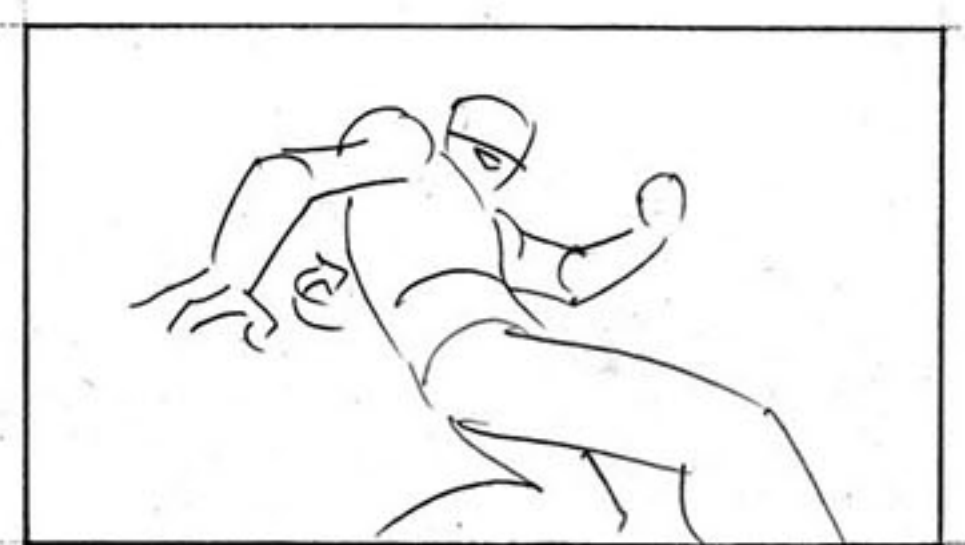

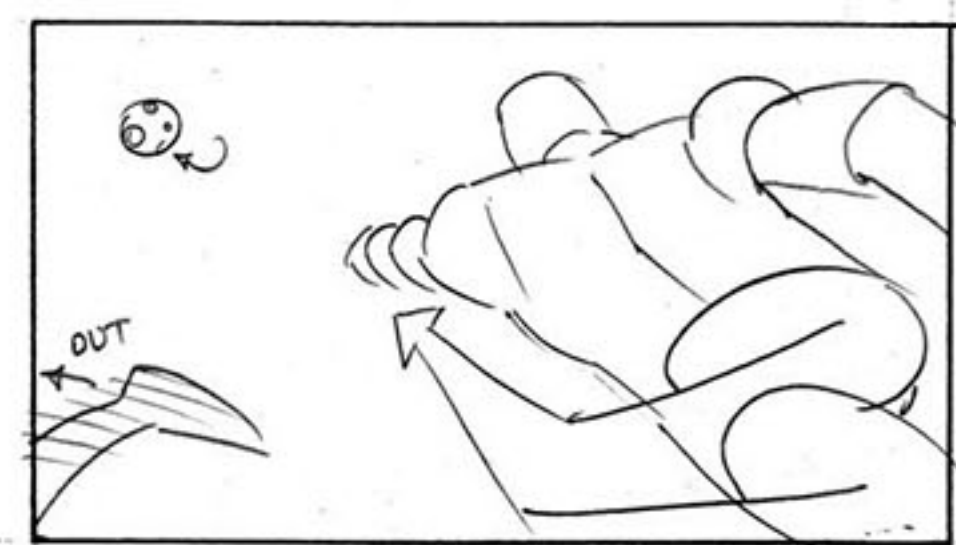

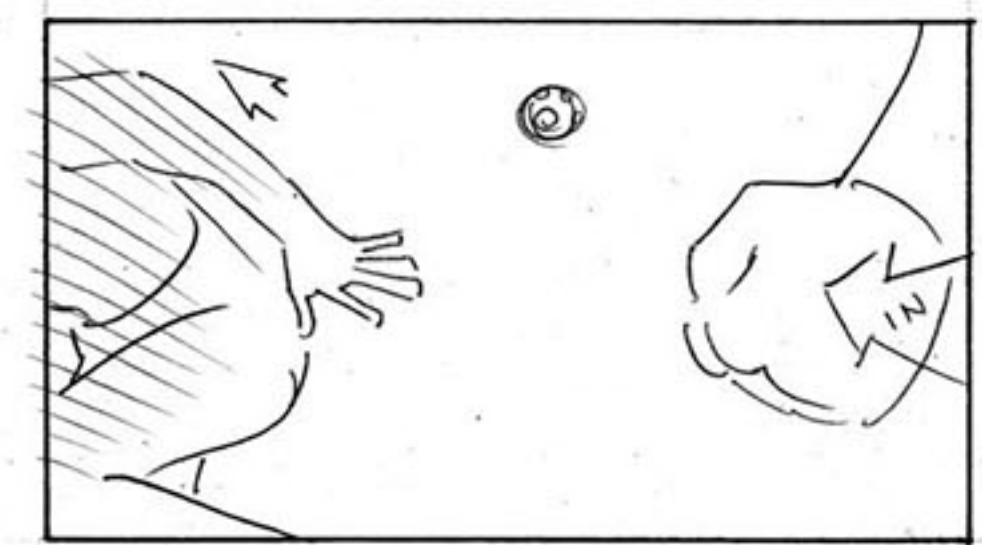

WHAM!

Truck out - drones in

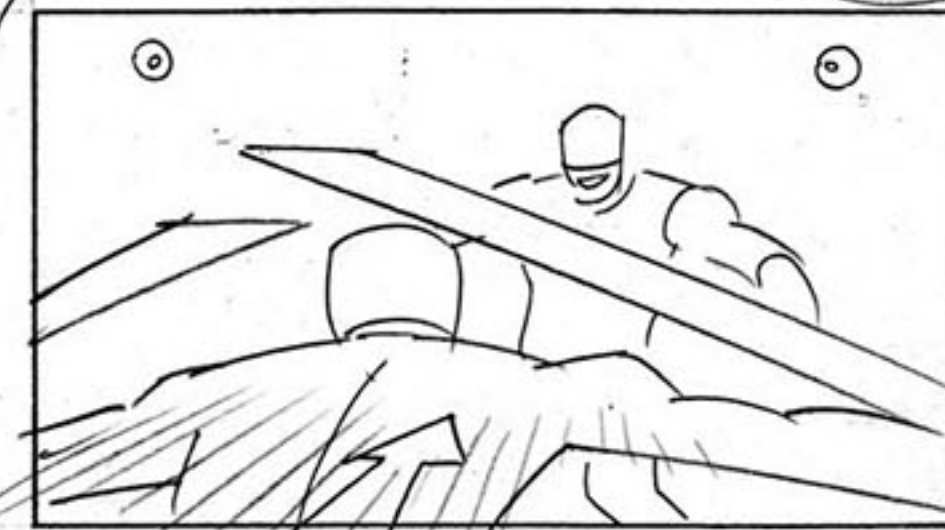

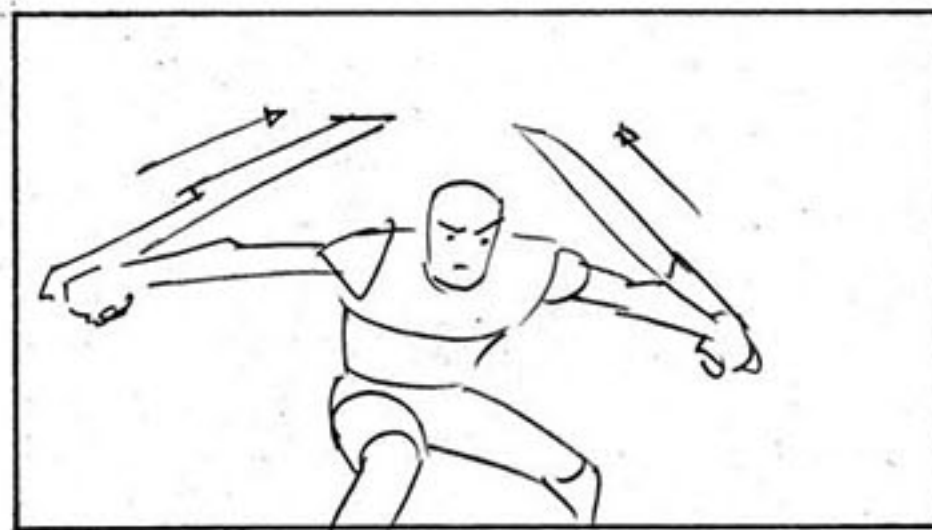

helicopter
in BG

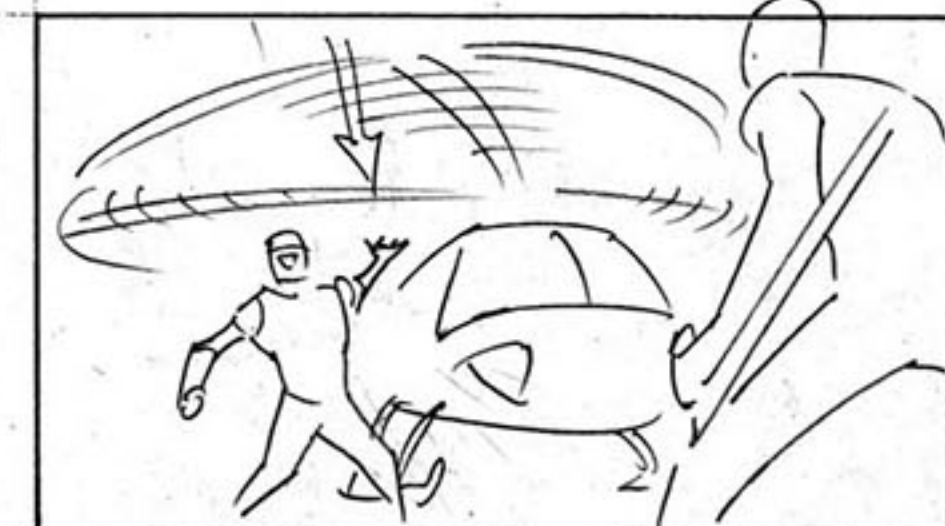

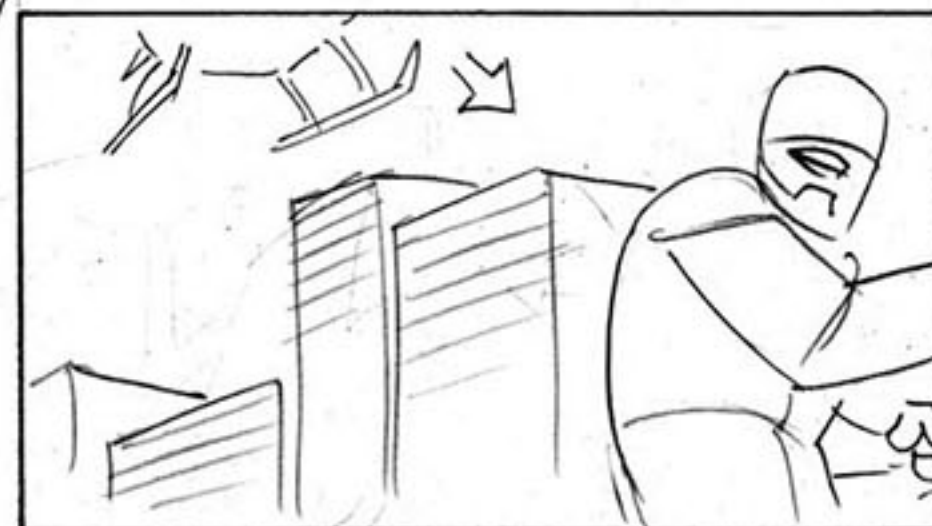

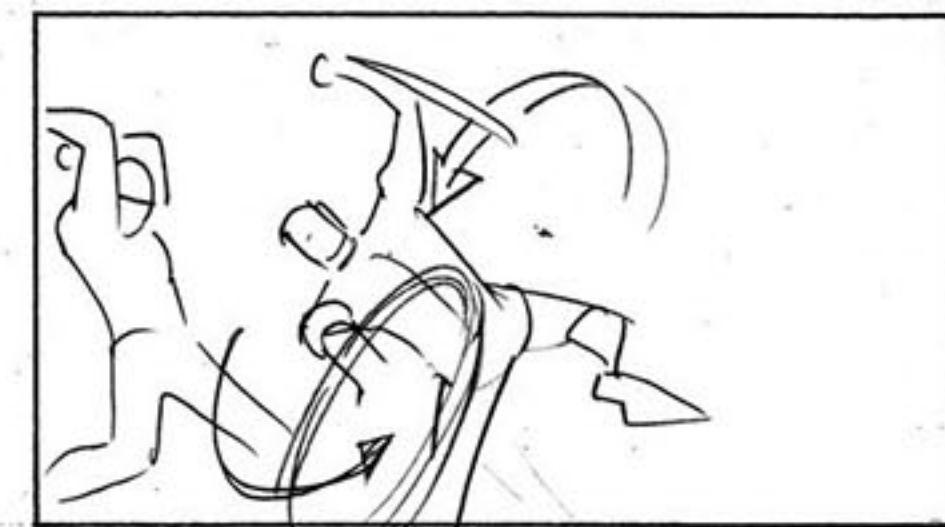

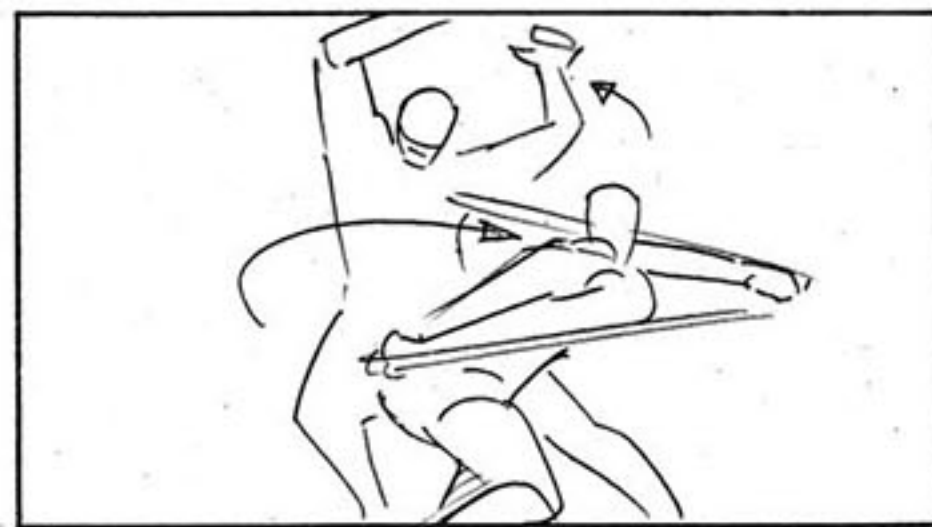

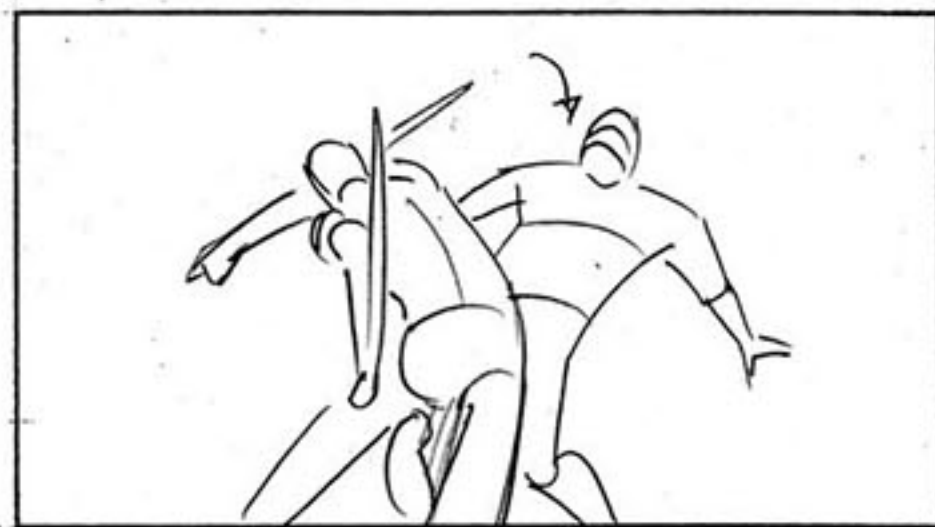

225 M: Makino!

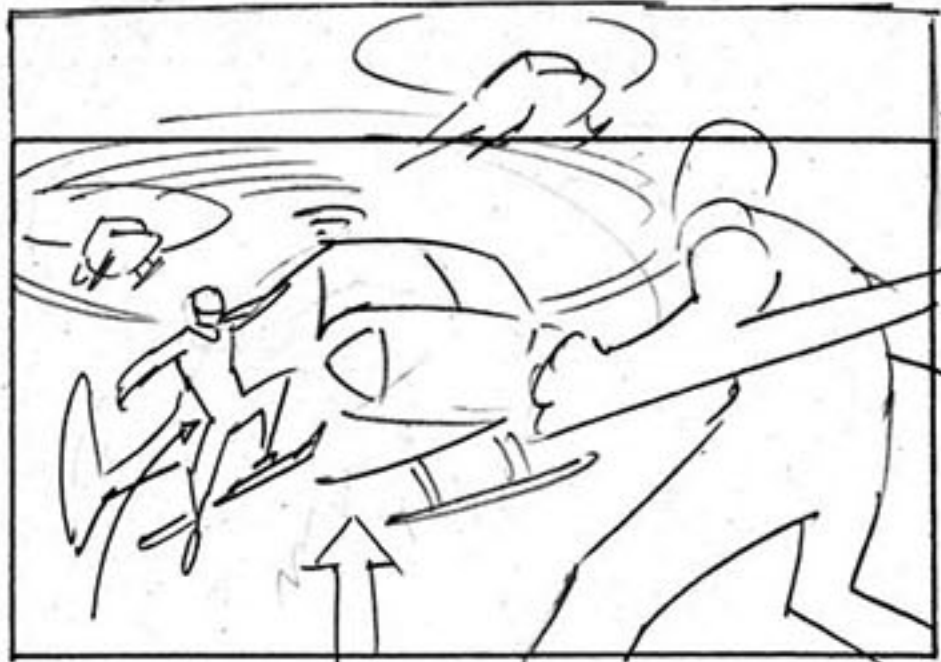

38E

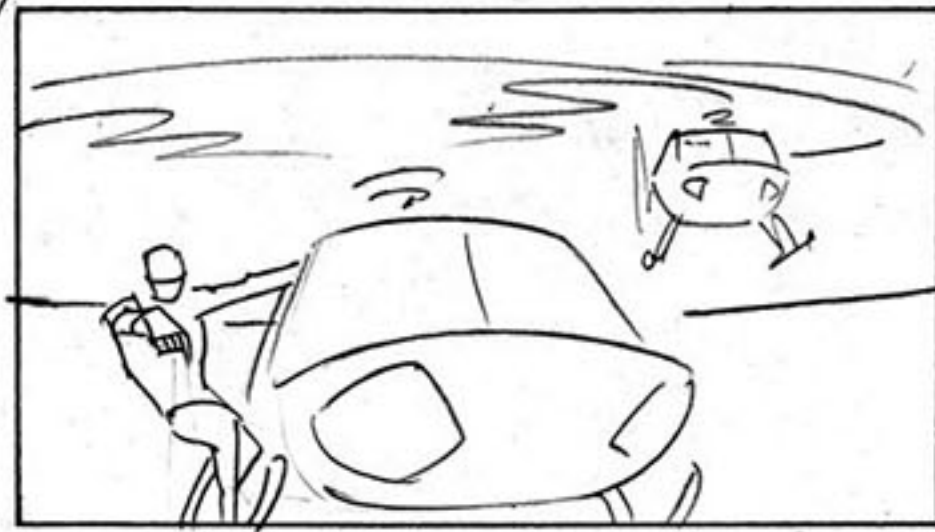

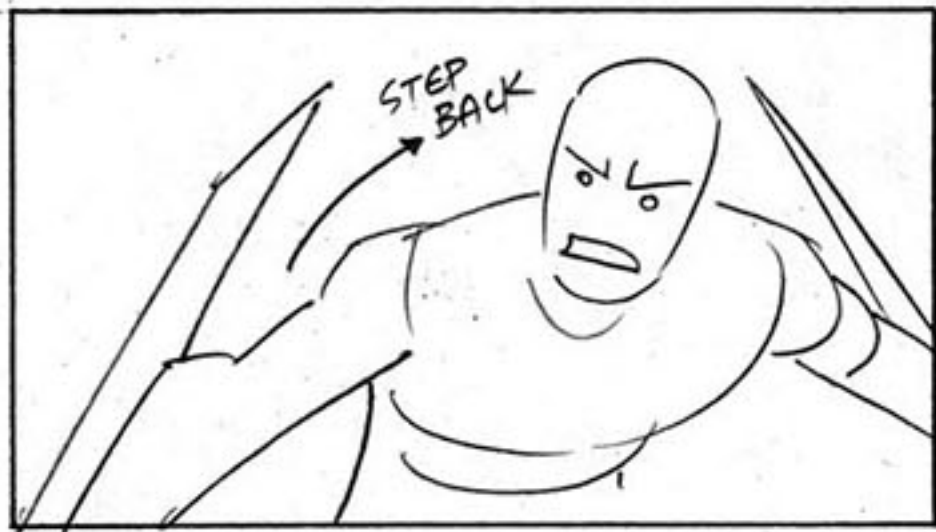

226 MK: Nice try

Steel, but my blades

are bigger than YOURS!
(Truck out as helicopter descends)

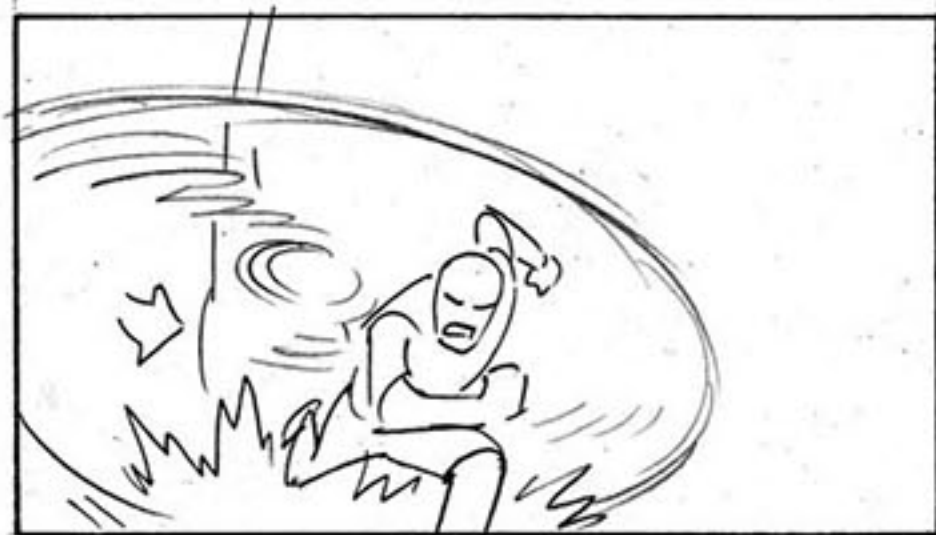

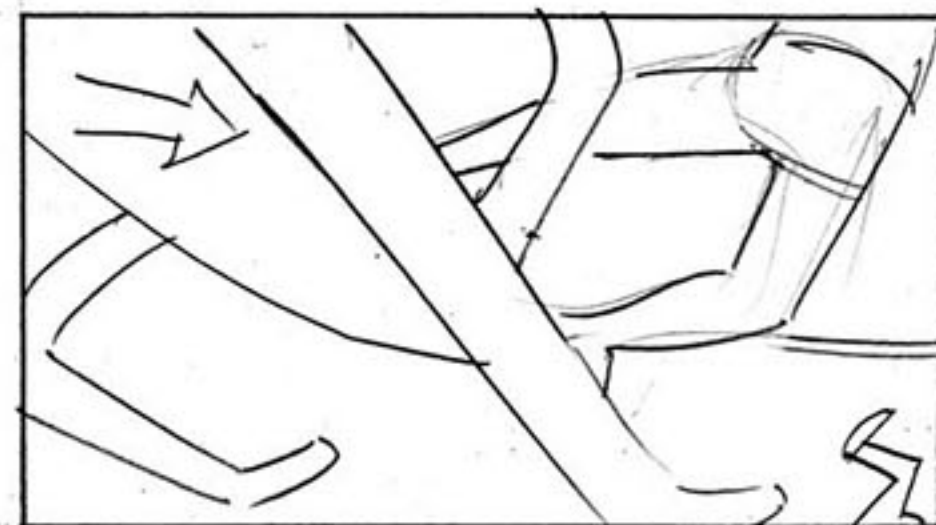

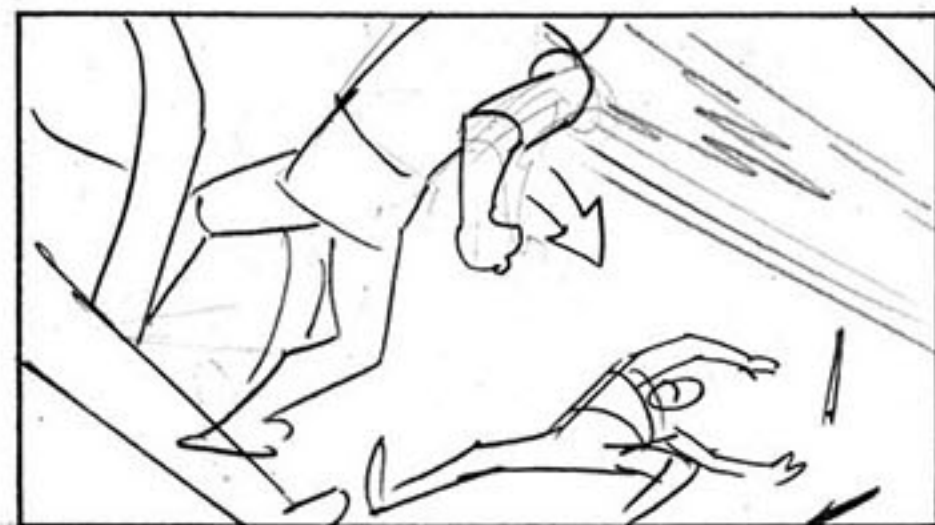

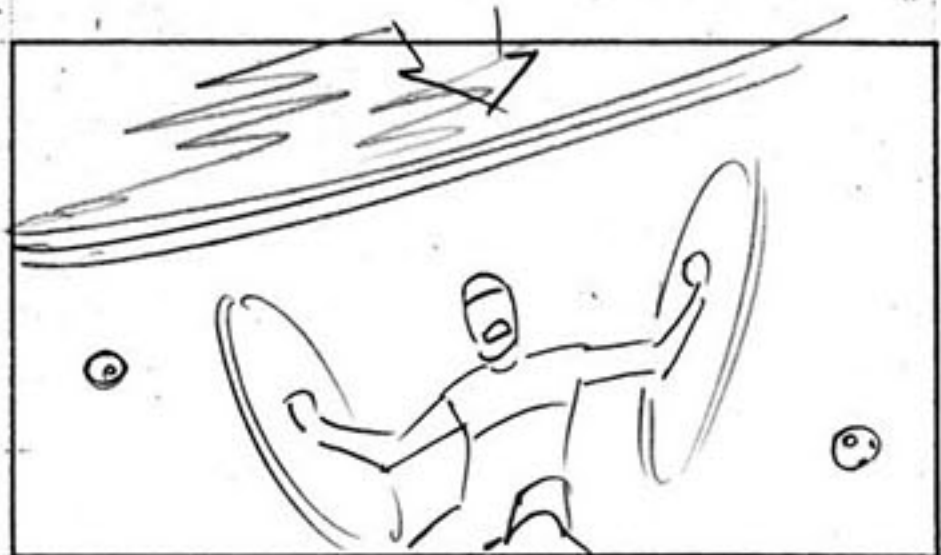

Pan up to see 2 more
choppers in air

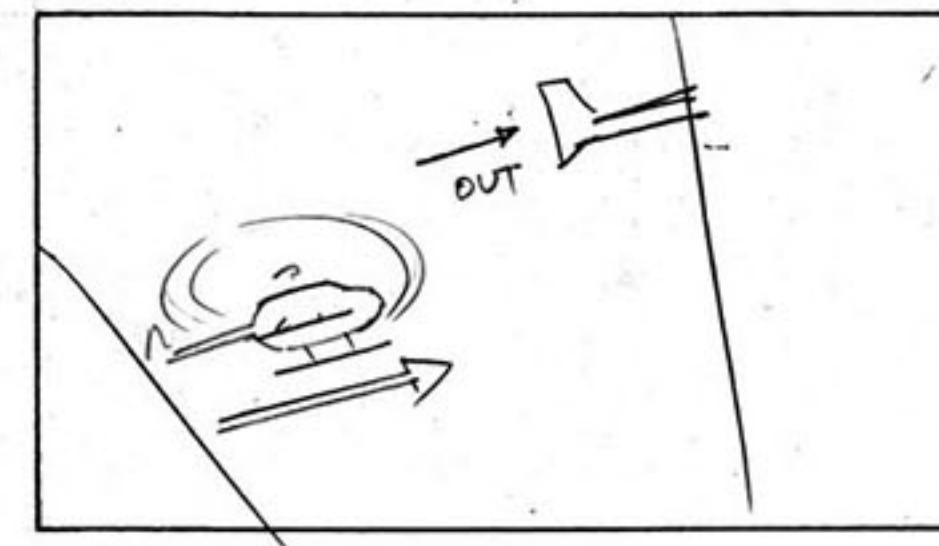

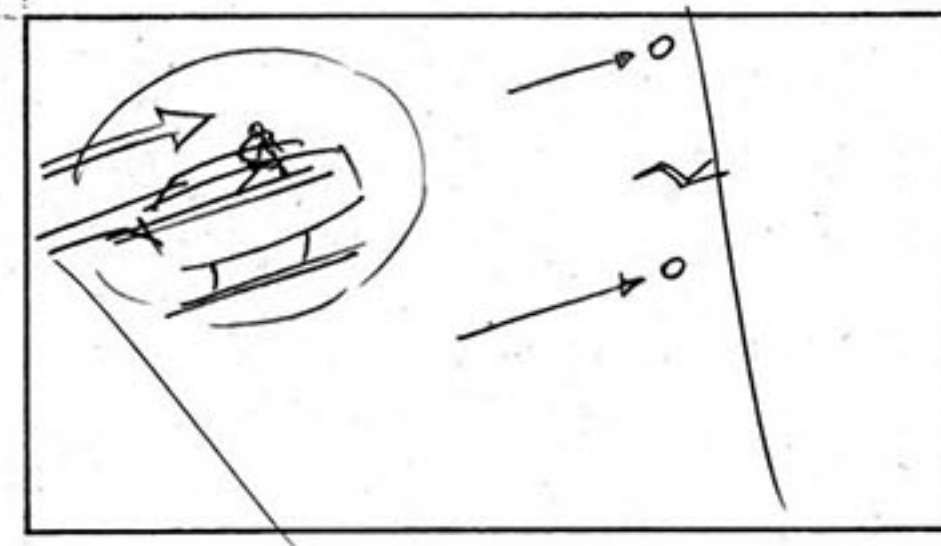

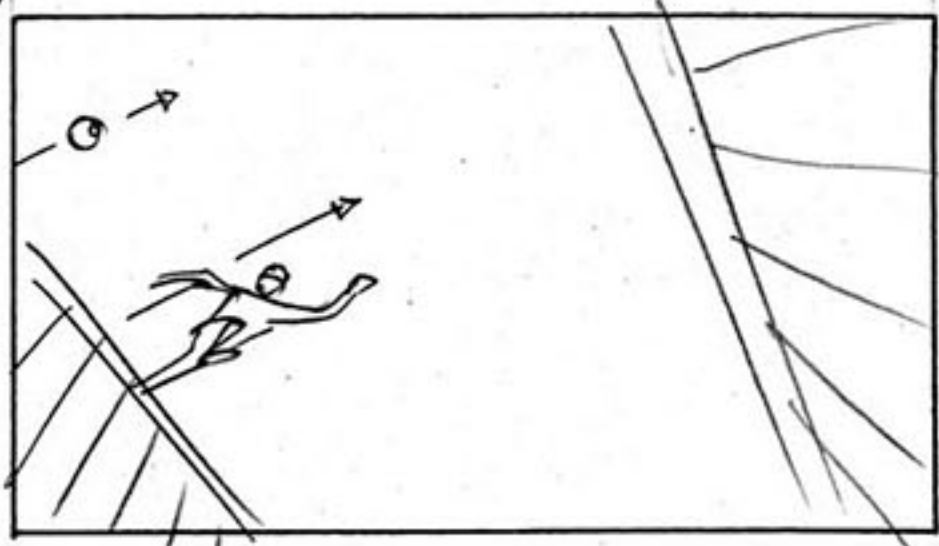

MK gestures

Chopper tips FWD

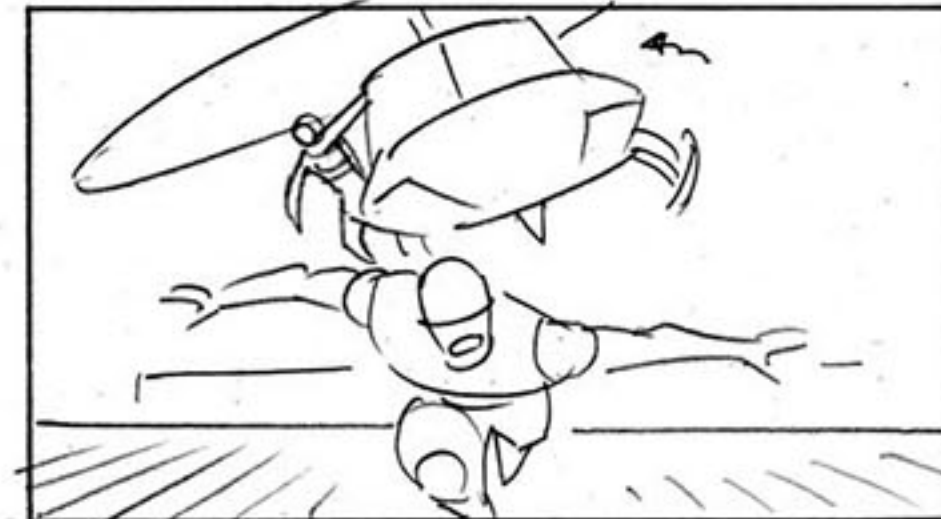

Track backwards
 (227) MK: You made me into this!
 And I made you famous!

Why? So I could take

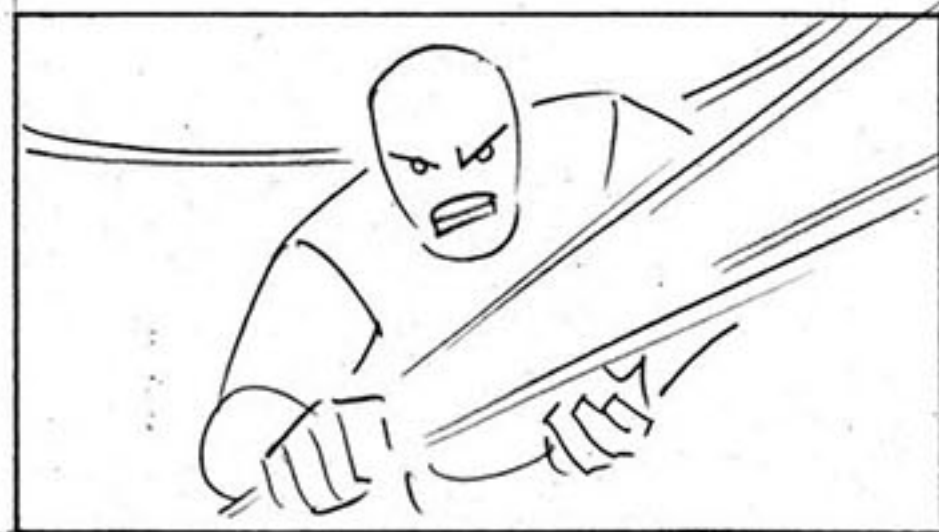

— it away —

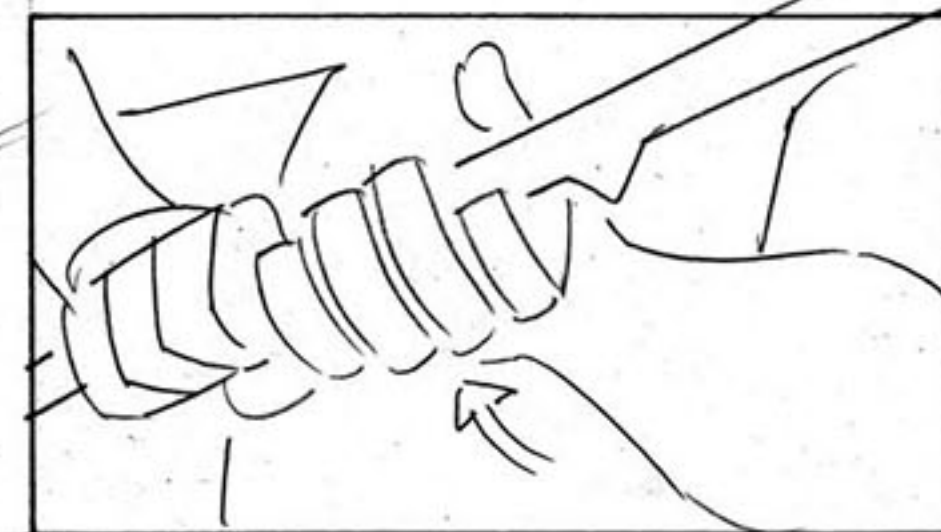

— from you! I'm

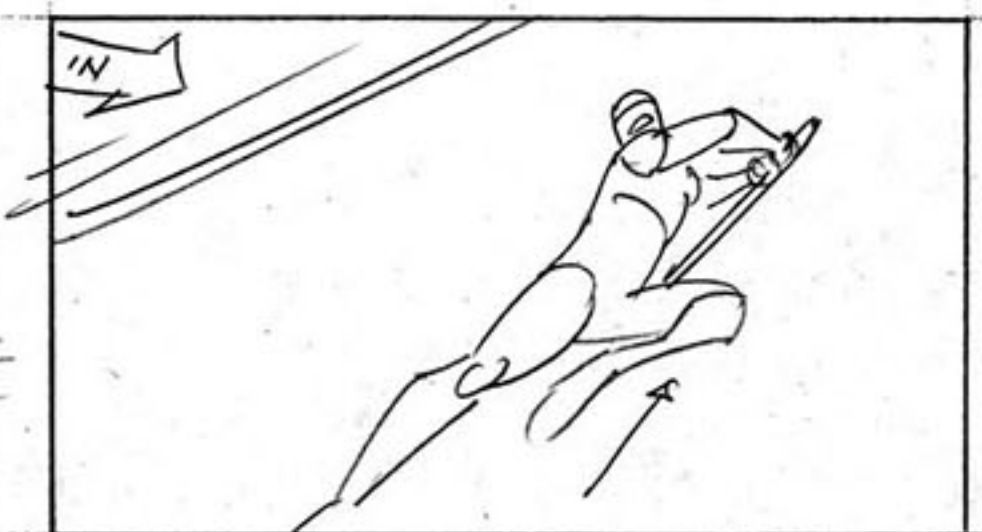

gonna drag you—

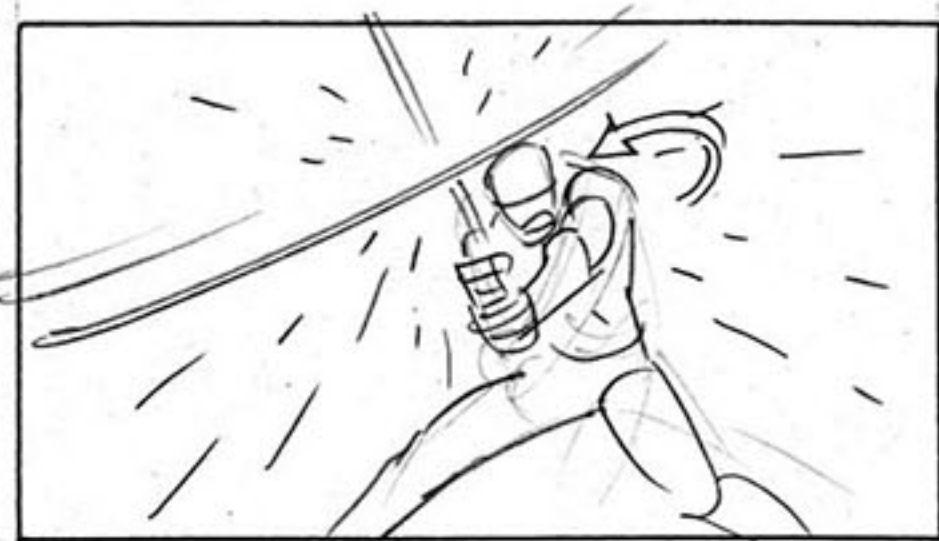

(saber opens)
 — down from hero

— to zero!

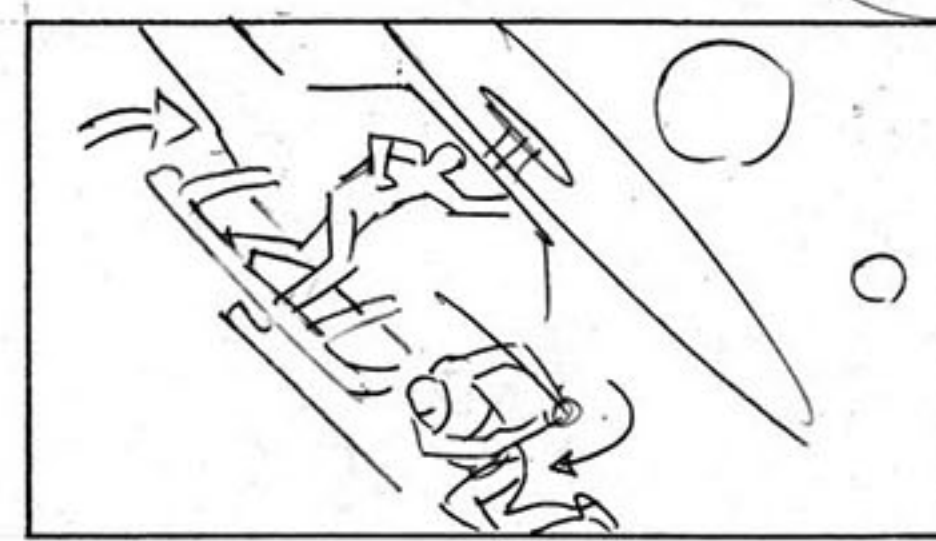

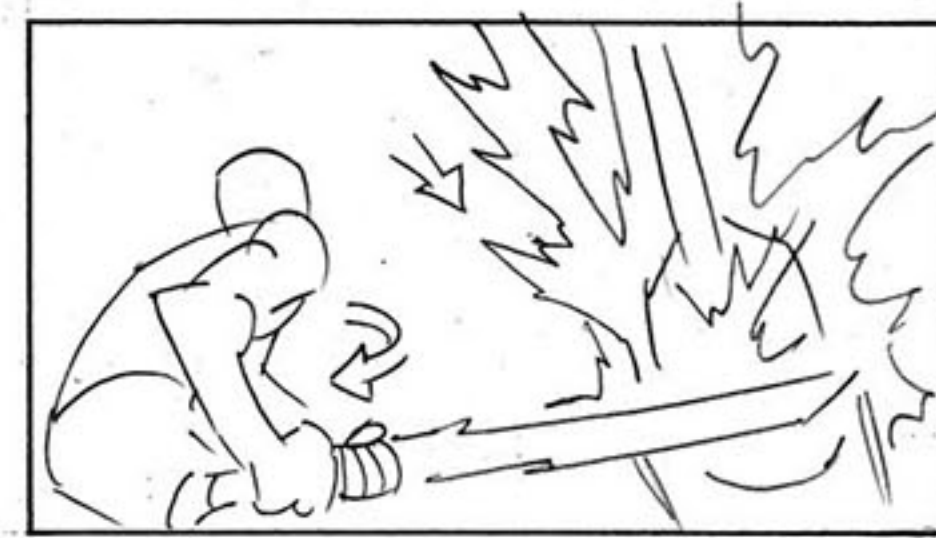

228 M: Mike Nickelson was never a hero!

You were fake from the start!

M stabs upward into Chopper's belly

Chopper "shorts out" — creates feedback

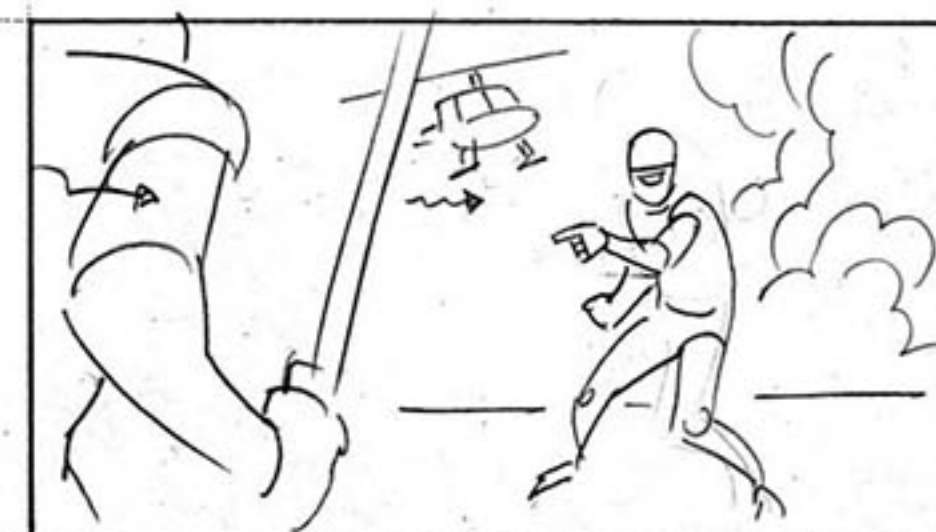

Chopper descends to land

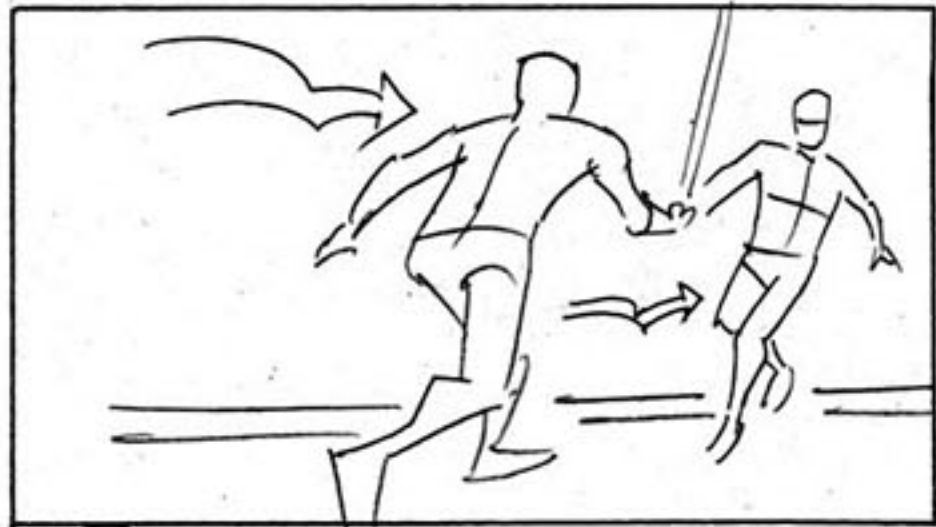

TRUCK OUT

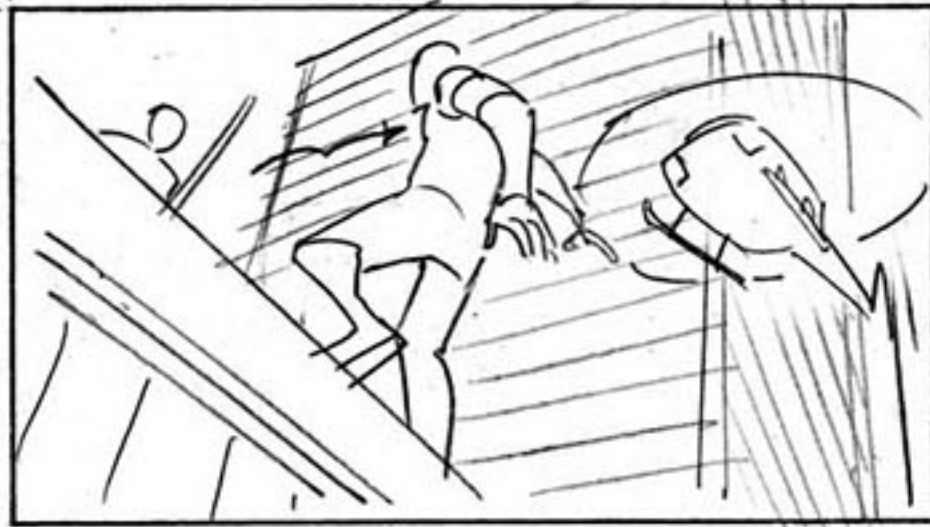

229 MK: Yeah, but I looked good doing it!
Don't forget—

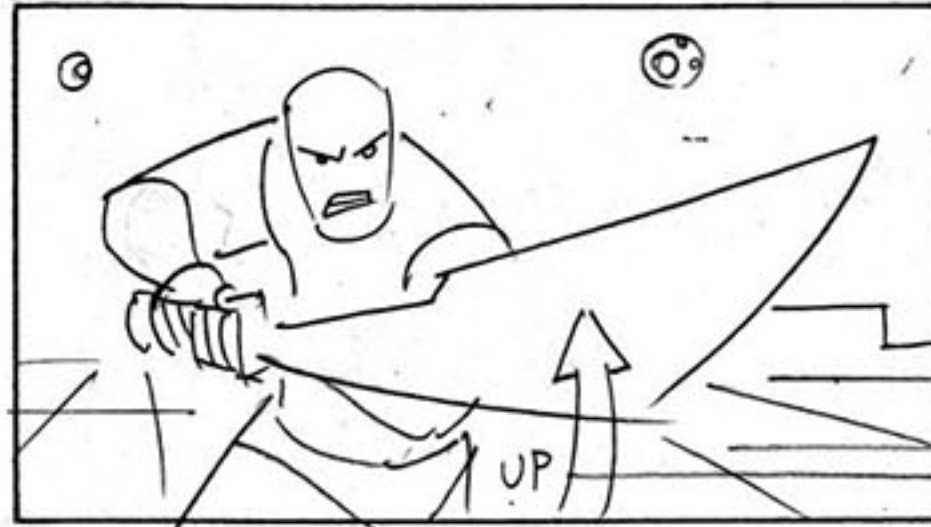

—YOU plugged me in!

230 MK: YOU set the wheels in motion for YOUR downfall!

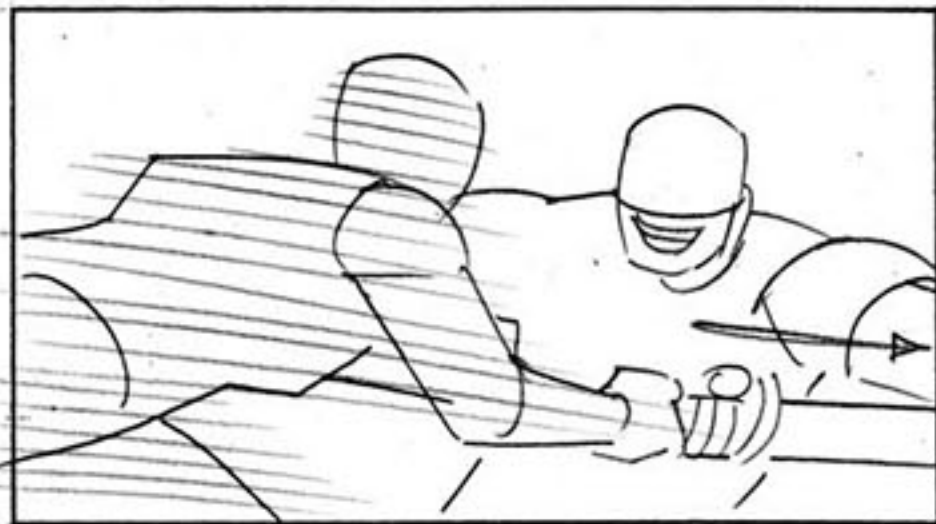

-and MY ascent to glory!

231 M: Over my... dead... body.

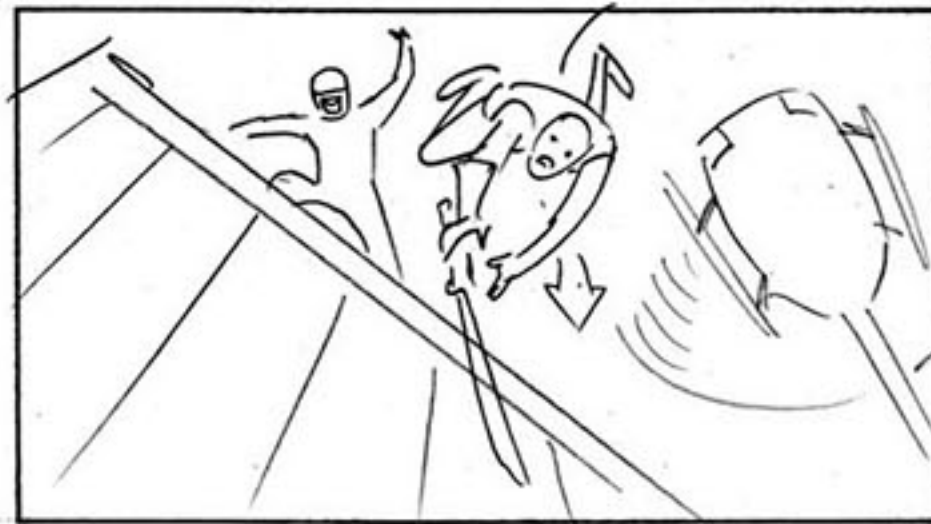

232 MK: Now -
(grab sword)

- THAT -

- will make -

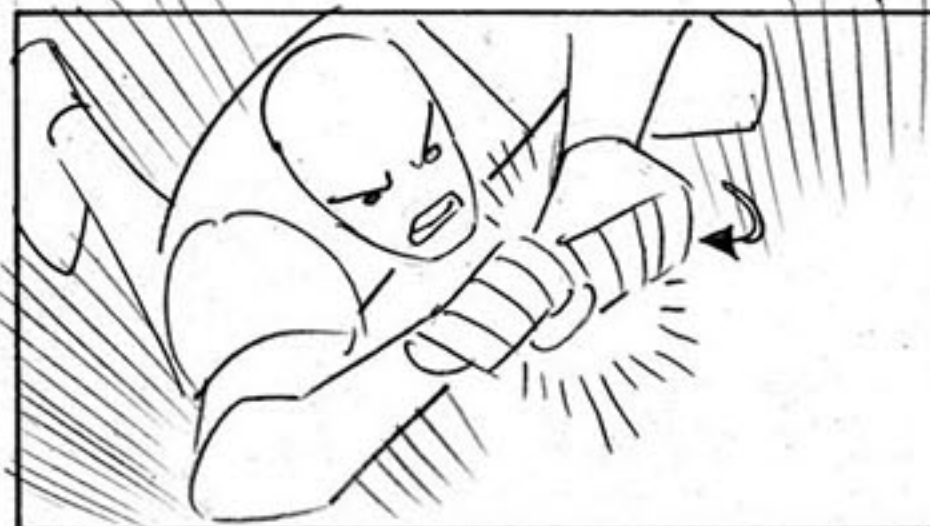

- good -

- TV!

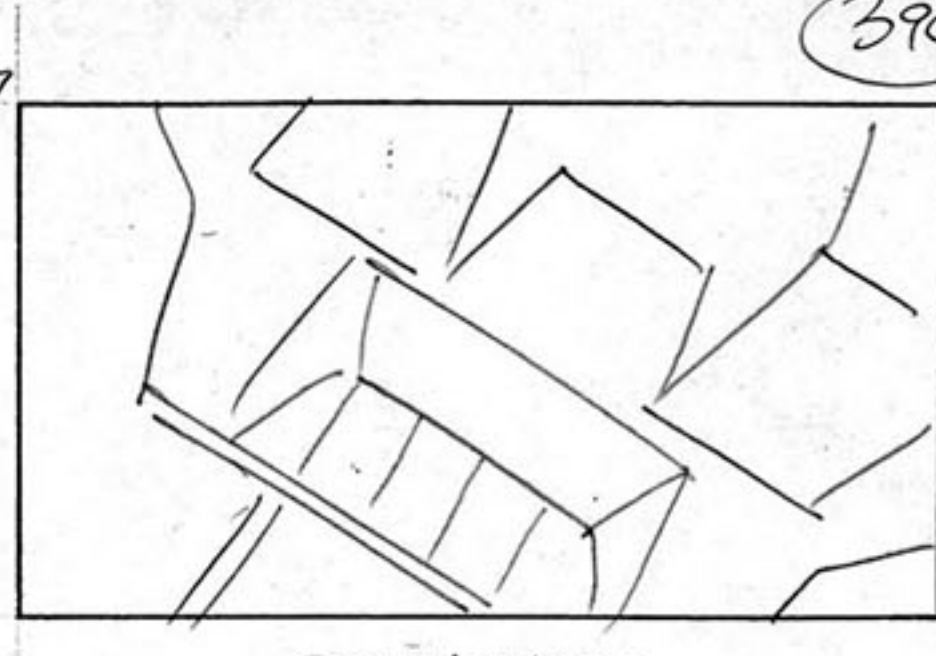

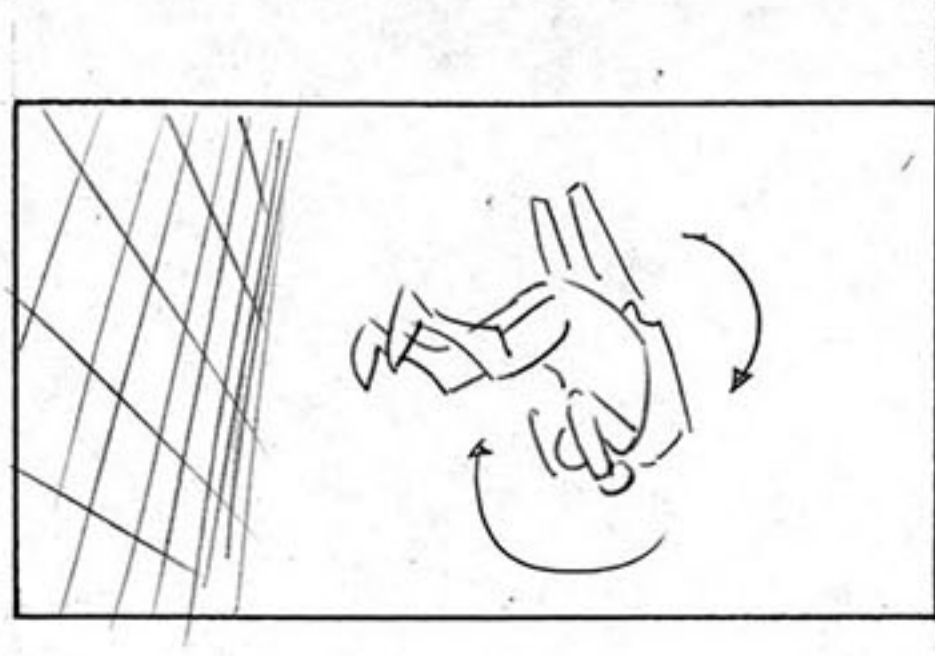

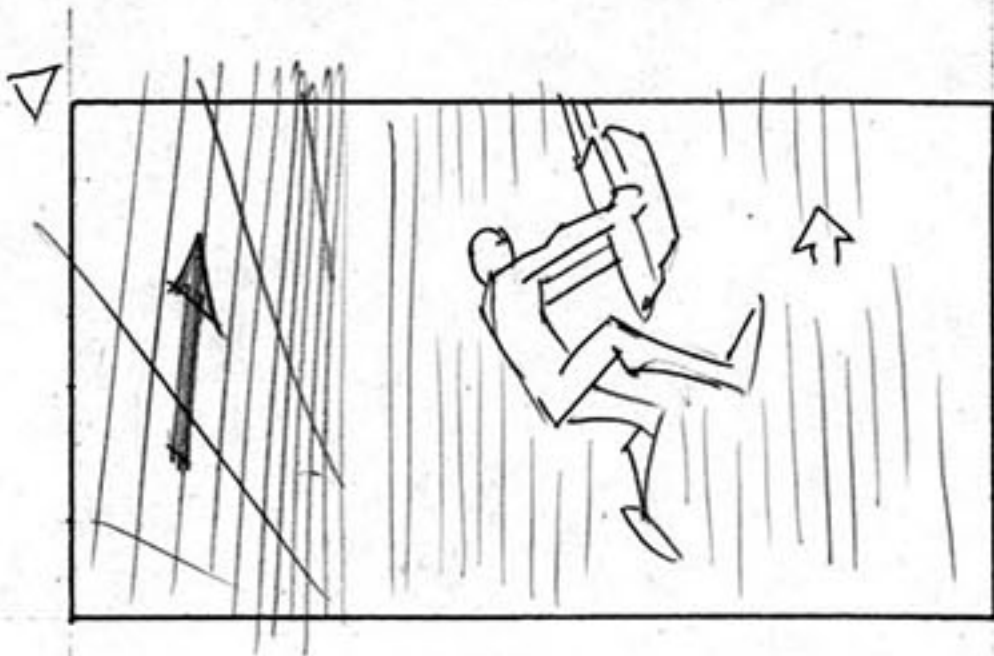

Grab nanocube

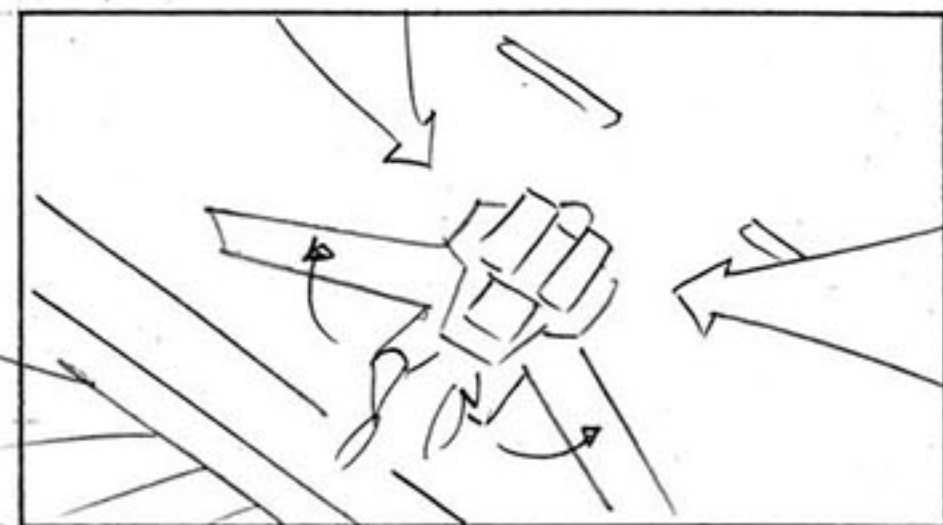

Wingsuit emerges

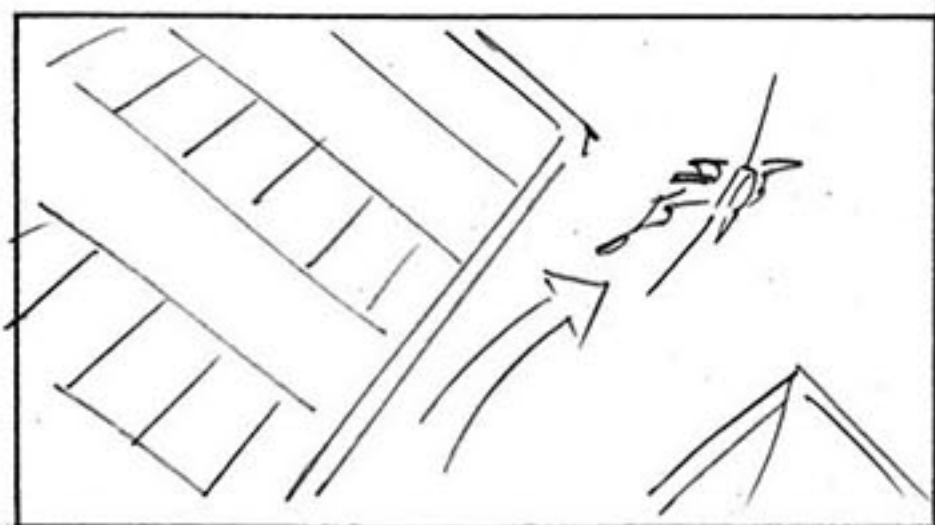

DOWNSHOT

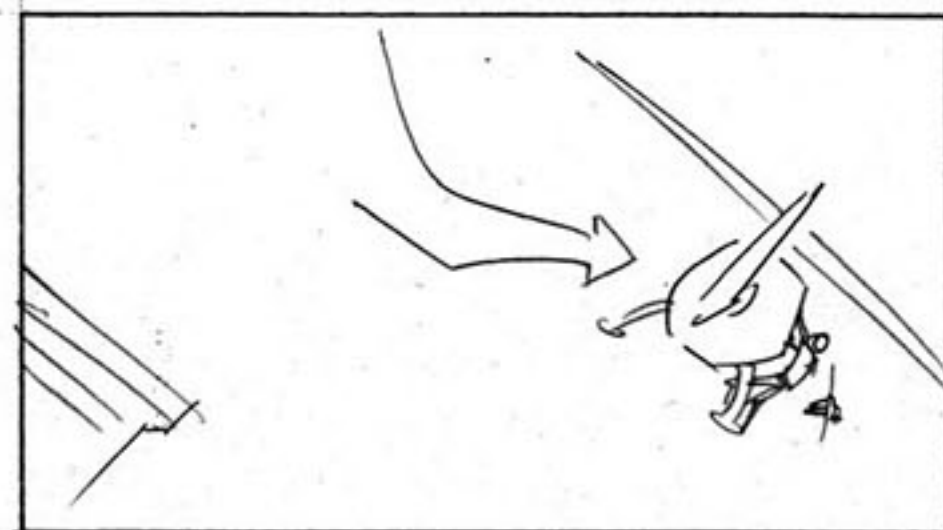

M drops away - wings pop out

Tilt up as engine starts

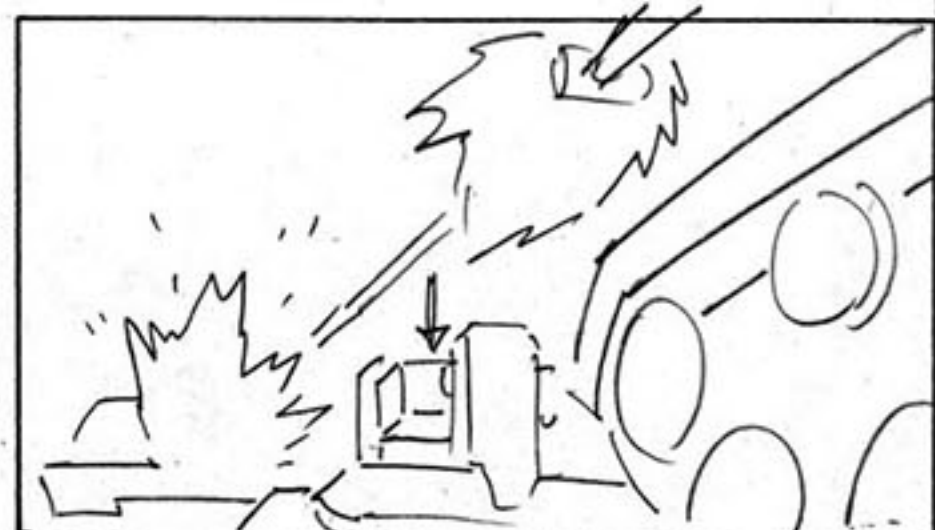

Can't

MK riding on chopper again

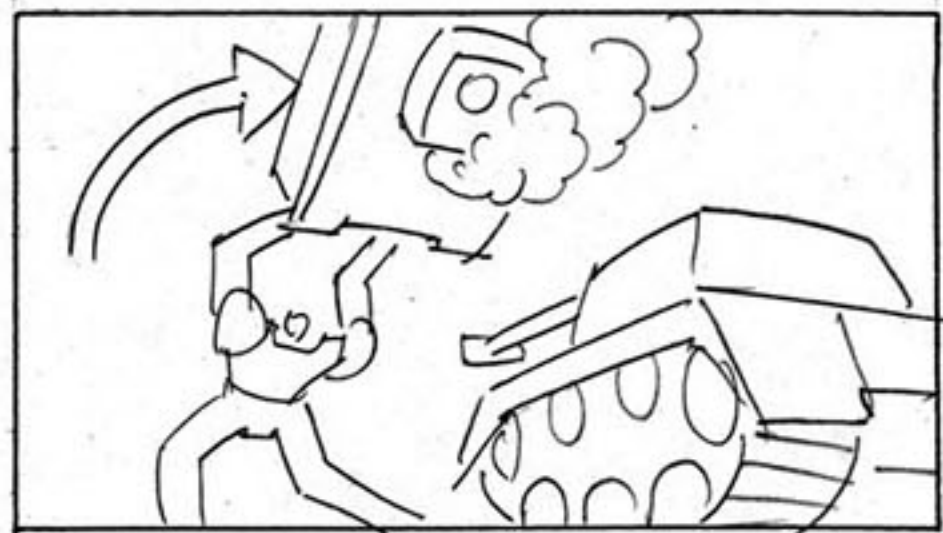

Tanks converge on C

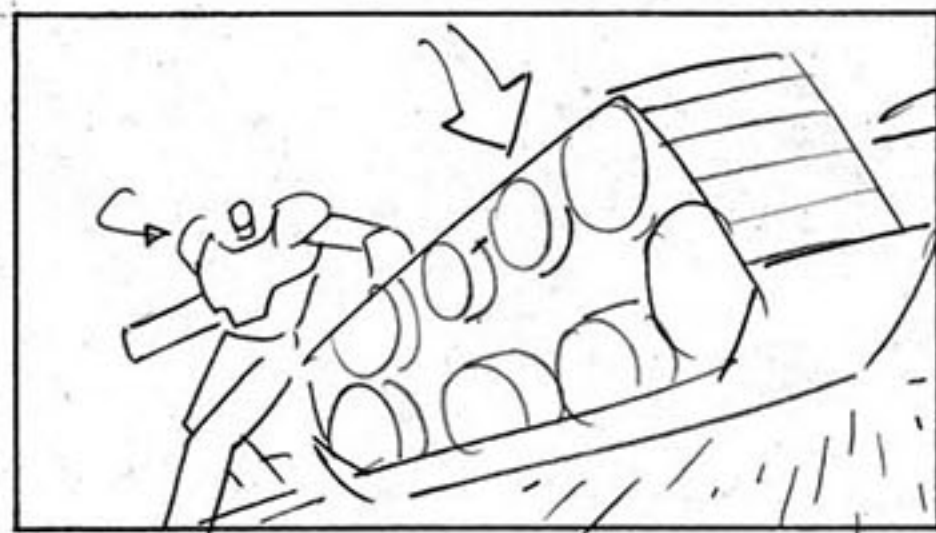

He transforms to duck shot

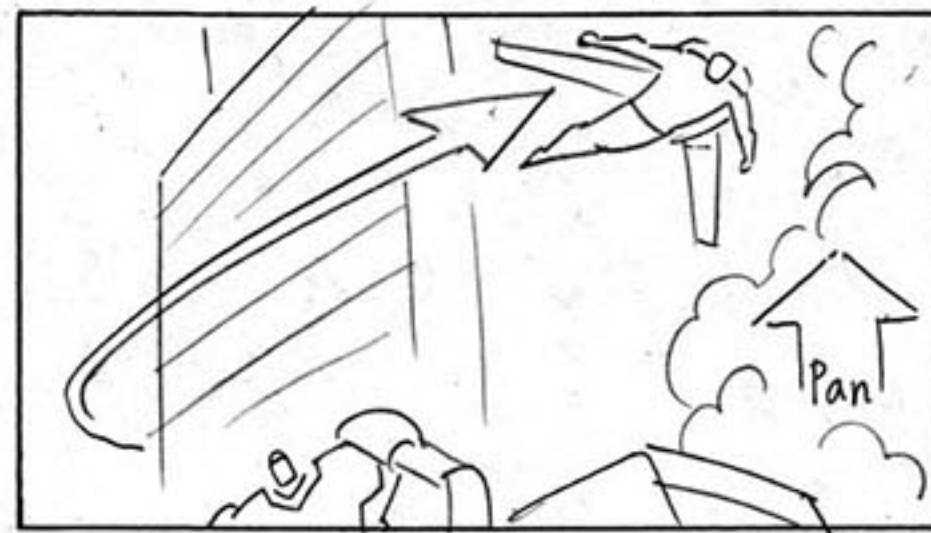

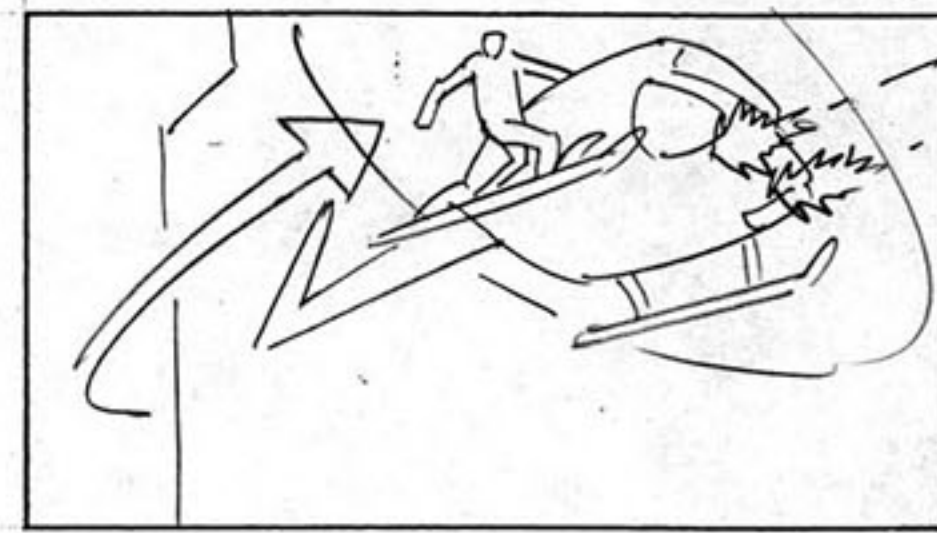

Truck out

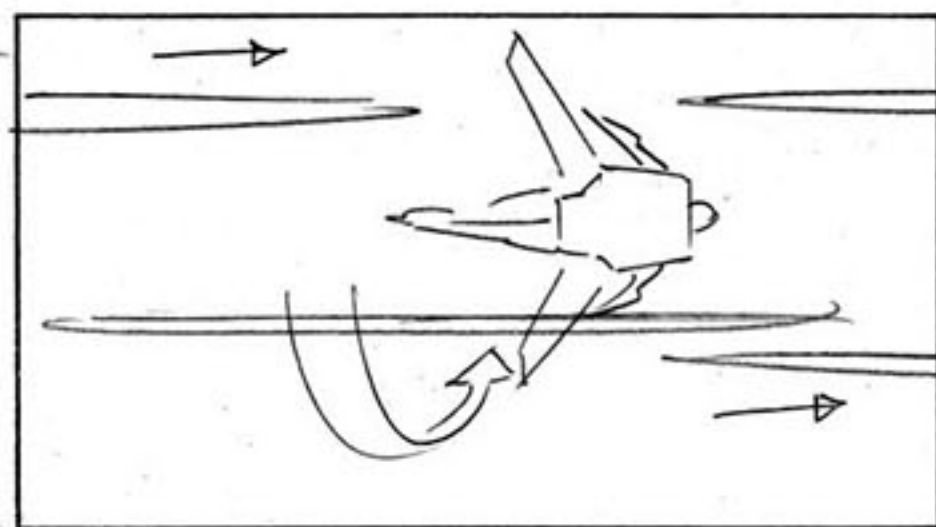

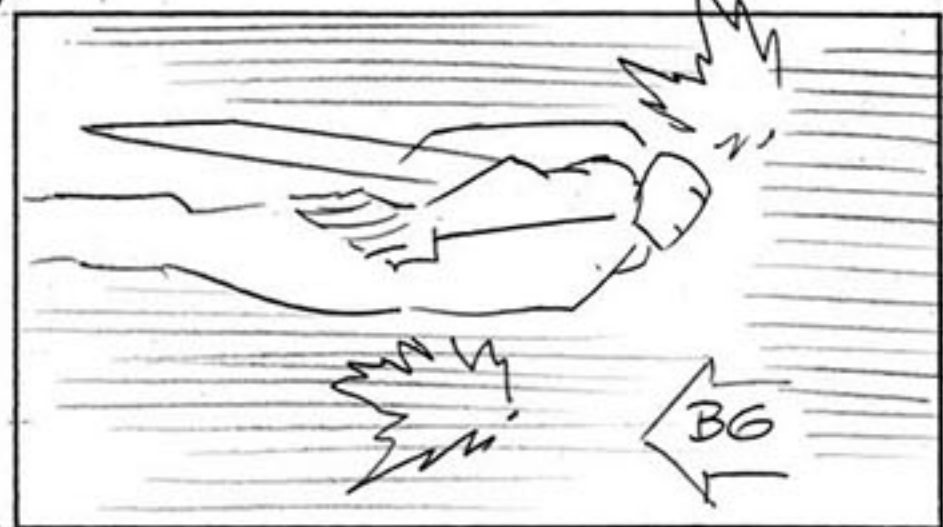

- SHAKE -

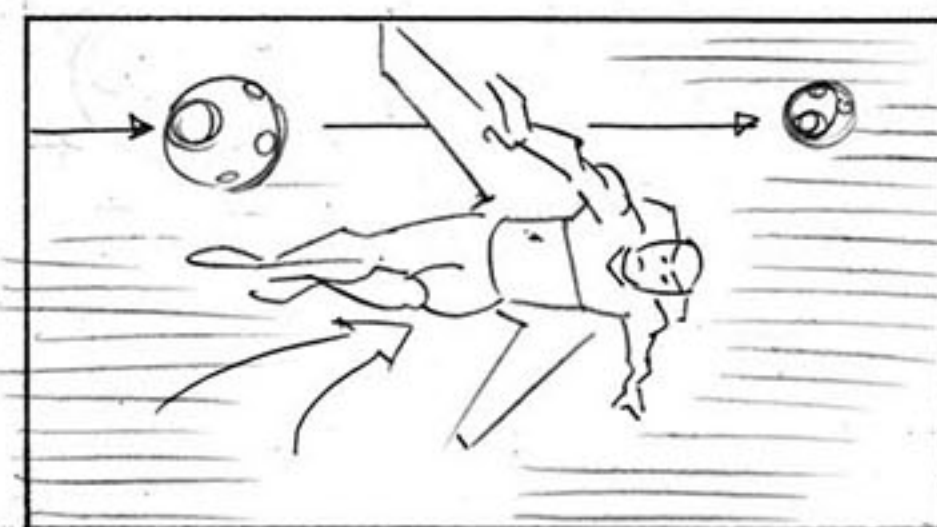

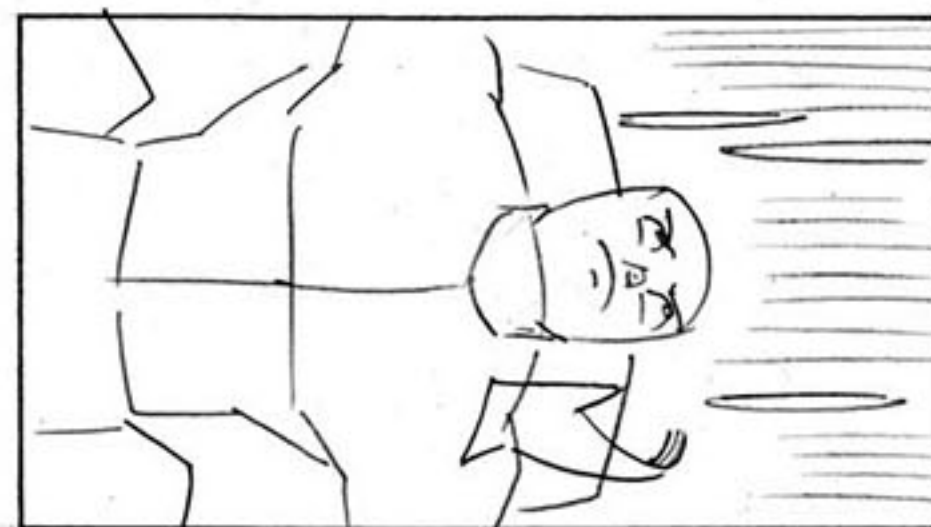

M flies overhead

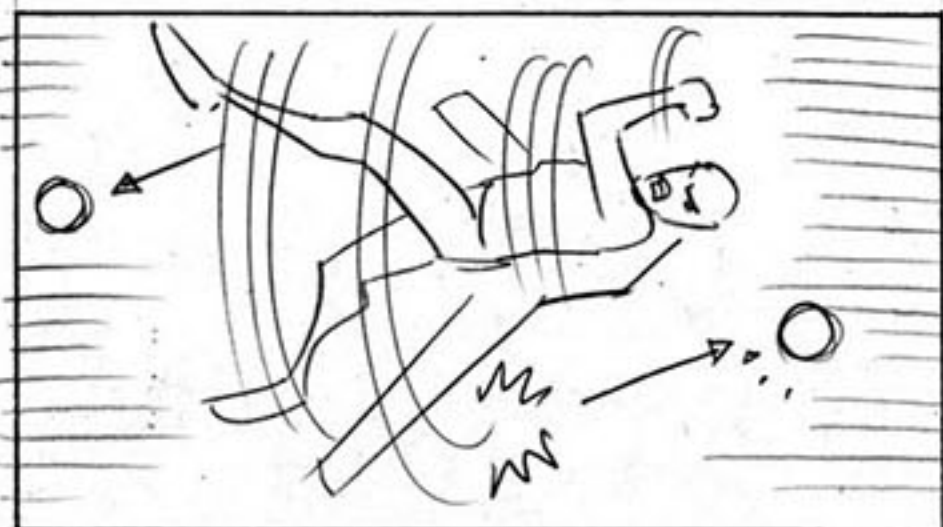

Mk follows - firing guns

M dodges bullets

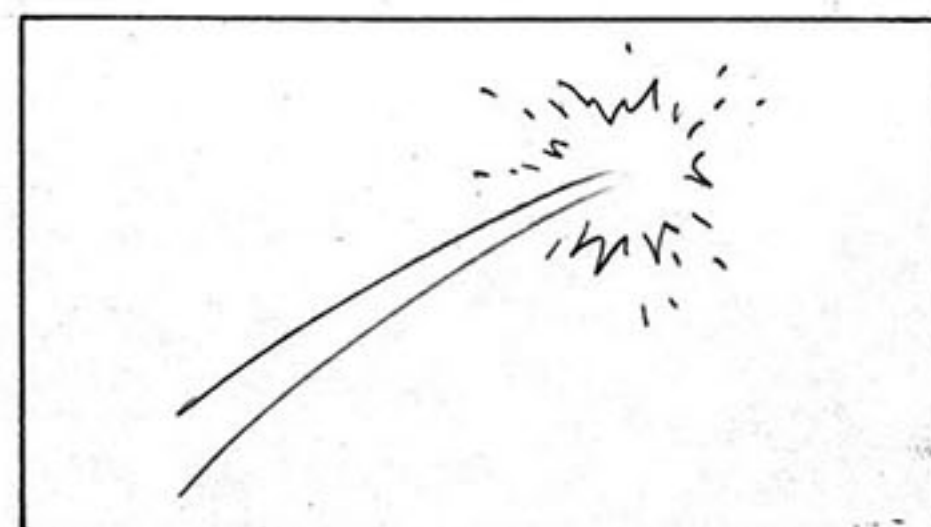

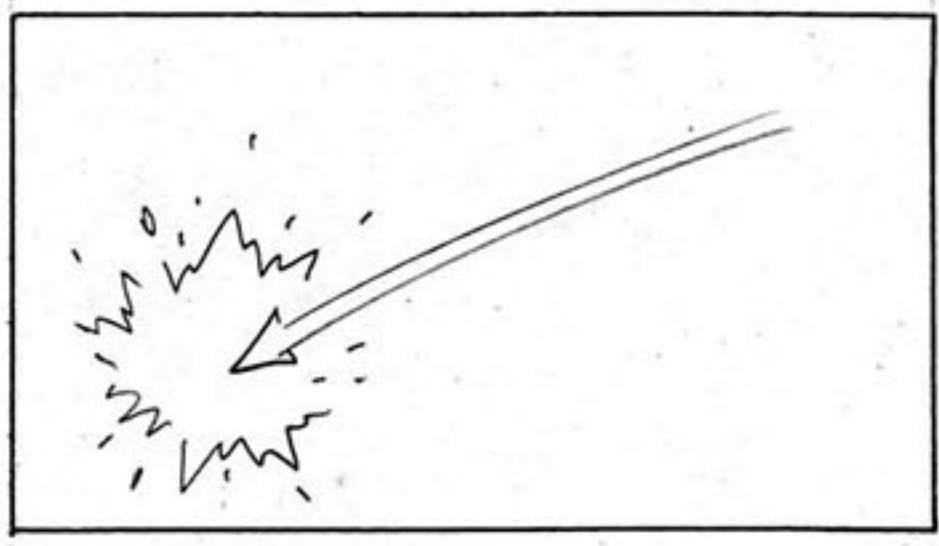

Cam drones in

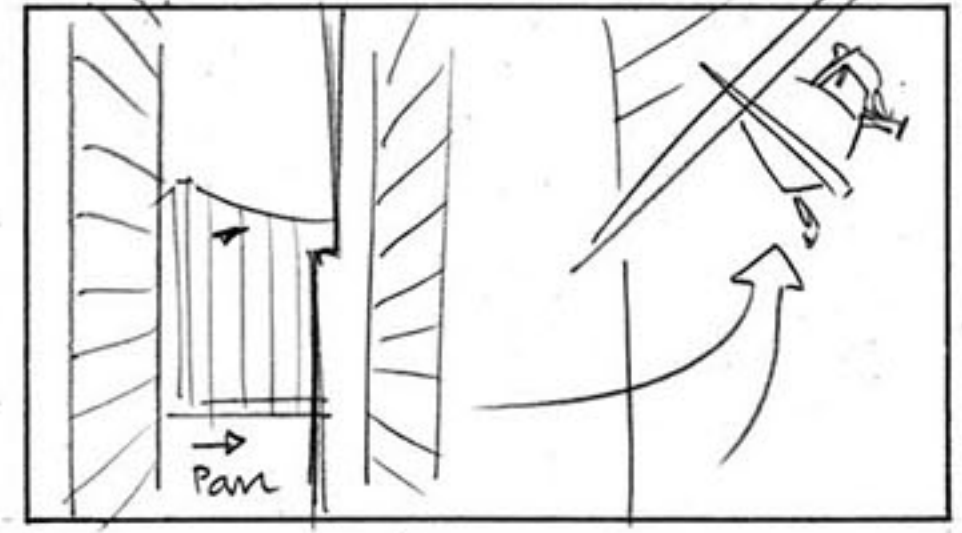

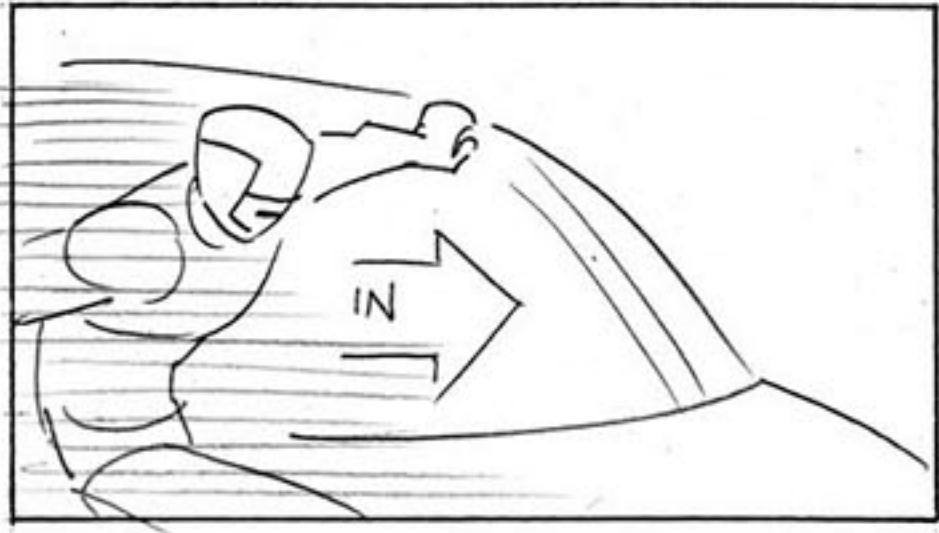

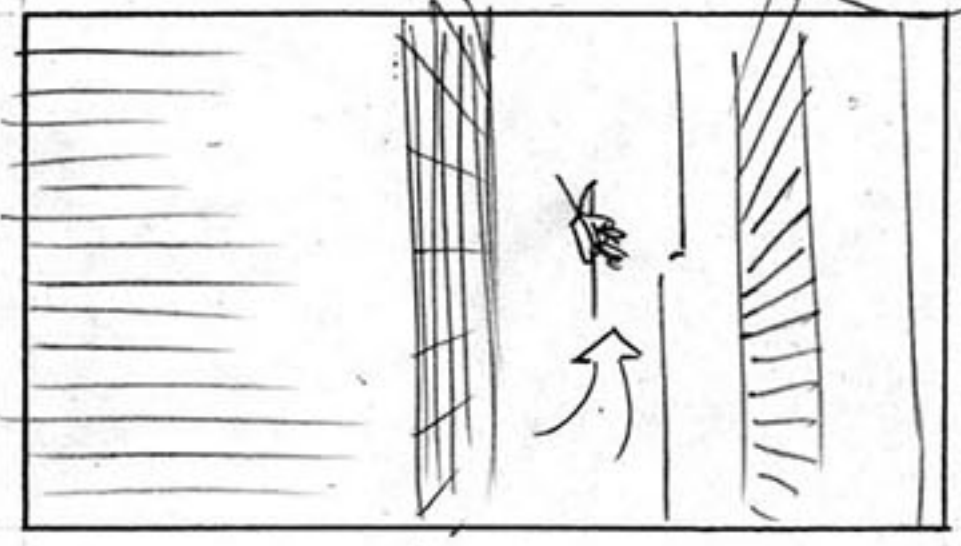

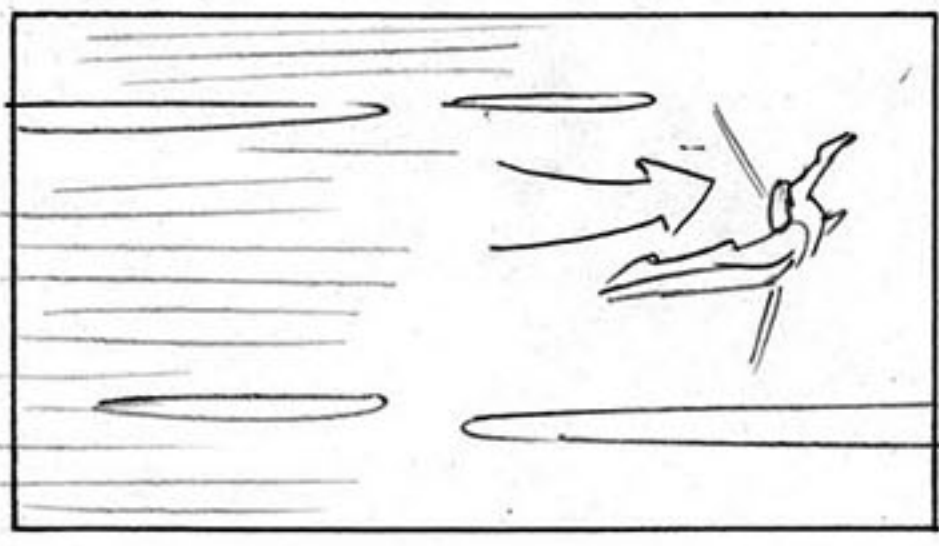

M spins to knock both OS with wings

233 M: No pictures, please!

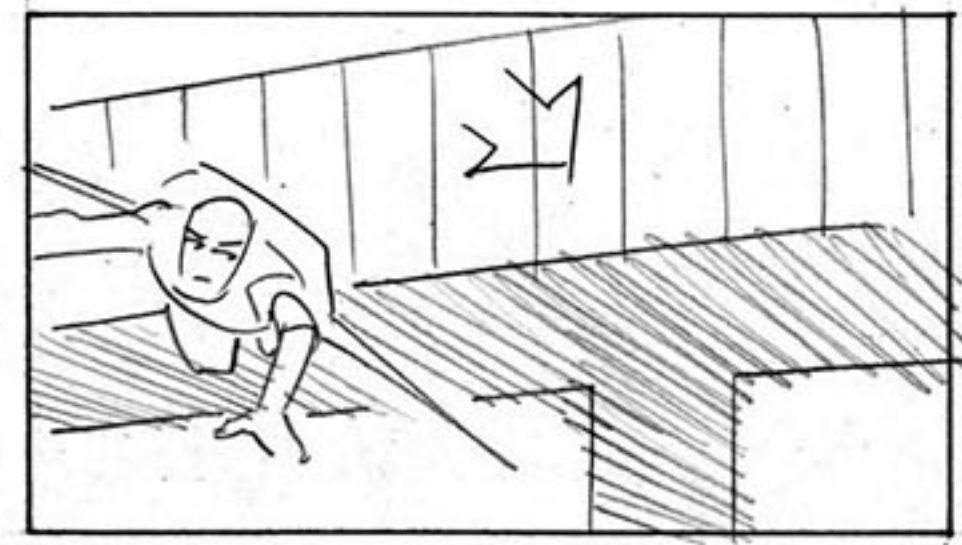

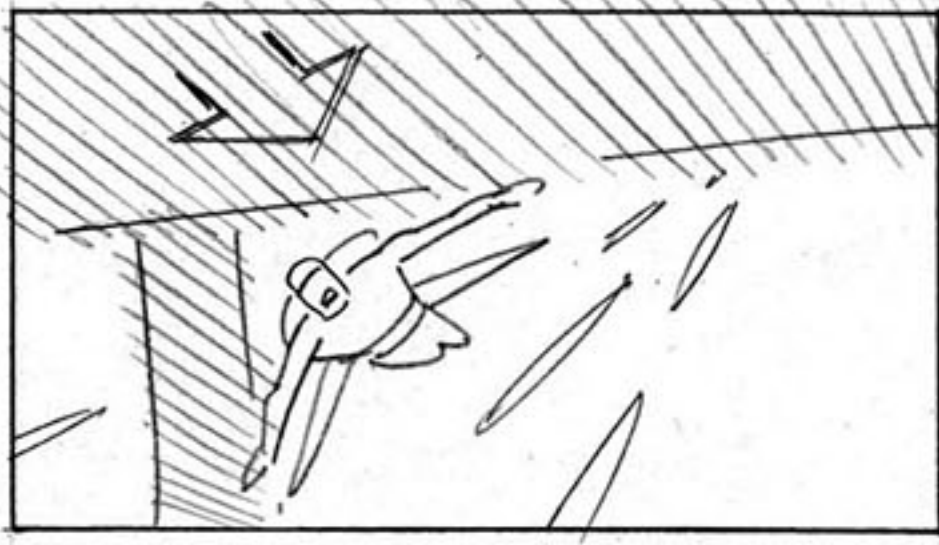

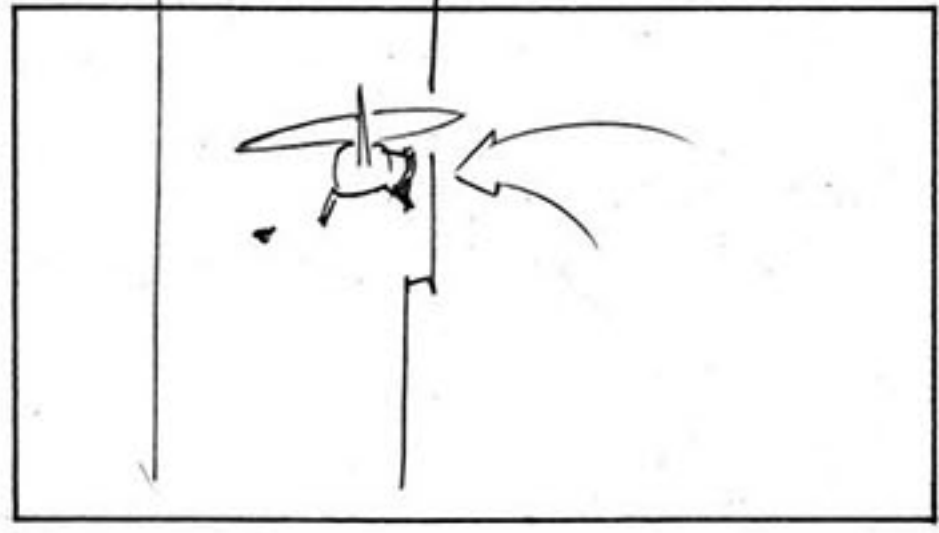

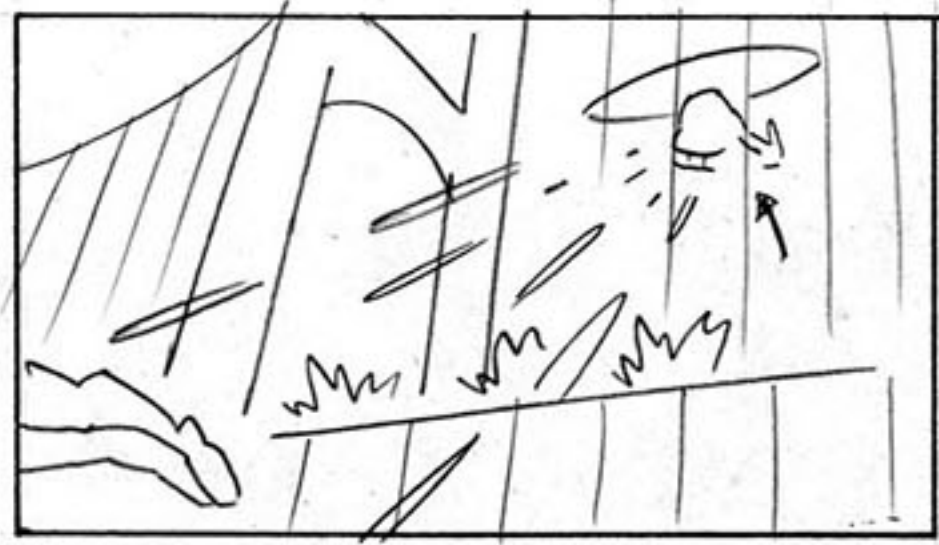

M: Paparazzi!

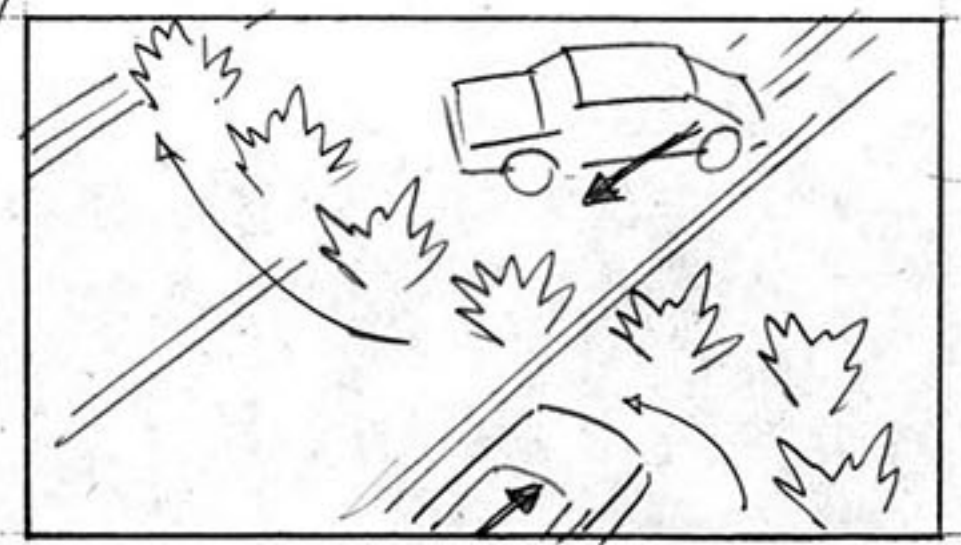

bridge in BG

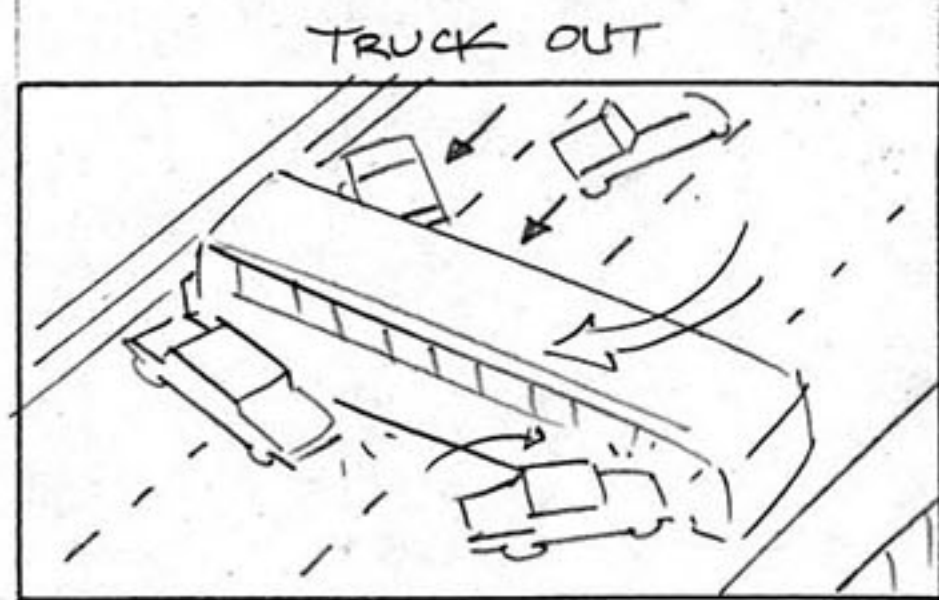

M. flies under bridge

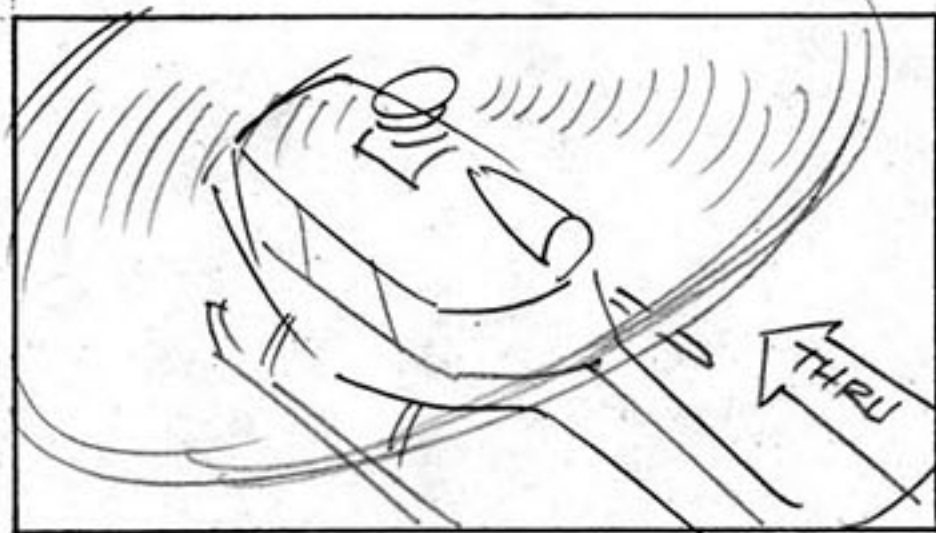

chopper rises, firing

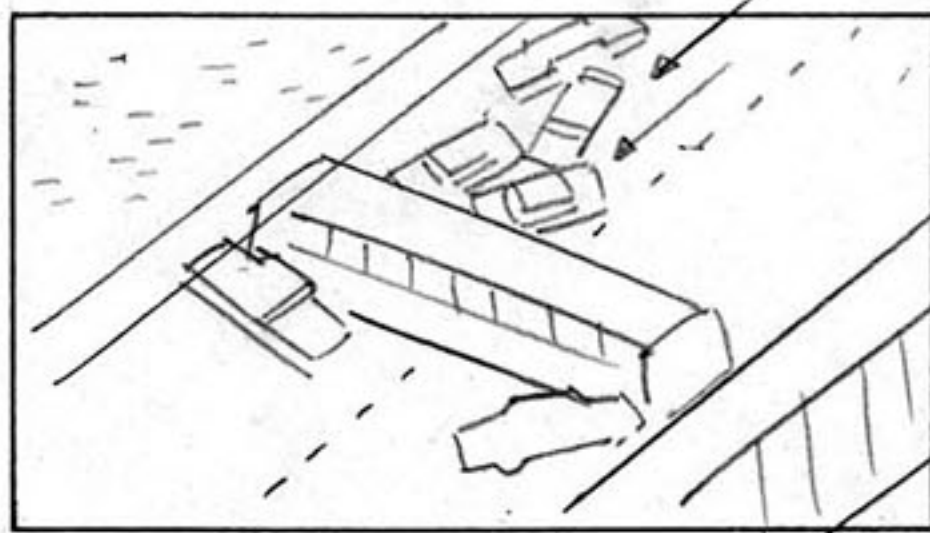

bullets rip across street
cars skid/swerve

Bus swerves in - hits cars

Chopper thru FG

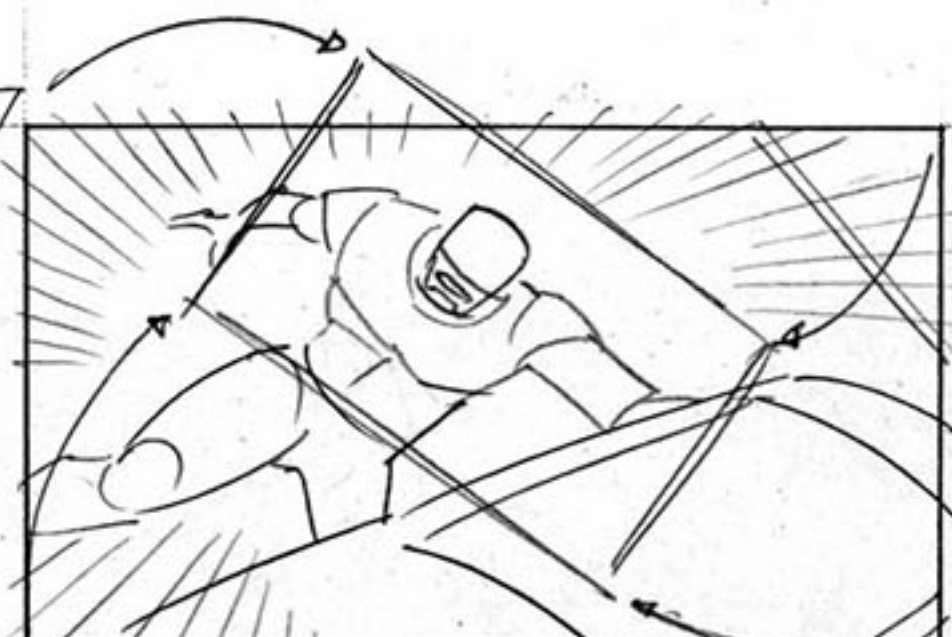

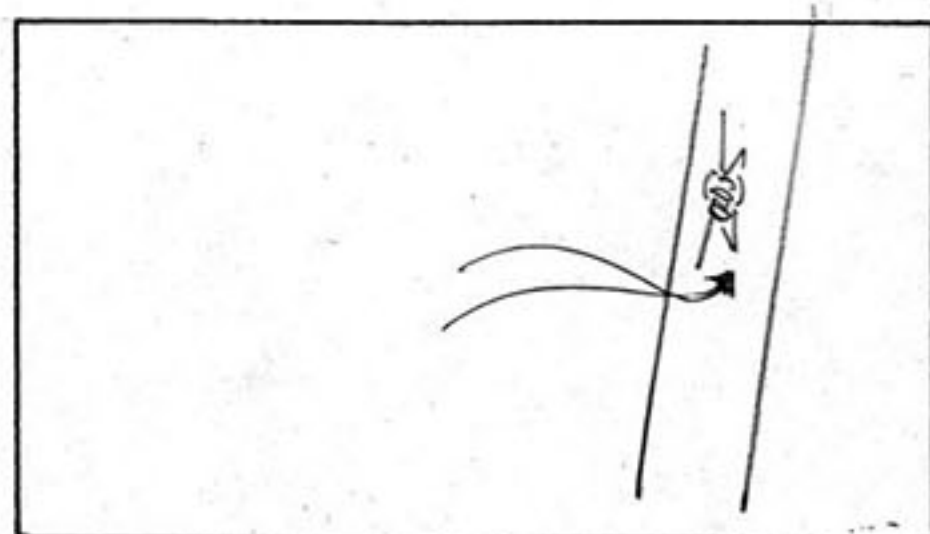

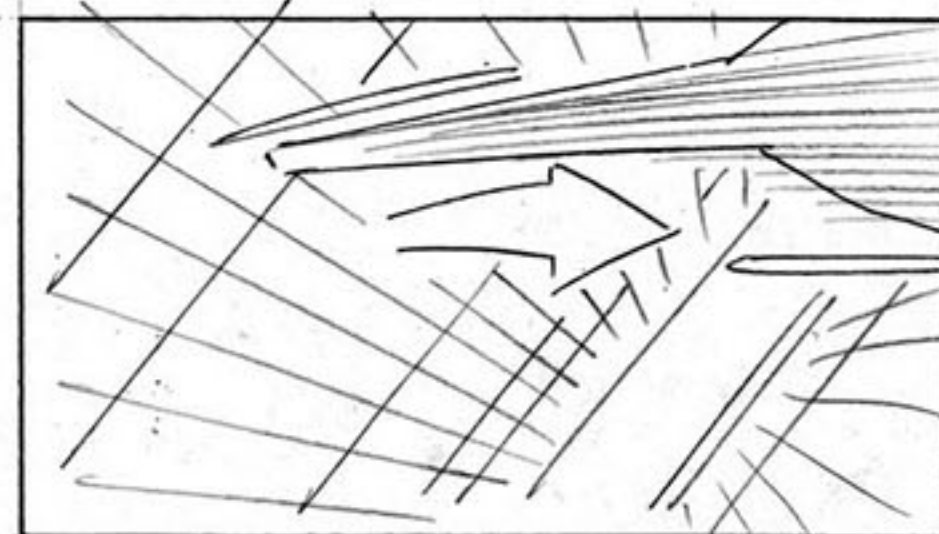

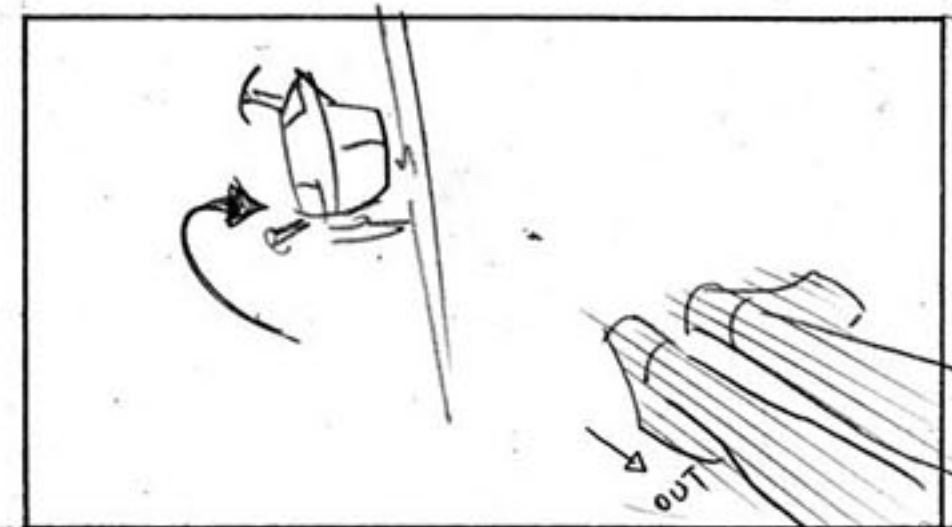

More cars slam into bus

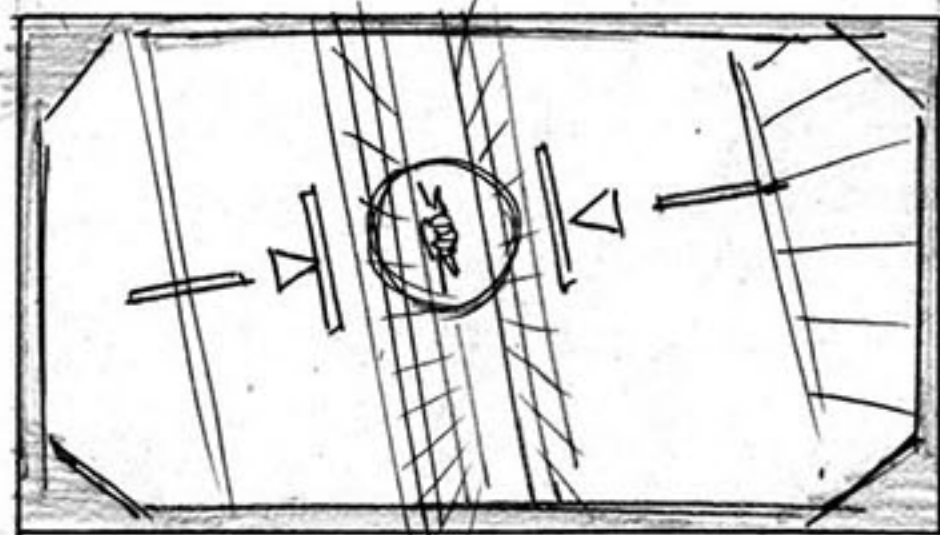

(234) M: Not good, I've got to shake him -

-before somebody on the ground gets hurt!

Twist truck in on MK

MK POV of approach

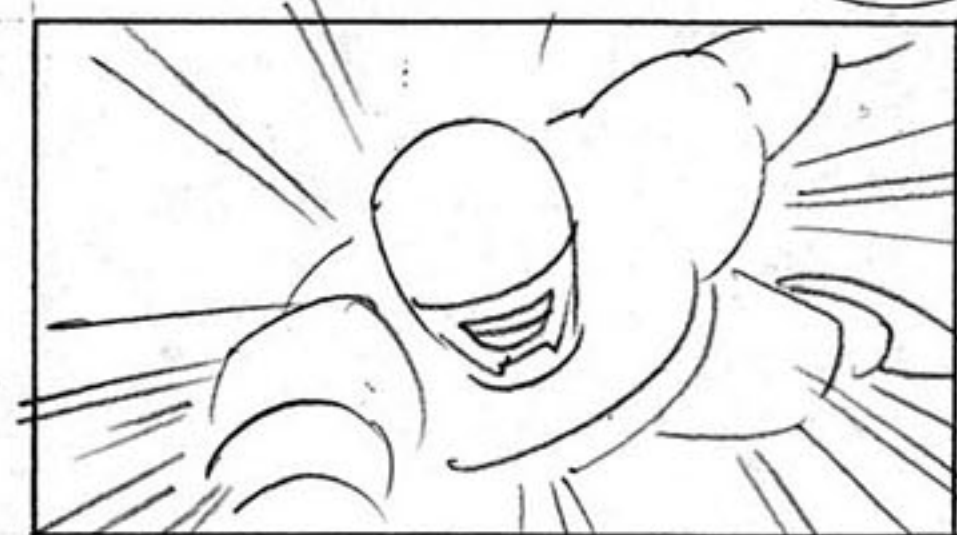

235 MK (VO): No room...

No problem!

Improvisation is —

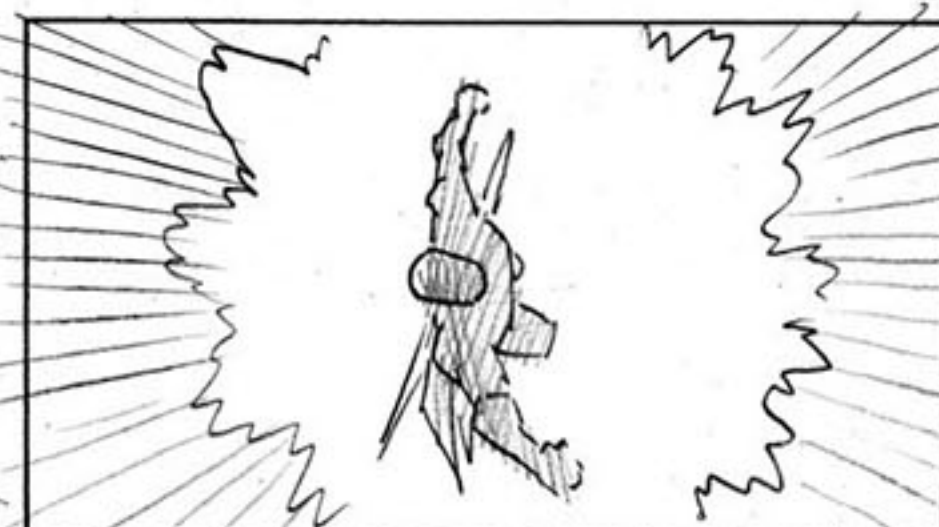

—my specialty!
fly into cam — shafts of
light burst out of MK's body

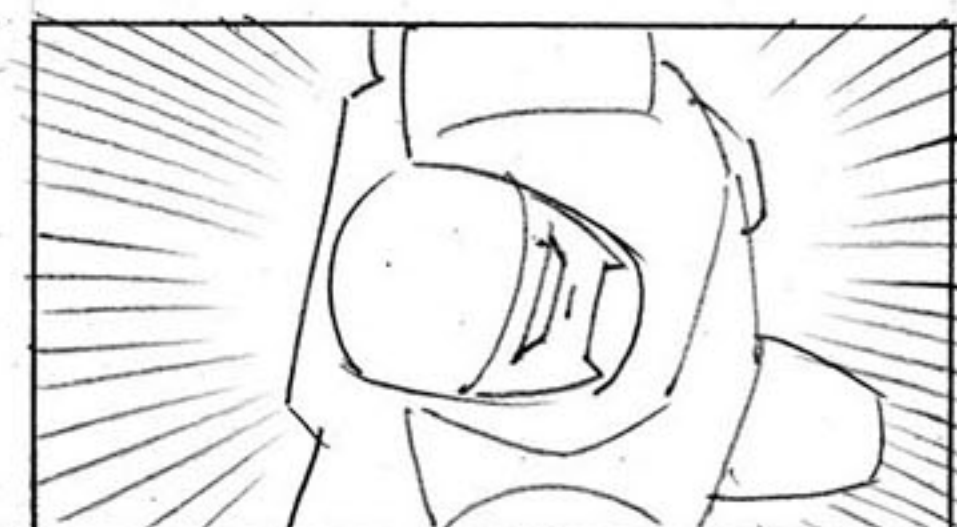

M looks down & back

POV looking back
SLO MOTION ⇒

Chopper crashes/explodes
Throws MK into silo for
a beat

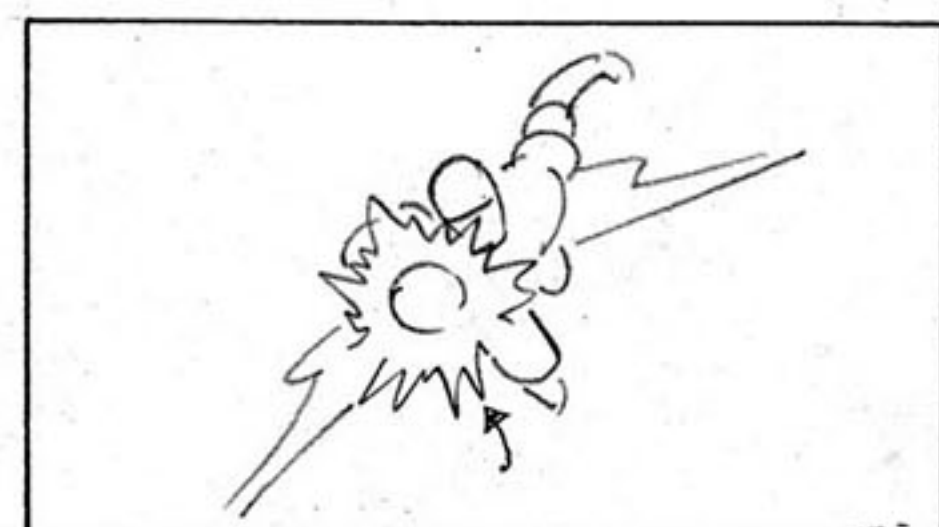

MK gains into cam —
emerges from silo

M reacts
(Back to normal speed)

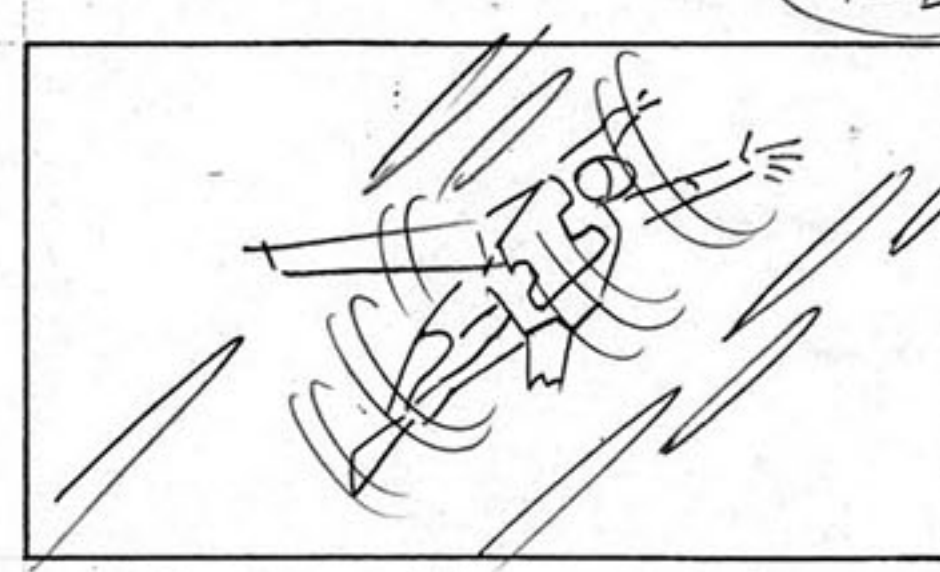

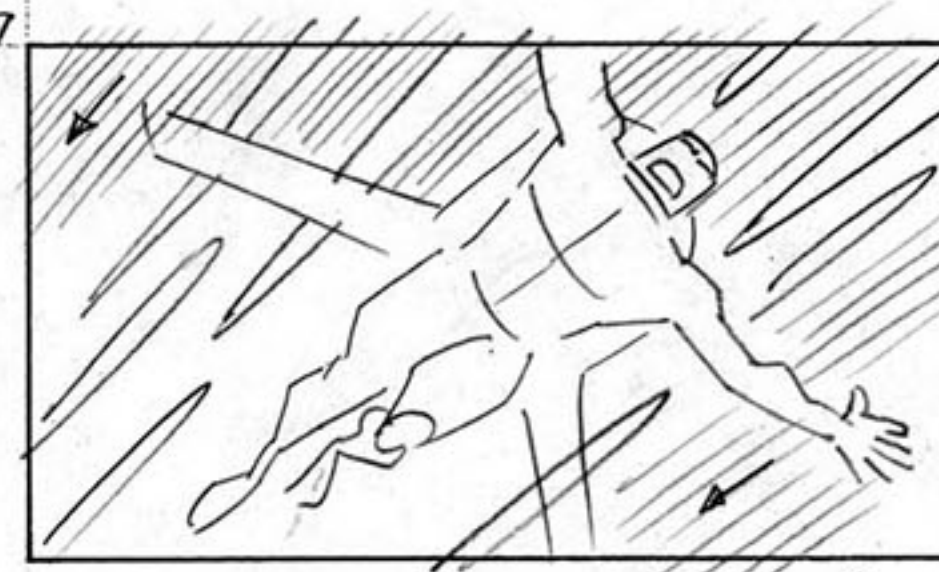

On MK, fully transformed

fire into cam

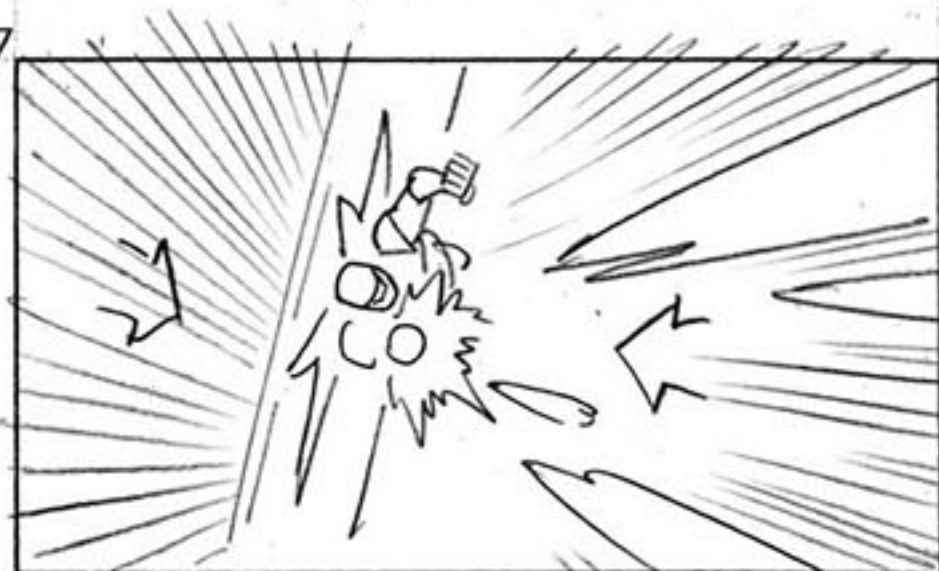

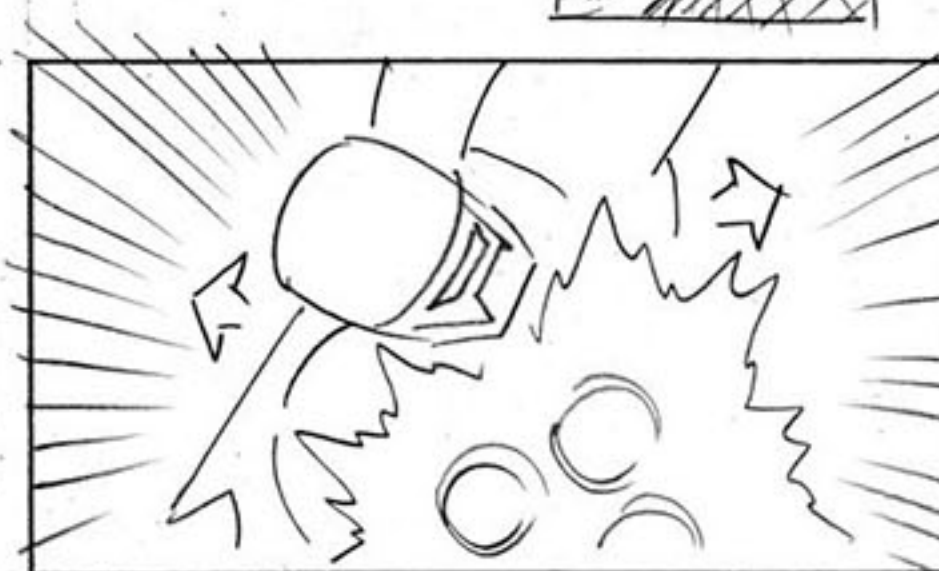

M's wing hit

He goes into a spin

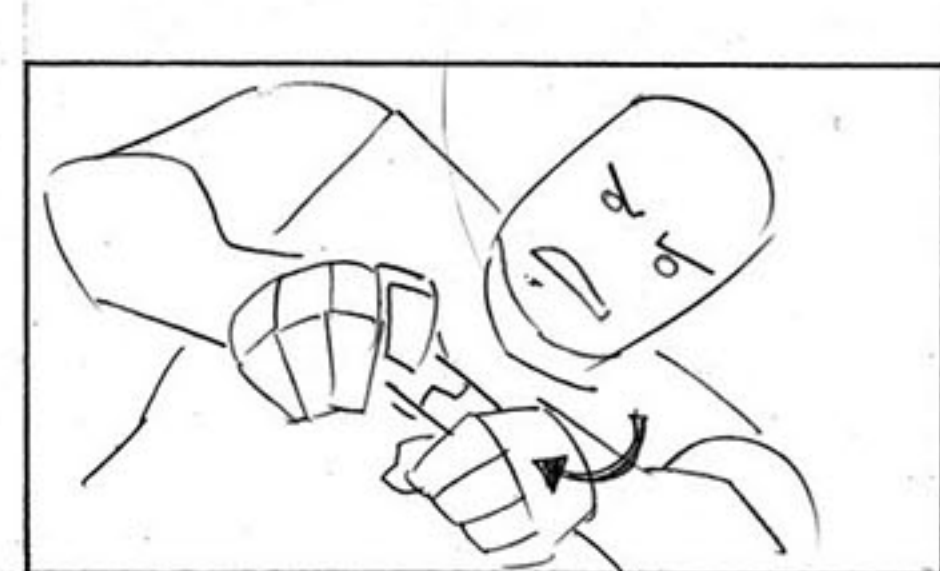

UPSHOT
IN BG

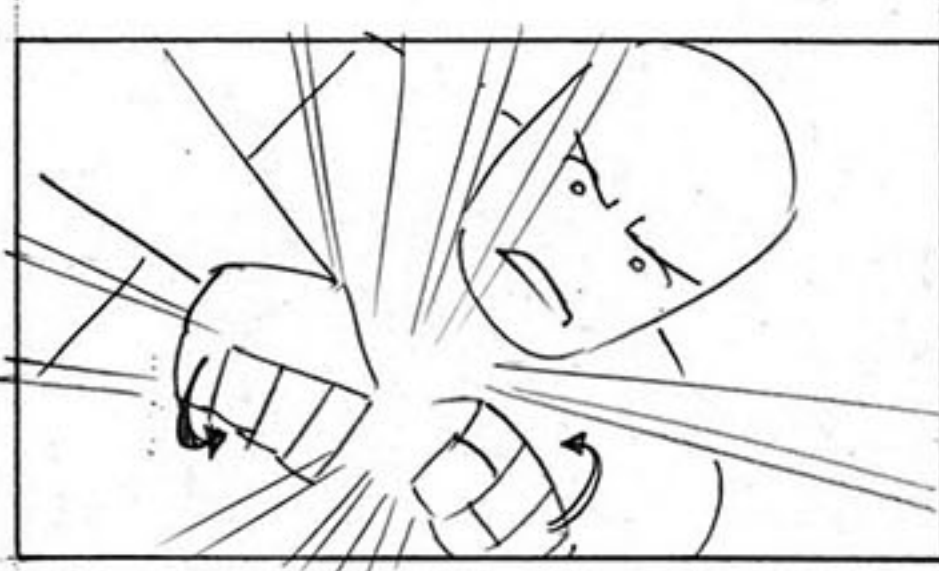

MK gains into cam, firing

(236) M: Time to -

-ditch!

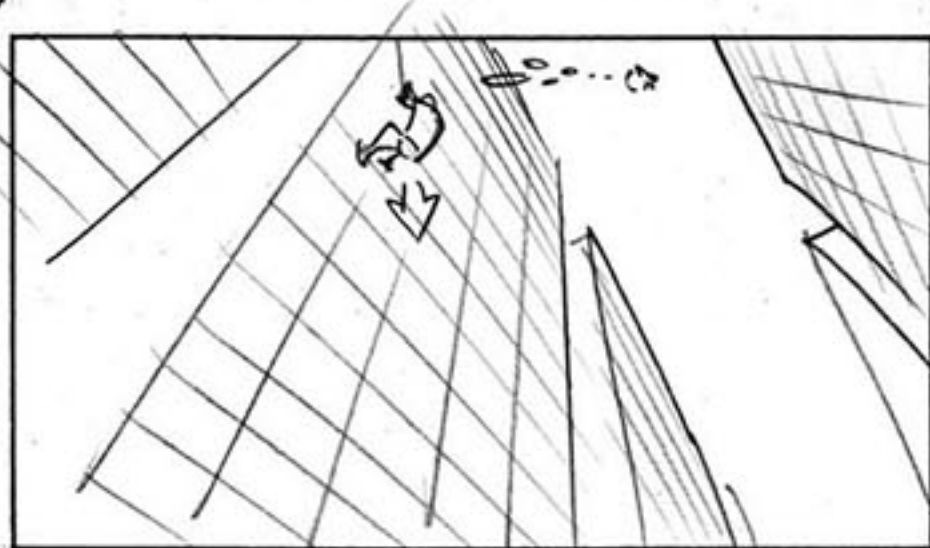

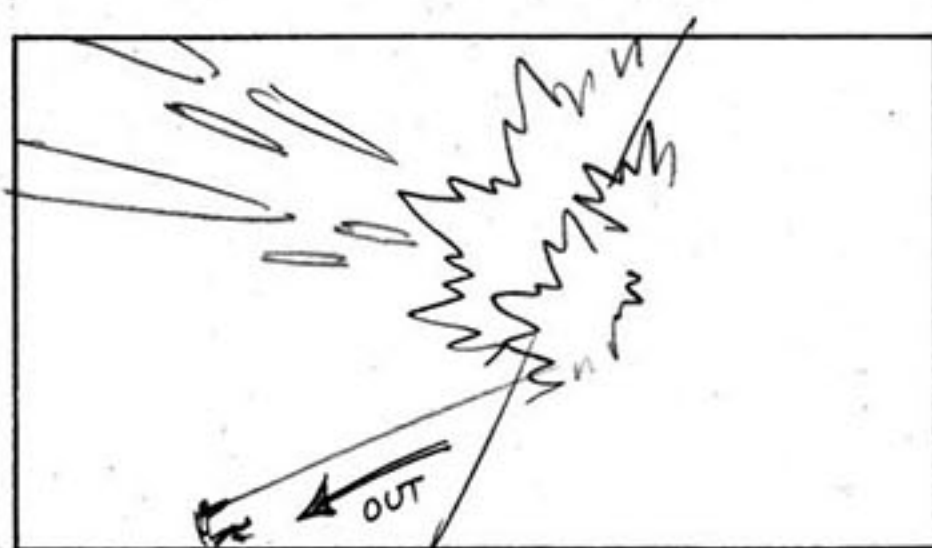

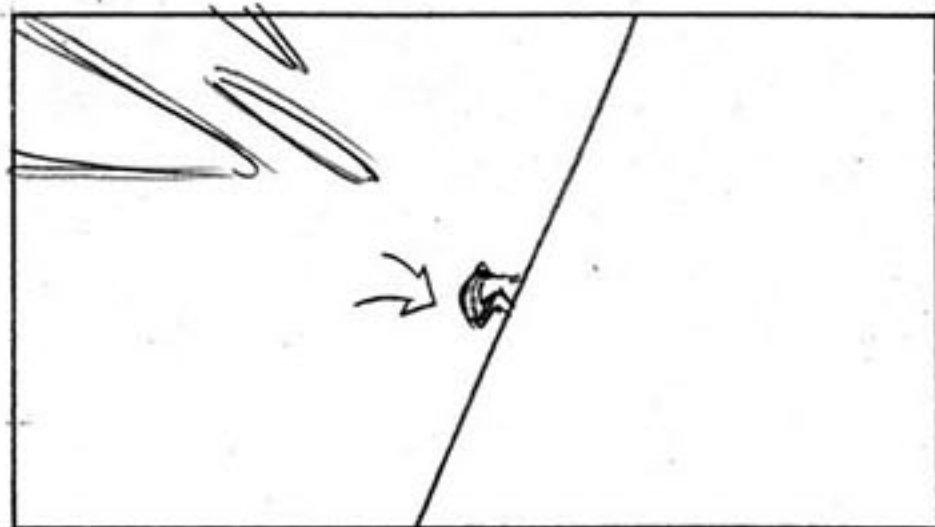

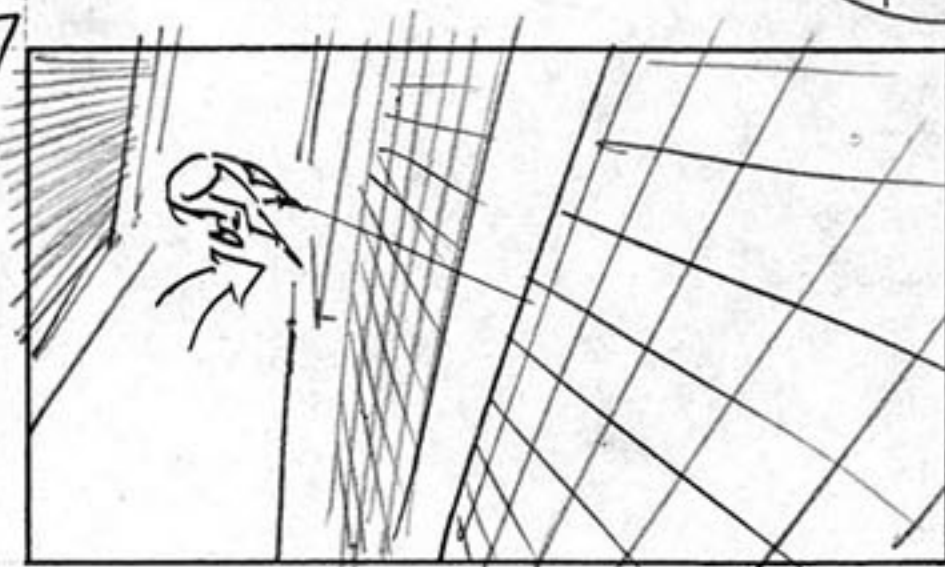

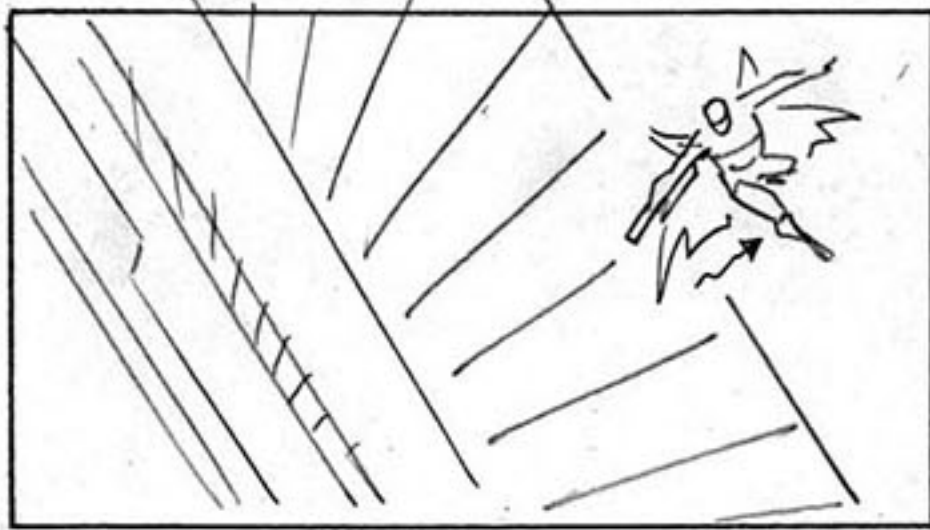

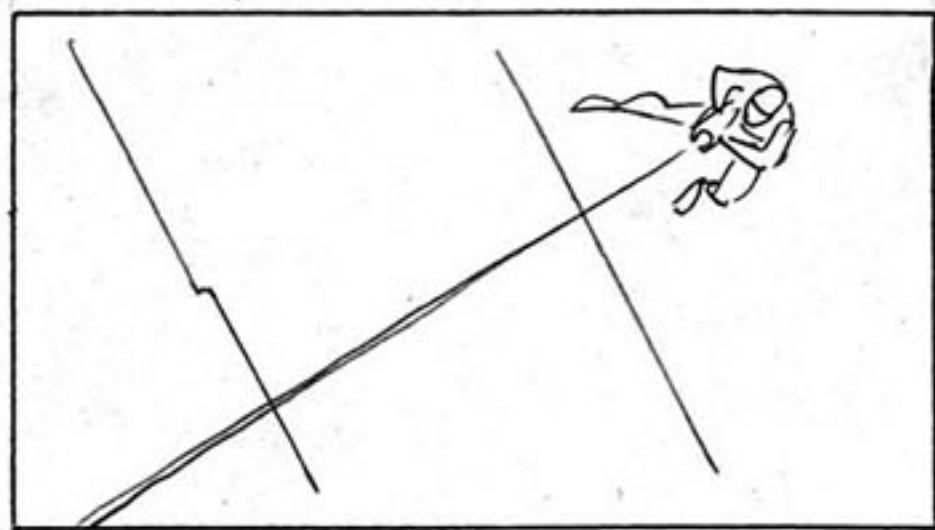

Zip gun appears

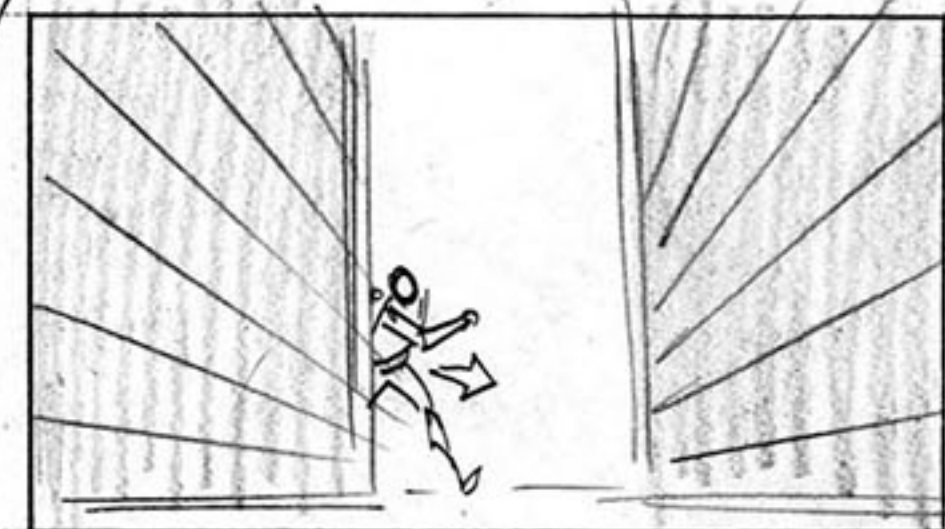

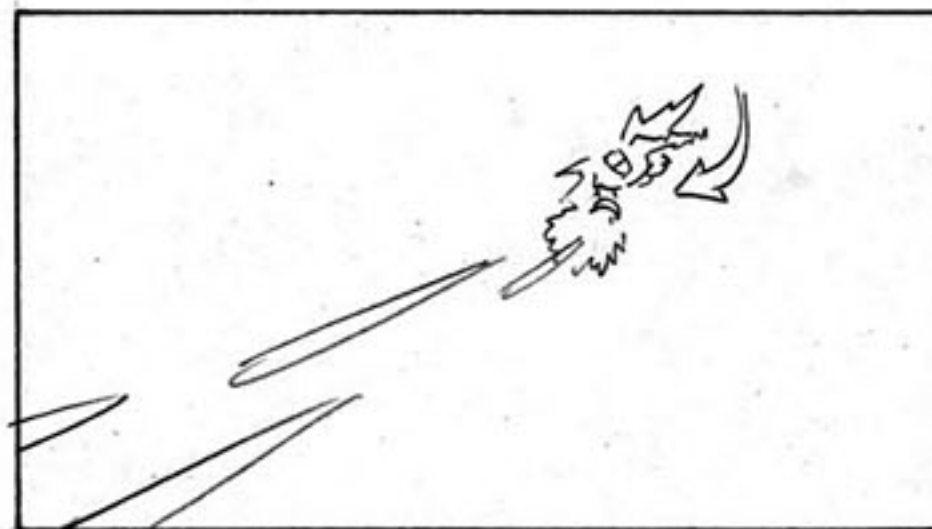

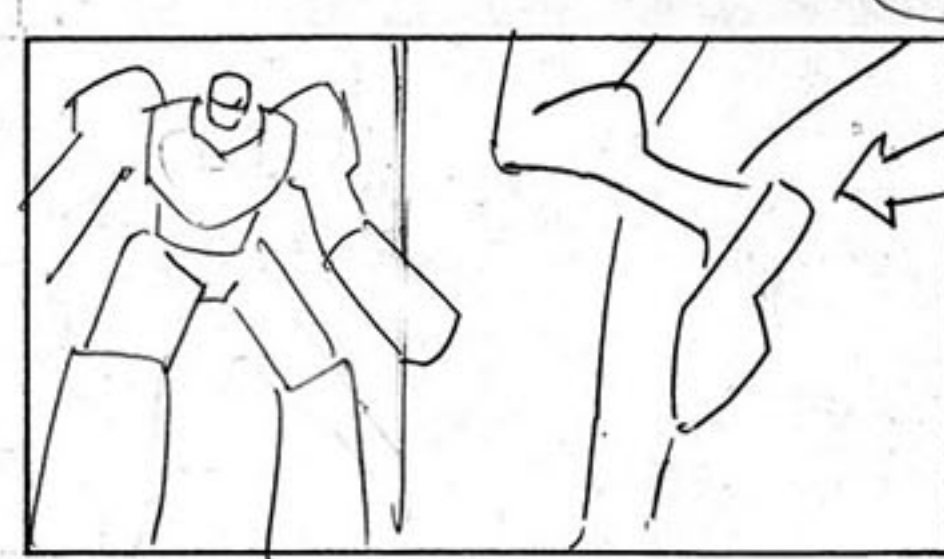

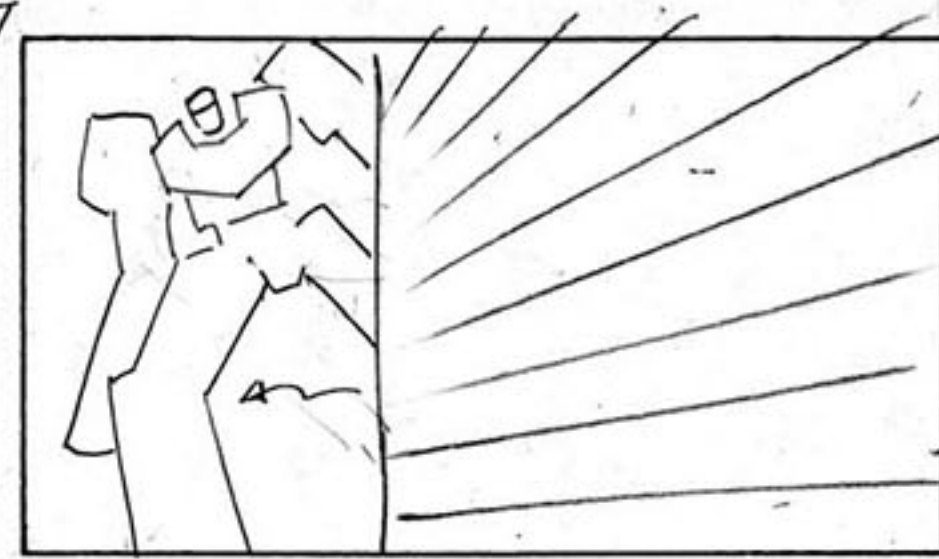

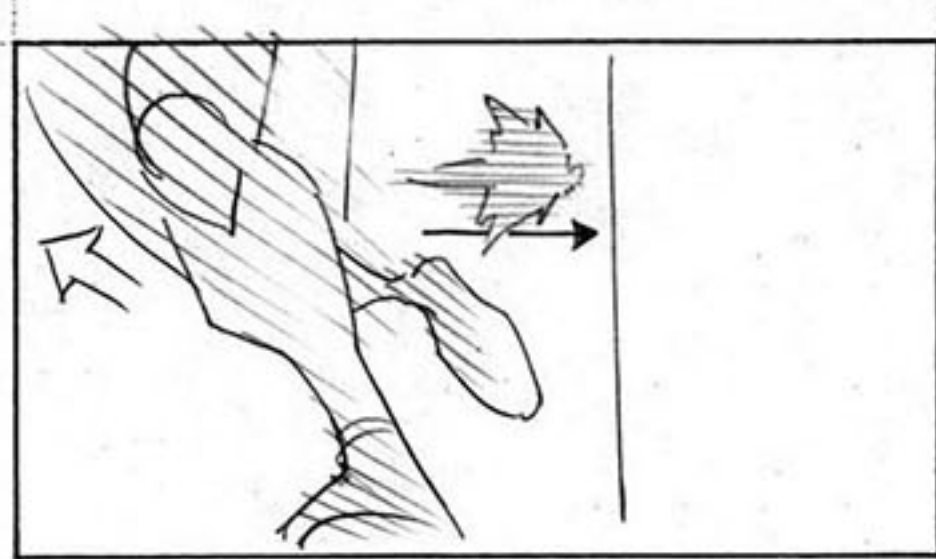

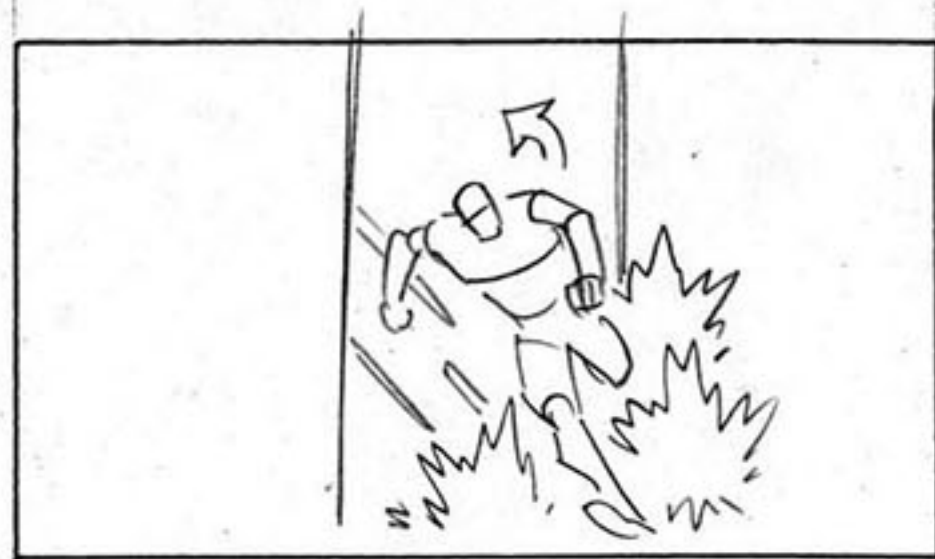

M drops backpack as he
exits alley

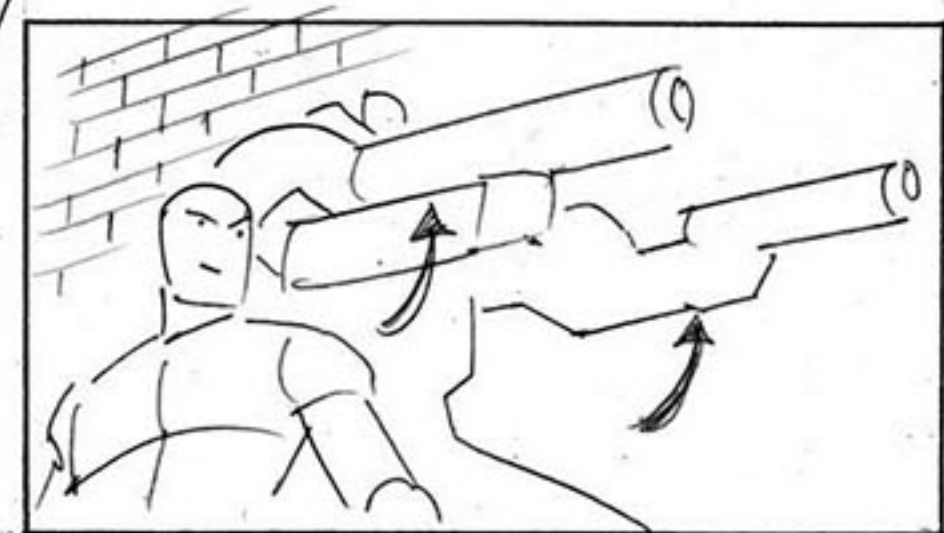

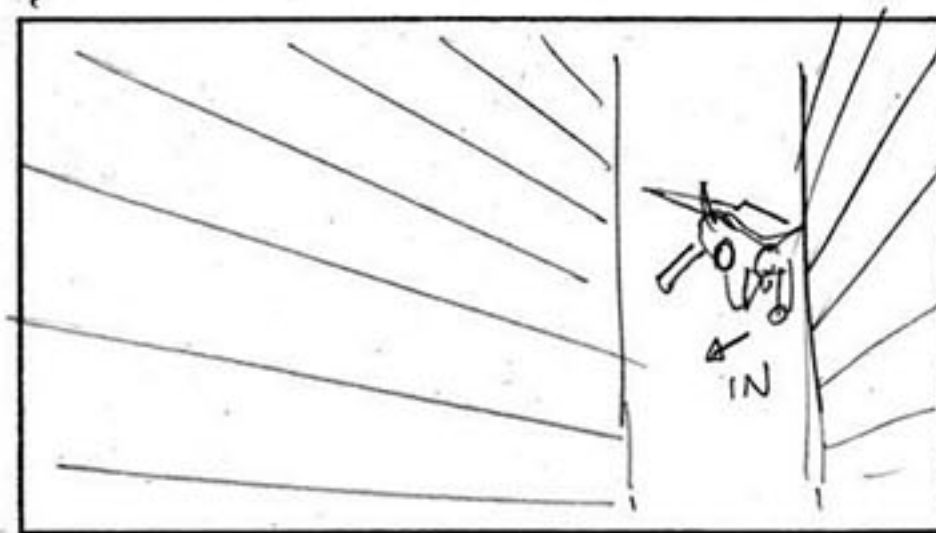

Bullets in

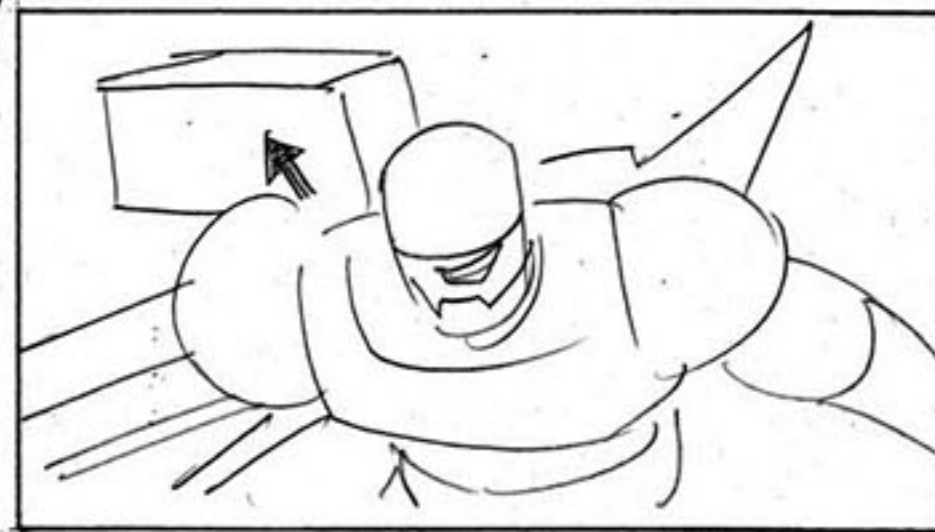

40F

237 C: Max Steel! Are you all right?

Cytro aims huge guns

(Smile)
Missile launcher (from tank form)
rises from
shoulder

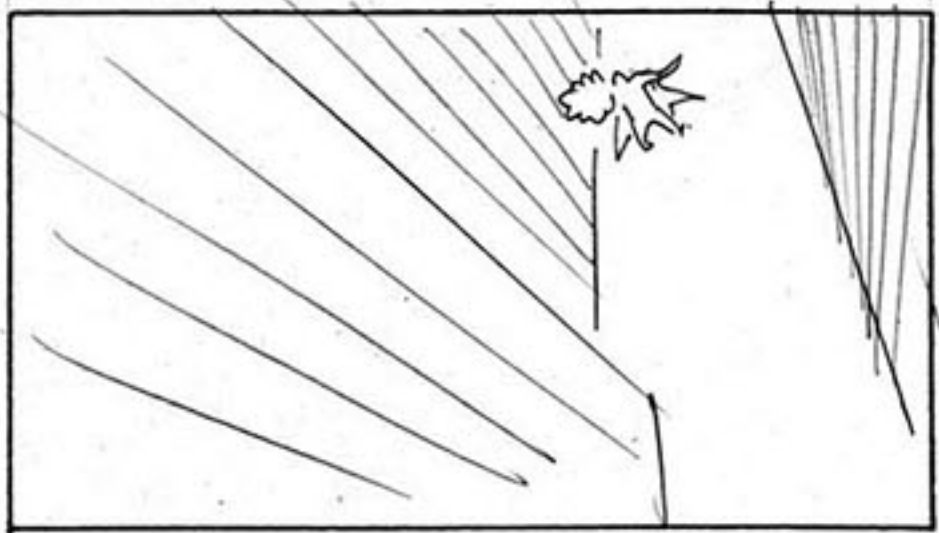

Truck out - MK
antics down

TILT
UP

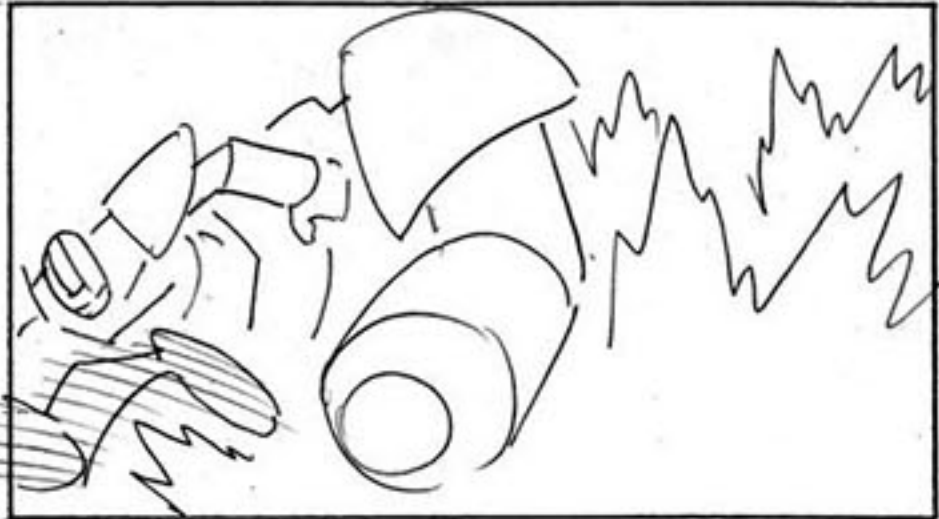

TRUCK OUT

Missile launcher fires

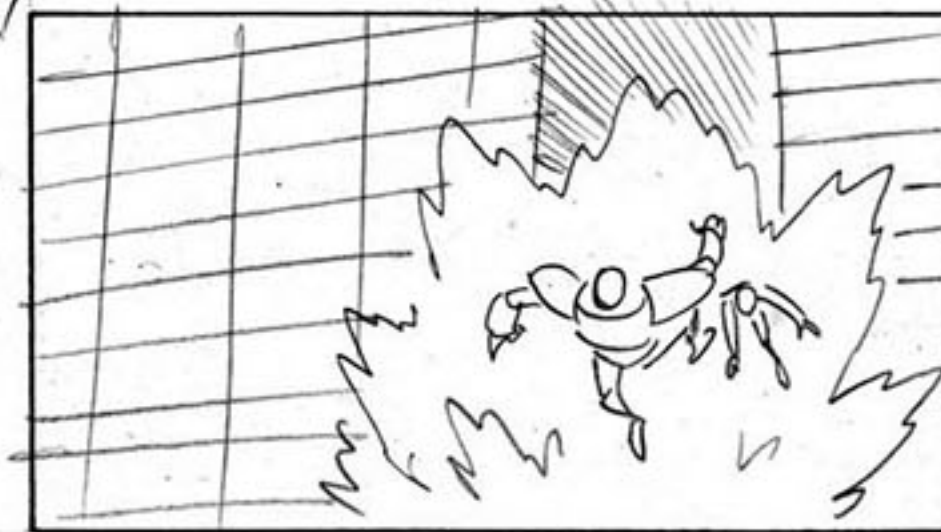

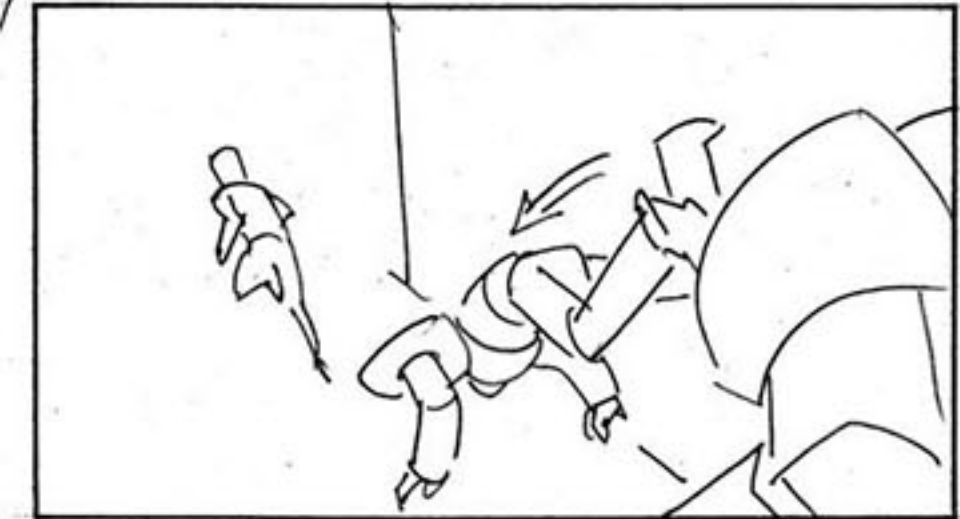

- SHAKE -

Cytro knocked out of armor

- SHAKE -

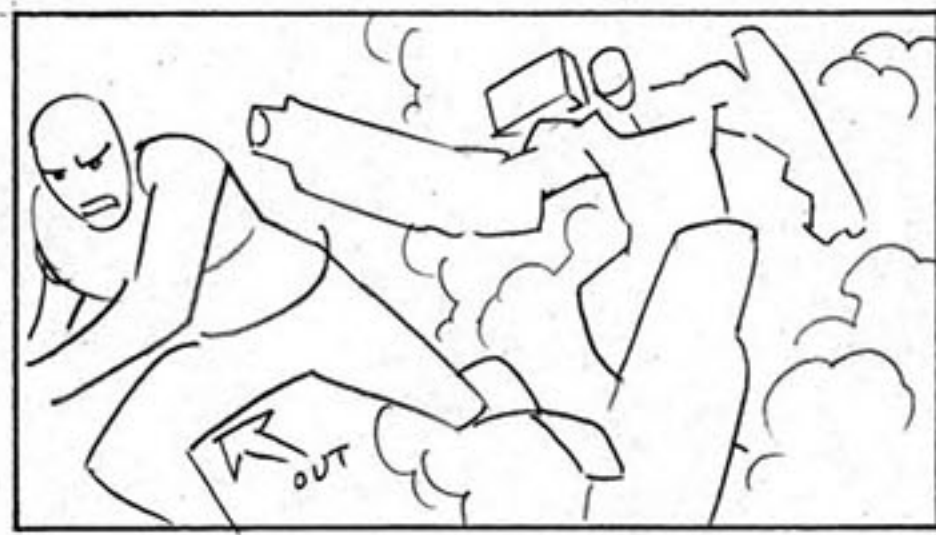

- SHAKE -

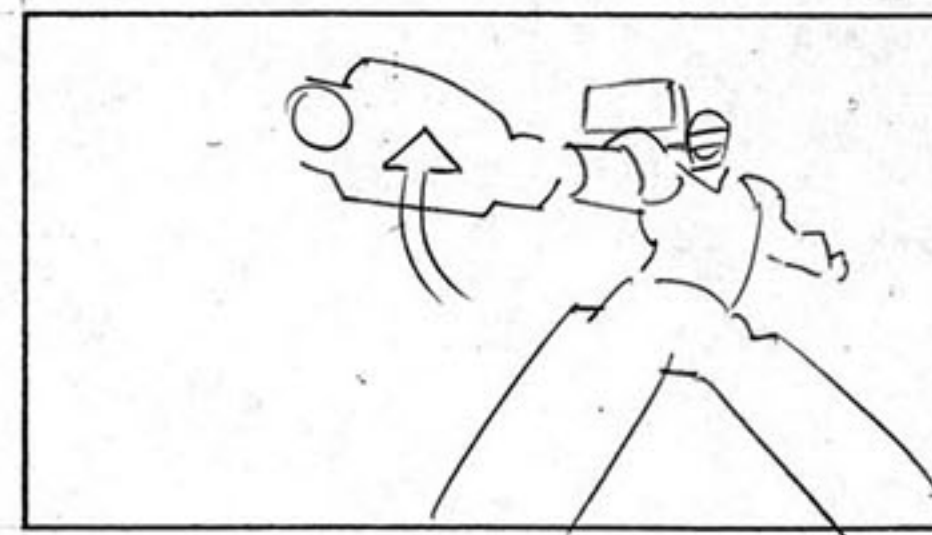

Cannon emerges from smoke

TRUCK OUT
238 MK: Like my new

- suit, steel? Or is it too ...

LOUD?

BOOM!

238 M: Cytro!

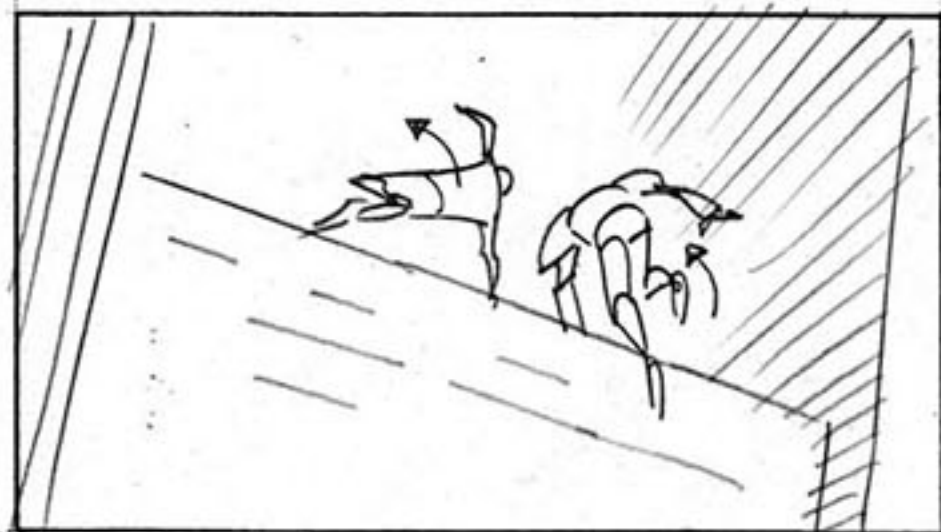

Watch out!

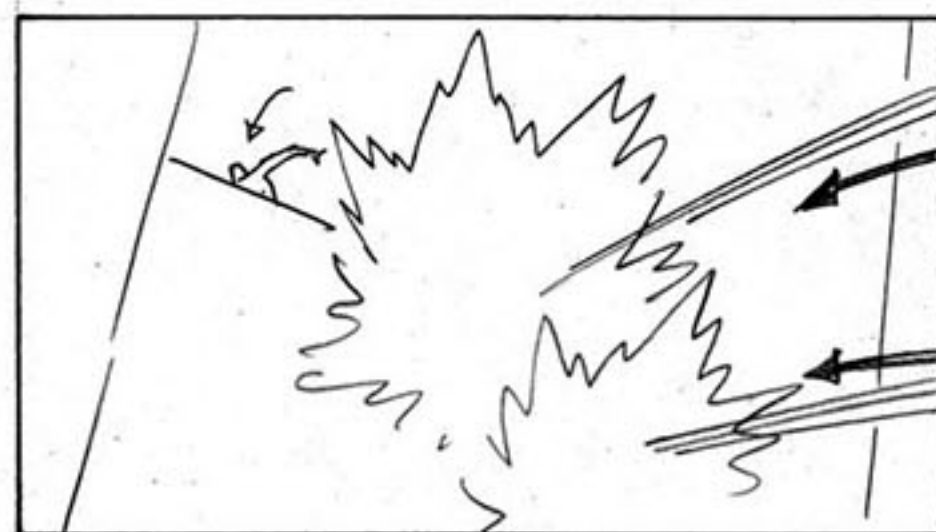

SHAKE

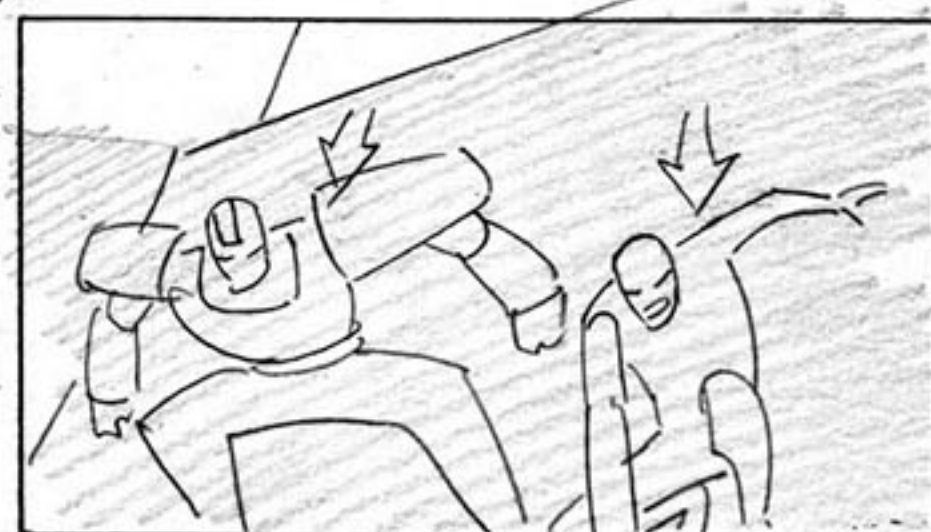

LEAP OUT

C & M leap over brick wall

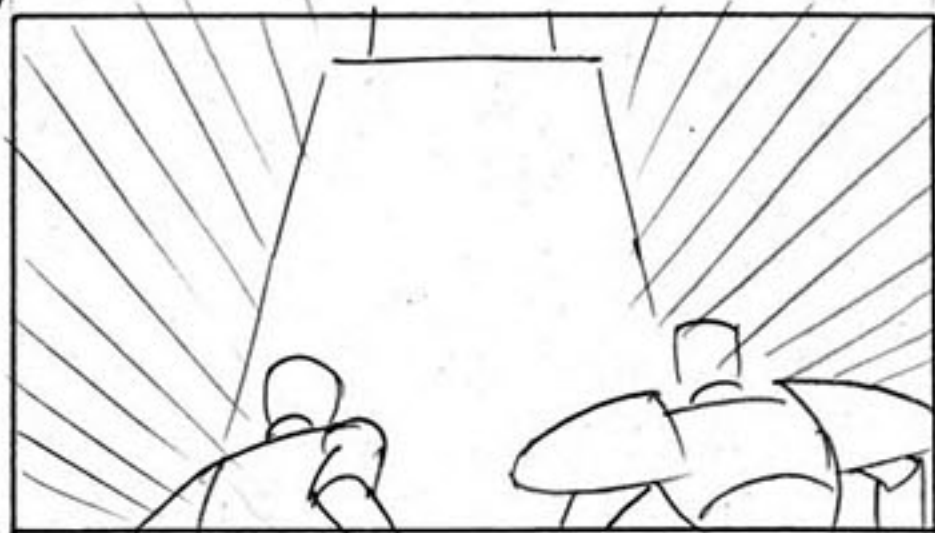

- SHAKE -

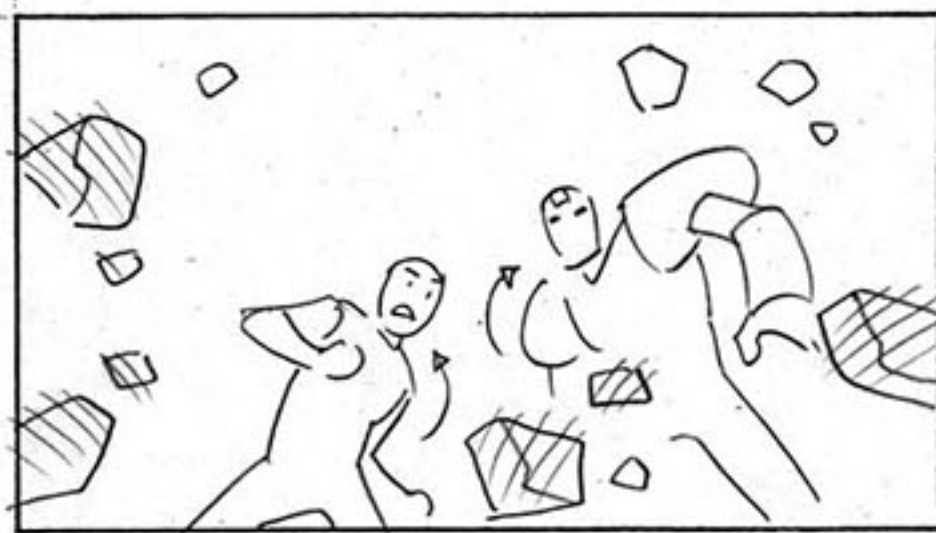

C & M look up

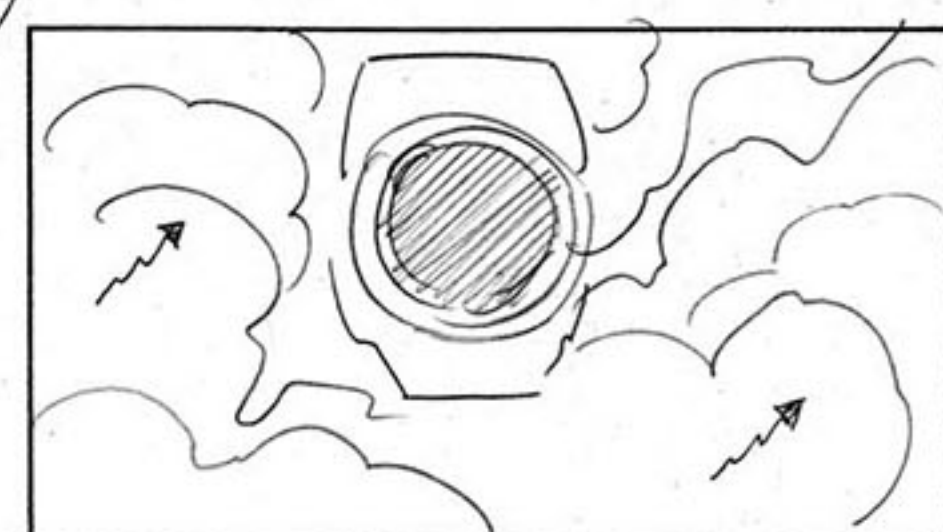

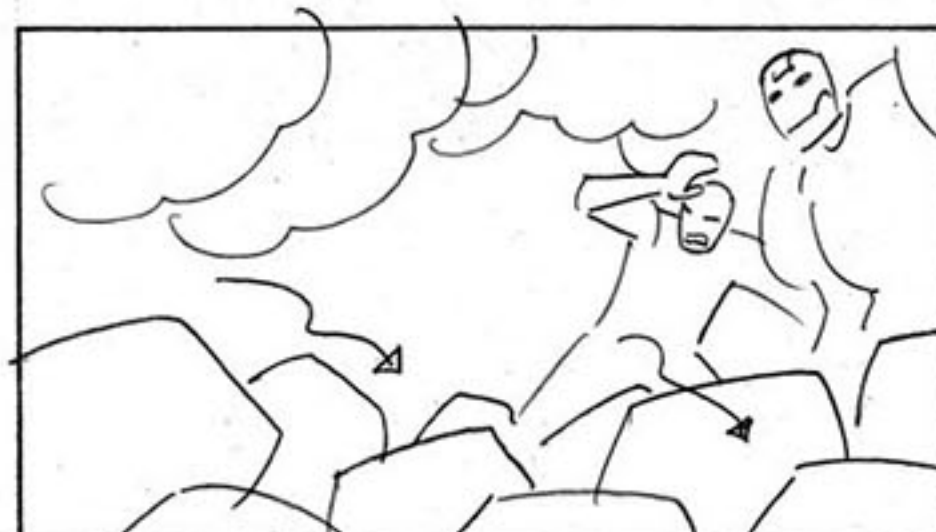

PAN

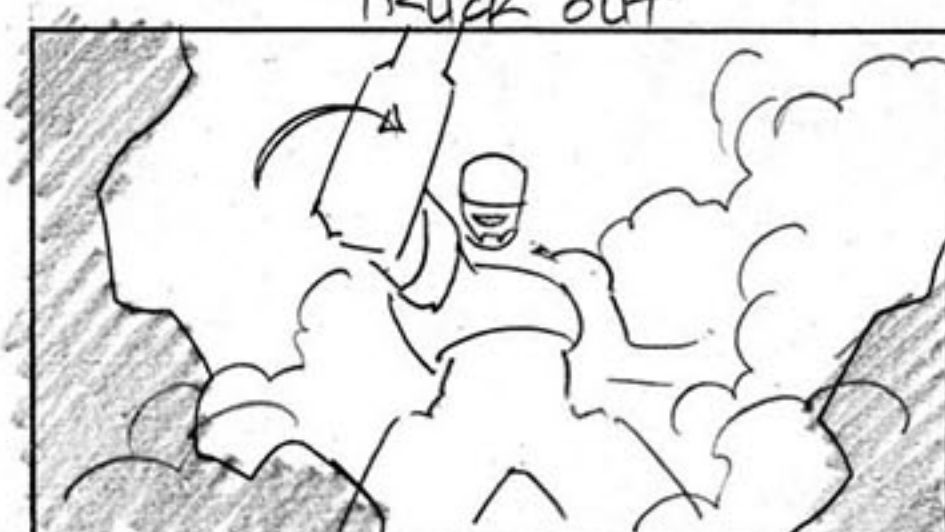

Stare up into blank wall

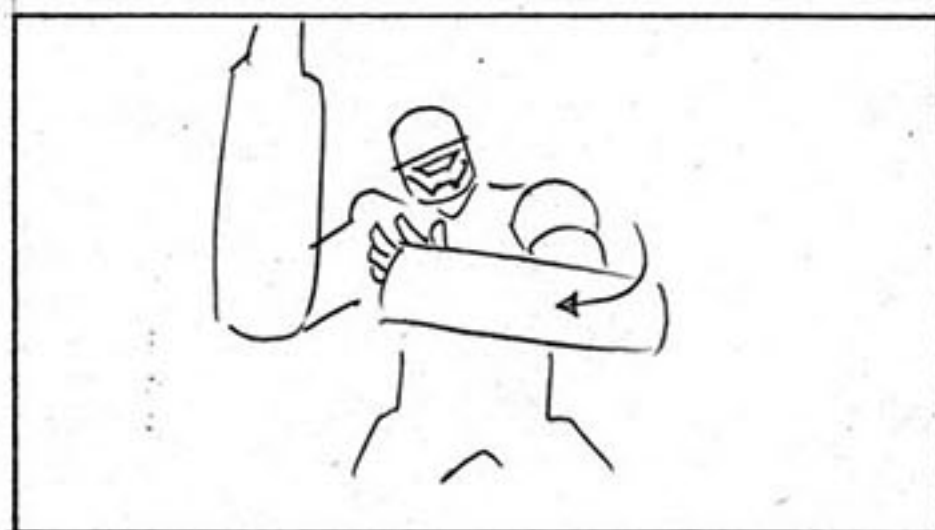

— SHAKE —

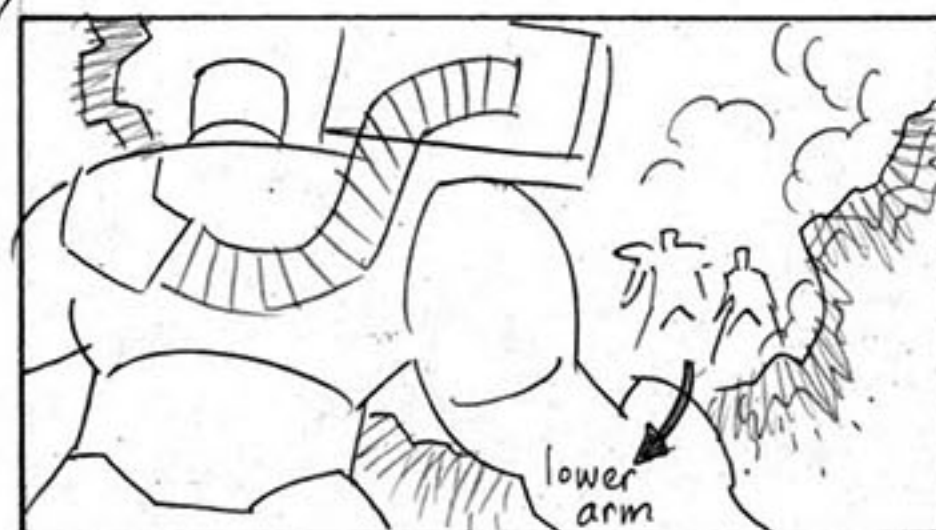

POV of MK's cannon

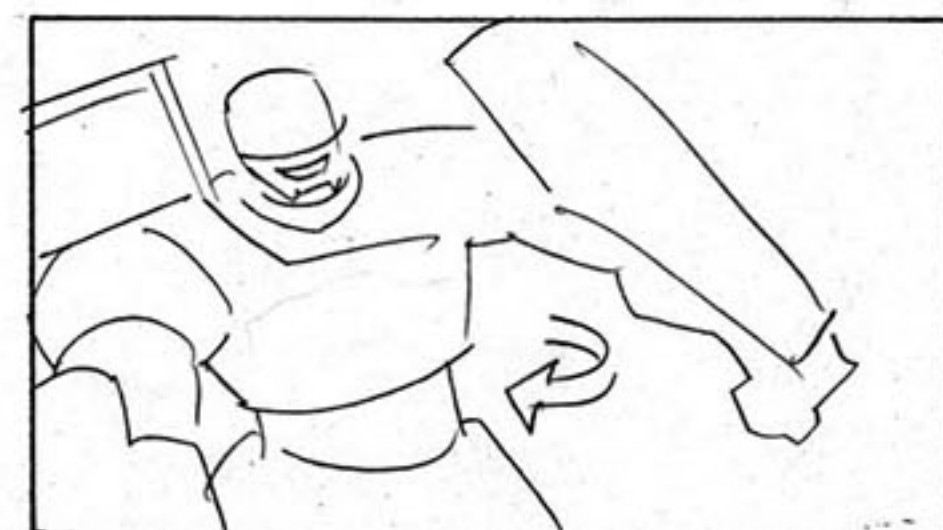

TRUCK OUT
MK: I got the footage I wanted
on the first take.

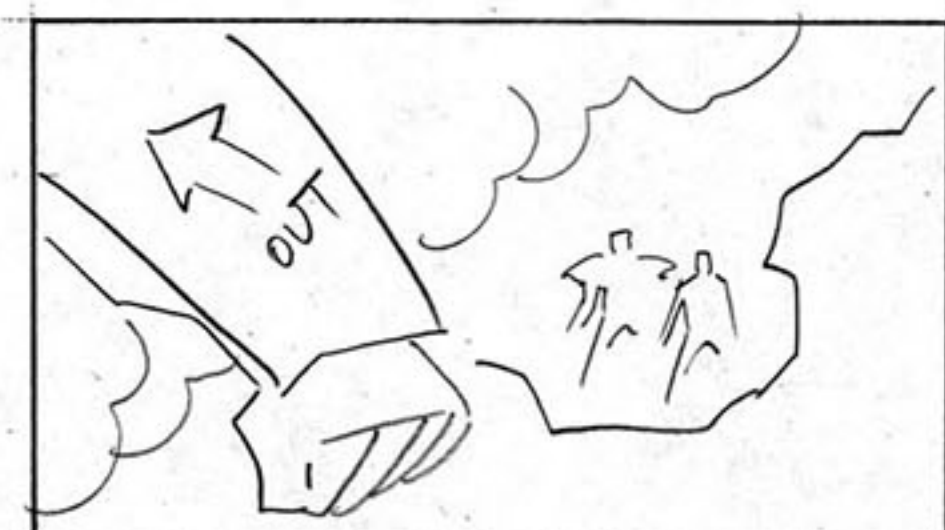

I'm that good.

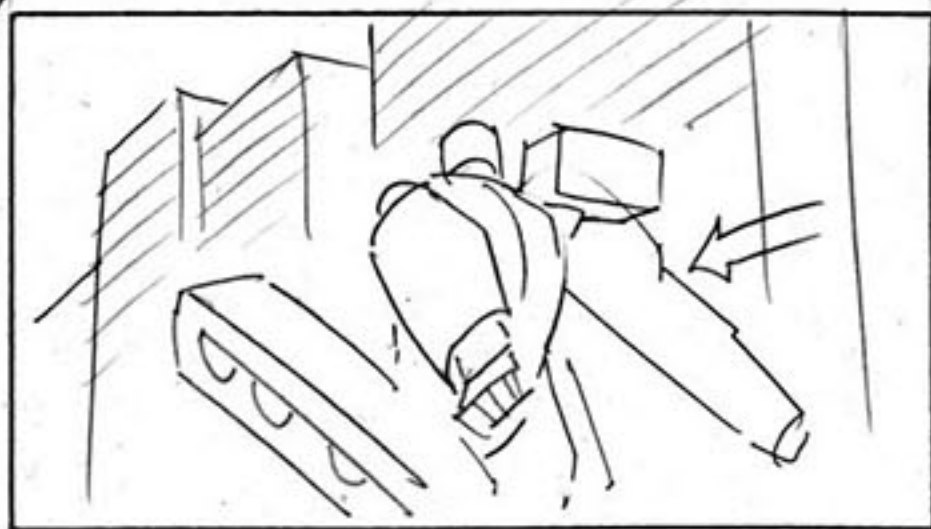

Now to gear up for the

big finale!

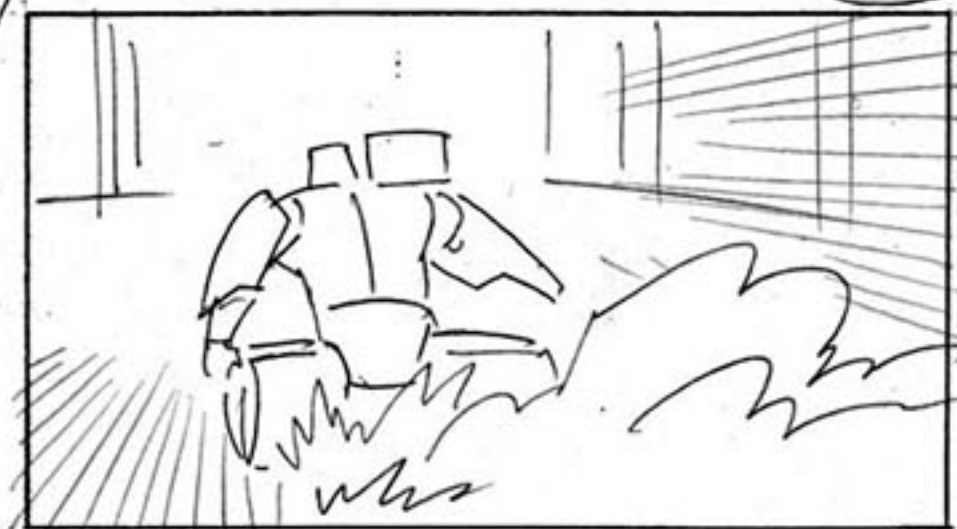

MK goes to rolling tank form

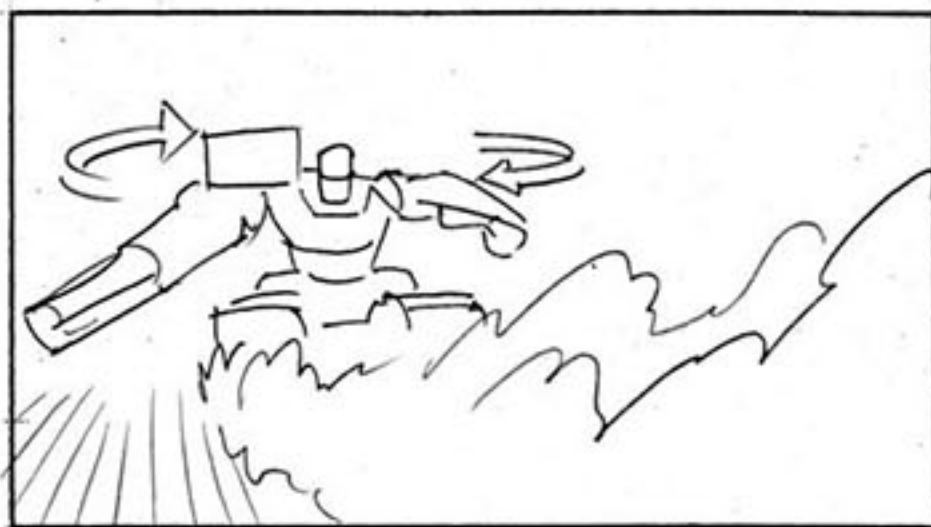

Speeds away

M&C give chase

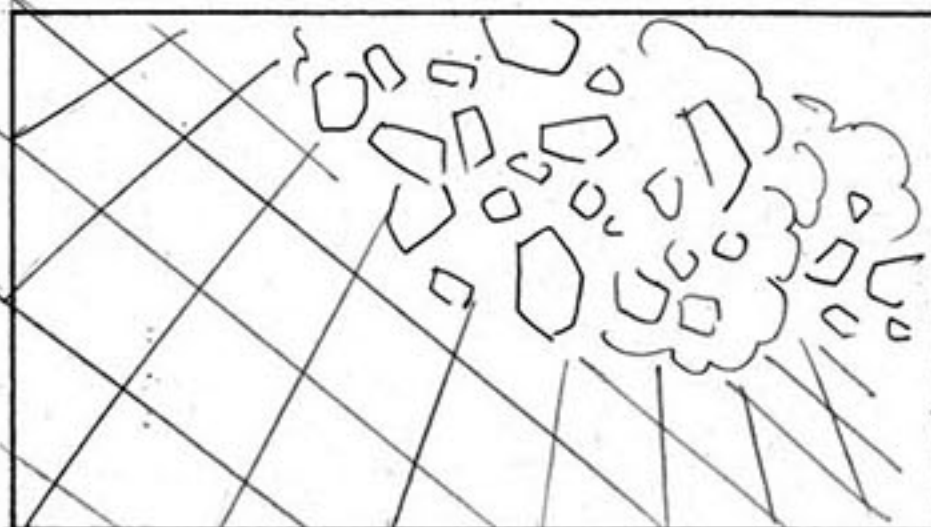

Track with MK

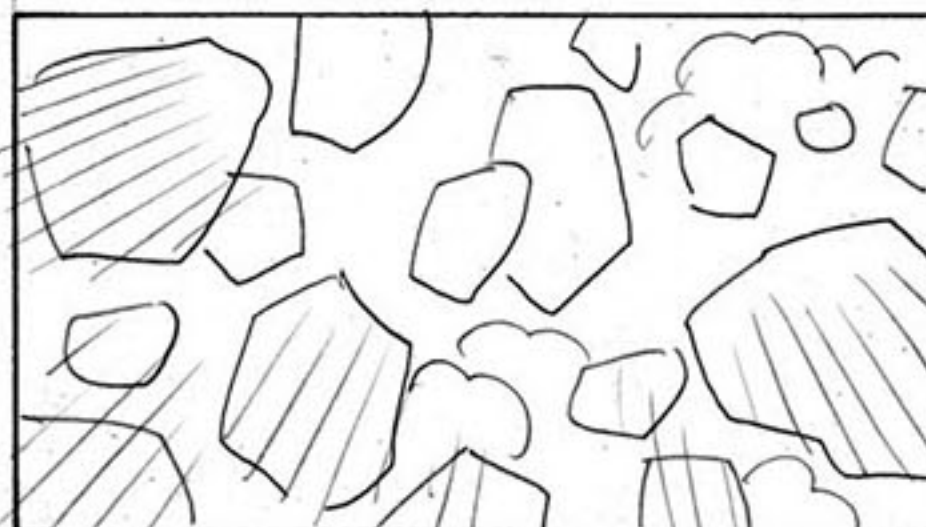

MK spins - now rolling backwards

Track with M&C running - reacting

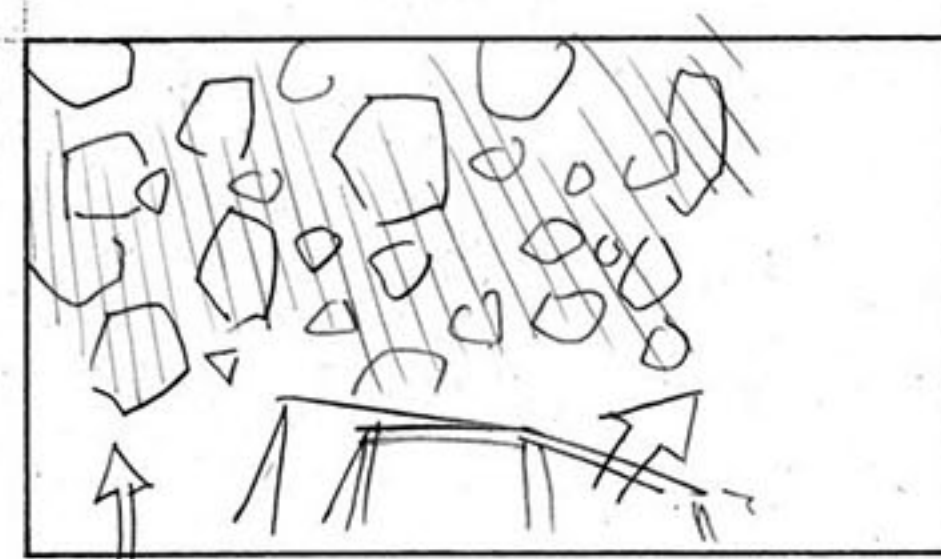

Upshot - side of bldg

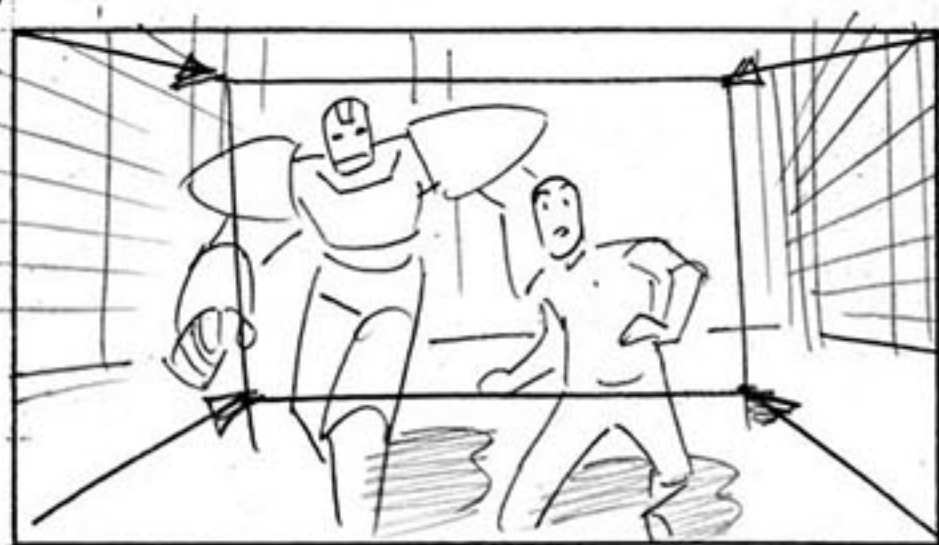

light IN

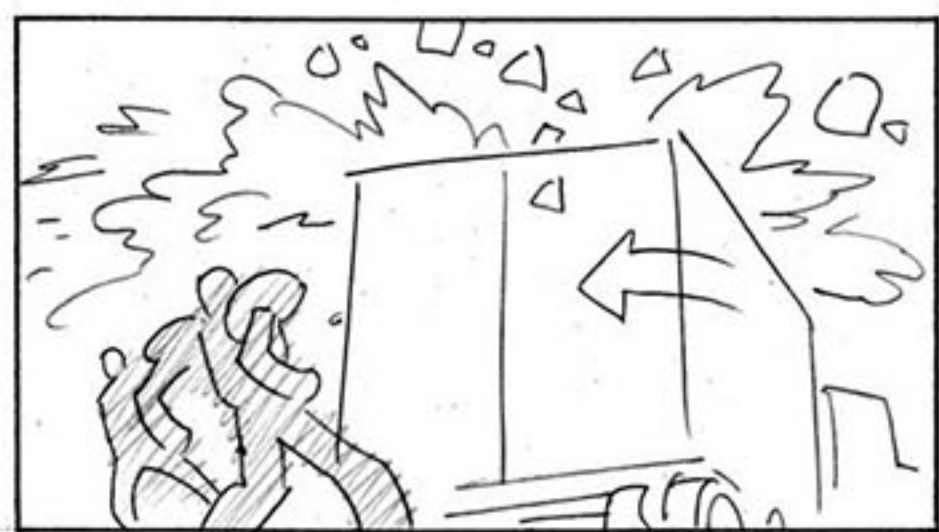

18-wheeler approaches

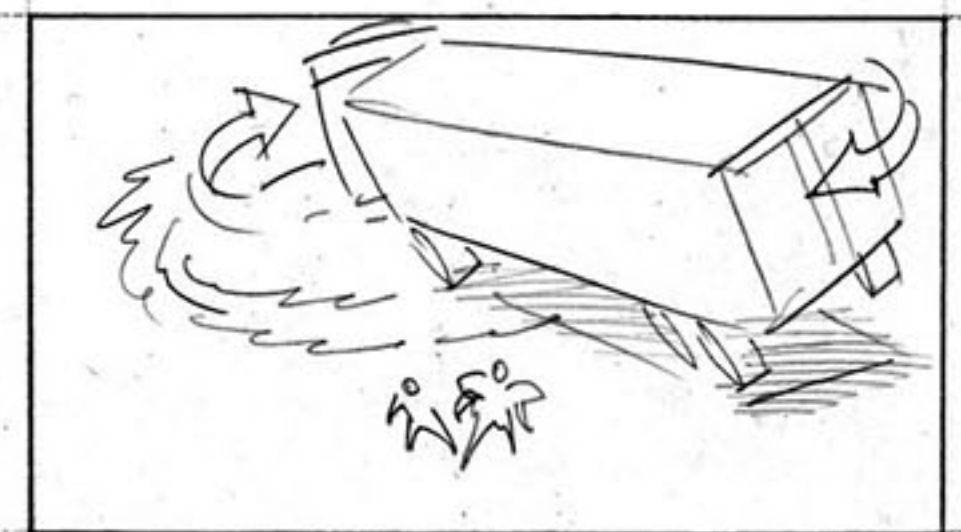

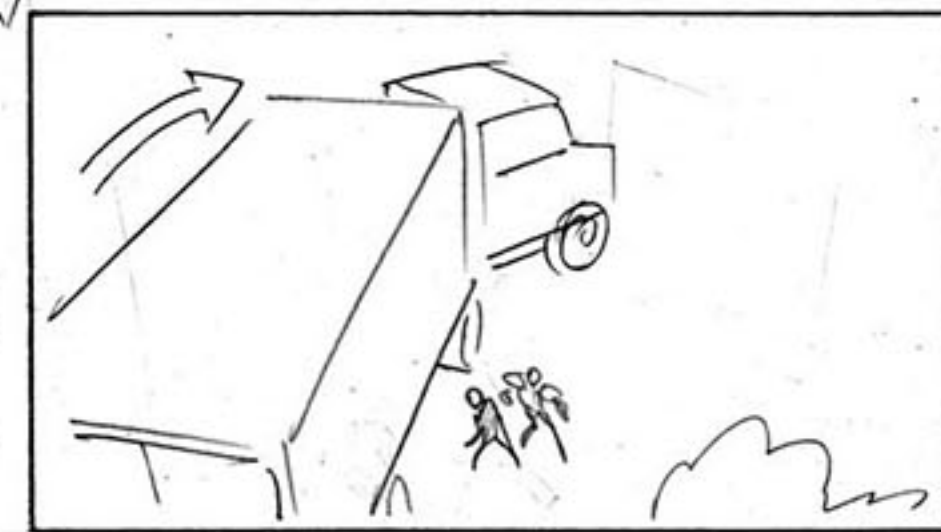

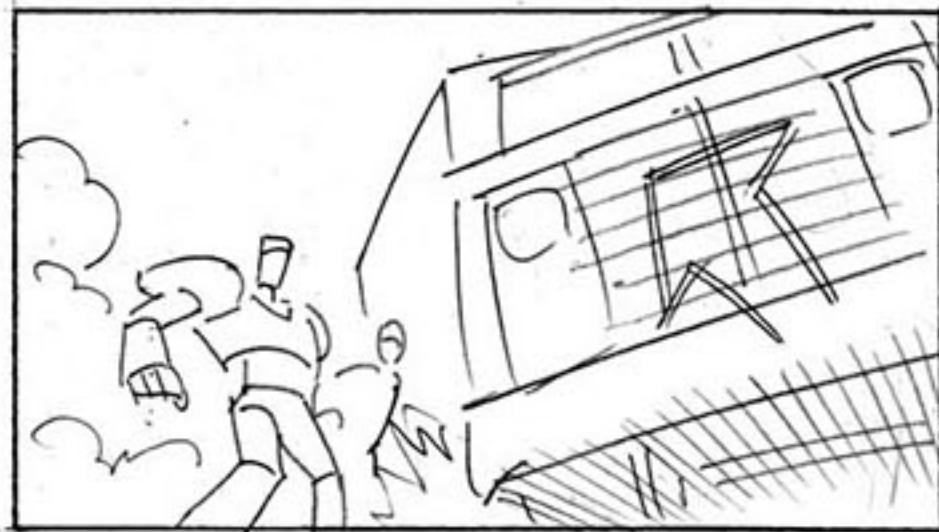

TILT UP

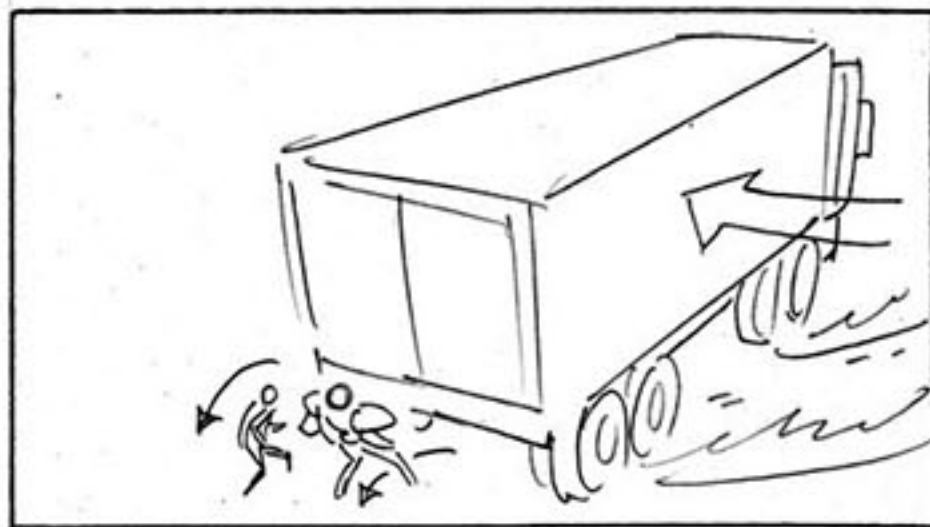

Push in on C&M

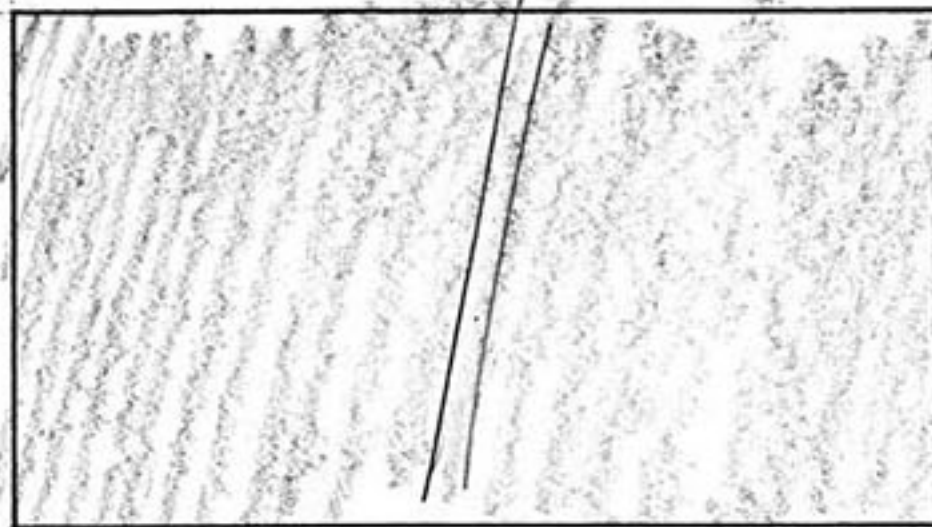

SLO MO - Truck swivels around M&C, intercepting all the debris

(end slo-mo here)

239 M: Smooth moves.

Looks like a friendly.
